3:00										
3:30										
4:00										
After 4			4-5pm Mitchell Harmon		5-5:30pm Scott Cassady					

The Physics Help Center will be open from Monday, August 25 to Thursday, December 4, 2014. Tutors will leave a note on the door if they are unable to make their time. If you have any problems with the tutors please send an email to Austin Webb at [brent.webb373@topper.wku.edu](mailto:brent.webb373@topper.wku.edu). Tutors will not be working on days when the university is closed or there are no classes. If you would like additional one-on-one tutoring, please contact Austin and he will coordinate those times with available tutors.
