*Tuition costs listed are for **nursing courses only** (does **not** include any costs for general education courses) and is estimated using WKU's 2017-2018 in-state residency tuition rate.

**Costs vary depending on state of licensure (Kentucky vs Tennessee).

[^]Refers to term in which student will take the NUR 150 LPN to RN Transition course. This is *after* they are accepted to the program but *before* they start actual nursing courses. Example: If student is accepted in to the program for Summer 2018, the student would take NUR 150 in the 2nd Bi-Term of Spring 2018, before starting nursing courses in May 2018.

Please note this cost list is an estimation only utilizing costs as of October 2017 and is subject to change at any time without notification.
