

WKU[®]

DEPARTMENT OF MATHEMATICS

Joint Undergraduate – Master's Program (JUMP)

What is JUMP?

JUMP provides undergraduate students the opportunity to begin working toward an M.S. in Mathematics. These students may take graduate classes that count toward their undergraduate **and** graduate degree.

Eligibility

- Math major
- Junior classification (not in your last semester)
- 3.2+ GPA

Benefits

- Double count 9 graduate hours
- Significantly lower the cost of obtaining a master's degree
- Reduce the overall time of completing the MS in Mathematics graduate program
