Major in Advertising  
Creative Print Design Track  
School of Journalism & Broadcasting  
Potter College of Arts & Letters  
Western Kentucky University

**Four-Year Academic Degree Path**  
Catalog year 2014

The following four-year plan is an example of how to map your program in consultation with your advertising faculty advisor. Every student will finish with a unique plan of his/her own depending on electives selected. **The 24 hour minor in graphic design for advertising majors is required.** Refer to the University Undergraduate Catalog for additional information.

**Admission:** Students wishing to enter the major in advertising initially are admitted as majors seeking admission (reference 727P). Prospective majors may take no more than 15 hours in the major before admission. Students must meet the following requirements before they can be admitted:
1. Completion of a minimum of 24 hours of course work applicable to a baccalaureate degree;
2. A minimum overall grade point average of 2.5;
3. Completion of ENG 100 with a grade of ‘C’ or better and nine additional hours in the General Education Program;
4. Completion of the following courses with a grade of ‘C’ or better: SJB 101, 102, 103, and AD 341.

Students not meeting the above admission requirements will not be admitted to the advertising major and cannot register for any additional courses in the major.

**CURRICULUM:** The major in advertising (reference number 727) requires 36 to 37 semester hours and leads to a Bachelor of Arts degree. No course with a grade of “D” or below may be counted toward the major or fulfill prerequisite requirements. One-half of the hours in the major must be at the 300- or 400-level.

Students must take a minimum of 72 semester hours in courses outside of the School of Journalism & Broadcasting unit including the University’s general education requirements. In addition to meeting institutional requirements for graduation, the advertising major must have a minor or second major outside of the School of Journalism & Broadcasting and Film Studies that is approved by the major faculty advisor. Students may not select a minor in film studies, or from those offered within the School, unless taken as a second minor.
