

Please complete and upload your application by Friday, September 1st, 2023

After you have completed your application, please save a copy and upload it here:
<https://forms.office.com/r/B1ttAz2gBQ>

*Priority will be given to projects that have not been previously funded.

When you upload your application, you may append photos or other materials to this document, or you may upload separate files (limited to 4 separate files).

Name of Project:

Name of PCAL Department, Unit, or Organization:

Name of person completing the application:

Email of person completing the application:

Department/Unit Head Email:

Has your department or organization been awarded from this fund in the past?

If yes, please describe what the funding was used for (300 words or less). If unsure, contact your department/unit head and/or your department PCAL DEI Committee representative.

How much funding are you requesting for this project?

Provide a breakdown of costs. Include description of other sources of funding.

Expected date of completion

Please provide a brief description of your project, how it will be advertised (if applicable), and the intended outcomes (500 words or less).

Please explain how this project, including expenses, prioritizes one or more of the following (500 words or less):

1. Programming that promotes recruitment and retention of underrepresented minority/marginalized students
2. Programming that promotes sustainable curricular innovation or enrichment activities
3. Programming with a broader impact on our community (PCAL and beyond)
