

**Located at Western Kentucky University's
Community Health Sciences Complex
2355 Nashville Rd Bowling Green, KY 42101**

(directly across from Potter Children's Home and next to the Community Farmers Market)

The Lab is located in room C121

WKU South Campus is on the left about one block from Campbell Lane.

Once you turn left onto Storey Avenue turn right at the stop sign into the parking lot.

Walk across the cross walk and enter the second door to the left.

Once inside, turn right, and the lab is the first door on your left, room C121.
