PREREQUISITE COURSE WORK FORM

List the courses you have taken to complete the pre-requisite requirements for admission into the WKU DPT Program. If the lab component of a science course was graded separately, list both the lecture and lab component individually in the respective row. Only list the courses and grades for the required courses. Indicate courses in progress by writing "IP" in the "Grade" column as well as for future courses and write the planned semester and year in the respective column. **Grades lower than a C are not accepted in the prerequisite courses below.**

Prerequisite Courses	Course & Number	University or College	Semester & Year	Hours (credits)	Grade	**Grade Points**
Biology/Anatomy						
Biology						
Anatomy/Physiology						
12 hours (3 semesters) of lecture and lab based biology and anatomy for science majors						
Chemistry						
2 semesters of lecture and lab inorganic chemistry for science majors						
Physics						
2 semesters of lecture and lab physics for science majors						
Statistics						
1 semester of statistics or research methods						
Social Sciences						
6 Semester Hours psychology, sociology, anthropology, ethics philosophy, etc.						
Prerequisite SCIENCE ONLY Grade Point Average (GPA) Only include the above Biology, Anatomy, Physiology, Chemistry, & Physics courses (Science grade points divided by Science semester hours)				Semester Hours	Grade Points	Prerequisite SCIENCE GPA
Prerequisite (total courses above) Grade Point Average (GPA) (total grade points divided by total semester hours)				Semester Hours	Grade Points	Prerequisite GPA

**To determine Grade Points, multiply the number of credit hours with the letter grade points below

Letter Grade Points: A = 4.0 A- = 3.67 B+ = 3.33 B = 3.0 B- = 2.67 C+ = 2.33 C = 2.0
