

2016 STEMshot Rocketry Competition

Good afternoon, The third annual STEMShot compressed air rocket competition will be held Saturday Oct. 15, 2016 at the WKU Center for Research and Development (....see below for additional directions). STEMshot fun and creative way of engaging students in the practices of scientist and engineers is an effective of addressing next generation science. The competition is open to elementary through high school student teams. Check-in will begin at 8 am with the first rockets being launched at 9 am central time.

The contest theme for 2016 is “Rocket Bowling”. Teams will attempt to score points by knocking down plastic cup pins. A coaches training session will be held Thursday Sept. 29 at 5 pm at Western Kentucky University. Meeting details and contest rules will follow by e-mail.
