Attend this **FREE** training experience and learn how to use the
One Plan to Engage with a
“*PREVENT them ALL or stop them SMALL*” strategy.

Registration is required and attendance is limited.

Register online at: <http://www.rsvpbook.com/ammonia>

- Sleeping rooms are available for Monday Oct. 29 to training participants at a special rate. When you call, mention the “Ammonia Safety Day” to receive the Prevailing Government Rate or \$97.00/single and \$107.00/double. Parking is \$9/day.
- Registration Opens at 7:00 A.M on Tuesday Oct. 30, 2012
- Event begins at 8:00 A.M.

Agenda Topics

- Managing hazards, risks, and threats of ammonia
- Managing pressure to avoid an emergency event
- Reducing pipeline and valve problems and improving valve operations and readiness
- Maintaining the ammonia detection system to achieve a reliable and timely warning of problems
- One Plan emergency response readiness - four phase readiness to engage during an emergency event
- Panel discussion with regulators and responders - a safe place to discuss the hot topics and improve relations
