

From South of WKU Campus

1. Follow University Blvd with Diddle Arena to right.
2. Go through light at University Blvd and College Heights. KY Museum is on the right (**#14 on this map**).
3. Chaperones may park to the right in the small “Kentucky Building Lot” or to the left in the “Adams Street Lot.” In Adams Lot, park only in “Visitors” spaces (**marked with Kentucky Museum Visitor signs**). Visitors should sign the parking log at front desk of the KY Museum and provide car make, model, and license plate number for parking control.

From North of WKU Campus

1. Follow Old Louisville Rd/Duncan Hines Hwy. Basically straight shot to the parking lot for the museum.
2. Road name changes to Adams Street. Continue on Adams approximately 1.5 miles.
4. Look for Adams Street Lot on left, across from Textbook Brokers. In Adams Lot, park only in “Visitors” spaces (**marked with Kentucky Museum Visitor signs**). Visitors should sign the parking log at front desk of the KY Museum and provide car make, model, and license plate number for parking control.

**KY Bldg. Lot
Visitor Parking**

**Adams Street

Role as Chaperone

Thank you for serving as a chaperone! We depend upon you to supervise the students to ensure safety. With several hands-on activities with students, we need the active participation of all chaperones. A gentle reminder to please silence cell phones, since cell phone conversations are disruptive to the tour guides. You may also help by taking a few photos of your group. There are plenty of wonderful photo opportunities.

Each year, we have the most wonderful experiences with our many field trips. The teachers and chaperones are always professional and well organized, and the students are well mannered and inquisitive! We are looking forward to your visit! Thank you again for your volunteer service!
