

Western Kentucky University

Transitional Retirees 2012-2013

The WKU transitional retiree faculty with academic rank appear below alphabetically, with highest degree held and degree granting institution listed for each member, as well as professional rank or academic title, and academic department or school. For tenure eligible faculty, the academic department or school is the tenure granting unit and the professional rank is provided; for non-tenure eligible faculty the academic department is determined by the most recent letter of appointment and the academic title is provided. The dates refer to original faculty appointment to WKU, with the second date indicating the date on which current rank or academic titles was attained. The asterisk designates Graduate Faculty status. This list is accurate as of WKU census date for Fall 2012.
