32 Western Kentucky University students, including one from Harned, have been selected as Spirit Masters for the 2025-26 year.

Spirit Masters, known as the official student ambassadors of WKU, serve to preserve traditions, strive for excellence and make the spirit of WKU contagious. They do this through service to the university. According to the organization's mission, Spirit Masters work with each other and WKU officials to extend the spirit of WKU to others so they, too, can understand how "The Spirit Makes the Master." Spirit Masters were first presented to the University in the spring of 1981.

15 WKU students have been newly selected as Spirit Masters for 2025-26. They are:
