### What is it?

The Health Professions LLC provides a residential environment that fosters peer networking and academic success. The following pre-professional concentrations are available at WKU:

Pre-Occupational Therapy, Pre-Chiropractor, Pre-Dental, Pre-Medicine, Pre-Optometry, Pre-Physician Assistant, Pre-Pharmacy, Pre-Physical Therapy, and Pre-Veterinary.

### Living & Learning Community Benefits

- Academic success
  - Studies have shown that members of a LLC have higher GPAs than other on-campus students
- Access to resources
  - Structured social and educational activities that promote faculty and peer networking
