Meet Your Advisor!

Hello! My name is Kassy Fineout and I will be your Exploratory Academic Advisor.

I am from East Lansing, Michigan, and graduated from Michigan State University with a bachelor's degree from the Residential College in the Arts and Humanities (RCAH) and a specialization in international development.

While in the RCAH, I focused my studies on nature and culture, studied abroad in South Africa and Ecuador, and participated in a civic engagement project as a mentor for former migrant workers looking to earn their GED.

After graduation, I spent a year as an AmeriCorps*VISTA (Volunteers in Service to America) with

Michigan Campus Compact, where I served the community of Jackson, Michigan, at Jackson Community College in several college readiness initiatives.

It was there that I discovered my passion for helping students in higher education.

I also enjoy spending time at sporting events and playing the cello.
