

Directions for NOMINATING Students On-Line WKU HONORS BAND CLINIC

In order to maintain the concept of an "Honors" event, each director should nominate **only the most dedicated and accomplished players from their band. Students that are selected typically have previous distinctions as an All-District or All-State level player**, and have earned “**Distinguished**” ratings at Solo and Ensemble festivals. The players should be listed in order by ability as a performer. We also request that you nominate a "cross section" of instrumentation. We will select as many players as possible from the top of each director's nomination list, and afterwards, select other players according to the instrumentation needs. Of course, the selection process will be sensitive in the areas of achievement (past honors), and then seniority. **PLEASE NOTE: THERE IS A 9/10 RED HONOR BAND FOR OUTSTANDING FRESHMEN AND SOPHOMORES ONLY.** Please nominate your BEST freshmen and sophomore students that would qualify for the top chairs in a 9/10 All-District or All-State Band. WE MUST ASSUME THAT STUDENTS NOMINATED WILL ATTEND IF SELECTED. Please check with them *prior* to nomination. Also, it should be noted that attendance at ALL rehearsals is expected. It would be quite unfair to both the clinician and other students to have someone miss evening rehearsals and concerts for ball games, academic team events, etc.
