

WKU Ogden Outreach

Camps

To schedule one or more of the Ogden Departmental Outreach activities listed below, feel free to contact the Ogden Science Outreach Coordinator, John Inman at (270) 745-3048 or john.inman@wku.edu, or by clicking the Schedule Activity button. Scheduling or getting more information can also be done with the contact person listed with each activity.

AGRICULTURE: <http://www.wku.edu/agriculture/>

***A.S.S.E.T. (Agriculture Students Striving for Effective Tomorrows) (Camp)**

- Held in June at the L.D. Brown Exposition Center. Upcoming high school seniors attend a leadership conference where students live on campus for four nights. Workshops, etiquette dinners, industry tours, and other activities help build leadership skills while educating the students about WKU's Ag program. Please contact DeAnna Durrant at (270) 745-3151 or deanna.durrant@wku.edu. A.S.S.E.T. link: <http://www.wku.edu/agriculture/assetconference.php>

***South Central KY 4-H Horse Camp (Camps)**

-Held in April at the L.D. Brown Exposition Center. Elementary through high school students attend. 4-H students camp and participate in education programs related to equine shows and contests. Please contact DeAnna Durrant at (270) 745-3151 or deanna.durrant@wku.edu.

GEOGRAPHY AND GEOLOGY: <http://www.wku.edu/geoweb/>

***WKU Weather Camp--Middle School (Camps)**

-Members of the Meteorology Club at WKU host and run this summer camp. For more information, contact Dr. Josh Durkee at (270) 745-8777 or Joshua.durkee@wku.edu.

PHYSICS & ASTRONOMY: <http://www.wku.edu/physics/>

***Science Curiosity Investigation (SCI) Day Camps (Camps)**

-Hardin Planetarium offers science camps for young people grades 3 through 6 during Fall Break, Spring Break and in the summer. Contact Ronn Kistler for more information at ronn.kistler@wku.edu or (270) 745-4044

SKyTEACH:

***Governor's Scholar Program at Bellermino University (Camps)**

-For more information, contact Rico Tyler at (270) 745-3900 or rico.tyler@wku.edu.
