WKU-ISSS Spring-2011 Activities

ISSS has scheduled a list of activities for the Spring-11 semester to allow international students to come together to meet old friends and make new ones. It takes a lot of resources and preparations to schedule social events for WKU international students; therefore, there are limited number of seats are available for each event. Students who are interested to participate in any of the events listed above MUST stop by ISSS office to pay and register for the event of their interest as early as possible. Here is a list of the activities we have scheduled so far. Please plan to join us for all of them! And do stop by our office anytime this semester. We would love to have the opportunity to sit, drink coffee or tea, and just chat with you.
