Oregon Department of Education, Healthy Kids Learn Better (HKLB) –Team Leader 2005-2007
255 Capitol NE
Salem, Oregon

As Team Leader of the Healthy Kids Learn Better program I have a primary responsibility to work with our HKLB team members in the areas of HIV/AIDS, coordinated school health, including physical activity, nutrition, tobacco, and asthma. Additionally, I plan and coordinate the HKLB coalition which is made up of nearly 40 non-profit organizations and agencies. There is also a strong partnership between Oregon Department of Human Services and the Oregon Department of Education, (HKLB Blueprint) for which I am the primary liaison. Additionally, I manage the funding (through the Center's for Disease Control) for this program.

Director, New York Statewide Center for Healthy Schools 2001- 2005
77 North Ann St.
Little Falls, New York

As Director of the Statewide Center for Healthy Schools I have direct responsibility to plan and manage all personnel and projects associated with the center. This includes contracting with individuals and institutions, working with the School Health Infrastructure Team (SHIFT) made up of members of the NYS Department of Health and the NYS Department of Education, and the School Health Alliance Group, which is made up of non-profit organizations and agencies. Additionally, I manage all aspects of the grant that supports the Statewide Center for Healthy Schools, Coordinated School Health Programs, and the Physical Activity, Nutrition and Tobacco project, and HIV/AIDS, which are also a grant projects but funded through a different sources.

Chair, Department of Health Promotion and Human Movement 1997-2001
School of Health Science and Human Performance
Ithaca College
Ithaca, New York

Responsibilities include: leading a department of 9 full-time faculty and 15-19 part-time and adjunct faculty, developing and managing a department budget, handle all inquiries about our majors, provide leadership in curriculum matters, serve as a liaison between upper administration and faculty, supervise secretarial staff, advocate for faculty positions, review faculty for tenure and promotion decisions, oversee the development and implementation of departmental policies, and attend thousands upon thousands of meetings.

Associate Professor of Health Education 1988-2001

Responsible for teaching, conducting research, and providing campus/community service. My teaching responsibilities have included teaching classes in: Personal Health, Introduction to Health Education, Curriculum and Materials in Health Education, Teaching Strategies in Health Education, Program Development and Evaluation, Health Promotion at the Workplace, Safety, Human Sexuality, Substance Use & Abuse, Stress Management, and First Aid and CPR Instructor courses.

Additional academic activities have included development of a handbook for health education student teachers, developing an objective observation system for student teachers in health education, and serving as committee chair to completely revise curriculums in both the health education teaching major and community health major programs.
