

CURRICULUM VITAE

Ritchie D. Taylor, Ph.D., M.S.

Western Kentucky University
Department of Public Health
1906 College Heights Blvd.
Bowling Green, KY 42101
Wk. (270)745-8975

E-mail: ritchie.taylor@wku.edu

Education

2002 **University of North Texas** **Denton, TX**

Ph.D., Environmental Science

Dissertation – Water quality aspects of an intermittent stream and backwaters in an urban North Texas watershed: Pecan Creek, Denton County, Texas

1994 **Tennessee Technological University** **Cookeville, TN**

M.S., Biology (Environmental Biology Emphasis)

Thesis – A remote satellite-linked automated biomonitoring system for rapid detection of rainbow trout (*Oncorhynchus mykiss*) ventilation responses to stream water quality

1989 **Belmont University** **Nashville, TN**

B.S., Biology and Chemistry minor

Undergraduate Research – Radionuclide uptake by mallard ducks (*Anas platyrhynchos*) inhabiting a cooling reservoir on the Savannah River Nuclear Site (Aiken, SC) and implications for human consumption.

Professional Experience

2003 – Present **Western Kentucky University** **Bowling Green, KY**

- Associate Professor of Environmental and Occupational Health Science – WKU Department of Public Health – Attained Rank August 16, 2009
- Director – Center for Environmental and Workplace Health – August 15, 2017 – Current
- Director – Environmental and Occupational Health Science Programs – M.S. in Environmental and Occupational Health and B.S. in Environmental Health Science - July 1, 2015 - Current
- Assistant Professor of Environmental Health Science – July 1, 2003
- Director - Environmental Health Science Program – 2004-2012, 2014-June 30, 2015

Ritchie D. Taylor, Ph.D., M.S.

- Director – Impact Belize: International Service Learning Program – 2006-2011
- Member of WKU Graduate Faculty
- Current Research and Professional Service
 - Principal Investigator – Hazardous Material Commodity Flow Studies in Kentucky
 - Principal Investigator – Watershed Health Assessments and Education for Stormwater Compliance – City of Goodlettsville, TN
 - Principal Investigator – Watershed Health Assessment for Stormwater Compliance – City of Portland, TN
 - Principal Investigator – Assessment of Diesel Particulate Matter Exposures of Firefighters in Fire Stations – City of Bowling Green, KY
 - Principal Investigator – HMISFER, Development of the Hazardous Materials Information System for Emergency Response
 - Co-Investigator – Centers for Disease Control and Prevention (CDC), The National Institute for Occupational Safety and Health (NIOSH), Training Program Grant
 - Co-Investigator – Assessment of Volunteer and Career Firefighters Exposures to Occupational Hazards in Northwestern Kentucky
 - Co-Investigator – Assessment of Firefighter Exposures to Fire Smoke Residuals on Turnout Gear, Service Vehicles, and Personal Vehicles
- Current and Recent University Service
 - Director, Environmental and Occupational Health Science Programs, Department of Public Health, 2015-Current (B.S. in EHS and M.S. in EOHS)
 - FY 2018 Curriculum revision – M.S. in EOHS
 - FY 2018 Development of Internship and Research Portfolio System on Blackboard
 - Director, Center for Environmental and Workplace Health, First CHHS Research Center, 2017-Current
 - Ribbon Cutting and Opening, November 29, 2017
 - FY 2018 – Developed and submitted competitive proposal for the center
 - FY 2018 – 12 proposals submitted by CEWH faculty; Nine funded
 - FY 2018 Development of Strategic Plan for CEWH
 - Served as Acting Department Head, Department of Public Health, June-July 2018
 - Developed FY 2019 Staffing Plan for Department of Public Health
 - Served on the CHHS Administrative Council
 - WKU Research and Creative Activities Program (RCAP), Grants Reviewer, appointed
 - CHHS Dean’s Strategic Planning Committee, appointed, 2016-2018
 - CHHS Strategic Planning Research Subcommittee, 2017-2018
 - Dept. of Public Health committees: Chair and Member - Environmental and Occupational Health Science; Member - Public Health; Member – Junior Faculty Mentorship Committee
 - EOHS Search Committee Chair
 - FY 2018 – Search successful – Hired Dr. Edrisa Sanyang
 - FY 2016 – Search successful – Hired Dr. Jooyeon Hwang
 - MPH Search Committee Member, FY19

Ritchie D. Taylor, Ph.D., M.S.

- Member of WKU Graduate Faculty
- Academic Programs Developed
 - Environmental Health Science, B.S. - Western Kentucky University, Department of Public Health, College of Health and Human Services – 2004, Revised in 2017
 - Undergraduate Certificate in Occupational Safety and Health - Western Kentucky University, Department of Public Health, College of Health and Human Services – 2008
 - Graduate Certificate in Environmental Health and Safety - Western Kentucky University, Department of Public Health, College of Health and Human Services – 2009, Revised in 2017
 - Environmental and Occupational Health Science, M.S. - Western Kentucky University, Department of Public Health, College of Health and Human Services – Approved by Kentucky Council on Postsecondary Education, November 2014, Revised in 2017
- Recent Teaching
 - Fall 2018
 - EOHS 580 Solid and Hazardous Wastes – 3.0 hours
 - EOHS 510 Watershed Management and Science – 3.0 hours
 - ENV 280 Introduction to Environmental Science – 3.0 hours
 - Spring 2017
 - EOHS 546 Graduate Internship – 3.0 hours
 - EOHS 580 Solid and Hazardous Wastes – 3.0 hours
 - PH 530 Independent Investigation in Community Health – 3.0 hours
 - EOHS 577 Environmental Toxicology – 3.0 hours
 - Fall 2017
 - EOHS 510 Watershed Management and Science – 3.0 hours
 - EOHS 560 Environmental Management and Risk Assessment – 3.0 hours
 - PH 546 Graduate Internship – 3.0 hours
 - PH 599 Thesis Research and Writing – 3.0 hours
 - Spring 2018
 - EOHS 577 Environmental Toxicology – 3.0 hours
 - EOHS 580 Solid and Hazardous Wastes – 3.0 hours
 - PH 456 Independent Study in Health and Safety – 3.0 hours
 - PH 546 Graduate Internship – 3.0 hours
 - PH 599 Thesis Research and Writing – 3.0 hours
 - Fall 2018
 - ENV 280 Introduction to Environmental Science – 3.0 hours
 - EOHS 510 Watershed Management and Science – 3.0 hours
 - EOHS 580 Solid and Hazardous Wastes – 3.0 hours
 - EOHS 546 Graduate Internship – 3.0 hours

Ritchie D. Taylor, Ph.D., M.S.

- PH 530 Independent Investigation in Community Health – 3.0 hours
- Spring 2018
 - PH 385 Environmental Health – 3.0 hours
 - EOHS 577 Environmental Toxicology – 3.0 hours
 - PH 546 Graduate Internship – 3.0 hours
 - PH 530 Independent Investigation in Community Health – 3.0 hours
 - PH 599 Thesis Research

2000 – 2003 Western Kentucky University Bowling Green, KY

- Director – Center for Water Resource Studies, Ogden College of Science and Engineering
 - WKU Technical Assistance Center for Small Water Systems
 - Ogden Environmental Water Quality Laboratory
 - Kentucky Center for Wastewater Research
- Adjunct Faculty – WKU, Department of Geography and Geology, Geosciences Program
- *Adjunct Faculty – WKU, Department of Public Health, Environmental Health and Safety Program*

1997 – 2000 University of North Texas Denton, TX

- Environmental Research Assistant – Institute of Applied Sciences (1997 – 2000) – City of Denton, TX – Investigating and modeling water quality impacts of the Pecan Creek Water Reclamation Plant
- GIS Instructor (Teaching Assistant) – Advanced Geographic Information Systems (1999 - 2000)
- Field Instructor – Aquatic Bioassessment Techniques in Teaching Environmental Sciences (Summer 1999)

1997 – 2000 Ecologic Denton, TX

- Environmental Consulting in the fields of water resources, water utilities management, solid waste management, biological assessments, wetland delineations, GIS, and environmental planning and compliance.

1992 – 1997 AquAeTer, Inc. Brentwood, TN

- Water Resources Project Manager and Environmental Scientist (1992-1997)
 - Water quality studies
 - Environmental compliance and permitting, NPDES compliance and permitting
 - Aquatic bioassessments and toxicological studies
 - Water quality wasteload allocation studies and modeling
 - Project Management, Marketing, and Client Relations
 - Proposal development and report writing
 - Environmental scientist for hazardous waste management, environmental site assessment, and environmental permitting projects

Ritchie D. Taylor, Ph.D., M.S.

1991 – 1992 The ADVENT Group, Inc. Brentwood, TN

- Environmental Scientist - Water Resources Projects (1991 – 1992)
- Aquatic Toxicology Laboratory Director (1992)

Additional Professional Experience

- Environmental Consulting – City of Denton, TX (1998 – 2000)
- Environmental Consulting – Dickson & Associates (1997)
- ERM Southeast – Environmental Scientist (1990 – 1991)
- Tennessee Tech University – Environmental Research Assistant (1991)
- Tennessee Tech University – Teaching Assistant - Ecology (1989 – 1991)
- University of Georgia - Savannah River Ecology Lab, Savannah River Nuclear Site, Department of Energy – Ecological Research Intern, Ecosystem Transport of Radioisotopes (1988)

Research Grants, Contracts, and Proposals

\$1,820,968 Awarded during tenure at WKU (Dec. 1, 2000 - Current) – WKU Office of Sponsored Programs Records – External Grants and Contracts

Co-Principal Investigator. Centers for Disease Control and Prevention (CDC). The National Institute for Occupational Safety and Health. 2019-2021. NIOSH Training Program Grant.

Vijay Golla – PI, **Ritchie Taylor – Co-PI**, Edrisa Sanyang – Co-I, and Jacqueline Basham – Co-I

Proposal Submitted for funding October - \$600,000 over three years

Principal Investigator. City of Goodlettsville, TN. 2018. Watershed Health Education for Stormwater Management. Fee for Service Contract.

Ritchie Taylor – PI, Jacqueline Basham – Co-PI, and Gretchen Macy – Co-I.

\$9,954

Principal Investigator. City of Goodlettsville, TN. 2018. Stream Corridor Assessment. Fee for Service Contract.

Ritchie Taylor – PI and Jacqueline Basham – Co-PI.

\$9,950

Principal Investigator. Pike County, Kentucky, Emergency Management. 2018. Funding by United States Department of Transportation through Kentucky Emergency Management. Hazardous Materials Commodity Flow Study.

Ritchie Taylor – PI, Jacqueline Basham – Co-PI, and Vijay Golla – Co-I.

Ritchie D. Taylor, Ph.D., M.S.

\$34,500

Principal Investigator. City of Bowling Green, KY. 2018. Assessment of Diesel Particulate Matter Exposures in Fire Stations.

Ritchie Taylor – PI, Jacqueline Basham – Co-PI, and Vijay Golla – Co-I.

\$2,574

Principal Investigator. City of Goodlettsville, TN. 2018. Turbidity Water Quality Study to Assess Runoff from Construction Sites. Fee for Service Contract.

Ritchie Taylor – PI and Jacqueline Basham – Co-PI.

\$3,819

Principal Investigator. Louisville Paving and Construction (LP&C), Louisville, KY. 2018. Crystalline Silica Exposure Assessment. Fee for Service Contract

Ritchie Taylor – PI, Jacqueline Basham – Co-PI, and Vijay Golla – Co-I.

Proposal Submitted for Funding – Project will initiate with Grant Funding through NIOSH Education and Research Center as agreed – LP&C will provide \$15K match

Co-Principal Investigator. Centers for Disease Control and Prevention (CDC). The National Institute for Occupational Safety and Health. 2017-2022. NIOSH Training Program Grant.

Vijay Golla – PI, **Ritchie Taylor – Co-PI**, Jooyeon Hwang – Co-I, and Jacqueline Basham – Co-I

\$250,000

Principal Investigator. Oscarware, Inc., Bonnieville, KY. 2017-2018. Environmental Permitting, Compliance, and Sustainability Assessment.

Ritchie Taylor – PI and Jacqueline Basham – Co-PI

Professional Service Collaboration

Principal Investigator. Green River Watershed Watch and Kentucky Watershed Watch. 2017-Current. Analysis of Water Quality Data as Chair of Green River Watershed Watch Science Advisory Board.

Ritchie Taylor – PI and Jacqueline Basham – Co-PI

Professional Service Collaboration

Principal Investigator. Center for Environmental and Workplace Health, Internal funding through Western Kentucky University, College of Health and Human Services. 2017-Current.

Ritchie Taylor – PI, Cecilia Watkins – Co-PI, Jooyeon Hwang – Co-PI, Gretchen Macy – Co-PI, and Jacqueline Basham – Co-PI.

Ritchie D. Taylor, Ph.D., M.S.

\$269,510 (Internal Approved budget for FY 2018-2019)

Principal Investigator. Oldham County, Kentucky, Emergency Management. 2017. Funding by United States Department of Transportation through Kentucky Emergency Management. Hazardous Materials Commodity Flow Study.

Ritchie Taylor – PI, Vijay Golla – Co-PI, and Jacqueline Basham – Co-I.

\$35,000

Principal Investigator. City of Goodlettsville, TN. 2017. Watershed Health Education for Stormwater Management. Fee for Service Agreement.

Ritchie Taylor – PI and Jacqueline Basham – Co-I.

\$9,995

Principal Investigator. City of Portland, TN. 2016-2017. Watershed Health Assessment in the City of Portland, TN MS4 Jurisdiction. Fee for Service Agreement.

Ritchie Taylor – PI.

\$9,994

Co-Principal Investigator. Centers for Disease Control and Prevention (CDC), National Institute for Occupational Safety and Health (NIOSH). 2014-2016. NIOSH Undergraduate Training Grant.

Vijay Golla – PI and **Ritchie Taylor Co-PI.**

\$150,000

Co-Principal Investigator, Evaluation of accumulated contaminants in firefighter vehicles. 2016. Internal Funding through WKU RCAP Grant. Research and Development Fund.

Jooyeon Hwang – PI, **Ritchie Taylor – Co-PI, Vijay Golla – Co-PI, and Mac Cann – Co-I.**

\$16,000

Principal Investigator, Development of the Hazardous Materials Information System for Emergency Response (HMISFER). 2016. Internal Funding through WKU RCAP Grant. Research and Development Fund.

Ritchie Taylor – PI, Vijay Golla – Co-PI, Stacey Wilson – Co-I, Ron Rizzo – Co-I

\$15,936

Co-Principal Investigator. Federal Emergency Management Agency. 2016. Evaluation of Firefighters Exposures to Fire Smoke Contaminants.

Jooyeon Hwang – PI, **Ritchie Taylor – Co-PI, Vijay Golla – Co-I, and Mac Cann – Co-I**

Proposal Submitted and Reviewed, not funded

Ritchie D. Taylor, Ph.D., M.S.

Co-Principal Investigator. Kentucky Biomedical Research and Infrastructure Network. 2016. Exposure Assessment of Volunteer Firefighters to Fire Smoke and Residual Contaminants.

Jooyeon Hwang – PI, Vijay Golla – Co-PI, and **Ritchie Taylor – Co-PI**

Proposal Submitted and Reviewed, not funded

Principal Investigator. City of Goodlettsville, TN. 2016. Bacteriological and Water Quality Assessment of the Mansker Creek Watershed. Fee for Service Agreement.

Ritchie Taylor - PI

\$9500

Principal Investigator. City of Goodlettsville, TN. 2016. Bioassessment of the Mansker Creek Watershed. Fee for Service Agreement.

Ritchie Taylor - PI

\$9,500

Principal Investigator. City of Goodlettsville, TN. 2015. Watershed Health Assessment of the Mansker Creek Watershed. Fee for Service Agreement.

Ritchie Taylor - PI

\$9,958

Principal Investigator. Shelby County, Kentucky, Emergency Management. Funding by United States Department of Transportation through Kentucky Emergency Management. 2015. Hazardous Materials Commodity Flow Study.

Ritchie Taylor – PI and Vijay Golla, Co-PI

\$38,000

Principal Investigator. City of Gallatin, TN. 2015. Watershed Health Assessment.

Ritchie Taylor - PI

\$5,773

Co-Principal Investigator. U.S. Health Resources and Services Administration. 2014. HRSA Public Health Traineeship Grant.

Proposal Submitted and Reviewed. Top 15% Score. Not funded. Proposed Budget \$393,740

Gary English – PI, Vijay Golla – Co-PI, and **Ritchie Taylor – Co-PI**

Ritchie D. Taylor, Ph.D., M.S.

Principal Investigator. City of Goodlettsville, TN. 2014. Bioassessment of the Mansker Creek Watershed.

Ritchie Taylor - PI

\$3,500

Co-Principal Investigator. Madison County, KY, Emergency Management. Funding by United States Department of Transportation through Kentucky Emergency Management. 2014. Hazardous Materials Commodity Flow Study.

PI – Vijay Golla and **Co-PI - Ritchie Taylor**

\$15,000

Principal Investigator. Montgomery County, KY, Emergency Management. Funding by United States Department of Transportation through Kentucky Emergency Management. 2014. Hazardous Materials Commodity Flow Study.

PI – **Ritchie Taylor** and Co-PI – Vijay Golla

\$20,000

Principal Investigator. Rowan County, KY, Emergency Management. Funding by United States Department of Transportation through Kentucky Emergency Management. 2014. Hazardous Materials Commodity Flow Study.

PI – **Ritchie Taylor** and Co-PI – Vijay Golla

\$20,000

Principal Investigator. United States Department of Agriculture. Funding through Center for Produce Safety, University of California, Davis. 2014. Produce Safety and Assessment of Pathogen Surrogates for Public Health Protection.

PI - **Ritchie Taylor** and Student Co-I – Ethan Givan

\$67,000

Co-Principal Investigator. Daviess County and Owensboro, KY, Emergency Management. Funding by United States Department of Transportation through Kentucky Emergency Management. 2013. Hazardous Materials Commodity Flow Study.

PI – Vijay Golla and **Co-PI – Ritchie Taylor**

\$25,000

Ritchie D. Taylor, Ph.D., M.S.

Principal Investigator. Henderson County, Kentucky, Emergency Management. Funding by United States Department of Transportation through Kentucky Emergency Management. 2013. Hazardous Materials Commodity Flow Study.

PI – Ritchie Taylor and Co-PI – Vijay Golla

\$25,000

Principal Investigator. Western Kentucky University, College of Health and Human Services, Faculty Research Grant. 2013-2014. Estrogenic Compounds in the Barren River Watershed and Implications for Human Health Protection.

PI – Ritchie Taylor

\$3,000

Principal Investigator. Kentucky Water Resources Research Institute, University of Kentucky. 2012-2013. Occurrence and Distribution of Estrogenic Compounds in the Barren River Watershed and Drinking Water in the City of Bowling Green, KY.

PI – Ritchie Taylor and Student Co-I – Roni Grigsby

\$5,500

Co-Principal Investigator. Kentucky Cabinet for Economic Development, Kentucky Commercialization Fund. 2012-Current. Development of the HazWatch System for Hazardous Material Commodity Flow Surveillance, HazWatch LLC.

PI – Gordon Bayliss, **Co-PI – Ritchie Taylor**, and Co-PI – Vijay Golla

\$100,000

Co-Principal Investigator. Louisville/Jefferson County Kentucky Emergency Management and Kentucky. 2012. Hazardous Materials Commodity Flow Study.

PI – Vijay Golla and **Co-PI – Ritchie Taylor**

\$65,0000

Principal Investigator. Madison County Kentucky Emergency Management and Kentucky Emergency Management. 2011. Hazardous Materials Commodity Flow Study.

PI – Ritchie Taylor and Co-PI – Vijay Golla

\$40,000

Ritchie D. Taylor, Ph.D., M.S.

Principal Investigator. Warren County Kentucky, Emergency Management. 2010. Hazardous Material Commodity Flow Study.

PI – Ritchie Taylor and Co-PI – Vijay Golla

Professional Service collaboration.

Principal Investigator. Kingsford Manufacturing Corporation, Clorox Corporation. 2009-2010. Occupational Safety and Health Certificate Program. Summer Shade, Kentucky. Educational Program for Kingsford Employees developed through WKU DELO.

PI – Ritchie Taylor and Co-PI – Vijay Golla

\$100,000

Principal Investigator. USEPA. 2005-2007. Kentucky Nonpoint Source Education for Land Use Development. Water Education Program for Kentucky. Grant administered through Kentucky Division of Water.

PI – Ritchie Taylor

\$196,000 (including WKU match)

Principal Investigator. ACVPM Exam Prep Course. Developed through WKU DELO support. Distance education project with University of Maryland and ACVPM.

PI – Ritchie Taylor

\$3,250

Principal Investigator. Belize International Service Learning Program. 2005. Environmental Health Science, Research, and Service Learning. Belize, Gales Point Village. Joint Project with University of Louisville. Internal Grant.

PI – Ritchie Taylor

\$3,000

Co-Principal Investigator. USEPA. 2005. Assessment of Atrazine in Agricultural Watersheds in Kentucky: Understanding Use, Drinking Water Impacts, and Stakeholder Involvement. Co-Principal Investigator.

PI – Chris Groves and Co-PI – Ritchie Taylor

\$75,000.

Ritchie D. Taylor, Ph.D., M.S.

Principal Investigator. Kentucky River Authority. 2005. Comprehensive Source Water Protection Program. Grant with Western Kentucky University.

PI – Ritchie Taylor

\$65,000

Principal Investigator. Baylor University. 2004. Reservoir Transition Zone Index Project. Research with Baylor University and Parsons, Inc.

PI – Ritchie Taylor

\$9,000

Principal Investigator. Kentucky River Authority. 2004. Comprehensive Source Water Protection Program. Grant with Western Kentucky University.

PI – Ritchie Taylor

\$25,000

Principal Investigator. City of Denton, TX. 2002 - 2003. Water Quality Modeling and Assessment of Clear Creek. City of Denton Water and Wastewater Utilities. Contract with Western Kentucky University.

PI – Ritchie Taylor

\$9,500

Principal Investigator. USEPA, Drinking Water Branch, Washington, D.C. 2002. Technical Assistance Center for Water Quality. Grant with Western Kentucky University, CWRS.

PI – Ritchie Taylor, Co-PI – Chris Groves, Co-PI – Scott Grubbs, and Co-PI – Ouida Meier

\$498,000

Principal Investigator. Investigation of Treatment Methods to Reduce Trihalomethane Formation in BGMU Finished Water. Grant with Western Kentucky University, CWRS.

PI – Ritchie Taylor

\$15,000

Principal Investigator. USEPA, Drinking Water Branch, Washington, D.C. 2001. Technical Assistance Center for Water Quality. Grant with Western Kentucky University, CWRS.

PI – Ritchie Taylor, Co-PI – Chris Groves, Co-PI – Scott Grubbs, and Co-PI – Ouida Meier

\$498,000

Ritchie D. Taylor, Ph.D., M.S.

Principal Investigator. Kentucky Department of Agriculture. 2001. Atrazine Sampling of Spa Lake. Grant with Western Kentucky University, CWRS.

PI – Ritchie Taylor

\$3,500

- Taylor, R.D. April 2002. The Utility Management Institute and On-line Courses for Water Utility Managers. EPA Region 4 and 6, Capacity Development Workshop. Dallas, TX.
- Taylor, R.D. January 2002. Storm Water Management in Warren County, Kentucky. Warren County Planning and Zoning Commission, Training Session. Warren County KY Planning and Zoning.

Professional Awards, Honors, and Service

- Research Award, Prolific Research Grant Proposal Development, FY 2018. Awarded by Western Kentucky University, Office of Sponsored Programs.
- Appointed Member of University of Cincinnati, NIOSH Education and Research Center, Pilot Research Grant Committee, October 1, 2018 - Current
- Appointed Member of Supporting Heroes, Nonprofit Organization, Cancer Review Committee, August 1, 2018-Current
- Appointed Science Advisory Board Chair, Green River Watershed Watch, Member of Science Advisory Board, Kentucky Watershed Watch, August 1, 2017-Current
- Research Award, Prolific Research Grant Proposal Development, FY 2017. Awarded by Western Kentucky University, Office of Sponsored Programs.
- Research Award, Prolific Research Grant Proposal Development, FY 2016. Awarded by Western Kentucky University, Office of Sponsored Programs. December 7, 2016.
- Outstanding Faculty Award for Public Service, Western Kentucky University, College of Health and Human Services. 2014. This award is given to a faculty member in the College of Health and Human Services for distinguished activity in Public Service. Categories of public service, which are encompassed, include technical assistance services; consultation activities; service to public and professional organizations; special services to individual clients; and application of knowledge to the resolution of public problems.
- Bill Patton Environmental Service Award. 2013. Awarded by Kentucky Public Health Association. In honor of demonstrated exceptional performance, outstanding achievements and meritorious service in Environmental Services. Awarded for meritorious service and applied research in Kentucky communities focused on emergency preparedness and response to hazardous materials transport. April 18, 2013. Presented at the Kentucky Public Health Association Annual Conference, Louisville, KY.
- Most Prolific Proposer, WKU, College of Health and Human Services. 2012. Awarded by Western Kentucky University, Office of Sponsored Programs. November 26, 2012.
- Award for Grant Funding at Western Kentucky University, 1.0 M Level, WKU Office of Sponsored Programs - 2001
- Social Contract with village of Gales Point, Belize. 2008.
- Moderator – AWWA 2005 Source Water Protection Symposium – Session T7 – Land Use Issues on the Protection of Source Water
- Board of Directors, Kentucky Health and Safety Network – 2005-2007
- Member of the Kentucky Pesticide Workgroup – 2002-2008

Ritchie D. Taylor, Ph.D., M.S.

- Member of the Watershed Trainers Group, Kentucky Division of Water – 2006 – 2010
- Scientific Advisor, Rough River Source Water Protection Council – 2003 – 2004
- Scientific Advisor, Lake Linville Watershed Protection Advisory Group – 2005 - 2006
- Member of the KY Dept. of Agriculture’s Pesticide and Nutrient BMP’s Training Group –2005-2008
- Technical Advisor, City of Goodlettsville, Stormwater Management Program, 2006-Current
- Chair, Science Advisory Board, Green River Watershed Watch, 2017-Current
- Member, Science Advisory Board, Kentucky Watershed Watch, 2017-Current
- Member, Supporting Heroes, Occupational Cancer Committee, 2018-Current

University Service

- Director, WKU Center for Environmental and Workplace Health in the College of Health and Human Services (August 15, 2017 – Current) – Direct all aspects of planning, management, research, development, and outreach related to the Center. Research initiatives include Firefighter Health, Occupational Safety and Health, Environmental Health, Stormwater Management, Workplace Health Promotion, and Emergency Management and Preparedness.
- Director, Department of Public Health, Environmental and Occupational Health Science Programs (June 1, 2016 – Current) - Direct program curriculum development, manage program assessment, faculty development and mentoring, lead program faculty and collaboration, advise students, direct internship programs, strategic planning, and ensure attainment of program goals and objectives.
- Member, CHHS Strategic Plan Subcommittee, International Experiences and Study Away (November 1, 2016 - Current) – Served to develop strategies to accomplish the international experiences and study away objectives stated in the CHHS 2016 Strategic Plan.
- Member, CHHS Strategic Plan Subcommittee, Research (November 1, 2016 - Current) – Serve to develop strategies to accomplish the research objectives stated in the CHHS 2016 Strategic Plan.
- Member, CHHS Dean’s Strategic Planning Committee – Serve to develop a strategic plan for the College of Health and Human Services. (2016 - 2018). Reviewed and updated the 2006 strategic plan and revised vision, mission, and values.
- Chair, EOHS Assistant Professor Search Committee (October 15, 2017 – May 15, 2018). Reviewed and interviewed candidates for the Assistant Professor tenure track position. Successful search. Dr. Edrisa Sanyang selected as the candidate for the position.
- Chair, EOHS Assistant Professor Search Committee (October 14, 2015 – March 15, 2016). Reviewed and interviewed candidates for the Assistant Professor tenure track position. Successful search. Dr. Jooyeon Hwang selected as the candidate for the position.

Ritchie D. Taylor, Ph.D., M.S.

- Environmental Institute Steering Committee (2013-2014) – Development of an Environmental Institute at WKU for Research, Service, and Outreach, appointed by the Vice President for Research
- Public Health Committee (2003-Current) – Development and review of Dept. of Public Health policies and procedures, curriculum review, and assessment of student and alumni data
- Master of Public Health Committee (2003-2017) - Preparation of materials for CEPH accreditation of MPH program, graduate comprehensive exam, policies and procedures, program assessment, and evaluation of program goals and objectives
- Director, Dept. of Public Health, Environmental Health Science Program (2004-2012, 2014-May 31, 2016), faculty development and mentoring, undergraduate program and graduate MPH concentration, direct academic programs, advise students, manage internship program, market program to extended campuses, assess program, and develop business plans for future growth
- Member, WKU Graduate Faculty, 2003 - current
- Member, WKU Graduate Council, 2009-2010
- Chair, Environmental and Occupational Health Science Committee, faculty development and mentoring, curriculum development and review, policies and procedures, development of a research agenda, space and facilities, program review and assessment – 2015 - Current
- Chair, Environmental Health Science Committee, faculty development and mentoring, curriculum development and review, policies and procedures, space and facilities, develop growth plans, and provide recommendations to Department Head, 2004 – 2012, 2014-2015
- College of Health and Human Services, Space and Facilities Committee, review space and facilities for CHHS, develop recommendations for space and facilities, and report findings to CHHS Dean, 2004-2012
- College of Health and Human Services, Graduate Curriculum Committee, Alternate Member, review graduate curriculum changes and make recommendations for graduate curriculum, 2012-Current
- Environmental Health Science Student Association, Faculty Advisor, advise students on actions to attain the goals of the EHSSC Student Association, and direct service learning and research – 2012-Current

Public and Community Service

- Technical Advisor for Stormwater and Watershed Management. Includes Student Research and Service Learning. City of Portland, TN. Public Works, Stormwater Management, 2016 – Current
- Member, Technical Advisor, Kentucky Department of Public Health, Environmental Public Health Tracking Network, 2014-2018

Ritchie D. Taylor, Ph.D., M.S.

- Technical Assistance to Kentucky Emergency Management, Hazardous Materials Emergency Preparedness, Development of Program Goals, Research Needs, and Program Proposals, 2010 – Current
- Technical Assistance to Communities Throughout Kentucky, Hazardous Materials Emergency Preparedness, 2010 – Current
- Technical Advisor for Stormwater and Watershed Management. Includes Student Research and Service Learning. City of Goodlettsville, TN. Public Works, Stormwater Management, 2010 – Current
- Technical Advisor for Stormwater and Watershed Management. Includes Student Research and Service Learning. City of Millersville, TN. Public Works, Stormwater Management, 2010 – 2015
- Technical Assistance to Warren County Emergency Management, Local Emergency Planning Committee, Development of Grant Proposal for Hazardous Chemical Transport and Safety in Warren County, KY, Spring 2010
- Technical Assistance to City of Bowling Green, Public Works Department, Stormwater Management Program, Illicit Discharge Detection, Directed Student Research and Service Learning Project, Fall 2007 – 2008
- Technical Assistance to Warren County, Kentucky, Stormwater Management Program, Illicit Discharge Detection, Directed Student Research and Service Learning Projects, Assistance with Household Hazardous Waste Day, Fall 2013 – Current
- Technical Assistance to City of Bowling Green and Warren County, Emergency Management Program, Analysis of Hazardous Chemical Use and Transportation in Bowling Green and Warren County, Directed Student Research and Service Learning Project, Spring 2006-2007
- Scientific Advisor and Technical Assistance to water systems and communities in rural Kentucky for Source Water Protection and Water Quality Issues – 2000 - Current
- Volunteer, Science Lab Volunteer Lecturer and Classroom Volunteer, McNeill Elementary School, 2001-2007
- Deacon, Teacher, Missionary and Volunteer, Eastwood Baptist Church, Bowling Green, KY, 2001 – Current
- Youth Baseball, Softball, Basketball, and Football Coach, Warren County Parks and Recreation and City of Bowling Green, 2001- 2014, 2018-Current

Theses, Capstones, and Directed Student Research

- Master Thesis Chair. Chaudhari, Mamata. “The Risk of Improper Turnout Gear Storage and Contamination of Volunteer Firefighters Personal Vehicles”, (To be completed Fall 2019). *Master of Science, Environmental and Occupational Health Science*.
- Master Thesis Chair. Gilbert, Weylin. “Volunteer Firefighter Cancer Risk in Northwestern Kentucky”, (To be completed Summer 2019). *Master of Science, Environmental and Occupational Hhealth Science*.

Ritchie D. Taylor, Ph.D., M.S.

- PI and Research Director. Students - Merkson, F., W., Gilbert, G., A. Patel, and G. Patrick. "Watershed Health Assessments in Mansker Creek Watershed, City of Goodlettsville, TN", (To be completed Spring 2019).
- Master Thesis Chair. Gadde, Divya. "Assessment of Ergonomics in Indian Dental Practice: A Workplace Analysis" (2018). *Master of Science, Environmental and Occupational Health Science*.
- Master Thesis Chair. Givan, Ethan. "Evaluation of E. Coli Surrogates for Produce Safety and Public Health Protection" (2015). *Master of Public Health, Environmental Health*.
- MPH Capstone Chair. Obuhoro, Olosengbuan. "Noise Assessment of Workers in a Bedding Manufacturing Facility" (2015). *Master of Public Health, Environmental Health*.
- Graduate Assistant Supervisor. Rebecca Lauth. Watershed Health Assessment of the Mansker Creek Watershed and Evaluation of *E. coli* Surrogates for Produce Safety (2015).
- Graduate Student Research Supervisor. Matthew Shirley. Watershed Health Assessment of the Mansker Creek Watershed (2015).
- Graduate Research Assistant Supervisor. Ethan Givan. Evaluation of *E. coli* Surrogates for Produce Safety (2014-2015).
- MPH Capstone Chair. Joshi, Awijeeta. "Analysis of the Mercury Fish Consumption Advisory for Public Health Protection in Kentucky" (2015). *Master of Public Health, Environmental Health*.
- MPH Capstone Chair. Yang, Qi. "Evaluation of Foodborne Illnesses in the Barren River District Kentucky from 2003 through 2011" (2015). *Master of Public Health, Environmental Health*.

Student Engagement Research and Service

- Assessment of Diesel Particulate Matter in City of Bowling Green Fire Stations. 15 students (five graduate and 10 undergraduate students) conducted air sampling and particulate matter monitoring.
- Watershed Health Corridor Assessment. Eight graduate students conducted research to assess the watershed health of stream corridors in the City of Goodlettsville, TN. Students collaborated with the stormwater manager.
- Evaluation of Construction Site Runoff on Stream Water Quality in the City of Goodlettsville, TN. Five graduate students conducted research to assess the impact of construction site stormwater runoff on stream water quality, analyze data and develop a final report.
- NIOSH Training Program Grant. 20 undergraduate students and 8 graduate students engaged in field trips to local industries, internships, and seminars.
