

BLACK

Material Culture

TUESDAY, OCTOBER 15
5-6PM

DR. TIFFANY MOMON
Assistant Professor
The University of the South
Sewanee, Tennessee

Black Material Culture with Dr. Tiffany Momon, Assistant Professor, *The University of the South*. This talk will focus on Dr. Momon's community-based historic preservation projects with the *Black Craftspeople Digital Archive*, a black digital humanities project that centers black craftspeople, their lives, and their contributions to the making and building of America.

Sponsored by the Kentucky African American Heritage Commission
