

## Frequency of Course Offerings

**Chinese Major (#624): 36 credit hours**      **Chinese Minor (#337): 30 credit hours**      (both starting with 102)

The Chinese major and minor program provides WKU undergraduates with extensive language training and an in-depth study of Chinese culture and society, which prepares them to use Chinese proficiently in their professional endeavors. Combining the courses offered at WKU and study abroad programs in China, students can finish the Chinese major or minor within 2-4 years. Our class schedules are listed below.
