GOALS/ANTICIPATED PROGRAM ACTIVITIES:

The primary goal of Development and Alumni Relations is to support the academic departments and programmatic units of WKU by providing leadership and coordination of WKU’s external relations programs. To this end, the main focus of the division during the fiscal year will be to involve alumni in the life of the institution and to significantly increase the amount of private support secured for WKU.

Specific goals for the division include:

- Focusing alumni relations activities to further enhance student recruitment, continuing education, career networking and mentoring, community service and civic engagement, and to implement various programs which reach those objectives and involve alumni in the life of the institution;
- Continuing to enhance the data in the Advance database and implement document imaging measures to support the increased need for accurate alumni and donor records; and
- Focusing fund-raising efforts on WKU’s priorities, including people, places, and programs. An explicit focus will be on the new Scholarship Endowment Matching Campaign.
