Langley Williams, a 2019 graduate of Central Hardin High School, was awarded a \$1,000 scholarship from the Jeff and Mary Key Scholarship for the 2019-20 academic year.

Williams is a freshman at Western Kentucky University pursuing a double major in biochemistry and Chinese. She is part of the Chinese Flagship Program and the Mahurin Honors College at WKU.

The Jeff and Mary Key Scholarship was established in 2017 by Jeff Key to honor the Key family including his wife, Mary, and children, Jessie and Shelby. Administered by the College Heights Foundation at WKU, the scholarship fund will exist in perpetuity and award a scholarship each year to an incoming freshman who is a graduate of Central Hardin High School or a resident of Glendale.
