Star’s Report

Merry month of May everyone! April has wrapped up and I was very busy. I appeared on WBKO’s AM Kentucky with Elizabeth Madariaga and Midday Live with Betsy Pierce to discuss Sexual Assault Prevention Month activities. I also participated in all the great activities like “Walk-a-Mile” and “Take Back the Night.” May is going to be a busy month—at least the first couple weeks—as finals week is coming up and I am going to be out and about wishing all our WKU students good luck on final exams.

- May 8th, I will be walking around campus from 9:15-10:45 a.m., and again from 12:15-1:15 p.m.
- May 10th, students can come see me at Potter Hall from 1:30-3:30 p.m.

Weather permitting, I will be outside, so stop by to see me.

Sexual Assault Prevention Month

The Sexual Assault Prevention Month activities were a great success. The kick-off in the Downing Student Union gave students a chance to win prizes and take a selfie with Star. A Facebook Live (Q & A discussion) event was held April 3rd. Many staff, faculty, and students turned out April 4th, for “Walk-A-Mile” at Centennial Mall. The Vagina Monologues was performed in Downing Student Union, April 10th. The rain threatened to dampen Take Back the Night, April 20th, but cleared in time for several hundred participants walking for Sexual Assault Prevention. The Clothesline Project wrapped up the month as it honored women survivors as well as victims of intimate violence.

(Above and right) Take Back the Night had a great turnout (April 20th) as hundreds of people from around Bowling Green and WKU gathered to bring awareness to Sexual Assault Prevention Month.

KATAC 2017

Memorial Day–May 29
A day to remember and honor those who made the ultimate sacrifice

The Counseling & Testing Center staff hosted the 2017 Kentucky Association of Test Administrators @ Colleges at the Knicely Conference Center in April. Testing administrators from colleges and universities throughout Kentucky gathered to learn and discuss up-to-date testing practices for a variety of academic tests such as College Level Examination Program (CLEP) tests, Accuplacer, Language testing, and more.

The CTC provides thousands of tests each year to help students earn college credit and show proficiency in several academic areas. For more information, or to register for an exam, visit www.registerblast.com/wku.
Counseling Services

College should be challenging, not overwhelming

Interested in our services? There are two ways students can make an appointment:
1. Call our office at (270) 745-3159.
2. Stop by our office in Potter Hall, Room 409.

Once an appointment is made, we ask students to stop by the office prior to their appointment date to fill out paperwork. It takes about 20 minutes to complete. The one-time fee of $20 (for paperwork and documentation that provides students with unlimited visits for their entire college career here at WKU) is due on the first appointment day and can be paid by cash or card only.

That’s why we’re here to help, offering our services Monday thru Friday from 8 a.m.—4:30 p.m. Our services are confidential and no information is released without the student’s written permission, unless in an emergency situation. Individual and group counseling services are provided to help with coping strategies, conflict resolution, and crisis situations related to:
