Dear Full-Time Faculty and Staff:

As part of the Compensation and Performance Initiative currently underway at Western Kentucky University, we are asking for your participation in this brief anonymous survey. The survey is available here (survey is closed). It should take less than 5 minutes to complete. The results of this survey will establish a baseline of perceptions surrounding the compensation program at WKU and may be used to measure progress over time.

The survey is hosted by Sibson Consulting, who will hold the individual responses confidential and will only report back to WKU administration overall results and themes. The survey results will be published on the WKU HR website in a future phase of the initiative.

Please complete the survey by October 4, 2019. Your feedback is very important, and we thank you in advance for your participation!
