

Blackboard Mobile™ Learn

# Access your courses here, there, anywhere.

Shouldn't your courses be interactive in the classroom, online, and when you're on the go? Using Blackboard Mobile Learn now you can access your courses, and stay connected to instructors and classmates, wherever and whenever you want from the palm of your hand. Welcome to the world of mobile learning.

**Blackboard Mobile Learn extends and enriches the Blackboard® course experience in native apps built for a range of popular mobile devices.**

Using Blackboard Mobile Learn, you get:

1. **Instant Course Access.** View and post back to key areas of your Blackboard® courses and organizations, including Announcements, Discussion Boards, Blogs and Journals.
2. **Network and Wireless Options.** Access your courses on the Sprint 3G/4G network on select Android and BlackBerry® devices as well as over Wi-Fi only on the Apple® iPad™, iPod touch® and iPhone®.
3. **Free Mobile App.** Download the "Blackboard Mobile Learn" app from the store for your device at no cost thanks to Blackboard's partnership with Sprint and their commitment to foster mobile learning in higher education.

# Blackboard Mobile™ Learn

## FREQUENTLY ASKED QUESTIONS
