Scarboroug will attend Western Kentucky University in the fall with a major in physical therapy and exercise science. Presenting the Award is Lois Pierce, Zonta scholarship committee member.

Scarborough receives Amelia Earhart Scholarship

During the February Zonta Club of Elizabethtown meeting, club members awarded the Amelia Earhart Scholarship to Reagan Scarborough, who has plans to attend Western Kentucky University in the fall with a major in physical therapy and exercise science. Scarborough is a high school senior at Central Hardin High School and also is enrolled in the EC3 Academy.

Even with this busy academic schedule, she is employed at PT Pros in Elizabethtown. The scholarship is geared for high school girls with college plans for degrees in engineering, the sciences or medicine.

The Zonta Club of Elizabethtown, as well as other Clubs, sponsor various scholarships and awards. The Elizabethtown Club routinely awards the Amelia Earhart, and the non-traditional scholarship to assist women who are reentering the college scene later in life and may have added responsibilities of family and work making higher education more of a challenge. Additionally, the club sponsors the Young Women in Public Affairs Scholarship as applications are submitted.

The club further supports local non-profits as well as promoting equality and safety for women locally and worldwide.

Zonta's Mission is to address, both locally and internationally, issues of fairness and equality for women, girls and children academically and in the workplace as well as advocating against gender-based violence, child marriage and human trafficking. Further the club has an interest in promoting the awareness for climate change and it's impact on women. The club is part of Zonta International with membership of like minded professionals from diverse countries and cultures. For more information about Zonta, go to zontainternational.org, find it on Facebook or for membership inquiries, contact Lee Ann Caudill at 270-900-0645. Meetings are the fourth Thursday evening at Shoney's, dinner is at 5:30 p.m. and the meeting is at 6 p.m.
