SAAM events wrap up

The Sexual Assault Awareness Month activities were a great success. The kick-off in the Downing Student Union (top) gave students a chance to win prizes and take a selfie with Star (right), Big Red and Dr. Gary Ransdell. *The Clothesline Project* (above-middle) was also a great success honoring women survivors as well as victims of intimate violence. (Above) The rain couldn't stop *Take Back the Night*, April 21, with more than 300 participants walking for Sexual Assault Awareness.

WKU ROTC Cadets continued to participate in Sexual Assault Awareness Month by viewing a screening of the movie, "The Hunting Ground." They also participated in "Take Back the Night" April 21. Sexual Assault Awareness Month wraps up May 4, with screenings of "The Hunting Ground" at WKU-Owensboro, Elizabethtown/ Ft. Knox and Bowling Green campuses. "The Hunting Ground" is a documentary film about the incidence of sexual assault on college campuses in the United States.

Counseling Services

College should be challenging, not overwhelming

That's why we're here to help, offering our services Monday thru Friday from 8 a.m. – 4:30 p.m. There is a ONE-TIME \$20.00 fee for paperwork and documentation. After the one-time fee, students have access to unlimited visits for their entire college career here at WKU. Our services are confidential and NO information is released without the student's written permission, unless in an emergency situation. So if your mom, grandma, or next door neighbor calls to learn about your counseling appointment, "mums" the word.

We offer individual and group counseling services to help with coping strategies, conflict resolution, and crisis situations related to:

*College Adjustment
 Bipolar Disorder
 Problem Behaviors
 Stress Management
 Depression
 Sexual Assault/Abuse
 Relationship Issues*

*Eating Disorder
 Anxiety
 Suicide Prevention
 Grief/Loss
 Decision Making
and more!*

Don't Forget! We also offer counseling for couples of all kinds: friends, relationships and roommates.
