The culture, people and beauty of Bosnia and Herzegovina will go on display Thursday at Spencer's Coffee at 915 College St. with the opening of a new photography exhibition.

James Kenney, a photojournalism professor at Western Kentucky University, will showcase his work beginning at 7 p.m. The exhibit, called Belief in Bosnia, features photographs taken in Bosnia and Herzegovina that document the country's progress.

The exhibition is part of the WKU Office of International Program's International Year of Bosnia and Herzegovina activities taking place throughout the 2017-18 school year.

The exhibition will be on display from Feb. 15 through May 15 at Spencer's Coffee.
