## **Scramble**

Participants will play a 4 person scramble format. Each player will hit his or her tee ball to begin each hole. The team will choose the best shot and from that spot each player will hit his or her second shot. This format will continue until completion of the hole and a single score is recorded. Upon completion of the round, the 18 hole total will be the team's overall score.

A minimum of 3 tee shots must be used by each player on the team.

The holing of any shot constitutes the end of the hole for that team and the score at that point becomes final. This situation typically becomes an issue when a team having a particular putt has a player miss the putt and decide to putt out before the second player has an opportunity at the original putt.

## **Crosswinds Golf Course Rules**

Be sure to follow all course rules. For a copy of course rules, please refer to the course rules sheet.

## **Improving your lie in a scramble**

Each participating team must mark the spot of each selected shot with either a golf tee or divot repair tool. At that time all members of the team may lift, clean, and place their golf ball according to the stipulations listed below.

## **Fairway**

The ball may be placed one club length from the spot of the selected ball no nearer the hole. When placed, the ball must remain in the fairway.

## **Rough**

The ball may be placed one club length from the spot of the selected ball no nearer the hole. The replacement of the ball may improve the team's stance, swing, and line of sight, but must not be placed outside the one club length limit. When placed, the ball must remain in the same cut of rough in which the selected ball came to rest.

## **Hazard**

The ball may be placed one club length from the spot of the selected ball no nearer the hole. The placement of the ball may improve the team's stance, swing, and line of flight, but must remain within the one club length limit and remain in the same hazard in which the selected ball came to rest. In regards to sand traps, the trap may be raked before placement of the ball.

### **Putting Green**

The selected ball may be placed one putter-head length from the spot of the selected ball no nearer the hole.

### **Putts**

Putts inside of the putter's leather are considered good.

### **Scoring**

At the completion of play all teams are to sign and attest their respective scorecards and turn them into Crosswinds Golf Course Staff. Each scorecard must have the signature of the scorer as well as a signature from the participating team.

### **Tie Breaking Policy**

Crosswinds Golf Course Staff will determine all ties utilizing a "card-off" system. The scores starting on the #1 through #18 handicapped ranked holes will be used to determine the winners.

### **Skirts & Mulligan**

Teams are allowed to buy one skirt per player. A skirt permits one male player from the team to hit from the Ladies tees, or one female player to hit from the 200 yard marker. Skirts cost \$5, and there is a limit of one skirt per player.

Teams are allowed to buy 2 mulligans per player. A mulligan is a shot not counted against the score. This is permitted to a player whose previous shot was poor. Each Mulligan cost \$5.

Note: No player may win the long drive pin prize, closest to the hole pin prize, or hole-in-one competition by using a mulligan or a skirt.

### **Hole-in-One Competition**

To win a hole-in-one prize, it must be that players first shot during that round at that hole. Each hole-in-one prize can only be won once during the round and will be awarded to the first player to hit the hole-in-one.

Note: You cannot win the hole-in-one competition by using a mulligan or a skirt.

### **Tees**

Men: Gold Markers

Men Seniors (65-74): Green Markers

Men Super Seniors (75 & Older): Red Markers

Ladies: Red Markers
