Code	Title	Status	Initiator	Received
BIOL 516	BIOL 516: Investigations/Biology	Edited	jrr35333	12/10/2021
<p>Motion to Discuss – 1st/2nd: Hughey Discussion: Grubbs gave a brief description. Course is tied to the program revision proposals. Has a full graduate program that is divided into thesis and non-thesis. Students were short on credits and therefore wanted to fix the problem. They enhanced the BIOL-516 section and turned this into a 4 credit hour class. Vote: Approved</p>				
MUS 518	MUS 518: Advanced Conducting	Edited	cth63047	11/10/2021
<p>Motion to Discuss – 1st/2nd: Hughey Discussion: Price gave brief discussion. Tiny adjustment, credit hours, need students to take the course repeats. Vote: Approved</p>				
SWRK 680	SWRK 680: Social Work in Sports	Added	dnj86513	11/22/2021

<p>Motion to Discuss – 1st/2nd: Fessler Discussion: No one here to discuss the proposal. Arnett decided to table this one. Vote: Table until March</p>

<p>Motion to Discuss – 1st/2nd: Hughey Discussion: Make friendly amendment Then roll back to AR curriculum committee ad it will come back. <i>Friendly Amendment – check box yes – will this program lead to teacher certification?</i> Vote: Approved</p>				
0473	0473: Environmental and Occupational Health Science	Edited	edr85704	1/5/2022
<p>Motion to Discuss – 1st/2nd: Hughey Discussion: Sanyang gave a brief description about the two changes being done. Vote: Approved</p>				
0493	0493: Biology	Edited	jrr35333	12/10/2021
<p>Motion to Discuss – 1st/2nd: Hughey Discussion: Grubbs gave a brief description. 15 hours program and this is for those students that just need a little more to get in a special program. Danita asked if this certificate was very open on purpose. Grubbs, yes, they need diversity of course work. Webb wanted to look at the approval path and wondered if we should be editing it since it was already approved. Chelf thought it was just adding a header saying how many hours. Vote: Approved</p>				
0500	0500: Advanced Teacher Education	Edited	and85146	12/9/2021
<p>Motion to Discuss – 1st/2nd: Hughey Discussion: Paganelli gave a brief description on the changes. Only in specialization area, remove PE and replacement with Athletic Admin & Coaching. Also changing a few electives. Arnett/Chelf asked if we could do a friendly amendment. Having 15 hours certificates and there are a couple – New language should say “This degree program is exempted from the course duplication policy.” Need to adjust the hours in the program, can’t have below 12 hours. And this one is listed as 10-12 hours. Koodali talked briefly about the new policy and wanted to know why they are doing it this why. Just asking for a reasoning because this may come up again and he is trying to understand. <i>Friendly amendment – Change CNS 669 to 3 hours instead of 1-3 hours. Then the total would be 12. Also adding a statement under program overview, “This degree program is exempt from the Duplication of coursework policy.”</i> Vote: Approved</p>
