
**AUTHORIZATION FOR P3 STUDENT HOUSING
TRANSACTION**

REQUEST:

The President requests approval of the public-private partnership transaction with Gilbane Development Company and its affiliates (“Gilbane”) for the operation, management, and improvement of the student housing system utilized by the University, including, without limitation, the approval of all agreements and related documents governing such arrangement (the “P3 Transaction”).

FACTS:

Under the P3 Transaction, (i) the University will obtain ownership of its existing student housing facilities from the WKU Student Life Foundation, Inc. (“SLF”); (ii) provide an affiliate of Collegiate Housing Foundation (“CHF”) a leasehold interest in the land upon which such facilities are located and a fee interest in the buildings and equipment comprising such facilities; (iii) CHF will contract with affiliates of Gilbane to manage and operate the facilities for the benefit of the University; (iv) CHF and Gilbane will develop, finance, and construct a new 1,000 bed housing and dining facility on the current site of Poland and Keen Halls; and (v) Gilbane will make various improvements to the other housing facilities across campus. SLF will transfer Normal and Regents Halls to the University, but will remain responsible for completing renovations. Once completed, Normal and Regents will be acquired by CHF under the same terms as the other facilities and managed and operated by Gilbane under the same agreements.

BUDGETARY IMPLICATIONS:

The P3 Transaction requires that any “surplus” revenues of the student housing facilities be distributed to the University annually by the corporate trustee who will administer the revenues of the housing system in accordance with the trust indenture governing the bonds issued to finance the P3 Transaction.

RECOMMENDATION:

President Timothy C. Caboni requests approval of the P3 **Transaction** as further described in the attached resolution.

MOTION:

To approve the award of the P3 Transaction to Gilbane and its affiliates (including CHF) in accordance with the terms described in the attached resolution.

All actions taken by the University in connection with the P3 Procurement of the Project on and before the date of this Resolution are hereby affirmed, including without limitation, the execution and delivery of the Predevelopment Agreement.

Section 4. Description of the Project. Though described in the P3 Procurement Documents and in the Project Documents and the Financing Documents, for purposes of this Resolution, the Board hereby defines and describes the Project as:

The selection of the Developer and its agents, including CHF and the Manager, for the purpose of:

(i) providing CHF a leasehold interest in the land upon which the Housing Facilities are located;

(ii) transferring the Housing Facilities to CHF for the purpose of CHF accepting responsibility, as the owner of the Housing Facilities, for overseeing and operating the portions of the University’s student housing operations described in the Project Documents;

(iii) permitting CHF to demolish certain of the Legacy Housing Facilities and an existing dining facility and contracting with the Developer to design and construct a new approximately 1,000 bed student housing and dining facility on the site of the demolished facilities;

(iv) permitting CHF to contract with the Developer to renovate certain of the other Legacy Housing Facilities; and

(v) obtaining CHF’s agreement, once the restoration and correction of Normal Hall and Regents Hall are complete, to accept fee title to the real property improvements and personal property

comprising such facilities in accordance with the Purchase Agreement, and thereafter adding such facilities to the Housing Facilities owned and operated by CHF (or the Manager) in accordance with the Ground Lease and the Management Agreement.

CHF will finance the costs of the improvements under items (iii) through (iv) above by the issuance of one or more series of industrial revenue bonds to be issued by the Issuer, the aggregate principal amount of which shall not exceed \$400,000,000, which shall not exceed a term of forty years, and which shall cumulatively accrue interest at an aggregate net interest cost not to exceed 8.0% per annum.

The University will not be liable for CHF's obligations with respect to the bonds and will otherwise not provide any financial backstop in connection therewith. CHF's obligations to pay debt service for the bonds will be paid solely by the revenues of the housing system operated by CHF. To the extent such operations generate excess revenues, such excess revenues will be payable by CHF to the University under the terms and conditions of the Project Documents.

Nothing in this Resolution or in the Project Documents shall be construed as creating a debt of the University or the Commonwealth within the meaning of any constitutional or statutory limitation.

The Board recognizes the foregoing comprises a high-level overview of the Project, but also reaffirms the goals and objectives contained within the P3 Procurement Documents, as modified by the discussions and negotiations that have occurred among the University, the Developer, and CHF in connection with the Project Documents and the Financing Documents.

Section 5. P3 Procurement Method Determinations. The Board makes the following findings in accordance with 200 KAR 5:355 (collectively, the "Considerations"), assuming that the Project is awarded to the Developer and its development team, which includes CHF and the Manager, in accordance with the terms and conditions contained in the Project Documents and the Financing Documents in the forms previously submitted to the Board in connection with this Resolution:

(a) Qualitative considerations.

(i) The use of the P3 Procurement Method to procure the Project permits the University to allocate and control the risks, responsibilities, and rewards associated with and arising from the Project among CHF, the Developer, and the University in a manner that ultimately benefits the University and the students and citizens the University serves.

(ii) The use of the P3 Procurement Method permits the University to procure the Project on a more accelerated timeline than would otherwise be possible if the University procured the Project utilizing other procurement methods.

(iii) The use of the P3 Procurement Method provides tangible and intangible benefits that exceed the costs of developing and maintaining Project utilizing a public-private partnership method.

(iv) The University, through its staff and professional agents, maintains the expertise to measure and monitor the performance and operational effectiveness of CHF and the Developer. The Project Documents contain structural safeguards for the University to accomplish such objectives.

(v) The use of the P3 Procurement Method permits the University to capture and utilize incentives, efficiencies, and expertise derived from the involvement of CHF and the Developer.

(vi) The Project would be difficult to achieve on the desired timeline without private sector involvement.

(vii) The public interest is best served by the University's acquisition of the Project using a P3 Procurement Method.

(viii) The University has an urgent need for the services of CHF and the Developer in order to address housing needs and enrollment issues at the University.

(b) Quantitative Considerations. In selecting the Developer (including the services of CHF) as its private partner to deliver the Project, the University has considered:

(i) The net present value of the Project over its useful life.

(ii) The allocation of risks and contingencies between the University and the Developer (and CHF and the Manager, who have been retained by the Developer).

(iii) The operating cash flows reasonably expected to provide a return on investment to the Developer.

(iv) The net present value of the payments to be received by the University under the Ground Lease over the life of the Project.

(v) The anticipated value of the Project and other deliverables under the Project Documents at the conclusion of the Project with the Developer.

The Board hereby finds and determines that, after consideration of the qualitative and quantitative factors set forth above, the Project and the P3 Procurement Method are in the best interests of the University, its students, and the Commonwealth, and that the allocation of risks and benefits under the Project Documents and Financing Documents is fair and reasonable.

Section 6. Award of Project to Developer Team. Based on the foregoing considerations, in accordance with the P3 Procurement Method, the Board hereby awards the Project to the Developer on the terms and conditions set forth in the Developer's RFQ Responses, as modified, clarified, and expanded in the forms of the Project Documents and the Financing Documents submitted to the Board in connection with the consideration of this Resolution. To the extent necessary, the Authorized Officers are hereby authorized to notify all other parties providing proposals for the Project of this award.

Section 7. Approval of Project Documents and Financing Documents. The Board recognizes that the University is a party to a limited number of the Project Documents and the Financing Documents. Nonetheless, given that the Project is being awarded and will be effectuated by the Developer (collectively with CHF and the Manager) for the benefit of the University, the Board hereby (i) approves the execution and delivery of all Project Documents to which the University is a party, (ii) consents to the execution and delivery of all Project Documents to which the University is not a party by those who are such parties for the benefit of the University, (iii) approves the execution and delivery of all Financing Documents to which the University is a party, (ii) consents to the execution and delivery of all Financing Documents to which the University is not a party by those who are such parties for the benefit of the University; provided, however, that all such documents are

hereby approved substantially in the forms previously provided to the Board for purposes of this approval. Any Authorized Officer, upon the advice of Counsel, may approve any change in any such Project Document or Financing Document on behalf of the University upon a determination that (a) any such change is immaterial to the University's interest, (b) any such change is in the University's best interest, (c) any such change is necessitated by changes in market conditions occurring after the date hereof but before the financial closing of any bonds issued to finance all or a portion of the costs of the Project. No such approval shall be required for changes solely related to pricing results for such bonds. With respect to any Project Document or Financing Document for which the University is a party, the execution of such document by an Authorized Officer shall constitute evidence of the approval of such change. For any Project Document or Financing Document for which the University is not a party, the Authorized Officer authorizing such a change may, at his or her discretion, note the basis for such change in a memorandum to the Board or otherwise inform the Executive Committee of the Board of such change before executing such document.

Section 8. Acquisition and Transfer of Housing Facilities. The Board hereby authorizes the acquisition of all real and personal property interests comprising the Legacy Housing Facilities from SLF, such receipt to occur collectively or from time to time, as is determined to be in the best interest of the University by the University. The acquisition shall be for consideration shall be for an amount set out in the SLF Documents.

The Board further approves the lease of the land upon which the Housing Facilities are located to CHF in accordance with the Ground Lease and the sale of the real property improvements and personal property comprising the Housing Facilities to CHF in accordance with, among other things, the Purchase Agreement and one or more Deeds and bills of sale. The consideration for such sale or sales shall equal the aggregate amount set out in the Project Documents.

For purposes of clarity, the Board reasonably expects that all consideration to be paid and received by the University in connection with the acquisition and transfer of the Housing Facilities shall be provided, directly or indirectly, by the proceeds of the bonds issued by the Issuer for the benefit of CHF.

To the extent the sale of the real property improvements and personal property comprising the Housing Facilities to CHF would comprise a sale of real or personal property of the University, the Board hereby determines ownership of the Housing Facilities by CHF and operation of the Housing Facilities by CHF in accordance with the Project Documents would be more suitably consistent with the public interest, given the Considerations established herein. Moreover, the Board notes that the Ground Lease requires fee title in the real property improvements and personal property comprising the Housing Facilities, as the same may be maintained, improved, or replaced in accordance with the Project Documents, to be returned to the University upon the termination of the Ground Lease.

Section 9. Authorized Disclosure of University Information. The Board recognizes that CHF intends to finance the improvements associated with the Project by the issuance of one or more series of bonds to be governed by the Financing Documents. To that end, CHF and the Issuer will utilize one or more Official Statements to market such bonds to potential investors. The Board hereby authorizes the Authorized Officers to provide CHF, the Developer, and the Issuer with financial and operating information regarding the University in an amount and quality sufficient to assist CHF, the Developer, and the Issuer with the marketing of such bonds. Any Authorized Officer is authorized to deem any portion of an Official Statement containing information regarding the University "final" for purposes of Rule 15c2-12 of the Securities and Exchange Commission, as amended.

Section 10. Execution of Project Documents and Financing Documents. The Authorized Officers are hereby authorized to execute and deliver any Project Document, Financing Document, or SLF Document to which the University is a party in accordance with Section 7 or Section 8 hereof. In addition, any Authorized

Officer is hereby authorized to execute and deliver any agreement, document, certificate, deed, notice, memorandum, consent, approval, bill of sale, or other instrument or forms of documents necessary or desirable, in the judgment of such Authorized Officer, upon the advice of Counsel, to effectuate the Project.

Section 11. Conditional Approval. All approvals hereunder are subject to and conditioned upon the approval of CPBOC in accordance with Kentucky law. If CPBOC fails to meet and consider the Project before the desired initial marketing date of the bonds to be issued by the Issuer, the President of the University may provide the approval (in writing) permitted by KRS 45.800(3).

Section 12. Open Meetings. The Board hereby finds and determines that all formal actions relative to the adoption of this Resolution were taken in an open meeting of the Board, and that all deliberations of this Board and of its committees, if any, which resulted in formal action, were taken in meetings open to the public, in full compliance with applicable legal requirements.

Section 13. Conflicts of Interests. The Board finds that any actual or potential conflicts of interest of members of the Board or officers of the University relating to the Project have been disclosed in accordance with applicable law and University policies, and that any such members or officers have abstained from deliberation and voting to the extent required.

Section 14. Provisions in Conflict are Repealed. All resolutions or parts thereof in conflict with the provisions of this Resolution are hereby rescinded to the extent of such conflict.

Section 15. Effective Date. This Resolution shall take effect from and after its passage.

A “**Material Change**” shall mean any addition, reduction, or change to the Current Plans or Final Plans that results in: (i) a material change to the final designed elevation(s), site plan, floor plan(s) or square footage shown on the Final Plans (as hereinafter defined); (ii) a material impact on the Projects’ cost, schedule, or compliance with applicable laws, regulations, or standards; or (iii) an increase in the Stipulated Sum or delay to the Delivery Dates.

(d) Following the Effective Date, but not later than _____,³ the Developer shall cause the Contractor, Architect and any other applicable design professionals to complete final construction drawings, plans and specifications for the Student Housing Facilities that are based on and consistent with the design details set forth in the Current Plans (the “**Final Plans**”) and Lessee shall, act in good faith, diligently, proactively and cooperatively with Developer, Contractor and Architect and the University to review and approve the Final Plans. Approval of the Final Plans shall require the prior written approval of the Lessee and University, which approvals shall not be unreasonably withheld, conditioned or delayed and shall be granted or denied by the Lessee and University within ten (10) business days of receipt of the Developer’s written request therefor, which written request shall explicitly state the deadline for granting or denying such approval; provided. The Final Plans as approved by the Lessee and the University shall be acknowledged in writing by the Lessee, University and Developer and shall be attached hereto as **Exhibit C** (thereby replacing the Current Plans) and incorporated herein and made a part of this Agreement. Any Material Change approved by the Lessee and the University in connection with approval of the Final Plans shall be documented by a Change Order in accordance with Section 3 below.

(e) Although the University is not a party to this Agreement, it is understood and agreed that the Lessee seeks to act in accordance with the intentions of the University regarding the development, design, construction and equipping of the Projects and that the Ground Lease in some instances requires the University’s consent or approval. In order to effectuate any such required approval, Developer agrees to furnish the University with copies of all notices furnished to the Lessee under this Agreement to the address and in the manner specified in the Ground Lease.

(f) As part of the “Work” defined below, the Developer shall (i) advise the Lessee and negotiate and obtain all governmental and private approvals required in connection with developing and constructing the Projects as more fully set forth in Section 7(a) below; (ii) negotiate and, subject to Lessee’s review and approval (which approval shall not be unreasonably withheld, conditioned or delayed), enter into a modified A133 Standard Form of Agreement Between Owner and Construction Manager as Constructor (“**Contractor Agreement**”) with Unity Construction Management, LLC (“**Contractor**”), pursuant to which the Contractor will assist Developer with providing all of the architectural, engineering, design and construction services for the Projects, which Contractor may hire subcontractors for construction of certain Work for the Projects (each, a “**Subcontractor**” and collectively, the “**Subcontractors**”); and (iii) engage Mackey Mitchell Architects (“**Architect**”) to provide architectural and design services for the Projects, and provide other professionals to perform all other professional services required for the design

and construction of the Projects. Lessee acknowledges and agrees that the Architect and other design professionals retained by Developer and Contractor will be responsible for designing the Projects in accordance with the Contract Documents and Legal Requirements as more fully set forth in Section 4 below; provided, however, that such acknowledgment shall not relieve Developer of its obligation to manage and coordinate the design process to ensure compliance with the Contract Documents and Legal Requirements, nor constitute a waiver of any claims for errors, omissions, or non-compliance with such requirements. Notwithstanding the foregoing, the Contractor Agreement by and between the Developer and Contractor shall be executed and in full force and effect as of the Effective Date of this Agreement.

(g) The **“Work”** means all professional design and engineering services and construction and project administration services to complete the Student Housing Facilities in accordance with the Contract Documents (as hereinafter defined) by the specified required delivery dates for each Project (each, a **“Delivery Date”** and collectively, the **“Delivery Dates”**) as set forth in the construction schedules for the Projects attached as Exhibit D (each, a **“Project Schedule”** and collectively, the **“Project Schedules”**), that includes all labor necessary to construct the Student Housing Facilities, and all materials and equipment to be incorporated in the Student Housing Facilities. The **“Contract Documents”** shall consist of this Agreement, all documents in the Current Plans, Final Plans, Project Schedules, Development Budgets, Contractor Agreement and Change Orders (as such terms are defined herein).

(h) If the Developer or Contractor encounters conditions at the Property that are (1) subsurface or otherwise concealed physical conditions that were not visible and not known to exist as of the Effective Date and that are materially different from those indicated in the Contract Documents or (2) unknown physical conditions of an unusual nature other than the weather, climate, or another Force Majeure Event that differ materially from those ordinarily found to exist and generally recognized as inherent in construction activities of the character provided for in the Contract Documents (collectively, **“Differing Site Conditions”**), the Developer shall promptly provide notice to the Lessee, University, Construction Monitor and the Bond Insurer before conditions are disturbed and in no event later than fourteen (14) business days after first observance of the conditions. The notice shall include reasonable documentation and evidence of the conditions encountered, demonstrating how they differ materially from the Contract Documents or conditions ordinarily inherent in the specified construction activities. The Construction Monitor will promptly investigate such conditions and issue its determination and recommendation to the parties in writing within ten (10) business days after receiving notice. If the Construction Monitor determines that Differing Site Conditions exist and cause an increase or decrease in the Developer’s cost of, or time required for, performance of any part of the Work, the Construction Monitor will recommend that an equitable adjustment be made in the Stipulated Sum or Delivery Dates, or both. The source of funds for such equitable adjustment shall be determined by the Developer, Lessee and the University. If the Construction Monitor determines that no Differing Site Conditions exist and that no change in the terms of this Agreement is justified, the Construction Monitor shall promptly notify the Lessee, University and Developer, stating the reasons. For the avoidance of doubt, Differing Site Conditions shall not include (i) any condition disclosed in the Due Diligence Materials (as hereinafter defined); (ii) any other conditions that could have been reasonably identified or discovered through customary site investigations, geotechnical studies, or other due diligence performed before execution of this Agreement or (iii) any condition that was caused or exacerbated by the acts or omissions of the Developer or the Contractor. If either Party disputes the Construction Monitor’s determination or recommendation, such dispute shall be resolved in accordance with the dispute resolution process set forth in Section 12. All adjustment to the Delivery Dates and Stipulated Sum shall be evidenced by the Parties executing a Change Order. Pending

resolution of any dispute regarding Differing Site Conditions, the Developer shall continue to perform all unaffected portions of the Work without delay.⁴

(i) During the construction of the Student Housing Facilities, Developer, Contractor, Architect and their respective consultants, contractors, subcontractors, and suppliers shall have, subject to the terms and conditions of the Ground Lease, a revocable and non-exclusive license and right of entry to the Campus owned by the Lessee and the University that are specifically included within the construction area shown on **Exhibit E** attached hereto for access to the Property.

(j) Developer shall, and has agreed to, perform or will cause to be performed all Work in a good and workmanlike manner and in accordance with (i) the professional standards of an experienced and qualified developer, with a scope, level of expertise, and quality not less than those generally performed by competent professional developers of properties similar in type and quality to the Projects and located on the campuses of institutions of higher education, and (ii) the Contract Documents and Legal Requirements (as defined below) (the “**Standard of Care**”). All goods incorporated into, or placed at, the Projects shall be of the quality required under the Final Plans and the Developer will be responsible for the design, layout and installation of the furniture, fixtures and equipment set forth in the Final Plans. It is the intent of the Parties and University that the Stipulated Sum cover all Work for the Projects as detailed in the Final Plans, and the Developer and University shall work in good faith to achieve this goal. From and after the Effective Date, the Developer may reasonably reallocate certain hard and soft costs and any contingencies and final line-item cost savings with the understanding that the Parties are relying on the Stipulated Sum as the final costs and fees to complete the Projects.

(k) Developer shall maintain, or cause to be maintained, in good order and visible and accessible at the building sites or construction office one record copy of the Final Plans and other related documents, marked currently to record changes made during construction, and during construction the Lessee and University shall have the right to review all such Final Plans and other related documents during regular business hours upon one (1) business day’s notice. Upon completion of the design and construction of the Student Housing Facilities and prior to termination of this Agreement, the Developer shall deliver to the Lessee the following: (i) as-built plans (to be provided in hard copy form and electronically in .pdf and .dwg and/or .rvt format, in the Lessee’s and University’s discretion); (ii) all written specifications as amended (to be provided electronically); (iii) complete copies of all operations and maintenance manuals for all equipment installed in the Student Housing Facilities as part of the Work (to be provided electronically); (iv) the warranties for the foregoing (to be provided electronically) in conformity with Section 13 hereof and transfer of the same to the Lessee; and (v) provide the necessary training and validation of operating systems to ensure a smooth transition to management and operation of all portions of the Student Housing Facilities.⁵

(l) Developer has caused to be conducted certain due diligence on the Property with regard to the engineering, construction, financial and logistical feasibility of developing the Student Housing Facilities consistent with the terms and conditions of the Ground Lease and this Agreement, that specifically includes the title commitment, surveys, environmental site assessments, geotechnical reports, Architect’s field investigations reports and other assessments, tests and studies set forth on the List of Due Diligence Materials attached as **Exhibit F** (“**Due Diligence Materials**”) and has completed an analysis of the Due Diligence Materials with respect to land use and zoning, entitlements and the need for permits for the purpose of establishing the Work covered by the Stipulated Sum. The Due Diligence Materials are incorporated herein by reference and made a part of this Agreement. The Developer’s evaluation and

analyses of the Due Diligence Materials with respect to development of the Student Housing Facilities have been conducted consistent with the Standard of Care.

(m) Developer acknowledges and agrees that the Ground Lease and the Loan Agreement place certain requirements on the Lessee relating to the development, design, construction and equipping of the Projects and warrants that it has reviewed and is familiar with such requirements. Developer agrees to cause the completion of the Project in compliance with the terms and conditions of this Agreement and to not knowingly take any action (or fail to take any action) that would cause the Lessee to be in breach of any representations or covenants made by Lessee in the Ground Lease or the Loan Agreement.

(n) This Agreement supplants and terminates the PDA. Notwithstanding anything to the contrary in this Agreement, any work previously performed under the PDA as of the Effective Date shall be irrevocably deemed a part of the Work performed under this Agreement (including for the purposes of any warranty(ies) under Section 13 of this Agreement, and the coverages afforded under the insurance policies required under Section 9 and the performance security required under Section 17 of this Agreement.

3. **Changes in the Work.**

(a) A “**Change Order**” is a written order to the Developer signed and approved by the Lessee and University issued after execution of this Agreement, authorizing a change in the Work or an adjustment in the Stipulated Sum (as defined in Section 7) or the Delivery Dates. The Delivery Dates may be changed only by an executed Change Order, including changes resulting from a Force Majeure Event, Differing Site Conditions, Lessee Delay or University Delay (as such terms are hereinafter defined). A Change Order shall be required for any Material Change, any adjustment in the Stipulated Sum or Delivery Dates, or for any adjustment that materially impacts the Projects budgets or schedules. A Change Order signed by the Developer, the Lessee and University indicates their agreement therewith, including the adjustment (if any) in the Stipulated Sum and Delivery Dates. The Developer shall submit a proposed Change Order in writing to the Lessee and University, including a description of the proposed change, its impact on the Stipulated Sum and/or Delivery Dates, the proposed funding source for any increase in the Stipulated Sum, and any supporting documentation reasonably requested by Lessee, University or Construction Monitor. The Lessee and the University shall review and respond to the proposed Change Order within fifteen (15) business days of receipt. No changes to the Stipulated Sum or Delivery Dates shall be binding unless authorized by an executed Change Order.

(b) The cost or credit resulting from a Change Order shall be determined by taking into account the increase or decrease in (i) the engineered cost for labor and materials of the Contractor and all Subcontractors affected by the Change Order, and (ii) such Contractor’s and Subcontractors’ general overhead and profit as a result of the Change Order. The Stipulated Sum shall be further increased by an amount equal to three and one-half percent (3.50%) of any net increase in costs attributable to a Change Order that was initiated by the University, to reflect the parties’ agreed upon adjustment to the Developer’s overhead and profit as a result of such Change Order. All adjustments in the Stipulated Sum shall be based on one of the following methods: (i) mutual acceptance of a lump sum by Developer, Lessee and the University properly itemized and supported by sufficient substantiating data to permit evaluation; or (ii) cost to be determined in a manner agreed upon by the parties and a mutually acceptable fixed or percentage fee.

(c) If unit prices are stated in the Contract Documents or subsequently agreed upon, and if the quantities originally contemplated are so changed in a proposed Change Order that application of the agreed unit prices to the quantities of the Work proposed will cause substantial inequity to the University, the Lessee or the Developer, the applicable unit prices shall be equitably adjusted.

(d) The Developer shall have authority to make minor changes in the design and construction, provided that such changes: (i) do not affect the structural integrity, functionality, or performance of the Projects; (ii) are consistent with the quality and aesthetic standards set forth in this Agreement; and (iii) do not require adjustments to the Stipulated Sum or an extension of the Delivery Dates. The Developer shall keep the Lessee, University and Construction Monitor reasonably informed of any such minor changes.

4. **Developer's Compliance Responsibilities.**

(a) Developer shall be responsible for causing the Work (including, without limitation, all changes thereto) to comply with (i) all federal, state and local rules, regulations, building codes, ordinances, statutes, orders, directives and laws, including the Americans With Disabilities Act, 28 C.F.R. § 35.101 et seq. ("**ADA**"), that govern the development and construction of the Student Housing Facilities, including, without limitation, those specifically set forth on the List of Legal Requirements attached as **Exhibit G**, and any other applicable Legal Requirements that are in effect during the term of this Agreement, and which are applicable to the Projects, or the Developer; and (ii) applicable recorded protective covenants, easements, and restrictions on the Property set forth in the documents of record that are defined as Permitted Encumbrances in the Ground Lease ((i) and (ii), collectively, the "**Legal Requirements**"). The Lessee and University acknowledge the role of the Architect and other design professionals in ensuring compliance with Legal Requirements; however, such reliance shall not relieve the Developer of its responsibility to ensure that the Work as a whole complies with all Legal Requirements.

(b) Developer shall be responsible for obtaining a certificate of occupancy (or similar certification approving the utilization thereof) from the University, a Certificate of Substantial Completion from the Architect and University Completion Certificate from the University, as applicable, for the Student Housing Facilities as more fully set forth in Section 5 of this Agreement.

(c) If there is any change between the Effective Date and the Substantial Completion Date for each component of the Project in any applicable Legal Requirements which requires a change in the Work in order to avoid a violation of any such applicable Legal Requirement, the Developer shall promptly notify the Lessee and University in writing of such change, including a description of the required changes and their anticipated impact on the Stipulated Sum and Delivery Dates. The Developer shall be responsible for changing the Work in order to comply with the new Legal Requirements and shall use commercially reasonable efforts to minimize any increase in costs or delays to the Project Schedules resulting from such changes. Any adjustments to the Stipulated Sum and Delivery Dates shall be limited to changes in Legal Requirements that materially impact the scope, cost, or schedule of the Work, and shall be set forth in a Change Order executed in accordance with Section 3.

(d) If there is a change in any applicable Legal Requirement but the Work or portion thereof affected by such change is deemed to be "grandfathered" (i.e., the applicable Legal Requirement does not require that the Work be changed), such portion of the Work shall nevertheless be deemed to be in compliance with such applicable Legal Requirements and the Developer shall not be required to change the Work to otherwise comply with such changed Legal Requirements.

5. **Construction Timetable.**

(a) The currently planned commencement date for the Project, together with the scheduled Substantial Completion Date (as defined below) and the Final Completion deadline for the Project are set forth in the Project Schedule attached as **Exhibit D**. In performing the Work, Developer shall achieve the milestone dates set forth in the Project Schedule so that the Substantial Completion Date for the Project shall occur on or before the applicable Delivery Date (the "**Substantial Completion**

Deadline”). Time shall be of the essence as to each Delivery Date. The Project Schedule may be updated by the Developer every four (4) weeks in accordance with the progress of the Work for the Projects, and copies of such updates shall be promptly furnished to the Lessee, Construction Monitor, Bond Insurer and University; it being expressly understood, however, that such updates may not extend the Delivery Dates, except as expressly set forth in this Agreement. Developer shall give the University and Lessee written notice promptly, and in no event later than fourteen (14) days, after the Developer becomes aware of the occurrence of any delay to the Work for the Projects that is reasonably likely to cause its Substantial Completion Date to occur after the applicable Delivery Dates (including, without limitation, any Force Majeure Event, University Delay or any Lessee Delay).

(b) The Delivery Dates may be extended only by reason of a Change Order approved and executed by the University and Lessee pursuant to Section 3, including changes resulting from a University Delay, Lessee Delay, Differing Site Conditions or a Force Majeure Event. In the event of a Change Order, the Delivery Dates shall be accelerated or postponed, if at all, only as set forth in such Change Order. Delays related to University Delays, Lessee Delays and Force Majeure Events, including any extensions of the Delivery Dates or adjustments to the Stipulated Sum, shall be governed by the provisions of Section 15 and Section 16, respectively.

(c) If at any time in the course of the performance of its Work, Developer shall fall materially behind the Project Schedule which is not due to a Change Order, Force Majeure Event, University Delay or Lessee Delay, then Developer shall prepare and submit to Lessee and University a written report of the measures that Developer will take, or cause to be taken, to mitigate the effect of such delay. Such mitigation measures may include acceleration of the Work (including, for example, authorizing overtime work), use of contingency monies, the re-prioritization of the critical path of the Work, and relocating Eligible Tenants (as such term is defined in the Ground Lease). The cost and expense of overtime, or any other measures implemented to achieve the foregoing, shall be borne entirely by Developer, and Developer shall update its report every four (4) weeks, which updates shall include status updates relative to Developer’s mitigation efforts.

(d) For purposes herein, “**Substantial Completion**” (as identified on the Project Schedules attached as Exhibit D) for the Project shall mean the stage in the progress of the Work when the Work or designated portion thereof for the Project is sufficiently complete to satisfy both of the following conditions: the issuance of a temporary certificate of occupancy by the appropriate authority having jurisdiction, if applicable, and such completion as will make the Project sufficient, suitable, and ready for immediate occupancy for the use intended and for the avoidance of doubt, “move-in ready”. The “**Substantial Completion Date**” for the Project means the date on which (i) Substantial Completion has occurred; (ii) each authority having jurisdiction has issued a temporary certificate of occupancy (or similar certification approving the utilization thereof) for each Project that certifies the Work applicable to each Project complies with applicable law; (ii) the Architect has inspected the Work applicable the Project and issues a Certificate of Substantial Completion that is in the form of AIA Document G704- 2017 (“**Certificate of Substantial Completion**”) that certifies that all such Work for the Project has been completed in accordance with the Contract Documents and Legal Requirements; and (iii) the University issues a certificate of substantial completion stating that the Project is “move-in ready” (“**University Completion Certificate**”) and (iv) the Architect for the Project and Construction Monitor delivers to Lessee a list of “Punch List Items” (as hereinafter defined), if any. For purposes herein, “**Final Completion**” means that Lessee has provided its written acknowledgment that all Punch List Items have been addressed to Lessee’s reasonable satisfaction, and each of the Developer, Lessee and Construction Monitor have provided a written acknowledgement that they are satisfied with the reconciliation of all costs associated with the Project.

(e) Concurrently with the University's delivery of the University Completion Certificate, The Vertex Companies, LLC ("**Construction Monitor**") shall deliver to Developer, Lessee, and the University for their review and approval a listing of the Punch List Items that the Architect and/or the Construction Monitor believe the Developer is obligated by the provisions of this Agreement or other Contract Documents to complete to achieve Final Completion for a Project. Lessee, Construction Monitor and University shall advise the Developer and Architect within ten (10) business days after receipt of the Architect's and Construction Monitor's list of Punch List Items for each Project of any additional Punch List Items which such parties believe Developer is obligated by the provisions of this Agreement or other Contract Documents to complete to achieve Final Completion. All Punch List Items shall be completed within ninety (90) days following the Substantial Completion Date; provided, however, if, in the reasonable discretion of the Construction Monitor, any Punch List Item cannot be completed within ninety (90) days following the Substantial Completion Date, the Developer shall complete said Punch List Item within the amount of additional time recommended by the Construction Monitor and agreed upon by the Lessee and the University. Any disagreements between Developer and Lessee regarding Punch List Items for a Project shall be resolved in accordance with Section 12 hereof. The term "**Punch List Items**" shall mean details of construction and mechanical and electrical adjustments which are minor in character and do not materially interfere with the Lessee's use or enjoyment of a Project or designated portion thereof for its business operations, and may also include landscaping and other items which do not materially affect the Lessee's use of the Student Housing Facilities but which cannot be immediately completed because of weather.

(f) Developer shall keep the Lessee, Construction Monitor and University informed of the progress of each Project by, not later than twenty (20) days after the end of each month, including the month in which Final Completion of a Project occurs, providing a report to the Lessee and University (the "**Monthly Progress Report**") reflecting the following information: (i) construction progress reports reflecting the percentage of completion of the Work for each bid division for each Project, together with narrative explaining any variance to the Stipulated Sum and schedule delays; (ii) updated Project Schedules along with reports as to compliance or noncompliance with the Project Schedules, including estimated four-week look-aheads; (iii) any recovery schedules if in noncompliance with the Project Schedules; (iv) any Change Orders proposed, under review, accepted, and denied including funding source(s) for such Change Orders; (v) a narrative summary of construction progress with corresponding photographs; (vi) an itemization of charges against any of the Developer's contingency funds, if applicable; (vii) a narrative summary of man hours worked and any safety and/or inspection reports completed for the Project certified by the Contractor for the Project, but excluding budget to actual reconciliations and budget to actual itemization of each component line item in the Development Budget for the Project; and (viii) any additional report related to the development or construction of the Projects and required to be produced by the Lessee under the Ground Lease. Notwithstanding the foregoing, the Developer shall not be obligated to furnish audited financial statements or any other report that would require the Developer to pay any third-party to prepare or certify. The Lessee shall be entitled to post the Monthly Progress Report on the Municipal Securities Rulemaking Board's Electronic Municipal Market Access (EMMA) website in compliance with its continuing disclosure obligations under any continuing disclosure agreement entered into in connection with the issuance of the Series 2026 Bonds (as defined herein).

(g) As soon as practicable, but in no event to exceed six (6) calendar months after the Substantial Completion Date, the Developer shall furnish to the Lessee and the University a complete set of final "as-built" plans, a certified "as-built" survey of the completed Projects, and a complete set of operations and maintenance manuals for all systems, equipment, furniture and fixtures relating to the Projects.

6. **Project Financing.** The Parties acknowledge and agree that Lessee, as Borrower, on or before the Effective Date obtained financing for the Project from the Kentucky Bond Development

Corporation (“**Issuer**”) in the principal amount of [\$ _____] (“**Project Financing**”) through the issuance of its (i) Student Housing Revenue Bonds, City of Plum Springs 2026A (Collegiate Housing Foundation-Bowling Green, L.L.C. – Western Kentucky University Project), in the principal amount of [\$ _____] (the “**Series 2026A Bonds**”) and (ii) its Student Housing Revenue Bonds, City of Plum Springs Taxable Series 2026B (Collegiate Housing Foundation-Bowling Green, L.L.C. – Western Kentucky University Project), in the principal amount of [\$ _____] (the “**Series 2026B Bonds**”, and together with the Series 2026A Bonds, the “**Series 2026 Bonds**”), that were issued under and secured by that certain Trust Indenture dated May 1, 2026 (“**Series 2026 Indenture**”), between Issuer and Wilmington Trust, National Association, as trustee (the “**Trustee**”). As a condition precedent to each party’s obligations under this Agreement, the Series 2026 Indenture and the Loan Agreement between the Issuer and Lessee (“**Series 2026 Loan Agreement**”) shall authorize the Trustee to disburse proceeds of the Series 2026 Bonds and the Trustee shall disburse such proceeds to Lessee for purposes of paying the Stipulated Sum and other expenses of the Projects, including funding applicable construction funds, reserve funds and contingencies for the Projects as reflected in the Series 2026 Indenture, Series 2026 Loan Agreement and Contract Documents.

7. **Stipulated Sum; Development Fee**

(a) Subject to the Lessee’s obligations under this Agreement, the Developer shall be responsible for all costs to complete the Work. Such costs shall include the cost of all equipment, furniture, fixtures, materials, labor, transportation, insurance, utilities, permits and approvals, testing, architecture, design, engineering, and other services (including intellectual property rights) to be provided hereunder, including all taxes, if any, on equipment, furniture, fixtures, materials, labor, design and other services furnished by the Developer, Architect, Contractor, Subcontractors or anyone directly or indirectly employed by Developer or Contractor in the performance of the Work for the Projects, and any duties, fees and royalties imposed with respect thereto. The Developer, with the reasonable cooperation and assistance of the University, shall secure and pay for the building permit and other permits and governmental fees, licenses and inspections required for the execution and completion of the Work, which Developer represents are included in the Stipulated Sum.

(b) In consideration for Developer’s performance of the Work, Lessee shall pay to Developer the stipulated sum of [_____] (\$ _____) (“**Stipulated Sum**”) that includes a development fee of [_____] (\$ _____) (the “**Development Fee**”). Any adjustments to the Stipulated Sum shall be made only through an approved Change Order in accordance with Section 3. The Stipulated Sum is allocated between each Project and broken-down to specific line items of the costs and expenses for each component of the Project as set forth on the Development Budgets attached as Exhibit H (“**Development Budget**”).

(c) In further consideration for Developer’s performance of the Work, Lessee shall pay to Developer an incentive development fee of [_____] (\$ _____) (the “**Incentive Development Fee**”). The Incentive Development Fee shall be due and payable by Lessee to Developer upon Substantial Completion of each Project.

(d) The Developer represents and warrants that the Stipulated Sum includes a reasonable contingency to address minor cost overruns, estimation errors, and anticipated risks in completing the Work. Upon Final Completion of a Project, Lessee shall direct any savings resulting from unused Developer contingency (as set forth in Developer’s final Requisition) to be remitted to the Lessee and the Developer in accordance with the respective percentages set forth on Exhibit attached hereto and made a part hereof (the “**Project Cost Savings**”).

(e) The Developer acknowledges and agrees that the Stipulated Sum is an all-inclusive, fixed amount that covers all costs and expenses necessary to complete the Work in accordance with the Contract Documents and Legal Requirements. Except for adjustments to the Stipulated Sum made in accordance with an approved Change Order, the Developer shall be solely responsible for any costs that exceed the Stipulated Sum.

8. **Payments.**

(a) Except for the payment of the Development Fee in accordance with Section 8(d) below, the payment of the Stipulated Sum shall be disbursed in monthly progress payments based on the percentage of the Work for the Projects completed to date. No more than once each calendar month Developer will submit to the Lessee (with a copy concurrently to University and Construction Monitor) a requisition ("**Requisition**") for the percentage of the Work on the Projects completed, with respect to payments toward the Stipulated Sum (including contingencies), through the last day of the immediately preceding calendar month, less retainage of initially ten percent (10%)⁶ and upon reaching 51% completion of the Projects, five percent (5%) (based upon the "hard costs" only), unless different retainage requirements shall be set forth in the Contract Documents, and less the aggregate of previous payments made by the Lessee to the Developer hereunder. For the avoidance of doubt, notwithstanding any other term or provision in this Agreement, no retainage shall be withheld on Contractor's general conditions costs, general requirements, fee, or cost of the work other than upon Subcontractor's progress applications for payment. Each Requisition shall include the following (i) an Application for Payment that is in the form attached as Exhibit I hereto ("**Payment Application**") that is certified by the Developer, and that establishes the percentage of Work on the Projects completed for which payment is requested, with confirmation by the Construction Monitor and Architect for the Projects; (ii) a narrative description of the Work that has been completed so that Lessee or University can verify such Work (either independently or by the Construction Monitor or its architect or other consultant); (iii) certification by Developer that all construction lien rights have been waived for the amounts disbursed for the period up to and including the prior month's Requisition; (iv) percentage of completion of the Work for the Projects; (v) an updated list of all Change Orders requested to be funded through the Payment Application, and (vi) any other documentation reasonably requested by Lessee or the Construction Monitor to verify the accuracy, completeness, and compliance of the Requisition with the terms of this Agreement, including invoices and other evidence of expenditures for which Developer requests payment. The Parties agree that the information and documents to be provided as part of the Requisition may be in a different form and may include different information than the information and documents to be provided as part of the Monthly Progress Report and that the Requisition and Monthly Progress Reports are not required to be delivered at the same time.

(b) Developer agrees that the execution by Developer of each Requisition shall constitute the certification, warranty, and agreement of the Developer as follows:

(i) to Developer's actual knowledge, the Projects are free and clear of all liens and encumbrances except Permitted Encumbrances (as defined in the Bond Documents);

(ii) to Developer's actual knowledge, all evidence, statements and other writings required to be furnished by Developer in its own name or on behalf of Lessee under the terms of the Bond Documents are true in all material respects and omit no material fact the omission of which would make them misleading;

⁶ Parties still discussing retainage.

(iii) to Developer's actual knowledge, all money previously disbursed has been used solely to pay for costs allowed by the Bond Documents, and the Developer has written evidence to support this item of warranty;

(iv) to Developer's actual knowledge, none of the items for which payment is requested has formed the basis for any payment previously requisitioned;

(v) to Developer's actual knowledge, all bills for labor, materials and fixtures used, or on hand and to be used, in the construction of the Projects have been paid, and no one is asserting a lien with respect thereto, except Permitted Encumbrances;

(vi) to Developer's actual knowledge, such Requisition for payment contains no items representing payment of any amount constituting Costs of Issuance (as defined in the Bond Documents);

(vii) to Developer's actual knowledge, the payment of such Requisition, together with the payment of all prior Requisitions, will not result in more than five percent (5%) of the proceeds of any series of tax-exempt bonds being used directly or indirectly in any trade or business carried on by and person who is not a "501(c)(3) organization" or a "governmental unit," within the meaning of Section 145 of the Code or in any unrelated trade or business of a 501(c)(3) organization;

(viii) to Developer's actual knowledge, the representations made by Lessee in such requisition are accurate; and

(ix) the amount remaining in the construction fund established under the Indenture after the payments of such requisition, plus expected earnings thereon are sufficient to pay the remaining Stipulated Sum (excluding permitted start-up costs) as determined on the date of such requisition).

(c) Each Requisition shall be approved in writing by the Construction Monitor and the Lessee and the Architect. In addition, the Developer shall establish the percentage of the Work on the Projects completed for which payment is requested, with confirmation by the Construction Monitor and Architect for each Project. If the Parties disagree as to the determination of the percentage of Work completed for each Project, such matter may be submitted to dispute resolution under Section 12 of this Agreement. Within thirty (30) days after the receipt of each approved Requisition, the Lessee shall, unless the Parties otherwise agree, pay the full amount requested to the Developer to disburse in accordance with the Requisition. In the case of a dispute, the Developer and the Lessee shall agree on the disputed value which shall be deducted from the payment while dispute resolution in Section 12 hereof is implemented; provided that, before submitting any such dispute to dispute resolution under Section 12, the Lessee and the Developer shall first submit such dispute to the Architect for the Project and the Architect's nonbinding determination and attempt for at least ten (10) days to mutually resolve such dispute. Lessee understands and acknowledges that prompt payment of all approved Requisitions is a critical component in the Developer's ability to complete the Projects within the time frames required and if any Requisition is not paid to the Developer in full or as otherwise set forth in the Requisition, within twenty (20) days after its due date, interest shall accrue (and be immediately due) on the unpaid amounts at the Default Interest Rate (as defined in Section 37 below) until paid in full; provided, however, no interest shall accrue on any unpaid portions that are deemed not due as a result of the dispute resolution contemplated above and in Section 12 hereof.

(d) Upon certification by the Construction Monitor and Architect that the Project is fifty percent (50%) complete, Developer may request Lessee to reduce or partially release the percentage

of retainage withheld on the monthly progress payments made to Developer toward the Stipulated Sum. Lessee, with the approval of the University and Construction Monitor, may agree to such request for retainage reduction or release (less any amount for incomplete Work). Upon Substantial Completion of each Project, any retainage related to such Project shall be paid to the Developer, less a holdback for any uncompleted Punch List Items for such Project in an amount equal to one hundred fifty percent (150%) of the estimated cost to complete such Punch List Items.

(e) Lessee shall pay to Developer the Development Fee in accordance with the following schedule:

(i) Fifty (50%) percent of the Development Fee shall be paid in full on the date the Issuer issues the Series 2026 Bonds to Lessee that includes the applicable parties executing and delivering the Series 2026 Indenture, Series 2026 Loan Agreement and related financing documents together with this Agreement (the “**Financial Closing**”); and

(ii) The remaining Fifty (50%) Percent of the Development Fee shall be payable during construction on a monthly basis (on a percentage completed basis) which amounts shall be paid in connection with Developer’s monthly Payment Applications as provided in this Section 8.

All payments of the Development Fee shall not be subject to any retainage requirements set forth in Section 8(a).

(f) Lessee shall pay to Developer the Incentive Development Fee as set forth in Section 7(c).

9. Insurance; Waiver of Subrogation.

(a) Developer shall acquire and maintain or cause to be acquired and maintained in force insurance as provided in Exhibit L.

(b) Each of the insurance coverages required in this Section 9 shall be issued by a company authorized by the Insurance Commissioner of the Commonwealth of Kentucky to transact business in the Commonwealth of Kentucky for the applicable line of insurance and shall be an insurer with an A.M. Best Policyholders Rating of “A” or better with a financial size rating of Class VII or larger. The Developer or Contractor, as applicable, shall give thirty (30) days’ written notice, except for non-payment of premium which shall be ten (10) days, to the Lessee and University of any material change, lapse or expiration of any required coverage hereunder.

(c) The Lessee and the Developer, for itself and shall require the Contractor, to waive their respective rights, to the extent permitted by law, against (1) each other and any of their Subcontractors, sub-subcontractors, agents and employees, each of the other; (2) the Architect and Architect’s consultants; and (3) separate contractors, if any, and any of their subcontractors, sub-subcontractors, agents and employees, for damages caused by fire, or other causes of loss, to the extent those losses are covered by property or builders risk insurance required by this Agreement or the Ground Lease or other property insurance applicable to the Projects. The Lessee or Developer, as appropriate, shall require similar written waivers in favor of the individuals and entities identified above from the Architect, Architect’s consultants, Subcontractors, separate contractors, and sub-subcontractors. The policies of insurance purchased and maintained by each person or entity agreeing to waive claims pursuant to this Section shall not prohibit this waiver of subrogation. This waiver of subrogation shall be effective as to a person or entity (1) even though that person or entity would otherwise have a duty of indemnification, contractual or otherwise, (2) even

though that person or entity did not pay the insurance premium directly or indirectly, or (3) whether or not the person or entity had an insurable interest in the damaged property. If during the construction of the Projects, the Lessee insures properties, real or personal or both, at or adjacent to the site by property insurance under policies separate from those insuring the Projects, or if after final payment property insurance is to be provided on the completed Projects through a policy or policies other than those insuring the Projects during the construction period, to the extent permissible by such policies, the Lessee waives all of its rights in accordance with the terms of this Section for damages caused by fire or other causes of loss covered by this separate property insurance.

(d) The Lessee shall obtain and maintain leasehold title insurance for the Projects in the amount of the Series 2026 Bonds.

10. Architect, Engineer and Other Professionals. Developer represents that the terms and conditions for the Architect, the engineer and other design professionals retained by the Developer and/or the Contractor for the Project are set forth in the Contractor Agreement and shall, without limitation, contain the following:

(a) The Architect and all engineers, contractors, subcontractors, specialists and consultants engaged in connection with the Project shall be licensed in accordance with the laws of the Commonwealth.

(b) The Architect for the Project shall be required to carry during the construction of the Project and for a period of five (5) years after the Final Completion of each Project errors and omissions insurance, in an amount not less than \$5,000,000 per claim and \$5,000,000 in the aggregate. All other professionals shall be required to carry errors and omissions insurance in amounts reasonably acceptable to the Developer, the Lessee and the University, but not less than One Million Dollars (\$1,000,000) per claim and One Million Dollars (\$1,000,000) in the annual aggregate; and

(c) Any contractors, architects and engineers shall be required to maintain Workers' Compensation Insurance covering all employees of such contractors, architects and engineers on the Projects as required by the laws of the Commonwealth of Kentucky. The Workers' Compensation policy must include Coverage B-Employer's liability limits of: Bodily Injury by Accident – One Million Dollars (\$1,000,000) each accident; and Bodily Injury by Disease – One Million Dollars (\$1,000,000) each employee/policy limit. The Lessee shall cause the Developer to cause all contractors, architects and engineers performing work under the Ground Lease to obtain an insurance certificate showing proof of Workers' Compensation and Employer's Liability Insurance.

(d) Prior to Final Completion, the rights to use the Final Plans and other related documents prepared in connection with the Work are and shall remain under the control of the Developer and may not be used by others without the Developer's consent. The professionals described in the preamble of this Section 10 shall be required to deliver to the Lessee copies, including reproducible copies, of the Final Plans and other related documents for information and reference in connection with the Lessee's and University's use and occupancy of the Projects. Further, the Final Plans and other related documents may be used by the Lessee and/or University, in whole or in part, or in modified form, for completion and maintenance of the Projects by others, without further employment of, or payment of any compensation to, the Architect or any engineer or other design professionals, in which event, the Lessee and University shall release such professionals from any responsibility for the conformance of the incomplete portions of the Projects to the Final Plans and other related documents and shall indemnify such professionals against and hold them harmless from all claims arising from causes other than the negligence, breach of contract, or fault of such professionals. Upon the Final Completion of the Projects, Lessee and the University shall have the full right and license to use the Final Plans and other related documents, to the same extent as the

Developer, provided that Lessee has paid Developer all amounts then due and owing by Lessee to Developer in accordance with this Agreement.

11. **Events of Default; Termination of Agreement.**

(a) Developer Defaults and Termination.

i. **“Developer Default”** means any one or more of the following:

(A) if the Developer defaults or fails or neglects to carry out its Work in accordance with the Contract Documents;

(B) if the Developer fails to perform any of its obligations or breaches any of the representations under this Agreement;

(C) if the Developer fails to achieve Substantial Completion for a Project prior to the Substantial Completion Deadline or the applicable Delivery Date (as may be extended as permitted in this Agreement), as applicable;

(D) if the Developer files a voluntary proceeding under any bankruptcy or insolvency laws, or is the subject of any order of relief under any present or future law relating to bankruptcy, insolvency, or other relief for debtors;

(E) if the Developer seeks, consents to, or acquiesces in the issuance of an order for relief, appointment of any trustee, receiver, custodian, conservator, or liquidator of Developer, for all or any substantial part of its properties; or

(F) if a court of competent jurisdiction enters an order or relief, judgment, or decree approving an involuntary bankruptcy proceeding filed against Developer.

ii. Upon a Developer Default the Lessee may give written notice of such Developer Default, which notice shall contain a reasonably detailed description of the alleged Developer Default. The Developer shall correct the defaults, failure or neglect within thirty (30) days after being given such notice; provided, however, if the nature of such defaults, failure or neglect is such that they are not reasonably capable of being corrected within such thirty (30) day period, the Developer shall be allowed a reasonable period of additional time (the **“Developer Cure Period”**) to correct the defaults, failure or neglect so long as the Developer promptly commences and diligently pursues such corrections to completion, which Developer Cure Period shall in no event extend beyond thirty sixty (60) days. If the Developer fails to make such corrections within the Developer Cure Period, then the Lessee may, and without prejudice to any other remedy, (x) make good such deficiencies and cause the deduction of the cost thereof from any payment due the Developer or (y) with fifteen (15) days’ notice, terminate this Agreement and take possession of the Property, of the Contract Documents and of all materials, equipment, tools and construction equipment and machinery thereon that were purchased with Project Financing or are in the process of being leased for the Student Housing Facilities and, if the Lessee so chooses, finish the Work for the Student Housing Facilities by whatever method the Lessee may deem expedient provided any replacement developer and contractors are approved in advance by the Lessee and University and all such work is performed and completed in accordance with the Standard of Care, Contract Documents and Legal Requirements.

iii. Upon such termination, the Developer shall cooperate with Lessee to assign any contracts, leases, or purchase agreements for such materials or equipment to the Lessee or its

designee. If the unpaid balance of the Development Fee exceeds the expense of finishing the Work, the excess shall be paid to Developer, but if the expense of finishing the Work exceeds the unpaid balance of the Development Fee, the Developer shall pay the difference to the Lessee within thirty (30) day of written demand therefor and provided Lessee delivers a reasonable accounting and invoices that sets forth the actual costs and expenses incurred by Lessee to complete the Work for any unfinished portions of the Student Housing Facilities or otherwise cure any default of Developer hereunder.

(b) Lessee Default and Termination.

i. Upon thirty (30) days' prior written notice to the Lessee, Developer may terminate this Agreement for any of the following reasons, except to the extent that any of the follow are caused by Developer or Developer is in default under the terms of this Agreement: (1) if the Work has been stopped for a one hundred eighty (180) day period as a result of a court order or order of other governmental authorities having jurisdiction over the Projects; or (2) if the Work is suspended by the Lessee for one hundred eighty (180) consecutive days. If the Lessee has for thirty (30) days failed to pay the Developer any undisputed amount due under this Agreement when it is due, the Developer may give written notice of its intent to terminate this Agreement. If the Developer does not receive payment of undisputed amounts within ten (10) days of giving written notice to the Lessee, then upon ten (10) days' additional written notice to the Lessee, the Developer may terminate this Agreement.

ii. Upon termination by the Developer in accordance with this Section, the Developer shall be entitled to recover from the Lessee payment for all Work executed through the date of termination and for all direct costs or expenses actually incurred by the Developer through the date of such termination in connection with the Work, plus all reasonable and actual out-of-pocket demobilization costs, incurred by reason of such termination, such as cancellation charges applicable to leased equipment and labor charges to dismantle and remove equipment, but, in all cases, excluding any special, indirect, incidental or consequential damages. Lessee shall assume and become liable for obligations, commitments and unsettled claims that the Developer has previously undertaken or incurred in good faith in connection with the Work or as a result of the termination of this Agreement provided such obligations, commitments and unsettled claims undertaken or incurred were (i) within the authority granted to the Developer under this Agreement, (ii) within the approved Development Budget, and (iii) without negligence, willful misconduct, or breach of contract by the Developer, Architect, Contractor, Subcontractors, or other professionals associated with the Project. In no event shall the Lessee assume liability for any liens, claims, or obligations for which payment was made to Developer, which shall remain the sole responsibility of Developer. As a condition of receiving the payments provided under this Section, the Developer shall cooperate with the Lessee by taking all steps necessary to accomplish the legal assignment of the Developer's rights and benefits to the Lessee, including the execution and delivery of required papers.

(c) Developer acknowledges and recognizes that Lessee is entitled to full and beneficial occupancy and use of the Student Housing Facilities by the Delivery Dates set forth in the Project Schedules attached as **Exhibit D**, and that Lessee has made, or will make, important business commitments based upon Developer achieving Substantial Completion of the Student Housing Facilities no later than the Delivery Dates specified in the Project Schedules, as such Delivery Dates may be extended by Change Orders executed pursuant to Section 3, which may result from Force Majeure Event, Differing Site Conditions, University Delay or Lessee Delay. Developer further acknowledges and agrees that if Developer fails to achieve Substantial Completion of the Student Housing Facilities by the Delivery Dates (and said failure to achieve Substantial Completion of the Student Housing Facilities by the Delivery Dates was not due to a Force Majeure Event, Differing Site Conditions, University Delay or Lessee Delay), Lessee will sustain extensive damages and serious loss as a result of such failure.

(d) Temporary Housing and Liquidated Damages.⁷

i. If (A) on the date that is three (3) months prior to the Substantial Completion Deadline (as the same may be extended as permitted in this Agreement), the Construction Monitor, Lessee or University concludes (in its reasonable discretion) that the Developer will fail to achieve Substantial Completion of the Student Housing Facilities by the Substantial Completion Deadline (as the same may be extended as permitted in this Agreement) and the Developer has not provided the Construction Monitor, Lessee and University a written report of the measures that Developer will take, or cause to be taken, to mitigate the effect of such delay to ensure the Substantial Completion of the Student Housing Facilities by the Substantial Completion Deadline, which report shall be accepted and agreed to by the Lessee and the University or (B) at any time the Developer concludes that it will fail to achieve Substantial Completion of the Student Housing Facilities by the Delivery Dates (as the same may be extended as permitted in this Agreement) and Developer has given Lessee and the University prompt written notice thereof as soon as such fact is determined, the University shall be administratively and financially responsible for moving residents who have executed a Resident Lease (the **"Affected Residents"**) into and out of available vacant units within the University's Housing System or, if no vacant units are available in the University's Housing System, into and out of off campus hotels or similar accommodations (**"Temporary Housing"**), and managing the living accommodations of the displaced Affected Residents in such Temporary Housing until such time as Substantial Completion of the applicable Project is completed. Displaced Affected Residents will remain responsible for the payment of all rent and fees pursuant to their Resident Leases during the provision of any Temporary Housing. The Developer shall pay the Liquidated Damages set forth below in Section 11(d)(ii) until the displaced Affected Residents take occupancy of his or her residential unit in the Student Housing Facilities.

ii. The Developer shall pay to the University the liquidated damages set forth in this Section 11(d)(ii) starting on the date that the parties agree that the Developer will fail to achieve Substantial Completion as set forth in Section 11(d)(i) above for each day until the displaced Affected Residents take occupancy of his or her residential unit in the Student Housing Facilities (the **"Liquidated Damages"**). Developer's obligation to pay Liquidated Damages shall be as follows: (a) regardless of the location of the Temporary Housing, Developer shall pay the University to move the Affected Residents into and out of the Temporary Housing an amount up to a cap of \$100 per Affected Resident per move-in and move-out event (subject to the Move-in Exception); (b) if Temporary Housing is located within the then-existing Housing System, Developer shall pay to the University (i) \$75/bed per day for Affected Residents who were scheduled to move into single-occupancy units, and (ii) \$50/bed per day for Affected Residents who were scheduled to move into double-occupancy units, and (c) if Temporary Housing is provided at off-campus hotels or similar accommodations, Developer shall pay to the University the actual cost of procuring the off-campus accommodations up to a cap of \$100/bed per day for Affected Residents. Notwithstanding anything contained in this Section 11(d) to the contrary, Developer shall not be required to pay the costs associated with moving Affected Residents into Temporary Housing facility(ies) if such Affected Residents' move-in occurs contemporaneously with the University's regular move-in process and such Affected Residents would have already been moving into a newly completed Project (the **"Move-in Exception"**). For the avoidance of doubt, Developer's obligation to pay Liquidated Damages shall only apply if the Developer fails to achieve Substantial Completion of a Project by the Delivery Date set forth in the Project Schedules.

12. **Dispute Resolution.** Except as otherwise expressly provided herein, any dispute between the Lessee and Developer arising out of or relating to this Agreement shall be resolved in accordance with

⁷ Parties to discuss.

the procedures specified in this Section 12, which shall be the sole and exclusive procedure for the resolution of any such dispute.

(a) The Parties shall attempt in good faith to resolve any dispute arising out of or relating to this Agreement promptly by direct negotiation between executives who have authority to settle the controversy and who are at a higher level of management than the persons with direct responsibility for administration of this Agreement. Any Party may give the other Parties written notice of any dispute not resolved in the normal course of business. Within thirty (30) days after delivery of the notice, the receiving Party shall submit to the other a written response. The notice and the response shall include (a) a statement of each Party's position and a summary of arguments supporting that position, and (b) the name and title of the executive who will represent that Party and of any other person who will accompany the executive. Within forty-five (45) days after the delivery of the disputing Party's notice, the executives of each Party shall meet at a mutually acceptable time and place, and thereafter as often as they reasonably deem necessary, to attempt to resolve the dispute. All reasonable requests for information made by one Party to any other Party will be honored. All negotiations pursuant to this clause are confidential and shall be treated as compromise and settlement negotiations for purposes of applicable rules of evidence.

(b) If the dispute has not been resolved by negotiation within sixty (60) days of the disputing Party's notice, the Parties shall endeavor to settle the dispute by mediation using a mediator and mediation mutually agreeable to the Parties. In the event that the Parties are unable or unwilling to agree on a mediator or the mediation procedure to employ, then the Parties shall endeavor to settle the dispute by mediation under the then current American Arbitration Association Commercial Mediation Rules. The cost of the mediator's services incurred in conjunction with any mediation conducted under this Section 12 shall be shared equally by the Parties. Any mediation conducted hereunder shall take place at a location in Bowling Green, Kentucky as mutually agreed upon by the Parties. In connection with the resolution of any dispute, the role of the mediator shall be to determine how best to provide quality student housing to Residents (as such term is defined in the Ground Lease) of the Project in a manner that is fiscally responsible and sustainable for the duration of the term of the Ground Lease (while also taking into account any indebtedness of the Project and other obligations under the Series 2026 Indenture, Series 2026 Loan Agreement and other loan documents related to the Series 2026 Bonds and any Legal Requirements). The Parties may present, and the mediator may duly advise, weigh and consider, all relevant evidence in connection with any dispute, including, without limitation and to the extent relevant to the dispute, evidence of how comparable student housing projects around the country have addressed similar disputes or issues, and national, regional and local changes in the costs of providing on-campus student housing, and the fees charged therefor. Any mediator selected hereunder shall be selected from AAA's Panel of Mediators and shall be appropriately qualified to conduct mediation of the particular dispute at issue.

(c) If the dispute has not been resolved by non-binding means as provided herein within ninety (90) days of the initiation of such procedure, any Party may initiate litigation upon ten (10) days written notice to the other Parties; provided, however, that if either the Developer or Lessee have requested the other to participate in a non-binding procedure and the other has failed to participate, the requesting Party may initiate litigation before the expiration of the above period. The Parties hereby submit to in personam jurisdiction in the applicable courts located in Warren County, Kentucky for these purposes.

(d) All applicable statutes of limitation and defenses upon the passage of time shall be tolled while the procedures specified in this Section 12 are pending. The Parties will take such action, if any, required to effectuate such tolling.

(e) Each Party is required to continue to perform its obligations under this contract pending final resolution of any dispute arising out of or related to this Agreement, unless to do so would be impossible or impracticable under the circumstances.

13. **Warranties.**

(a) The Developer warrants and represents, and shall cause the Contractor to warrant and represent, to the Lessee that the Work (i) will be completed in accordance with the Contract Documents and Legal Requirements, (ii) will be performed in a good and workmanlike manner, (iii) will be new and free from defects in workmanship and materials, and (iv) will be free of all liens, claims and encumbrances consistent with the provisions of Section 14, hereof, and that all goods, products, materials and equipment furnished or supplied in connection with the Student Housing Facilities will be of good quality and new and free of substances prohibited by law for use in the Student Housing Facilities. In addition, Developer shall (A) obtain from the roofing manufacturer an industry standard warranty and (B) use commercially reasonable efforts at no additional cost to the Developer to obtain extended warranties relating to major equipment included in the construction of the Student Housing Facilities and, in any event, all standard warranties relating to all equipment, materials, and labor used or incorporated into the Work or the Student Housing Facilities shall be transferred to the Lessee at no additional cost at the Final Completion.

(b) The Developer hereby warrants to the Lessee, and shall cause the Contractor to warrant, that all Work for the Student Housing Facilities will be in conformance with the Contract Documents and Legal Requirements and that all Work will be free from defects in workmanship and materials for a period of one (1) year after the Substantial Completion Date for each Project.

(c) In the event that any of the Work or any portion thereof is found defective or not in accordance with the Contract Documents within the one (1) year time period set forth in Section 13(b), the Developer, at its sole cost, shall correct it or cause it to be corrected promptly after written notice from the Lessee to do so to the reasonable satisfaction of the Lessee. The Developer shall not have any liability for any claimed breach of the above warranties unless the Lessee gives the Developer written notice of breach of such warranty, specifying the nature of the breach in reasonable detail sufficient to enable the Developer to identify and address the defect, within one (1) year after the Substantial Completion Date for each Project. The Developer shall correct any such defects, at its sole cost, within thirty (30) days' notice from the Lessee or, if the defect is not reasonably capable of being corrected within such thirty (30) day period, the Developer shall commence the correction of the defect within thirty (30) days and diligently complete it as soon as reasonably practicable thereafter.

(d) On the first (1st) anniversary of the date following the Substantial Completion Date for the Student Housing Facilities, the Developer shall assign, and cause Contractor to assign, to the Lessee the nonexclusive right along with the Developer and the Contractor to enforce, at the Developer's cost, if the Lessee elects to pursue such enforcement, any and all warranties which the Developer or the Contractor may have relating to construction of the Student Housing Facilities or the Work provided under any construction and/or supply contracts now or hereafter entered into by the Developer or the Contractor for construction of the Student Housing Facilities and the Work. After such assignment, the Lessee shall have the right, at Developer's cost, to pursue any such claims in the name of the Developer or the Contractor.

(e) Except as specifically set forth in this Section 13, the Developer makes no warranty or representation to the Lessee as to the Work or the condition and/or suitability of the Student Housing Facilities. Except as specifically set forth in this Section 13, the Lessee waives and releases the Developer from any other claim or cause of action the Lessee may now or hereafter have or claim to have against the Developer for or on account of the construction or condition of the Student Housing Facilities, excepting only claims against the Developer for (i) fraud, gross negligence or willful misconduct, (ii) failure to complete the Work in accordance with the Contract Documents and the terms of this Agreement.

14. Lien Removal.

(a) If, at any time, there is any lien or claim of any kind whatsoever filed against the Project or any of the Property by the Developer, any Contractor, Subcontractor, Architect, engineer or other design professional, any other Developer Party, or anyone claiming under or through the Developer, Contractor, Subcontractor, Architect, engineer or other design professional for work performed or materials, supplies or equipment furnished in connection with the Work, the Developer shall, within fifteen (15) days after receipt of notice, or, after the filing of same, take action to cause such lien or encumbrance to be canceled and discharged of record by payment, bonding or otherwise, at Developer's sole cost and expense, and at no cost to the Lessee. If the lien or encumbrance is not reasonably capable of being removed within a commercially reasonable time period not to exceed forty-five (45) days after Developer commences action to remove such lien or encumbrance, the Developer shall diligently remove it as soon as reasonably practicable thereafter.

(b) If any lien or other encumbrance required to be removed at the Developer's sole cost and expense pursuant to Section 14(a) is not canceled and discharged of record as aforesaid, the Lessee shall have the right to (i) take such action as the Lessee shall deem appropriate (which shall include the right to cause such lien or other encumbrance to be canceled and discharged of record), and in such event, all costs and expenses incurred by the Lessee in connection therewith (including, without limitation, premiums for any bond furnished in connection therewith, and reasonable attorneys' fees, court costs and disbursements), together with interest thereon at the rate set forth in Section 37 hereof, shall be paid by the Developer to the Lessee on demand, or at the option of the Lessee, as applicable, deducted from any payment then due or thereafter becoming due to the Developer in accordance with provisions of this Agreement; and such deducted amount to be paid to the Lessee, or (ii) give the Developer written notice of termination of this Agreement, which notice of termination shall be effective as of the 15th day after the date of the Lessee's notice under this Section 14(b), unless the Developer has cured such default by canceling or discharging such lien prior to the expiration of such fifteen (15) day period. Notwithstanding the foregoing, Lessee may not take the actions called for under Section 14(b)(i) or Section 14(b)(ii) so long as Developer has commenced efforts to remove the lien or encumbrance within the time periods set forth in Section 14(a) and is diligently working to remove the lien or encumbrance as soon as reasonably practicable.

15. **Lessee Delay.**⁸ For purposes hereof, a "**Lessee Delay**" shall mean any delays in achieving Substantial Completion of any Project that are actually caused by the acts or omissions of the Lessee or the breach by the Lessee of its obligations under the Contract Documents, including the Lessee unreasonably withholding, delaying or conditioning its approval of any additions or changes to the Current Plans or approving the Final Plans or other documents or actions requiring the Lessee's approval under the Contract Documents (each, a "**Lessee Approval Delay**"). For the avoidance of doubt, a Lessee Delay under this Agreement shall mean any Lessee Approval Delay but shall specifically exclude delays caused by: (a) a Force Majeure Event; (b) the acts or omissions of any third person or entity, including, without limitation, the Trustee, Contractor or Subcontractors; (c) the financial performance or non-performance of the Projects; or (d) the failure or refusal of the Trustee to disburse or release funds under any Project Financing. Except for a Lessee Approval Delay, no other Lessee Delay shall be deemed to have accrued unless the Developer shall have provided the Lessee and the Lessee with written notice of circumstances that would constitute a Lessee Delay, and the Lessee shall have failed to cure such delay within ten (10) business days thereafter. The Parties agree that, provided that the applicable written request to the Lessee explicitly states the deadline for the requested approval, no notice or cure period shall apply to a Lessee Approval Delay. In the event of a Lessee Delay, Developer shall seek to minimize the period of delay or hindrance by

⁸ Parties to discuss University Delay as additional concept.

(i) providing Lessee and University (if Lessee has not already provided such notice) with written notice that a Lessee Delay has occurred and is ongoing, and (ii) other means which include, without limitation, seeking alternate sources of labor or materials or acceleration of the Work. If in seeking to minimize the period of delay or hindrance added costs would be incurred, the Developer shall have no obligation to act unless the Lessee and University execute a Change Order to cover such added costs. If the Developer wishes to make a claim for an extension of the Delivery Date or increase in the Stipulated Sum and/or Development Fee by reason of a Lessee Delay, Developer shall give reasonably prompt notice, but in no event later than five (5) business days after discovering the occurrence of the Lessee Delay, to the Lessee and the University of such claim so that the Lessee and the University are not unfairly disadvantaged by any delay in receiving notice of any such claim. Such notice must include written documentation demonstrating that the Lessee's acts, omissions, or breach caused a material and demonstrable delay to the critical path of the Project Schedules. The Developer shall use best efforts to mitigate the impact of a Lessee Approval Delay. Any disputes related to a Lessee Delay shall be resolved in accordance with the dispute resolution provisions set forth in Section 12 hereof.

16. **University Delay.** For purposes hereof, a "**University Delay**" shall mean any delays in achieving Substantial Completion of any Project that are actually caused by the acts or omissions of the University or the breach by the University of its obligations under the Contract Documents, including the University unreasonably withholding, delaying or conditioning its approval of any additions or changes to the Current Plans or approving the Final Plans or other documents or actions requiring the University's approval under the Contract Documents (each, a "**University Approval Delay**"). For the avoidance of doubt, a University Delay under this Agreement shall mean any University Approval Delay but shall specifically exclude delays caused by: (a) a Force Majeure Event; (b) the acts or omissions of any third person or entity, including, without limitation, the Trustee, Contractor or Subcontractors; (c) the financial performance or non-performance of the Projects; or (d) the failure or refusal of the Trustee to disburse or release funds under any Project Financing. Except for a University Approval Delay, no other University Delay shall be deemed to have accrued unless the Developer shall have provided the Lessee and the University with written notice of circumstances that would constitute a University Delay, and the University shall have failed to cure such delay within ten (10) business days thereafter. The Parties agree that, provided that the applicable written request to the University (with a copy to Lessee) explicitly states the deadline for the requested approval, no notice or cure period shall apply to a University Approval Delay. In the event of a University Delay, Developer shall seek to minimize the period of delay or hindrance by (i) providing Lessee and University (if Lessee has not already provided such notice) with written notice that a University Delay has occurred and is ongoing, and (ii) other means which include, without limitation, seeking alternate sources of labor or materials or acceleration of the Work. If in seeking to minimize the period of delay or hindrance added costs would be incurred, the Developer shall have no obligation to act unless the Lessee and University execute a Change Order to cover such added costs. If the Developer wishes to make a claim for an extension of the Delivery Date or increase in the Stipulated Sum and/or Development Fee by reason of a University Delay, Developer shall give reasonably prompt notice, but in no event later than five (5) business days after discovering the occurrence of the University Delay, to the Lessee and the University of such claim so that the Lessee and the University are not unfairly disadvantaged by any delay in receiving notice of any such claim. Such notice must include written documentation demonstrating that the University's acts, omissions, or breach caused a material and demonstrable delay to the critical path of the Project Schedules. The Developer shall use best efforts to mitigate the impact of a University Approval Delay. Any disputes related to a University Delay shall be resolved in accordance with the dispute resolution provisions set forth in Section 12 hereof

17. **Force Majeure Event.** A "**Force Majeure Event**" shall mean an event or condition beyond the reasonable control of the affected Party that materially and adversely impacts such Party's ability to perform its obligations under this Agreement and could not have been prevented through the

exercise of reasonable care or foresight. Force Majeure Events shall include: acts of God (including, without limitation, pandemics, epidemics, lightning, earthquakes, fires, storms, hurricanes, tornadoes, floods, washouts, droughts, or other severe weather); explosions; war; restraint of government; strikes; riot; insurrection; terrorism; unavailability of materials used to construct the Project; increased or new taxes or tariffs; lockouts; labor troubles; city, county, state or other governmental or administrative restrictions, injunctions, directives, changes in laws, regulations, codes, administrative requirements, orders or limitations; failure or shortage of electrical power, water, fuel oil, or other utility or service; or other similar events beyond the reasonable control of the affected Party. If either the Lessee or the Developer is unable to perform any part of its obligations under this Agreement by reason of a Force Majeure Event, it will be excused from its obligations to the extent that its performance is temporarily prevented by such Force Majeure Event. The Party claiming a Force Majeure Event must remedy with all reasonable dispatch the cause preventing it from carrying out its obligations under this Agreement. Notwithstanding the foregoing, if a delay or hindrance of the Work is caused by a Force Majeure Event, the Developer shall give notice to the Lessee and the University of the occurrence of any Force Majeure Event that may give rise to a claim for an extension of the Delivery Date or adjustment to the Stipulated Sum as soon as reasonably possible, but in no event later than five (5) business days after discovering the occurrence of the Force Majeure Event, so that the Lessee and University are not unfairly disadvantaged by any delay in receiving notice of any such claim. The Developer shall thereafter use all reasonable efforts to overcome or lessen the impact of such Force Majeure Event and shall keep the University and the Lessee reasonably informed of the Developer's progress in mitigating the effects of any such Force Majeure Event. The Developer shall cooperate with the Lessee, and allow the Lessee to participate in attempting to resolve or mitigate any such Force Majeure Event. Any disputes related to a Force Majeure Event shall be resolved in accordance with the dispute resolution provisions set forth in Section 12 hereof.

18. Guaranty of Developer's Obligations.

(a) Developer agrees that, as a condition precedent to the Financial Closing and the Lessee's obligations under this Agreement, it will cause Gilbane to execute and deliver to Lessee the Guaranty Agreement in the form of Exhibit J attached hereto ("**Guaranty**") that guarantees Developer's obligations under this Agreement.

(b) Developer shall obtain and maintain, or shall cause the Contractor to cause its Subcontractors who are to complete material portions of the Work for the Projects as identified on attached Exhibit K ("**Material Subcontractors**") to obtain and maintain, payment and performance bonds (the "**P&P Bonds**") covering the faithful performance of such Work and the related payment obligations that arise under the applicable subcontracts between Contractor and the Material Subcontractors ("**Material Subcontract**"). Exhibit K hereto also sets forth a schedule of the P&P Bonds to be obtained in connection with the Projects covering the portions of the Stipulated Sum allocated to the Work to be performed by the Material Subcontractors for each Project and related payment obligations arising therefrom, including a list of the bid divisions and description of Work to be performed by the Material Subcontractors (collectively, the "**Material Subcontractor Bonds**"). The cost of the Material Subcontractor Bonds shall be included in the Stipulated Sum for the Projects. For the Material Subcontractor Bonds, the Contractor, as the primary obligee, shall require the Material Subcontractors, as the principals, and the applicable sureties to execute and deliver dual obligee riders in connection with the Material Subcontractor Bonds that name each of the Issuer, Lessee, University, Trustee, and the Developer as a dual or additional obligee. The applicable dual obligee riders shall be executed and delivered to the primary obligee and additional obligees prior to payment of the premiums for the Material Subcontractor Bonds. The Material Subcontractor Bonds shall be (i) executed and issued by responsible sureties licensed in the Commonwealth of Kentucky with an A.M. Best's rating of an A-, VII or better that are acceptable to Lessee, Trustee, and Developer, and (ii) shall be in such forms as are reasonably acceptable to Lessee, Trustee and Developer. The Material Subcontractor Bonds shall remain in effect

for a period of not less than one (1) year following the later of (a) the date of Final Completion for the Project, or (b) the time required to resolve any items of incomplete Work or the payment of any disputed amount for the Project. The Material Subcontractor Bonds shall also (i) display the surety's bond number, and (ii) include a rider that expressly waives the surety's right to notice, waives any defense or rejection of a claim on the basis of a modification of any sort to the portion of the Work such P&P Bonds cover or this Agreement and requires the surety to remain obligated under such applicable Material Subcontractor Bonds to any successor, grantee or assignee of Lessee. The Material Subcontractors shall be responsible for communications to the sureties for the Material Subcontractor Bonds and the Developer, Trustee, and Lessee shall be included in all such communications, provided, however, the Developer, Trustee, and Lessee shall have the right to communicate directly with all sureties. If the Developer, Trustee, and/or Lessee are named as an obligee or additional obligee under any of the Material Subcontractor Bonds, such Party shall execute any dual or additional obligee riders required by the sureties and take the necessary actions in connection with any claims made against the Material Subcontractor Bonds including complying with all notice requirements and other conditions precedent of the Material Subcontractor Bonds. The Material Subcontractor Bonds shall be delivered to the Lessee before each Material Subcontractor commences its respective component of the Work on the Projects and at the same time that the insurance certificates or policies, as applicable, are delivered. If a Material Subcontractor fails to cause their Material Subcontractor Bonds to be obtained as required by this Section, Lessee, at its option, may obtain the same for any Material Subcontractors and deduct the cost thereof from any payments to be made by Lessee under this Agreement.

19. Indemnification.

(a) Except to the extent any Claims (as defined below) are covered by a Professional Liability policy, Developer will indemnify, defend (with counsel reasonably acceptable to the indemnified party), and hold harmless, at its sole cost and expense, Lessee, the Trustee, the University, and their members, designated members, trustees, officers, directors, agents, and employees and their successors and assigns from and against any and all claims, demands, actions, lawsuits, liabilities, damages, losses or other proceedings, judgments, awards, costs and expenses (including reasonable attorneys' fees and disbursements) (referred to in this Section 18 as "**Claims**"), including, without limitation, those for bodily injury or personal injury (including death), or loss or damage to tangible or intangible property related to the Projects arising out of the negligence, willful misconduct or breach of this Agreement by Developer or any of its owners, officers, directors, agents, employees, Contractor, Architect or any Subcontractor or any design professionals, suppliers, or other third parties engaged by such parties in connection with the performance of the Work, except for such Claims to the extent the same are caused directly or exacerbated by the willful misconduct or gross negligence of the Lessee and/or the University or their respective officers, members, directors, agents or employees. The Developer's indemnity obligation under this Section 18(a) shall not extend to any third-party losses or third-party claims incurred by the Lessee and/or the University or their respective officers, members, directors, agents or employees to the extent adjudicated (including all appeal rights) to have been caused by the sole gross negligence; recklessness, willful, or intentional misconduct; illegal activities (or inaction); fraud; criminal conduct; bad faith; or violation or breach of contract (excluding breach of this Agreement); or arbitrary or capricious acts on the part of the Party seeking indemnification.

(b) Lessee shall indemnify and hold harmless the Developer and its subsidiaries and affiliates, and the shareholders, directors, officers, representatives, agents and employees of each of them (collectively, the "**Developer Indemnified Parties**") from and against any and all claims, losses, expenses, damages, causes of action and liabilities of every kind and nature (including, but not limited to, court costs and reasonable attorney's fees), arising solely out of any grossly negligent act or omissions or willful misconduct of Lessee with respect to the Projects; provided, however, that such indemnity and hold harmless obligations shall not apply to any claims or matters subject to indemnification pursuant to Section

18(a). The indemnification obligations of Lessee under this Agreement shall survive for the period of one (1) year after the Final Completion of the Project.

20. **Maintain Project.** Throughout the performance of the Work, the Developer shall keep, or cause to be kept, the Projects free from accumulation of waste materials or rubbish caused by the Developer's operations. The Developer shall comply with all applicable University rules, regulations, and requirements related to construction, including but not limited to site cleanliness, noise control, and safety protocols. Upon Substantial Completion of each Project, the Developer shall remove from and about such Project Developer's tools, construction equipment, machinery, surplus materials and rubbish and provide the Project in a clean state.

21. **Governing Law; Jurisdiction.** This Agreement and the rights of the Parties hereunder shall be governed, construed, and interpreted in accordance with the laws of the Commonwealth of Kentucky. The Parties (a) agree that any suit, action or other legal proceeding arising out of this Agreement may be brought in any state court situated in Warren County, Kentucky, or the United States District Court for the Western District of Kentucky; (b) consent to the jurisdiction of any such court in any such suit, action or proceeding; and (c) waive any objection which such Party may have to the laying of venue of any such suit, action or proceeding in such court.

22. **Notices.** Whenever a Party is required or shall desire to give or serve upon any other Party any notice, demand, order, direction, determination, requirement, consent or approval, request or other communication with respect to this Agreement, such notice, demand, order, direction, determination, requirement, consent or approval, request or other communication shall be in writing and shall not be effective for any purpose unless same shall be given or served as provided herein and addressed as follows::

Every notice, demand, order, direction, determination, requirement, consent or approval, request, or communication hereunder shall be (a) personally served, (b) sent by recognized overnight delivery service or (c) sent by e-mail, provided that notice by e-mail shall be promptly supplemented by delivery of notice as provided in (b) above. 23. **Authorized Representatives.**

(a) Lessee shall have the right at any time to replace the Construction Monitor by delivering written notice to the Developer that designates the person to act as the Construction Monitor for the Project. The Developer shall keep the Construction Monitor informed as to the progress of the Work, shall provide the Construction Monitor with updates or refinements to the Project Schedules and keep the Construction Monitor reasonably informed of upcoming key milestone events in the Project Schedules.

(b) The Developer designates Geoffrey Eisenacher and Jeffrey Resetco as principals-in-charge for the Projects. Developer also designates Torben Arend as a **"Developer's Authorized Representative"**, and anyone else whom, with prior notice to the Lessee, the Developer may designate as a Developer's Authorized Representative. Any Developer's Authorized Representative shall have the authority to act individually or jointly with any other Developer's Authorized Representative to approve in writing all plans, drawings, specifications, Change Orders, charges and approvals to this Agreement on behalf of Developer.

24. **Books and Records.** Developer agrees to maintain books and records substantiating the costs of the Project, including hard costs, soft costs, fees and other expenses incurred and paid in connection with the construction of the Project, for a period of eight (8) years following Substantial Completion of the Projects. Developer agrees to make such books and records available to Lessee in the event of an audit by the Internal Revenue Service ("**IRS**") of the Project, and the Series 2026 Bonds. Developer also agrees to cooperate with Lessee in connection with (a) any such IRS audit, and with any requests from the IRS regarding expenditures of the proceeds of the Series 2026 Bonds by the Lessee in connection with the construction and operation of the Projects, and (b) the completion of the Projects' GAAP accounting and its financial statement audit by Lessee's accountants.

25. **Statement of Non-Discrimination.** Developer agrees that Developer, any contractor or subcontractor, and any person or entity acting on behalf of Developer, any contractor or subcontractor, shall not discriminate, by reason of race, color, religion, sex, age, disability, military status, national origin, or ancestry against any citizen of this state in the employment of any person qualified and available to perform the work. Developer further agrees that Developer, any contractor or subcontractor, and any person or entity acting on behalf of Developer or any contractor or subcontractor shall not, in any manner, discriminate

against, intimidate, or retaliate against any employee hired for the performance of the work on account of race, color, religion, sex, sexual orientation, age, disability, military status, national origin, or ancestry.

26. **Expectation of Equal Employment Opportunities.** Developer agrees not to discriminate against any employee or applicant for employment with respect to hiring and tenure, terms, conditions, or privileges of employment, or any matter directly or indirectly related to employment, because of race, color, religion, gender, age, sexual orientation, national origin, disability, or identity as a disabled veteran or veteran of the Vietnam era to the extent required by law. The Developer further agrees that every applicable Contract Documents and subcontract or order given for the supplying of this order will contain a provision requiring nondiscrimination in employment, as herein specified. This covenant is required pursuant to Federal executive orders 11246 and 11375 and any breach thereof may be regarded as a material breach of the contract or purchase order. Additionally, Developer agrees to comply with the following:

(a) The Equal Employment Opportunity Act of 1972, as amended, 42 U.S.C. 2000e et seq., which prohibits discrimination in employment because of race, color, religion, sex or national origin.

(b) The Rehabilitation Act of 1973, as amended, 29 U.S.C. 701 et seq. and 45 C.F.R. 84.3(J) and (K) implementing Sec. 504 of the Act which prohibits discrimination against qualified individuals with disabilities in the access to or participation in federally-funded services or employment.

(c) The Age Discrimination in Employment Act of 1967, as amended, which generally prohibits discrimination based upon age.

(d) The Equal Pay Act of 1963, as amended, 29 U.S.C. 206, which provides that an employer may not discriminate on the basis of sex by paying employees of different sexes differently for the same work.

27. **Drug Free, Smoke Free Workplace.** Developer agrees to comply with all applicable federal, state and local laws and University published policies regarding smoke-free and drug-free work places and shall make a good faith effort to ensure that none of Developer's employees or permitted subcontractors engaged in the Work purchase, transfer, use or possess illegal drugs or alcohol, or abuse prescription drugs in any way.

28. **Waiver of Claims for Consequential Damages.** Developer and Lessee waive all claims against each other for any special, indirect, incidental or consequential damages, including, without limitation, loss for rental expenses, losses of use, income, profit, financing, business and reputation, and for loss of management or employee productivity or of the services of such persons, arising out of any performance of this Agreement or in furtherance of the provision or objectives of this Agreement, regardless of whether such damages are based on tort, warranty, contract or any other legal theory, even if advised of the possibility of such damages by reason of any act or omission or arising out of or in connection with this Agreement.

29. **Limitation of Liability of Developer.** The total liability, in the aggregate, of Developer to the Lessee, the University or anyone claiming by, through, or under Lessee for any claims, losses, costs, or damages whatsoever arising out of, resulting from or in any way related to the Developer's performance of the Work on the Projects, its obligations under this Agreement or the Contract Documents, or from any cause or causes directly resulting from Developer's activities on the Property, including but not limited to, negligence, professional errors and omissions, strict liability, breach of contract, or breach of warranty, shall not exceed the sum of: (a) the amount of the Stipulated Sum, *plus* (b) the Development Fee. Except

for Gilbane under the Guaranty, the shareholders, officers, directors, members, managers, partners, employees, agents and affiliates of the Developer and any of its affiliates shall have no liability under this Agreement and Lessee waives any and all claims against such parties.

30. **Limitation of Liability and No Personal Liability of Lessee and Foundation.** It is expressly understood and agreed that Lessee's and Foundation's liability under this Agreement, including the indemnification provisions hereof, shall in no event exceed the value of Lessee's leasehold estate in the Property. Lessee and Foundation shall have no personal liability with respect to any of the provisions of this Agreement and if Lessee is in breach or default with respect to its obligations or otherwise under this Agreement, Developer shall have recourse only against the leasehold estate of Lessee in the Property. Further, Lessee shall not in any event whatsoever be liable for any injury or damage to any person or property occurring on, in or about the Property and its appurtenances, nor for any injury or damage to the Property or to any property belonging to Lessee or any other person which may be caused by any fire or breakage, flood, leakage, or other water flow, the use, misuse or abuse of the Property, or which may arise from any other cause whatsoever, except as is solely due to Lessee's affirmative negligence or that of its representatives, agents, employees, officers and directors acting within the scope of their authority. All covenants, stipulations, promises, agreements and obligations of Lessee contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of Lessee only and not of any member, director, officer, employee or agent of Lessee or Foundation in his or her individual capacity, and no recourse shall be had for any pecuniary liability or for any claim based hereunder for any reason whatsoever against any such member, director, officer, employee or agent.

31. **Successors and Assigns.** Except as expressly otherwise provided, all of the terms, covenants and conditions hereof shall be binding upon and inure to the benefit of the Parties and their respective successors and assigns. Except as contemplated in the documents executed pursuant to the Project Financing, this Agreement may not be assigned without the prior written consent of all Parties, which consent shall not unreasonably be withheld; excepting, however, that the Developer agrees and acknowledges that the Lessee has or will grant the University a security interest in this Agreement under the Ground Lease and consents to any assumption by the University of the Lessee's interest under this Agreement (and shall execute any commercially standard instruments necessary in connection therewith).

32. **Hazardous Materials.** The Developer shall not bring, use, store, generate, or dispose of on or about the Property (or allow to be brought, used, stored, generated, or disposed of on or about the Property) any Hazardous Materials (as defined in the Ground Lease), except such materials as are routinely used in connection with construction and then only in accordance with appropriate guidelines, standards, and practices in the industry and in compliance with Environmental Laws. The Developer shall advise the Lessee immediately if the Developer becomes aware of Hazardous Materials on or near the Property.

33. **Time of the Essence.** Time shall be of the essence with respect to this Agreement and of every provision hereof.

34. **Independent Contractor.** It is expressly understood and agreed by the Parties hereto that the Developer, in performing its obligations under the Contract Documents, shall be deemed an independent contractor and not an agent, employee or partner of the University or the Lessee.

35. **No Waiver.** The failure of the Lessee to insist upon the strict performance of any provisions of the Contract Documents, the failure of the Lessee to exercise any right, option or remedy hereby reserved, or the existence of any course of performance hereunder shall not be construed as a waiver of any provision hereof or of any such right, option or remedy or as a waiver for the future of any such provision, right, option or remedy or as a waiver of a subsequent breach thereof. The consent or approval by the Lessee of any act by the Developer requiring the Lessee's consent or approval shall not be construed

to waive or render unnecessary the requirement for the Lessee's consent or approval of any subsequent similar act by the Developer. The Lessee's approval of payment of any amount due hereunder with knowledge of a breach of any provision or requirement of the Contract Documents shall not be deemed a waiver of such breach. No provision of the Contract Documents shall be deemed to have been waived unless such waiver shall be in writing signed by the Party to be charged.

36. **Severability.** If any term or provision of this Agreement shall be determined to be invalid or unenforceable in any respect, it shall be replaced with a substantially similar provision to the greatest extent possible and the Agreement shall remain in full force and effect.

37. **Cooperation.** The parties agree to cooperate to achieve the objectives of this Agreement and to use reasonable and good faith efforts to resolve all disputes and disagreements that may arise hereunder.

38. **Default Interest Rate.** Any amount due hereunder which is not paid when due shall bear interest at an annual rate equal to the greater of (i) 2% per annum in excess of the Prime Rate, or (ii) 8% per annum (but in no event shall such rate of interest exceed the maximum rate of interest permitted to be charged by law) ("**Default Interest Rate**") from the date due until paid, compounded monthly, but the payment of such interest shall not excuse or cure any default by any Party under this Agreement. "**Prime Rate**" means the highest base rate on corporate loans posted by at least 75% of the 30 largest banks in the United States as published from time to time by The Wall Street Journal.

39. **Entire Agreement.** This Agreement and the exhibits attached hereto and forming a part hereof, set forth all the covenants, promises, agreements, conditions and understandings between the Developer and the Lessee concerning the Property and the development of the Projects thereon and there are no covenants, promises, agreements, conditions or understandings, either oral or written, between them other than are herein set forth. No alteration, amendment, change or addition to this Agreement shall be binding upon the Developer or the Lessee unless reduced to writing and signed by each Party and with the prior written consent of the Bond Insurer.

40. **Counterparts.** This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but both of such counterparts together shall be deemed to be one and the same instrument.

41. **Electronic Signatures.** This Agreement may be executed and delivered by facsimile signature or other electronic or digital means (including, without limitation, Adobe's Portable Document Format ("**PDF**")). Any such signature shall be of the same force and effect as an original signature, it being the express intent of the Parties to create a valid and legally enforceable contract between them. The exchange and delivery of this Agreement and the related signature pages via facsimile or as an attachment to electronic mail (including in PDF) shall constitute effective execution and delivery by the parties and may be used by the parties for all purposes. Notwithstanding the foregoing, at the request of any Party, the Parties hereto agree to exchange inked original replacement signature pages as soon thereafter as reasonably practicable.

42. **Third Party Beneficiaries.** Neither Party intends that this Agreement shall create rights hereunder in favor of any third party, except that the University and the Bond Insurer shall be express third-party beneficiaries under this Agreement, and shall have the right to enforce any right or benefit afforded the University under this Agreement as if it were a party to this Agreement.

43. **IRC 4958 Protections.** Developer acknowledges that (i) for federal income tax purposes, Lessee will be disregarded as an entity separate and apart from the Foundation and an organization exempt

from federal income tax under the Code, as an organization described in Section 501(c) (3) of the Code; (ii) the Foundation has been recognized by the United States Internal Revenue Service (“**IRS**”) as a tax-exempt organization under Section 501(c)(3) of the Code; and (iii) the Foundation and Lessee must be operated exclusively for “exempt purposes” within the meaning of the Code and regulations promulgated thereunder (the “**Regulations**”). Lessee and Developer acknowledge and agree that the fees provided hereunder are reasonable, and have been arrived at through arm’s length negotiation and are not in excess of the fair market value of the services to be provided by Developer to Lessee under this Agreement, that Developer has been hired by Lessee on the basis of Developer’s qualifications as a developer of property and facilities of similar type as the Projects and the Developer has not been retained for the purpose of providing any private benefit or to privately inure to Developer within the meaning of the Code or the Regulations. Developer acknowledges and agrees that a copy of this Agreement will be provided to the IRS in connection with any audit of the Foundation, and if the IRS determines on audit that any provision of this Agreement violates any applicable provision of the Code or the Regulations, Lessee and Developer shall act in good faith and with due diligence to address the violations noted by the IRS, and to take all actions as are necessary, appropriate or required under the circumstances to address the concerns of the IRS with respect to this Agreement; provided, however, that in the event Lessee and Developer are unable to reach agreement on the manner of curing such violation(s), either Party may terminate this Agreement upon written notice to the other Party

Guaranty of Gilbane Development Company

GUARANTY AGREEMENT

This Guaranty Agreement ("**Guaranty**") is made as of May __, 2026 by GILBANE DEVELOPMENT COMPANY, a Rhode Island corporation ("**Guarantor**") of 7 Jackson Walkway, Providence, Rhode Island, 02903 in favor of COLLEGIATE HOUSING FOUNDATION – BOWLING GREEN, L.L.C., an Alabama limited liability company ("**Lessee**").

RECITALS:

A. WESTERN KENTUCKY UNIVERSITY, a public body corporate, and an educational institution and agency of the Commonwealth of Kentucky ("**University**"), operates a public university on its main campus consisting of approximately two hundred (200) acres located at 1906 College Heights Boulevard, Bowling Green, Kentucky 42101 ("**Campus**") that includes certain on-campus [student housing residence halls other housing facilities located thereon] (collectively, the "**Housing System**").

B. The University is the fee simple title owner of the Campus and has leased to Lessee pursuant to the terms and conditions of that certain Ground Lease executed on or about the even date herewith ("**Ground Lease**") certain portions of the Campus as legally described in the Ground Lease (the "**Property**") and on Exhibit A attached to the TDA (as defined herein), whereby Lessee has the right and obligation to engage the Developer, an authorized affiliate of Gilbane, to design, build, finance, operate, and maintain the Projects (as defined in the TDA) on the Property in furtherance of enlarging and enhancing the University's Housing System and associated amenities.

C. On or about the even date herewith, Lessee and GD WKU DEVCO LLC, a Kentucky limited liability company (collectively, "**Developer**"), an affiliated entity of Guarantor, entered into a Turnkey Development Agreement ("**TDA**"), pursuant to which Lessee retained Developer to design, develop and construct the Projects (as defined in the TDA) on the Property.

E. To induce Lessee to enter into the TDA, Guarantor agrees to guarantee to Lessee the payment and performance of Developer's obligations under the TDA in accordance with the terms of this Guaranty.

NOW, THEREFORE, Guarantor agrees as follows:

1. In consideration of Lessee entering into the TDA with Developer, Guarantor, subject to the limitations set forth in Section 3 below, irrevocably and unconditionally guarantees to Lessee (i) the payment and performance of all of Developer's obligations under the TDA, including, without limitation, the payment of each and all of Developer's liabilities and payment obligations under the TDA when they or any part of them become due and owing according to the terms of the TDA and Developer's obligation to indemnify and hold harmless Lessee pursuant to and in accordance with the TDA (collectively, the "**Performance Guaranty Obligations**"); and (ii) full, complete and punctual observance, performance, and satisfaction of all of Developer's obligations, duties, covenants, and agreements with respect to the completion of the design, development, construction, equipping, and furnishing of the Projects and completion of the Projects in accordance with all requirements of the TDA (the "**Completion Guaranty Obligations**" and, together with the Performance Guaranty Obligations, collectively, the "**Guaranteed Obligations**"). If and whenever Developer defaults for any reason whatsoever in the payment, performance, or satisfaction of any of the Guaranteed Obligations and does not cure such default within any applicable

cure periods, Guarantor shall forthwith upon written demand by Lessee unconditionally satisfy (or procure the satisfaction of) the Guaranteed Obligations in regard to which such default has been made as if the Guarantor instead of Developer were expressed to be primary obligor of the TDA and not merely as surety (but without affecting Developer's obligations) in the manner prescribed by the TDA and so that the same benefits shall be conferred on Lessee as it would have received if the Guaranteed Obligations had been satisfied by Developer.

2. **Continuing Obligations.** This Guaranty shall be unconditional and irrevocable. The obligations of Guarantor hereunder shall be direct and independent of any obligations of Developer. Guarantor hereby agrees that its obligations hereunder shall be absolute and unconditional, irrespective of the validity or enforceability of the TDA or any provision thereof or the absence of any action to enforce the same or the waiver or consent by Lessee or any time or indulgence granted to Developer by Contractor in respect of any provisions of the same, or any action to enforce the same or any other circumstance that might otherwise constitute a legal or equitable discharge or defense of Developer or of a surety or guarantor (including, without limitation, the finding or conclusions of any proceeding under the federal bankruptcy code or of similar present or future federal or state law), it being agreed that the obligations of Guarantor hereunder shall not be discharged except by payment and performance as herein provided. Guarantor hereby waives any right to require proceedings first against Developer with respect to the TDA or the obligations set forth therein and hereby covenants that this Guaranty is to be a continuing guarantee and accordingly is to remain in force notwithstanding any act, omission, neglect, event or matter whatsoever until all Guaranteed Obligations shall have been satisfied. This Guaranty is in addition to and without prejudice to and not in substitution for any rights or security which Lessee may now or hereafter have or hold for the performance and observance of the Guaranteed Obligations. This Guaranty is a guaranty of payment and performance and not of collection. Guarantor agrees that Lessee shall not be obliged to take any action or exhaust its recourse against any other guarantor, any other person or any collateral security that Lessee may hold from time to time before requiring or being entitled to performance of the Guaranteed Obligations.

3. **Limitation of Guaranty.** Notwithstanding anything in this Guaranty or the TDA to the contrary, the aggregate amount covered by this Guaranty shall not exceed the sum of the following (as such terms are defined in the TDA): (a) the Stipulated Sum, (b) Development Fee, (c) the Incentive Development Fee (to the extent it has been paid), and (d) the Liquidated Damages. Payment and performance by Guarantor pursuant to this Guaranty shall not be delayed pending any determination of any claims for or proceeds of any insurance or payment or performance bonds contemplated by Section 17(b) of the TDA; provided, however, that Lessee shall use commercially reasonable efforts to seek to recover proceeds of insurance or payment or performance bonds contemplated by Section 17(b) of the TDA to the extent it is entitled thereto or has right to do so; provided, that (i) Lessee's inability to collect or recover any such proceeds shall not limit Guarantor's obligations or Lessee's rights hereunder; and (ii) Lessee shall not be required to initiate, institute, or conduct any litigation or other legal action or proceeding with respect to collection or recovery of any such proceeds. In any case where Lessee recovers under any insurance policy maintained or required to be maintained by Developer pursuant to the TDA or any payment or performance bonds contemplated by Section 17(b) of the TDA, to the extent of any excess proceeds after application of such funds in accordance with the provisions of the Bond Documents (as defined in the Ground Lease) (net of any amounts expended by Lessee to collect such amount), with respect to any Guaranteed Obligations for which Guarantor made a payment to Lessee pursuant to this Guaranty, Lessee shall promptly pay over to Guarantor such amount.

4. **Preservation of Rights.** Without limiting Guarantor's own defenses and rights hereunder, Guarantor reserves to itself the right to assert defenses to which Developer is or may be entitled relating to

or arising from or out of the TDA, except for defenses relating to or arising from or out of the bankruptcy, insolvency, dissolution or liquidation or other reorganization of Developer, lack of validity or enforceability of the TDA against Developer, including as a result of Developer's lack of qualification to do business in any applicable jurisdiction, or Developer's lack of corporate authority to enter into or perform the TDA or the due execution and delivery thereof.

5. **Enforceability.** Guarantor's obligations and liability under this Guaranty will remain in full force and effect until all of the Guaranteed Obligations shall have satisfied, performed, and discharged in full and are not to be discharged, released or reduced in any way by reason of (i) any variation to or amendment of the TDA, (ii) any provision of the TDA being or becoming illegal, invalid, void or unenforceable, (iii) any assignment of the TDA to another affiliate of Guarantor, (iv) any termination of the TDA, (v) the loss of capacity or Developer, by any change in the name of Developer or in the objects, capital structure or constitution of Developer, or by the sale of Developer's business or any part thereof, or by Developer being merged with another company or companies, or (vi) any other circumstance whatsoever (with or without notice to or knowledge of Guarantor) which constitutes, or might be construed to constitute, an equitable or legal discharge of Developer or Guarantor, in bankruptcy or in any other instance.

6. **Payments.** Subject to the provisions of Section 3 above, Guarantor shall have thirty (30) days from the date of receipt of written demand to make payment in full to Lessee of any amount owing in accordance with this Guaranty and without set-off or counterclaim. Guarantor hereby agrees to pay upon demand all of Lessee's costs and expenses, including Lessee's reasonable attorneys' fees and legal expenses, incurred in connection with the enforcement of this Guaranty, whether or not there is a lawsuit.

7. **Notices.** In the event Lessee makes a demand upon Guarantor with respect to any of the Guaranteed Obligations, Lessee shall promptly provide notice and reasonable detail regarding such claim to the Guarantor. Any notice or other communication in connection with this Guaranty (each a "Notice") shall be in writing and shall not be effective unless same shall be given or served as provided herein and addressed as follows:

Upon any such assignment, this Guaranty shall inure to the benefit of the University and the Trustee.

10. **Successors and Assigns.** This Guaranty shall be binding upon Guarantor and its successors and assigns.

11. **Severability.** If any term or provision of this Guaranty shall be invalid or unenforceable, the remainder of this Guaranty shall remain in full force and effect.

12. **Entire Agreement.** This Guaranty embodies the entire agreement and understanding between Lessee and Guarantor with respect to the subject matter hereof and supersedes all prior agreements and understandings between such parties relating to the subject matter hereof. Accordingly, this Guaranty may not be contradicted by evidence of prior, contemporaneous, or subsequent oral agreements of the parties. There are no unwritten oral agreements between the parties.

14. **University Rights.** Notwithstanding anything in this Guaranty to the contrary, (a) the Guarantor agrees and acknowledges that the University is an express third-party beneficiary under the TDA, and shall have the right to enforce any right or benefit afforded the University under this Guaranty, and (b) the Lessee has or will grant the University a security interest in the TDA under the Ground Lease, and in

the event of any assumption of the TDA by the University this Guaranty shall be deemed assigned from Lessee to the University simultaneously therewith.

As to any legal action or proceeding related to this Guaranty, Lessee and Guarantor hereby consent to the non-exclusive jurisdiction of the Commonwealth of Kentucky and waive any claim or defense in any such action or proceeding based on any alleged lack of personal jurisdiction, improper venue, *forum non conveniens* or any similar basis.

THIS PROPERTY MANAGEMENT AGREEMENT (this "**Agreement**") is made and entered into as of this [____], 2026 (the "**Effective Date**") by and among **COLLEGIATE HOUSING FOUNDATION - BOWLING GREEN, L.L.C.**, an Alabama limited liability company (the "**Lessee**"), **WGB PROPERTY MANAGEMENT LLC**, a Delaware limited liability company doing business as INWOOD MANAGEMENT (the "**Property Manager**"), and **WESTERN KENTUCKY UNIVERSITY**, a public body corporate and an educational institution and agency of the Commonwealth of Kentucky (the "**University**"). The Property Manager, the University, and the Lessee are sometimes herein collectively referred to as the "**Parties**" and individually as a "**Party**." Capitalized terms used but not otherwise defined in this Agreement shall have the meanings ascribed to such terms in the Lease (as herein defined), or, if not defined therein, in the Trust Indenture (as defined in the Lease).

WITNESSETH:

WHEREAS, pursuant to that certain Ground Lease Agreement, dated as of the date of this Agreement (the "**Lease**") by and between the University, as lessor, and Lessee, as lessee, the University has leased certain Property (as defined in the Lease), and conveyed certain Legacy Student Housing Facilities (as defined in the Lease) to Lessee and contractually engaged the Lessee to handle the ownership, management, operation, maintenance, and repair of the University's Student Housing System, pursuant to the terms of the Lease.

WHEREAS, under the Lease, the Lessee has the right and obligation to engage the Property Manager to manage the day-to-day operation, management, maintenance, and repair of the Student Housing System.

WHEREAS, Lessee is an Alabama limited liability company, whose sole member is Collegiate Housing Foundation an Alabama non-profit corporation doing business in the Commonwealth of Kentucky as Collegiate Housing Foundation, Inc. (the "**Lessee Parent**"), an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "**Code**"), and is exempt from federal income tax under Section 501(a) of the Code.

WHEREAS, the purpose of the Lessee is to further the stated charitable purposes of the Lessee Parent through the development, purchase, acquisition, design, construction, equipping, ownership, management, operation, and maintenance of student-housing and related facilities for use by students, faculty, and staff of the University and through the provision of a broad range of activities, programs, and services designed to advance education and to otherwise assist and support the University in fulfilling its educational mission.

WHEREAS, the Lessee desires to engage the Property Manager as the Property Manager of the Student Housing System, and the Property Manager desires to accept such engagement from the Lessee, for the Term and upon the terms and conditions that are set forth herein.

WHEREAS, the Parties intend for this Agreement to be a "qualified management contract" that complies with the safe harbor conditions under IRS Rev. Proc. 2017-13 under which a management contract does not result in private business use of property financed with governmental tax-exempt bonds under § 141(b) of the Internal Revenue Code or cause the modified private business use test for property financed with qualified 501(c)(3) bonds under § 145(a)(2)(B) of the Internal Revenue Code to be met.

NOW, THEREFORE, in consideration of the mutual promises hereinafter set forth and of other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

ARTICLE I ROLE OF PROPERTY MANAGER

Section 1.1 Appointment and Acceptance. The Lessee hereby engages the Property Manager as an independent contractor to handle the day-to-day management, operation, maintenance, and repair of the Student Housing System (including, but not limited to, cleaning, painting, decorating, plumbing, carpentry, HVAC, building access control systems, and such other routine maintenance and repair work as may be reasonably necessary), and Property Manager accepts such engagement, subject to the terms and conditions set forth in this Agreement and in the Transaction Documents (hereinafter defined). The Lessee will cooperate with the personnel of the University in connection with the management and operation of the Student Housing System. The Lessee hereby grants to the Property Manager all power and authority to do and perform any and every act and thing whatsoever requisite, necessary, or proper to be done in the exercise of any of the rights powers herein granted, and Property Manager hereby agrees to do and perform any and every act and thing whatsoever requisite, necessary or proper to be done by the Property Manager under this Agreement. Nothing contained in this Agreement shall obligate Property Manager to itself incur any monetary liability or obligation in the performance of its obligations under this Agreement, and any monetary expenses, liabilities or obligations incurred by Property Manager in the performance of its obligations hereunder shall be Expenses (as defined in the Trust Indenture).

Section 1.2 Operational Standards. The Property Manager shall operate, manage and maintain the Student Housing System in accordance with all Applicable Laws and in good working order and first class condition, and in a manner consistent with the standards of practice followed by professional managers of other privately operated on-campus student housing projects of a size, class and nature of the Student Housing System and otherwise in a condition at all times reasonably acceptable to Lessee and the University, but subject in all events to the terms and conditions of this Agreement. The Property Manager shall manage the Student Housing System so as to assure that the Lessee's responsibilities with respect to the operation, management, maintenance, repair and use of the Student Housing System under the Transaction Documents, the Resident Leases and applicable legal and regulatory requirements are satisfied. The Property Manager shall at all times act in good faith and in a commercially reasonable manner to protect and to account for the assets of the University and the Lessee. The Parties agree that Property Manager's use of the Student Housing System is functionally related to the services being provided under this Agreement.

Section 1.3 Transaction Documents. This Agreement is subject to the terms and conditions of: (a) the Lease; (b) the Development Agreement; (c) the Loan Agreement; and (d) the Tax Agreement (collectively, the "**Transaction Documents**"). The Property Manager acknowledges that the Lessee is required to operate and to manage the Student Housing Facilities, or cause the Student Housing Facilities to be operated and managed, in compliance with the terms and conditions of the Transaction Documents, and the Property Manager agrees to use its commercially reasonable efforts to manage the Student Housing System in accordance with the provisions of the Transaction Documents applicable to the operation, use, management, repair and modification of the Student Housing System; provided, that, nothing herein or in the Transaction Documents shall operate or be construed to make the Property Manager liable or responsible for any aspect of the Student Housing System except as specifically set forth in this Agreement. The Property Manager shall not take any action that is inconsistent with, constitutes a default under, or exceeds the scope of the Lessee's or the Property Manager's authority under, the Transaction Documents and shall not omit to take any action required under the Transaction Documents that falls within the scope

of the Property Manager's responsibility under this Agreement. The Property Manager further agrees not to knowingly take any action or fail to take any action which it is specifically obligated to take hereunder that would cause the Lessee to be in breach of the representations or covenants made by the Lessee in the Transaction Documents. In the event of any conflict between the express terms and conditions of this Agreement and the terms and conditions of the Transaction Documents, the terms and conditions of the Transaction Documents shall govern and prevail.

ARTICLE II MARKETING AND LEASING RESPONSIBILITIES

Section 2.1 Generally. Lessee and University shall be responsible for the tasks indicated as their responsibility in **Exhibit B** attached hereto (the "**Responsibility Matrix**"). In the event that any responsibility related directly to the management, operation, maintenance, repair and replacement of the Student Housing System is not specifically listed on the Responsibility Matrix, the same shall be the responsibility of the Property Manager using its best efforts; provided that any adjustments to the Annual Budget to pay for such services within the Student Housing System shall be subject to Section 5.2 of this Agreement and Section 16 of the Lease.. In accordance with Section 14(b) of the Lease, the University shall execute and deliver Resident Leases as agent for, and in the name of, Lessee consistent with the terms of the Lease. The Property Manager will not have a separate website for these purposes.

The Property Manager shall purchase all materials, equipment, tools, appliances, supplies and services necessary to assure proper maintenance and repair of the Student Housing System which will be owned by the Lessee, and all of the costs thereof shall be Expenses, subject to inclusion and approval in the Annual Budget.

Section 3.2 Construction Work and Future Capital Improvements. The Lessee, and not the Property Manager, will be primarily responsible for completing the demolition, construction and renovation of the Student Housing System pursuant to the Development Agreement. Portions of the Student Housing System will be closed for operation during the performance of the Scheduled Improvements. Property Manager agrees and acknowledges that: (a) Lessee has engaged Developer (an affiliate of the Property Manager) to perform the aforementioned demolition, construction and renovation of the Student Housing System; (b) the Property Manager's performance under this Agreement will overlap with the Scheduled Improvements; (c) Property Manager shall as a material obligation under this Agreement, fully cooperate and be responsible for coordinating Property Manager's performance under this Agreement with the Developer, and its subcontractors, consultants and affiliates, and shall schedule and sequence its activities as reasonably necessary to accommodate the activities of all of the foregoing parties; and (d) no failure of Property Manager to perform under this Agreement shall be excused by reason that Developer (or any subcontractor, consultant, or affiliate of Developer) has caused such failure.

Section 3.3 Work Order Management. The Property Manager shall provide and utilize an electronic system to manage work orders. Information gathered through the use of the work order system will be used to assist in monitoring and maintaining the Student Housing System, and the work order system will assist the Property Manager in tracking preventative maintenance and annual inspections to determine the condition of the Student Housing System. The work order system shall have an online user interface that will allow online submission of requests by Residents and residence life staff, provide notifications of work orders to the Property Manager, and provide the Lessee and the University with access to status reports and dashboards. The work order system shall also track the amount of time occurring between work order submission and work order completion.

Section 3.4 Use of Maintenance Employees. The University shall be responsible for assessing damage costs for repairs that are necessary as a result of damage to any of the Student Housing System caused by Residents or their guests beyond reasonable wear and tear.

Section 3.7 Capital Improvements and Construction Works. Upon the direction from Lessee, the Property Manager shall be responsible for planning, designing, managing, implementing and constructing major and minor capital improvements at the Student Housing System, including any reconstructions, renovations, rehabilitations and modernizations of the Student Housing System required under applicable laws or that are otherwise necessary prior to the expiration of the Term. In the event the Lessee directs the Property Manager to provide such services, the Property Manager shall be responsible for preparing, updating and implementing, in consultation with the Lessee and subject to the Lessee's review and approval, all aspects of such capital improvements for the Student Housing System in accordance with the terms and conditions of the Lease and the other Transaction Documents. Such capital improvements shall comply with the requirements contained in the Lease and the other Transaction Documents. The Property Manager shall include planned capital outlays in accordance with the planned investment program in its proposed Annual Budget for each Fiscal Year. If so directed by the Lessee, the Property Manager shall supervise third-party construction agents responsible for managing any capital improvements or other construction projects at the Student Housing System, and shall solicit competitive bids from such contractors when required under Section 4.3 hereof. In connection with such work, the Property Manager shall be responsible for preparing and reviewing all draw requests for submission to the Lessee and, if requested by Lessee, pay all draw requests on approval by Lessee. The Property Manager shall require each contractor and subcontractor to maintain insurance as required by the Transaction Documents or such greater coverages as are required by the Lessee. The Property Manager shall be compensated by the Lessee as an Expense for any labor and overhead costs incurred by the Property Manager, subject to being conspicuously disclosed and approved as part of the Annual Budget, for any of the services described in this Section 3.7; such compensation shall be in addition to the Property Management Base Fee and Property Management Performance Incentive Fee.

Section 3.8 Ownership of Personal Property. The Lessee owns all personal property located in the Student Housing System as of the Effective Date, other than property of Residents or other third parties, and the Property Manager, on behalf of the Lessee, has the right to use, maintain, repair, and dispose of all of such personal property in connection with the discharge of its rights and obligations hereunder. Any disposition of personal property is subject to the approval of the Lessee, which may be provided in the Annual Budget. Any personal property hereinafter acquired by the Lessee, or the Property Manager on behalf of the Lessee, for use in connection with the Student Housing System shall be conveyed to the University at the expiration or earlier termination of the Term of the Lease in accordance with the terms and conditions of the Lease.

Section 3.9 Inspection of Property. The Property Manager, on behalf of the Lessee, hereby assumes all [Assumed Service Contracts] and agrees to perform all responsibilities of the University under the Assumed Service Contracts arising from and after the Effective Date, which Assumed Service Contracts are listed on **Exhibit E** to this Agreement. The Property Manager shall enter into new or replacement service contracts for the Student Housing System (collectively, "**Service Contracts**"), in its own name or as agent and attorney-in-fact of the Lessee, in the ordinary course of its management of the Student Housing System. Service Contracts may govern, without limitation, the procurement of goods and services (including utilities and maintenance services) for the Student Housing System and the furnishing of goods and services to Residents of the Student Housing System. All costs and expenses incurred by the Property Manager under the Service Contracts shall be Expenses. The Property Manager shall keep good books and records of account relating to all Service Contracts. The costs of any such good or services will be included and specifically identified as third party good or services in the Annual Budget. Further, the Property Manager covenants that (i) all Service Contracts will satisfy the requirements of IRS Rev. Unless otherwise directed by the Lessee, the Property Manager shall have the right to contest any alleged violation of applicable laws and to postpone compliance pending the determination of such contest, provided such postponed compliance does not subject the Lessee or the Property Manager or the University or any of their respective agents, contractors or employees to criminal liability or subject the Student Housing System or any part thereof to condemnation as a result of such contest.

The Property Manager shall also be responsible for procuring, maintaining, and timely paying (or ensuring the timely payment of) all premiums for its own insurance coverages consistent with the insurance requirements attached hereto as **Exhibit A**, and any additional insurance coverages approved or required by the Lessee. The Property Manager shall review the insurance coverages of both the Lessee and the Property Manager on an annual basis and shall recommend any advisable changes to the Lessee. All insurance premiums paid by the Property Manager under this Section shall be Expenses (excepting any corporate-wide policies of the Property Manager). Notwithstanding the foregoing, Lessee shall bear the risk of loss upon damage or destruction of the Student Housing System except to the extent caused by the Property Manager's (or its agents, affiliates, subcontractors or employees) gross negligence, willful misconduct, or failure to comply with the requirements of this Agreement. Additionally, in the event that the University is able to procure any such insurance at a cost savings to the Student Housing System, the cost of such insurance shall be reimbursed to the University from the Operating Account.

Section 9.2 Property Manager Indemnification. Subject to the waivers contained in Section 9.5 below, the Property Manager hereby agrees to indemnify, defend and hold harmless the Lessee, the University and their respective officers, members, directors, agents and employees from and against any and all claims, demands, actions, suits, liabilities, damages, judgment, awards, costs and expenses (including court costs and reasonable legal fees) (collectively, "**Claims**") asserted against or sustained by such Persons that arise out of or are caused by the negligence, misconduct, malfeasance, fraud or failure to comply with the requirements of this Agreement of Property Manager or its agents, affiliates, subcontractors or employees, excluding Claims caused by the gross negligence and willful misconduct of Lessee, the University, or their respective agents or employees.

Section 9.3 Lessee Indemnification. Subject to the waivers contained in Section 9.5 below, the Lessee hereby agrees to indemnify, defend and hold harmless the Property Manager and its officers, directors and employees from and against any and all Claims asserted against or sustained by such Persons that are caused by the negligent or willful acts of the Lessee or its agents or employees, excluding Claims caused by the negligence and willful misconduct of Property Manager, the University or their respective agents or employees.

Section 9.4 Waiver of Subrogation. All covenants, stipulations, promises, agreements and obligations of Lessee contained in this Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of Lessee only and not of any member, director, officer, employee or agent of Lessee in his or her individual capacity, and no recourse shall be had for any pecuniary liability or for any claim based hereunder for any reason whatsoever against any such member, director, officer,

employee or agent. Notwithstanding any other provision of this Agreement to the contrary, to the extent permitted by law, the Lessee and the Property Manager agree that in the event that the Student Housing System or the contents thereof are damaged or destroyed, each Party hereto waives its rights, if any, against the other Parties with respect to such damage or destruction to the extent such damage or destruction is covered under the property insurance policies of the Party waiving such rights. To the extent permitted by law, all policies of fire and/or extended coverage or other insurance covering the Student Housing System or the contents thereof obtained by either Party shall contain a clause or endorsement providing in substance that (a) such insurance shall not be prejudiced if the insureds thereunder have waived in whole or in part the right of recovery from any person or persons prior to the date and time of loss or damage, if any, and (b) the insurer waives any rights of subrogation against the Property Manager (in the case of the Lessee's insurance policy) or the Lessee (in the case of Property Manager's insurance policy), as the case may be.

Section 9.5 Limitations of Liability. Notwithstanding anything in this Agreement to the contrary, no individual director, officer, member, agent or employee of any Party shall be personally liable for or shall suffer personal liability to the other Party or any of such Party's agents, contractors or employees, for any act or omission of such Party or such Party's agents, contractors or employees under this Agreement. Any claim or demand for indemnification made against a Party pursuant to and in accordance with this Agreement shall be and is deemed to be a claim solely against the Party itself, as the case may be, without recourse to, or obligation or liability of, any director, officer, member, agent or employee thereof. NOTWITHSTANDING ANY PROVISION SET FORTH HEREIN TO THE CONTRARY, TO THE EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT SHALL ANY PARTY BE LIABLE TO ANOTHER PARTY UNDER ANY PROVISION OF THIS AGREEMENT OR OTHERWISE FOR LOST OR PROSPECTIVE PROFITS, OR FOR ANY OTHER SPECIAL, INDIRECT, INCIDENTAL, EXEMPLARY, CONSEQUENTIAL OR PUNITIVE DAMAGES, IN CONTRACT, TORT OR OTHERWISE, WHETHER OR NOT CAUSED BY OR RESULTING FROM SUCH PARTY'S OWN, SOLE OR CONCURRENT NEGLIGENCE OR THE NEGLIGENCE OF ITS AFFILIATES OR RELATED PARTIES, INCLUDING CLAIMS OF THE OTHER PARTY ARISING OUT OF THIRD PARTY CLAIMS.

ARTICLE X

COMPENSATION OF PROPERTY MANAGER; COMPLIANCE WITH IRS MANAGEMENT CONTRACT GUIDELINES

Section 10.1 Management Compensation. Subject to the terms and provisions hereof, Property Manager's compensation for management of the Student Housing System shall be a fee (the "Property Management Fee") equal to the sum of (a) the Property Management Base Fee, and (b) the "Property Management Performance Incentive Fee, which shall consist of three separate components. Upon the commencement or termination of this Agreement on a day other than the last day of the calendar month, the Property Management Fee shall be prorated on a per diem basis for the days in which this Agreement was in effect and in that circumstance, the initial or final monthly Property Management Fee shall be based on the total income for the last normal month prior to commencement or termination of this Agreement. In compensation for the performance of its duties under this Agreement, the Property Manager shall be paid the following Property Management Fee:

(a) A property management base fee being a fee equal to _____ percent (____%) of the General Revenues in any Annual Period determined on a cumulative basis (unless any such Annual Period shall be shortened as a consequence of the termination or expiration of this Agreement) (the "**Property Management Base Fee**"). Subject to adjustment on an annualized basis as hereinabove set forth, the Property Management Base Fee will be calculated at the end of each monthly accounting period based on the General Revenues for that month, and will be due and payable on the 10th day of the following month as an Expense attributable to that monthly accounting period; and

(b) A property management performance incentive fee, which shall consist of three components as described and calculated pursuant to the provisions of **Exhibit D** to this Agreement (the "**Property Management Performance Incentive Fee**"). The Property Management Performance Incentive Fee shall be calculated by the Property Manager using the Key Performance Indicator ratings that the Property Manager achieves for each Annual Period as provided on **Exhibit D** to this Agreement, shall be based on the General Revenues for such Annual Period as disclosed in the Audited Financial Statements for such Annual Period, and the amount payable with respect to the Property Management Performance Incentive Fee for such Annual Period shall be disclosed in the Audited Financial Statements for such Annual Period. Subject to the Transaction Documents, for each Annual Period, the separate Property Management Performance Incentive Fee components shall be payable to the Property Manager as provided in the Trust Indenture upon (i) receipt of the Audited Financial Statements for such Annual Period, (ii) completion of the applicable requirements for each component of the Property Management Performance Incentive Fee as set forth on **Exhibit D** to this Agreement, and (iii) the Property Manager's certification to the Lessee and the University that, based upon the Key Performance Indicator ratings that the Property Manager achieved for such Annual Period, the Property Management Performance Incentive Fee components calculated pursuant to **Exhibit D** to this Agreement have been earned by the Property Manager for such Annual Period. Notwithstanding anything contained in this Agreement to the contrary, during the Annual Periods ending June 30, 2026 and June 30, 2027, the Property Management Performance Incentive Fee shall not be applicable.

(c) In addition to the compensation described above, the Property Manager shall be paid as an Expense:

- (i) any labor and overhead costs incurred by Property Manager, to the extent the same are conspicuously disclosed and approved in the Annual Budget, for (i) managing and supervising the delivery of any future capital improvements with respect to the Student Housing System, as described in Section 3.7 hereof; or (ii) providing any other services with respect to the Student Housing System requested by the Lessee but not otherwise required to be provided by the Property Manager pursuant to this Agreement.
- (ii) all of its general overhead expenses (but only to the extent the same are conspicuously disclosed and approved in the Annual Budget), payroll and general administrative expenses of any on-site employees of the Property Manager providing services under this Agreement and any other expenses incurred by the Property Manager which constitute an "Expense" and included in the Annual Budget.

(d) Property Manager's compensation which constitutes the Property Management Base Fee shall be paid as an Expense of the Project pursuant to Section 5.01(a) of the Trust Indenture and the Property Management Performance Incentive Fee shall be paid pursuant to Section 5.10(b) of the Trust Indenture. Subject to any restrictions or limitations contained in the Transaction Documents, the Property Manager shall be entitled to pay itself the Property Management Base Fee and Expenses payable to the Property Manager as and when such fees are due and payable or such Expenses incurred.

(e) In the event that there is any shortfall in available funds necessary to pay any Property Management Base Fee when due, such Property Management Base Fee shall accrue interest at _% per annum, and payments of such unpaid fees shall be paid when there are available funds starting with the oldest such fee unpaid and continuing with the next older such fee paid until paid in full. Notwithstanding any insufficiency of funds, any deferred Property Management Base Fees and accrued interest thereon shall

be due and payable on the fifth anniversary of its initial due date. Accrued interest on unpaid Property Management Base Fees shall constitute an Expense.

(f) The Property Manager agrees to subordinate the payment of the Property Management Performance Incentive Fee until such time as the provisions of Section 5.10 of the Trust Indenture, including the Fixed Charges Coverage Ratio for such Annual Period, have been satisfied. Should the Property Management Performance Incentive Fee not be paid to the Property Manager as a result of the failure to satisfy the provisions of Section 5.10 of the Trust Indenture, including the Fixed Charges Coverage Ratio for such Annual Period, or due to insufficient funds being available after satisfying the Fixed Charges Coverage Ratio to pay the entirety of the Property Management Performance Incentive Fee (i.e., insufficient funds are available in the Surplus Fund to pay the Property Management Performance Incentive Fee in such Annual Period), the Property Management Performance Incentive Fee or any unpaid portion thereof shall be carried over to the next Annual Period (and forward successively in the event of the failure to satisfy the provisions of Section 5.10 of the Trust Indenture, including the Fixed Charges Coverage Ratio for such Annual Period, or due to insufficient funds being available after satisfying the Fixed Charges Coverage Ratio to pay the entirety of the Property Management Performance Incentive Fee) and will be paid in such subsequent Annual Period (or, if applicable Annual Periods) that satisfy the provisions of Section 5.10 of the Trust Indenture. Notwithstanding any other provisions of this Agreement to the contrary, any portion of the Property Management Performance Incentive Fee for any Annual Period that has not been paid prior to the fifth anniversary of the date due, shall be disbursed by Trustee to Manager on such fifth anniversary.

Section 10.2 Threat to Lessee's Tax-Exempt Status; Compliance with IRS Management Contract Guidelines; No Inconsistent Tax Position.

(a) If Lessee or its representative makes a reasonable determination that one or more terms of this Agreement threaten either (i) Lessee's status as an organization described in Section 501(c)(3) of the Code and exempt from federal income tax under Section 501(a) of the Code; or (ii) compliance by this Agreement with the safe harbor conditions under which a management contract does not result in private business of property financed with tax exempt bonds under Section 141(b) of the Code as set forth in IRS Rev. Proc. 2017-13 or any successor federal guidance, then the Parties agree to renegotiate the problematic terms of this Agreement. If agreeable renegotiated terms cannot be reached within thirty (30) days of the Lessee providing the Property Manager with notice and an explanation of its determination pursuant to this Section 10.2, then either Party may terminate this Agreement without breach or further liability to the other Party, with 30 days' prior written notice to the other Party.

(b) It is the intention of the Parties for this Agreement to comply with the management contract guidelines set forth in IRS Rev. Proc. 2017-13. The Property Manager agrees that it will not take any tax position that is inconsistent with being a service provider to the Lessee with respect to the services described in this Agreement. Without limiting the foregoing, the Property Manager agrees it will not claim any depreciation or amortization deduction, investment tax credit, or deduction for any payment as rent with respect to any of the Lessee's or the University's property.

**ARTICLE XI
TERM**

Section 11.1 Term of Agreement. The term of this Agreement (the "**Term**") shall commence on the Effective Date and shall expire on June 30, 20__, and continuing thereafter for successive [one (1) year] terms beginning on July 1, 20__ and ending on the next succeeding June 30, unless on or before one hundred and twenty (120) days prior to the expiration of any such period or any extension thereof, either the Lessee (independently or at the request of the University) or the Property Manager shall notify the other in writing that it elects to terminate this Agreement, in which case this Agreement shall be thereby

terminated on the last day of such period. Notwithstanding the foregoing, in no event shall the Term exceed the Term of the Lease. The terms of this Section shall survive the expiration or earlier termination of this Agreement.

As used in this Agreement, the term "**Termination for Cause**" shall include a termination of this Agreement under Subsections 11.2(a), (c), (d), (e), (f) or (g) of this Agreement. As used in this Agreement, the term "**Termination for Convenience**" shall include a termination of this Agreement under Subsections 11.2(b) of this Agreement.

Section 11.3 Termination by Property Manager. This Agreement may be terminated by the Property Manager at any time during the Term hereof upon not less than one (1) year prior written notice to the Lessee. Any such termination shall be effective only at the end of an Annual Period.

Section 11.4 Compensation Upon Termination. In the event of a Termination for Cause or a voluntary termination of this Agreement by the Property Manager pursuant to the terms of Section 11.3 above, the Property Manager shall not be entitled to receive any consideration, compensation, payment or damages except the Property Management Fees earned and Expenses incurred until the effective date of termination (offset by any losses and other damages suffered by the Lessee as a result of any Property Manager's breach of this Agreement). In the event of a Termination for Convenience, Lessee shall pay an early termination fee to the Property Manager in the following applicable amount:

(a) If the Termination for Convenience occurs within the first four (4) years of the Term, an amount equal to two times the total amount of the annual Property Management Base Fee for the previous

Fiscal Year, the annual Property Management Performance Incentive Fee for the previous Fiscal Year, any outstanding Property Management Fee and Property Management Performance Incentive Fees already earned by Property Manager, and any expenses incurred by Property Manager incurred by Property Manager that constitute Expenses no later than thirty (30) days following the date of such termination; or

(b) If the Termination for Convenience occurs after the fourth (4th) year of the Term, an amount equal to one and one-half times the total amount of the Property Management Base Fee and Property Management Performance Incentive Fee for the previous Fiscal Year.

The terms of this Section shall survive the expiration or earlier termination of this Agreement.

Section 11.5 Duties Upon Termination or Expiration. On the effective date of a termination or expiration of this Agreement, the Property Manager shall promptly deliver to the Lessee any and all of Lessee's funds held by the Property Manager with respect to the Student Housing System. The Property Manager shall also deliver to the Lessee any funds received by Property Manager after the date of termination or expiration that relate to the operation of the Student Housing System. The Lessee shall be liable for the obligations of any Service Contract or outstanding bill properly executed or properly incurred by the Property Manager under this Agreement, and the Property Manager shall have no liability therefor. Nothing contained herein shall be construed to imply any obligation on the part of the Lessee with respect to any liabilities incurred by the Property Manager in violation of this Agreement. All materials, supplies, keys, Resident Leases, Service Contracts, other documents, insurance policies, plans, specifications, permits, licenses, promotional materials and such other papers and records (including general correspondence) that pertain to this Agreement, the operations of the Student Housing System or the performance of the Property Manager's duties hereunder shall be delivered to the Lessee or the new Property Manager, as directed by the Lessee, promptly after the effective date of a termination or expiration of this Agreement. The Property Manager shall assign any rights the Property Manager may have in and to any existing Service Contracts relating to the operation and maintenance of the Student Housing System as the Lessee shall desire or require. The Property Manager shall deliver to the Lessee a final accounting (prepared in accordance with the provisions of this Agreement) of the Student Housing System up to and including the effective date of the termination or expiration within sixty (60) days after such effective date of termination or expiration. No further services shall be performed by the Property Manager under this Agreement after the effective date of a termination or expiration, except that the Property Manager shall cooperate in good faith to accomplish an orderly transfer of the operation and management of the Student Housing System to the Lessee and the University or to any replacement property manager designated by the Lessee. The terms of this Section shall survive the expiration or earlier termination of this Agreement. All of Property Manager's reasonable costs to perform its duties under this Section shall be Expenses.

ARTICLE XII MISCELLANEOUS

Nothing contained in this Agreement will make, or shall be construed to make, the Parties hereto partners or joint venturers with each other, joint owners of any property or joint stockholders in any enterprise or create, or be construed to create, any other similar relationship or arrangement or agency relationship between the Parties, and any implication to the contrary is hereby expressly disavowed, it being understood and agreed that the only relationship between the Parties under this Agreement is that of independent parties, each acting in its own best interests. Nothing in this Agreement will render, or be construed to render, any Party hereto liable to any third party for the debts or obligations of the other Party hereto. The Parties acknowledge and agree that (a) the officers, shareholders, partners, members or employees of the Property Manager have no voting power as it relates to the University or the Lessee, and (b) the chief executive officer (or equivalent executive) of the Property

The specified remedies to which each Party may resort under the terms of this Agreement are distinct, separate, and cumulative, and are not intended to be exclusive of any other remedies or means of redress to which such Party may be lawfully entitled in case of any breach or threatened breach by the other Party of this Agreement. The failure of any Party to insist, in any one or more instances, upon performance of any of the terms, covenants, or conditions of this Agreement shall not be construed as a waiver or a relinquishment of such Party's right to the future performance of any such terms, covenants, or conditions, but the obligations of the other Party with respect to such future performance shall continue in full force and effect. No waiver by a Party of any provisions of this Agreement or the other Operative Agreements shall be deemed to have been made unless expressed in a writing signed by an authorized representative of such Party.

Section 12.3 Notices. Whenever a Party is required or shall desire to give or serve upon any Party any notice, demand, order, direction, determination, requirement, consent or approval, request or other communication with respect to this Agreement, such notice, demand, order, direction, determination, requirement, consent or approval, request or other communication shall be in writing and shall not be effective for any purpose unless same shall be given or served as provided herein and addressed as follows:

Section 12.4 Headings or Titles. The brief headings or titles preceding each Section are merely for purposes of identification, convenience, and ease of reference, and will be completely disregarded in the construction of this Agreement.

Section 12.5 Counterparts. This Agreement may be executed in counterparts, each of which is deemed an original of equal dignity with the other, and each of which is deemed one and the same instrument as the others.

Section 12.6 No Reliance. Each Party has entered into this Agreement upon the advice of advisors of its own choosing, and each Party warrants and represents that it is not relying on any statement or advice of or from the other Parties or any advisor of the other Parties except as set forth expressly in this Agreement. Each Party is entering into this Agreement freely and voluntarily and each desires to be bound by this Agreement. Each Party has been fully informed of the terms, conditions and effects of this Agreement.

Section 12.7 Statement of Non-Discrimination. The Property Manager agrees that the Property Manager, any contractor or subcontractor, and any person acting on behalf of the Property Manager, any contractor or subcontractor, shall not discriminate, by reason of race, color, religion, sex, age, disability, military status, national origin, or ancestry against any citizen of this state in the employment of any person qualified and available to perform its obligations under this Agreement. The Property Manager further agrees that the Property Manager, any contractor or subcontractor, and any person acting on behalf of the Property Manager or any contractor or subcontractor shall not, in any manner, discriminate against, intimidate, or retaliate against any employee hired for the performance of the obligations under this Agreement on account of race, color, religion, sex, sexual orientation, age, disability, military status, national origin, or ancestry.

Section 12.8 Force Majeure. If either the Property Manager, University or Lessee is unable to perform any part of its obligations under this Agreement by reason of force majeure, the Party will be excused from its obligations, to the extent that its performance is temporarily prevented by force majeure, for the duration of the event. The Party must remedy with all reasonable dispatch the cause preventing it from carrying out its obligations under this Agreement. The term "force majeure" means without limitation: acts of God, including, without limitation, pandemics, epidemics, lightning, earthquakes, fires, storms, hurricanes, tornadoes, floods, washouts, droughts, or any other severe weather; explosions; restraint of government and people; war; strikes (not specific to the claiming party or its affiliates); and other like events; or any other cause that could not be reasonably foreseen in the exercised of ordinary care, and that is beyond the reasonable control of the Party.

Section 12.9 Workplace Policies and Procedures. The Property Manager shall comply with all applicable federal, state and local laws and University and Lessee published policies regarding smoke-free and drug-free work places and shall make a good faith effort to ensure that none of its employees or permitted subcontractors engaged in the services under this Agreement purchase, transfer, use or possess illegal drugs or alcohol, or abuse prescription drugs in any way.

Section 12.10 FERPA Compliance. The Property Manager understands that it may, pursuant to the Operative Agreements, generate or otherwise be in possession of confidential education records regarding the University's students, and that these records are protected by federal law including, inter alia, the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C.A. 1232g. The Property Manager further understands that it may not share or disclose these education records with any Party other than the University, without both the University's and the relevant student's consent.

Section 12.11 Americans with Disabilities Act. The University and Lessee encourage compliance with the Americans with Disabilities Act as amended (ADA-AA) and other applicable State of Michigan and Federal standards such as the Rehabilitation Act of 1973 regarding accessibility and disability. The University's and the Lessee's goal is to ensure that products and services are functionally accessible to individuals with disabilities. Compliance means that a person with a disability can acquire the same information, engage in the same interactions, and enjoy the same services as a person without a disability, in an equally effective and integrated manner, with substantially equivalent ease of use.

Section 12.12 Expectation of Equal Employment Opportunities. The Property Manager, in submitting a proposal and/or filling a purchase order, agrees not to discriminate against any employee or applicant for employment with respect to hiring and tenure, terms, conditions, or privileges of employment, or any matter directly or indirectly related to employment, because of race, color, religion, gender, age, sexual orientation, national origin, disability, or identity as a disabled veteran or veteran of the Vietnam era to the extent required by law. The Property Manager must further agree that every subcontract or order given for the supplying of this order will contain a provision requiring nondiscrimination in employment, as herein specified. This covenant is required pursuant to Federal executive orders 11246 and 11375 and any breach thereof may be regarded as a material breach of the contract or purchase order. Additionally, the Property Manager must comply with the following:

(a) The Equal Employment Opportunity Act of 1972, as amended, 42 U.S.C. 2000e et seq., which prohibits discrimination in employment because of race, color, religion, sex or national origin.

(b) The Rehabilitation Act of 1973, as amended, 29 U.S.C. 701 et seq. and 45 C.F.R. 84.3(J) and (K) implementing Sec. 504 of the Act which prohibits discrimination against qualified individuals with disabilities in the access to or participation in federally-funded services or employment.

(c) The Age Discrimination in Employment Act of 1967, as amended, which generally prohibits discrimination based upon age.

(d) The Equal Pay Act of 1963, as amended, 29 U.S.C. 206, which provides that an employer may not discriminate on the basis of sex by paying employees of different sexes differently for the same work.

Section 12.13 Entire Agreement. This Agreement embodies the entire agreement among the Parties regarding the terms of this Agreement. There are no understandings or agreements, verbal or otherwise, among the Parties regarding the terms of this Agreement.

Section 12.14 Governing Law; Venue. This Agreement and the actions of the Parties hereunder shall in all respects be governed by, and construed in accordance with, the laws of the Commonwealth of Kentucky (excluding conflict of law principles). Venue for any actions brought under this Agreement shall be laid exclusively in a court of competent jurisdiction in Warren County, Kentucky and each party hereto consents to the jurisdiction and venue of such court and further agrees that service of process for any such action may be properly and completely made upon each party at the address provided for notices under this Agreement.

Section 12.15 Severability. If any term or provision of this Agreement, or the application of the term or provision to any Person or circumstance is, to any extent, invalid or unenforceable in any jurisdiction, but the extent of such invalidity or unenforceability does not destroy the basis of the bargain between the Parties as contained herein, the remainder of this Agreement, or the application of the term or provision to Persons or circumstances other than those as to which the term or provision is held invalid or unenforceable, will not be affected by such invalidity or unenforceability, and each remaining term or provision of this Agreement will be valid and will be enforced to the fullest extent permitted by law. To the extent permitted by Applicable Law, the Parties hereby waive any provision of law that renders any provision hereof prohibited or unenforceable in any respect.

Section 12.16 Binding Effect. Each of the provisions of this Agreement shall apply to, extend to, be binding upon and inure to the benefit or detriment of the Parties. The Property Manager may not assign its rights and obligations hereunder without the prior written consent of Lessee and the University, to be granted or withheld by the Lessee and the University in their sole discretion. The foregoing shall not impair the Property Manager's right to delegate its responsibilities hereunder or to enter into Service Contracts hereunder.

Section 12.17 No Individual Liability. No covenant or agreement contained in this Agreement shall be deemed to be the covenant or agreement of any individual **director, member,** officer, official, agent, employee or representative of a Party, in his or her individual or official capacity and none of such persons shall be subject to any personal liability or accountability by reason of such person's execution of this Agreement, whether by virtue of any constitution, statute or rule of law or by the enforcement of any assessment or penalty, or otherwise. The provisions of this Section shall survive indefinitely, notwithstanding the expiration or early termination of this Agreement.

Section 12.18 Amendment. This Agreement may be amended at any time by mutual agreement of the Parties but only by the execution of a writing signed by a duly authorized representative of each of the respective Parties hereto.

Section 12.19 Further Assurances. At any time or times after the Effective Date, each Party shall execute, have acknowledged and deliver to the other Party any instruments, and take any other actions, as may be necessary to effectuate the transaction described herein.

Section 12.20 Business Days. If the due date for any payment required under this Agreement by any Party falls on a day that is not a Business Day, such payment shall be due on the next Business Day following such due date.

Section 12.21 Time of the Essence. Time is of the essence to each and every provision of this Agreement.

Section 12.22 Recitals. The Recitals set forth above are hereby incorporated by this reference and shall be deemed terms and provisions hereof.

Section 12.23 Nature of University Participation in Agreement. The Property Manager and the Lessee agree and acknowledge that (a) the University's execution of and participation under this Agreement is for the purposes of delineation of the University's operation, management, and maintenance responsibilities with respect to the Student Housing System, and otherwise for the benefit of the University and the Lessee; and (b) (without limiting any Lessee right under the Lease) if the University fails to perform any of its obligations under this Agreement, then the Property Manager's sole recourse under this Agreement shall be relief from any obligation of the Property Manager to the extent and for so long as the Property Manager's ability to satisfy such obligation is impacted by the aforementioned failure of the University.

Section 12.24 Electronic Signatures. This Agreement may be executed and delivered by facsimile signature or other electronic or digital means (including, without limitation, Adobe's Portable Document Format ("PDF")). Any such signature shall be of the same force and effect as an original signature, it being the express intent of the parties to create a valid and legally enforceable contract between them. Key Performance Indicators

Use of Key Performance Indicators. The Lessee, the Property Manager and the University acknowledge that the ongoing appropriate performance of the Student Housing System as student housing is dependent on the adherence by the Property Manager to the operating, maintenance, and satisfaction standards set forth in this Agreement. The Property Manager's performance shall be measured for each Annual Period according to three metrics (each a "Key Performance Indicator"), as follows: (1) resident satisfaction, (2) service order response and completion, and (3) facility inspection evaluations. The Property Manager shall be entitled to payment of an annual Property Management Performance Incentive Fee for attainment of each Key Performance Indicator as follows:

1. PROPERTY MANAGEMENT PERFORMANCE INCENTIVE FEE METRIC: RESIDENT SATISFACTION COMPONENT

This component of the Property Management Performance Incentive Fee will be evaluated based on a Resident satisfaction survey. The Property Manager will engage a third party, such as "Benchworks by Elentra", to conduct an annual satisfaction survey of Residents based on the Residents' overall satisfaction with Student Housing System management in each Annual Period (the "Resident Satisfaction Survey"). The contents of the Resident Satisfaction Survey shall be approved in advance by the University. All Residents will receive a Resident Satisfaction Survey annually on or before _____ of each Annual Period, with the Resident Satisfaction Survey scores delivered to Lessee and the University no later than _____ of each Annual Period. The Resident Satisfaction Survey scores will be the basis for the payment of this Property Management Performance Incentive Fee component which component will entitle Property Manager to receive an annual potential payment of up to _____ percent (____%) of General Revenues for such Annual Period, as disclosed in the Audited Financial Statements for such Annual Period. The Property Management Performance Incentive Fee for an Annual Period shall be calculated as set forth in Figure 1 below and shall be based on the General Revenues for such Annual Period as disclosed in the Audited Financial Statements and the scores reflected in the Resident Satisfaction Survey for such Annual Period. If the Resident Satisfaction Survey shows that the Property Manager has earned a score of not less than 4.75 out of a maximum score of 7.0 in overall Resident satisfaction, Property Manager will earn 100% of this component of the Property Management Performance Incentive Fee. From there, this component of the Property Management Performance Incentive Fee will reduce on a scale as follows in Figure 1. In the event a different scale is used, the established metric will change proportionately with the new scale.

Annual Survey Score (Based on a 7-point maximum)	Percentage of Fee Earned/Awarded
4.75 Points or More	100%
4.00 – 4.74	75%
3.50 – 3.99	25%
3.49 and below	0%

FIGURE 1

2. Property Management Performance Incentive Fee Metric: Service Order Responses and Completion Component

This component of the Property Management Performance Incentive Fee will be evaluated based on Property Manager's timely response to and completion of maintenance requests for an Annual Period. Each category of maintenance request (Emergency, Urgent, and Routine) has an individual listing of sample tasks and will have a required response and completion time associated with the category. Each category (Emergency, Urgent, and Routine) and its respective required response time is more particularly set forth on Exhibit D-1 attached hereto and made a part hereof (the **"Work Order Priority Matrix"**). Property Manager will track all requests through the Property Manager's software service order system for each Annual Period and will certify the results to Lessee and the University for each Annual Period within ___ days after completion of such Annual Period. This component of the Property Management Performance Incentive Fee will entitle Property Manager to receive, in addition to the payment set forth in Section 1 above, an annual potential payment of up to ___ percent (%) of annual General Revenues for such Annual Period, as disclosed in the Audited Financial Statements for such Annual Period. Property Manager will earn and be awarded 100% of this component of the Property Management Performance Incentive Fee if Property Manager meets or exceeds the required response and completion times for 90% or more of the maintenance requests submitted for an Annual Period, on an aggregate category basis across the Student Housing System. If the Property Manager meets or exceeds the required response and completion times for less than 90% of the maintenance requests submitted for an Annual Period, this component of the Property Management Performance Incentive Fee will reduce on a scale as follows in **Figure 2**.

Percent of Meeting or Exceeding Required Completion Time	Percentage of Fee Earned/Awarded
90.0% or More	100%
80.0% - 89.9%	75%
70.0% - 79.9%	50%
60.0% - 69.9%	25%
Less than 60.0%	0%

FIGURE 2

3. Property Management Performance Incentive Fee Metric: Facility Inspection Evaluations Component

This component of the Property Management Performance Incentive Fee will be evaluated based on facility inspection evaluations of the Student Housing System for each Annual Period. Facility inspection evaluations shall be performed annually by a third-party provider selected by the Property Manager (e.g., Marx Okubo) and shall be structured to follow the APPA standards. All costs and expenses associated with said third-party inspection evaluations shall be Expenses and included in each Annual Budget. Solely for the purpose of determining this portion of the Property

Management Performance Incentive Fee component, the benchmark performance shall be an overall rating of Level 2.75 or higher for an annual potential payment of up to one-third of one percent of General Revenues for an Annual Period, as disclosed in the Audited Financial Statements for such Annual Period. This component of the Property Management Performance Incentive Fee will reduce on a scale as follows in **Figure 3**.

APPA Level	Percentage of Fee Earned/Awarded
2.75 – 1.00	100%
2.76 – 2.99	60%
3.00 – 3.49	40%
3.5 – 5.00	0%

claim holder, shall always be and remain subordinate, inferior, and junior to the Lessor's title, interest, and estate in the Property. The Lessee shall not create or permit to be created or to remain, and shall discharge, any lien, encumbrance, or charge levied on account of any mechanic's, laborer's, or materialman's lien, or any security agreement, conditional bill of sale, title retention agreement, chattel mortgage, or otherwise (a "**Lien**") that might or does constitute a lien, encumbrance, or charge upon the Premises, or any part thereof, or the income therefrom, having a priority or preference over or ranking on a parity with the estate, rights, or interest of the Lessor in the Premises or any part thereof, or the income therefrom. Nothing in this Ground Lease shall be deemed or construed in any way as constituting the consent or request of the Lessor, express or implied, by inference or otherwise, to the filing of any Lien against the Premises by any contractor, subcontractor, laborer, materialman, architect, engineer, or other Person for the performance of any labor or the furnishing of any materials or services for or in connection with the Premises or any part thereof.

(m) Completion of Construction by the Lessor. The Lessor acknowledges and agrees that the Lessee and the Developer shall assign all of their respective right, title, interest, and remedies in and to the Construction Documents to the Trustee pursuant to the Assignments of Agreements and Documents. The Lessee covenants and agrees that in the event (i) the Lessee shall abandon or fail to complete the construction of improvements undertaken by the Lessee in accordance with all material requirements of this Ground Lease, (ii) such failure shall not be solely the result of the occurrence of an Event of Default, and (iii) the Trustee shall elect not to complete construction of such improvements pursuant to the terms of any assignment, the Lessor may, at its option (but without any obligation so to do and without prejudice to any other rights the Lessor may have under this Ground Lease) complete the construction of the improvements undertaken by the Lessee as an expense of the Project and, as nearly as practicable and proper, according to the Plans and Specifications previously approved by the Lessor.

(n) Title to Improvements. The title to all improvements now or hereafter located on the Property shall be vested in the Lessee until the Termination Date, at which time all title to and ownership of said improvements shall automatically and immediately vest (without the necessity of any further action being taken by the Lessee or the Lessor or any instrument being executed and delivered by the Lessee to the Lessor) in the Lessor.

(o) Architects, Engineers, Contractors, Specialists, and Consultants. The Lessee shall require (i) any architects, engineers, contractors, subcontractors, specialists, and consultants engaged in connection with the construction of improvements on the Property to perform their respective obligations under the terms of the applicable Construction Documents and to be licensed in accordance with State law; (ii) any architects and engineers engaged in connection with the construction of improvements on the Property that cost in aggregate \$250,000 or greater to obtain and maintain errors and omissions insurance in accordance with the terms of Section 20(g) hereof; and (iii) as and to the extent required by the Loan Agreement for Additional Housing Facilities, any contractor or subcontractor engaged in connection with the construction of improvements on the Property that cost in aggregate \$250,000 or greater to obtain and maintain commercial payment and performance bonds in form acceptable to the Lessor, each naming the Lessor as an additional payee.

(p) Permits, Laws, and Ordinances. The Lessee shall as a construction expense, comply and cause the Developer to cause its contractors and subcontractors to comply in all material respects with all building codes, ordinances, rules, regulations, orders, directives, and statutes of all governmental authorities which may now or hereafter, from time to time, be established and which are or shall be applicable to the Lessee as they relate to the Project, including without limitation, the Americans With Disabilities Act of 1990.

(q) Construction Site. The Lessee shall confine its operations to the Property and shall not store any material or equipment on property of the Lessor outside the boundaries of the Property, except as

approved in writing and subject to such conditions as may be specified and approved by the Lessor. The Lessee shall protect all work and shall at all times keep and cause its contractors to keep the construction site reasonably clean and free from waste materials and rubbish.

(r) Payment and Performance Bonds. The Lessee shall provide or cause to be provided to the Lessor commercial payment and performance bonds for the construction of the Series 2026 Improvements and any Additional Housing Facilities (or any portion thereof that costs \$250,000 or greater) in accordance with the terms of the Development Agreement and the Loan Agreement, which bonds shall name the Lessor as an additional obligee. The Lessor acknowledges that its right to enforce its rights as an additional obligee under the payment and performance bonds is subordinate to the Trustee's rights under the Bond Documents, and Trustee's rights under such payment and performance bonds. The Lessor agrees to meet and confer with the Lessee, the Trustee, and the Bond Insurer to discuss making a claim on the payment and performance bonds and other alternatives related to achieving substantial completion of any phase of the Series 2026 Improvements or Additional Housing Facilities on or before the respective deadline therefor before a claim on the payment and performance bond is made.

(s) Reports and Information. The Lessee shall provide the Lessor with copies of all material documents and correspondence provided to or generated by the Lessee in connection with any construction on the Property and shall provide the Lessor with monthly progress reports, as provided to the Lessee by the Developer, in a form reasonably satisfactory to the Lessor for the previous month, copies of which shall also be furnished to the Trustee. The Lessee shall deliver or cause to be delivered to the Lessor copies of all soil reports, surveys, hazardous wastes or toxic materials reports, feasibility studies, and other similar written materials prepared for the Lessee pursuant to the applicable design and construction contracts with respect to the Property, copies of which shall also be furnished to the Trustee.

(t) Substantial Completion of Improvements. As soon as practicable (however, in no event to exceed six (6) calendar months) after the substantial completion of any phase of the Series 2026 Improvements or Additional Housing Facilities, the Lessee shall furnish or cause the Developer to furnish to the Lessor such documentation regarding the "as-built" improvements as and to the extent required under the Construction Documents. The term "substantial completion" as used in this Ground Lease shall be deemed to mean satisfaction of both of the following conditions: the issuance of a certificate of occupancy by the appropriate authority, if applicable, and such completion as will make the improvements sufficient, suitable, and ready for immediate occupancy and for the use intended.

(u) Failure to Provide Student Housing Facilities on Schedule. If the Lessee fails to cause the Developer to deliver the Project required by the Construction Documents to be ready and available for occupancy by the date required thereunder, then the Lessor shall arrange for alternative housing for the residents who have contracted to reside in the Project until the Project is ready and available for occupancy. The Lessor shall be required to require such residents to make all payments owed under their Resident Leases and remit the payments received from such residents to the Trustee for deposit to the Revenue Fund under the Indenture. The cost of such alternative housing shall be borne by the Lessor; provided, however, the Lessor shall be entitled to reimbursement from the Developer for the actual cost incurred in connection with providing such alternative housing pursuant to the terms of the Development Agreement.

Section 12. Operation of Student Housing Facilities. (a) Lessee's Obligation to Operate. The Lessee shall operate, or cause to be operated, the Student Housing Facilities for the benefit of the Lessor and shall not rent the Student Housing Facilities to provide private residential housing to members of the public other than to Eligible Tenants.

(b) Management of Student Housing Facilities. The Lessee shall enter into the Management Agreement with respect to the Student Housing Facilities, but shall not enter into any other management

agreement with respect to the Student Housing Facilities (or material amendment to the Management Agreement) with respect to the Project without the Lessor's consent, which consent shall not be unreasonably withheld. The Lessee shall not enter into any renewal or extension or permit an automatic renewal of the Management Agreement if the Lessor notifies the Lessee more than one hundred eighty (180) days prior to the expiration of the then current term of such Management Agreement that it has identified a successor manager for the Project permitted under the Bond Documents and otherwise reasonably acceptable to the Lessee that Lessee is able to engage as successor manager on reasonably acceptable terms. Until such successor manager has been successfully engaged, the Lessee shall be allowed to extend the term of the Management Agreement as it deems reasonably necessary. The foregoing notwithstanding, the Lessor understands that the Series 2026 Bonds are tax-exempt obligations, and that therefore any management agreement with an entity that is not a governmental entity must comply with Revenue Procedure 2017-13, or the Lessee shall provide the Trustee with an opinion with respect to the Series 2026 Bonds from nationally recognized bond counsel that such subsequent management agreement does not adversely affect the tax-exempt status of the interest on the Series 2026 Bonds.

(c) *Lessor's Commitment.* The Lessor acknowledges that the Student Housing Facilities shall be treated at all times as part of the Lessor's student housing program, and on an equal basis with the Lessor's other student housing facilities, if any, and that the cooperation of the Lessor as described below is an important consideration and incentive in the decision by the Lessee to assist the Lessor by undertaking the financing of the Student Housing Facilities and the other obligations of the Lessee contemplated hereby. To such end:

(i) The Lessor agrees to:

(A) include the Student Housing Facilities in all information and marketing materials regarding student housing that it provides to students and prospective students, including providing information about the Student Housing Facilities on the Lessor's web site, refer students to the Student Housing Facilities, and, include the Student Housing Facilities in any housing lottery system it holds and promote the availability of the Student Housing Facilities in the same manner as its own student housing facilities, if any;

(B) provide to students residing at the Student Housing Facilities (i) the services and access reasonably expected in comparable student housing facilities of the Lessor, including, without limitation, its current student life programs, computer network and student transportation system, provided that the space and the resources to fulfill such services are provided in the Student Housing Facilities, and (ii) the same services and access available from time to time to students residing in its own housing facilities, if any;

(C) not construct or otherwise sponsor any new additional housing facilities for students of the Lessor on or off campus ("Alternative Student Housing") unless: (i) the Lessor obtains and delivers to the Lessee and the Bond Insurer a report of a Financial Consultant (as that term is defined in the Indenture) stating (with supporting calculations) that (1) the Fixed Charges Coverage Ratio (as that term is defined in the Indenture) for the most recent Annual Period prior to the construction of the Alternative Student Housing was at least 1.2, (2) the projected Fixed Charges Coverage Ratio for the first full Annual Period immediately succeeding completion of the Alternative Student Housing would be at least 1.2 (including any proposed indebtedness to finance the Alternative Student Housing), and (3) to the extent applicable, the occupancy of the Student Housing Facilities was at least 95% in the preceding Annual Period; provided, however, notwithstanding the historical Fixed Charges Coverage Ratio of (1) or the occupancy requirement of (3), the Lessor may construct Alternative Student Housing so long as it obtains a report of a Financial Consultant stating (with supporting calculations) that the Fixed Charges Coverage Ratio

for the first three full Annual Periods immediately succeeding the completion of such Alternative Student Housing would be at least 1.2 (including the proposed indebtedness to finance the Alternative Student Housing); (ii) the construction of the Alternative Student Housing is supported by a demand study from an independent consultant completed not more than two (2) years prior to the projected commencement of construction concluding that sufficient demand exists for the additional number of beds to be constructed so as not to have a material adverse effect on the Student Housing Facilities and the rate covenant with respect to the financing; and (iii) no Event of Default exists under the Loan Agreement; provided that this restriction does not apply to new housing facilities that replace existing housing facilities, including, specifically, the Series 2026 Improvements. The projections and demand study shall be prepared by a nationally recognized consulting firm(s) experienced in student housing for comparably sized or larger institutions of higher education mutually agreed upon by the Lessor, the Lessee and the Bond Insurer;

(D) assign all Eligible Tenants in need of housing to the Student Housing Facilities during and throughout each Annual Period to ensure that the Project attains and maintains occupancy levels at all times during such Annual Period sufficient to generate aggregate Revenues over the Annual Period in an amount at least equal to: (a) 120% of all Debt Service Payments scheduled to become due during such Annual Period; and (b) the total sum needed by the Lessee in such Annual Period to (i) meet all of the funding requirements for the Debt Service Reserve Fund and the Repair and Replacement Fund, (ii) pay all operating Expenses for the Student Housing Facilities, (iii) make all other payments required by the Lessee, and (iv) make all other payments required under the Bond Documents. Such assignment of students to the Student Housing Facilities shall (subject to subsection (E) below) be on a first priority basis such that the Lessor shall refrain from entering into any other type of use or occupancy arrangement for any other student housing for such Annual Period until the Student Housing Facilities attain and maintain occupancy levels sufficient to generate the Revenues required by the preceding sentence;

(E) not direct or assign students on a priority basis to Alternative Student Housing in preference over the Student Housing Facilities, except under its current practices to meet special program needs, such as honors housing;

(F) if the Lessee is not in compliance with the requirements of the Bond Documents, cooperate with the Lessee in selecting an independent consultant and in implementing such consultant's recommendations regarding the operation and management of the Student Housing Facilities;

(G) maintain and diligently enforce with respect to the Student Housing Facilities its (1) residency requirement for freshman and sophomores, subject to those certain Live-On Requirement Exemptions, as revised by the Lessor's Housing Executive Committee prior to the execution hereof and to be implemented prior to Fall of 2028, and (2) then-current policies regarding withholding of grades, transcripts and/or registration in the event of delinquencies in the payment of rent under Resident Leases;

(H) ensure that the Premises shall be subject, at all times during the term hereof, to the jurisdiction of the Lessor's campus security force;

(I) assist the Lessee with its continuing disclosure obligations by providing it with such information about the Lessor or the Student Housing Facilities that the Lessee may need to comply with any such obligations, including but not limited to demographic and statistical information about its enrollment, on-campus housing and general financial stability and the occupancy rates for the Student Housing Facilities; and

(J) in the event the Student Housing Facilities are not being managed by the Lessor, (i) implement procedures to assist students in applying for residence at the Student Housing Facilities, (ii) assist where possible in the collection of rents, (iii) where appropriate, facilitate the use of financial aid provided to students to pay eligible housing expenses, (iv) permit the Lessee to advertise the Student Housing Facilities on the Lessor's campus and its website and to post reasonably sized advertising literature on bulletin boards in the Lessor's facilities that are available for public announcements, (v) permit the Lessee to maintain space on the Lessor's campus at a site determined by the Lessor for a staffed leasing display, and (vi) provide to the Lessee a mailing list of the Lessor's students that are seeking housing to the extent such a list is maintained and the Lessor is permitted by law to disclose such information regarding its students to the Lessee.

(ii) The Lessee shall provide information regarding the Student Housing Facilities appropriate to assist the Lessor in carrying out its undertakings pursuant to this Section and, if the Lessor is not the manager of the Student Housing Facilities, provide in any management contract for the Student Housing Facilities provisions requiring the manager to implement appropriate procedures to facilitate the Lessor's undertakings pursuant to this Section.

Section 13. Security Interest. (a) **Pledge, Assignment, and Grant of Security.** As security for the Lessee's performance of its obligations hereunder and subject to the rights of the Trustee and the Issuer under the Bond Documents, the Lessee hereby assigns and pledges to the Lessor, and hereby grants to the Lessor a security interest in, all of the Lessee's right, title, and interest in and to the Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities, including, without limitation: (i) all rights of the Lessee to receive moneys due and to become due under or pursuant to any Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities; (ii) all rights of the Lessee to receive proceeds of any insurance, indemnity, warranty, or guaranty with respect to any Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities; (iii) claims of the Lessee for damages arising out of or for breach of or default under any Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities; and (iv) the right of the Lessee to terminate and any Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities, to perform thereunder, and to compel performance and otherwise exercise all remedies thereunder. The Lessor acknowledges that the Lessee may grant to the Trustee security interests in various items of collateral including, but not limited to, certain rights and remedies with respect to any Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities (collectively the "**Lender Security Interest**"). Any and all security interests granted to the Lessor by the Lessee pursuant to this Ground Lease (including, but not limited to, the security interest granted in this Section) shall be subject to the provisions of Section 37(i) hereof and subordinate in all respects to the Lender Security Interests (as defined herein) and the interest of any permitted Leasehold Mortgagee.

(b) **Further Action and Documents.** The Lessee agrees that from time to time, at the expense of the Lessee, the Lessee will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary or desirable, or that the Lessor may reasonably request, in order to perfect and protect any pledge, assignment, or security interest granted or purported to be granted hereby or to enable the Lessor to exercise and enforce its rights and remedies hereunder with respect to any Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities.

(c) **Financing Statements.** The Lessee hereby authorizes the Lessor to file one or more financing and/or continuation statements, and amendments thereto, relating to all or any part of any design and construction documents related to any Additional Housing Facilities without the signature of the Lessee where permitted by law. A photocopy or other reproduction of this Ground Lease or any financing

statement covering any Construction Documents related to any Series 2026 Improvements or Additional Housing Facilities or any part thereof shall be sufficient as a financing statement where permitted by law.

(d) Lessor Appointed Attorney-in-Fact. The Lessee hereby irrevocably appoints the Lessor the Lessee's attorney-in-fact, with full authority in the place and stead of the Lessee and in the name of the Lessee or otherwise, if an Event of Default shall have occurred, to take any action and to execute any instrument that the Lessor may deem necessary or advisable to accomplish the purposes of this Ground Lease, subject in all cases to the rights of the Issuer and the Trustee, including, without limitation:

(i) to obtain insurance required pursuant hereto in the event the Lessee shall fail to obtain such insurance;

(ii) to ask, demand, collect, sue for, recover, compromise, receive, and give acquittance and receipts for moneys due and to become due under or in connection with any Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities; and

(iii) to file any claims or take any action or institute any proceedings that the Lessor may deem necessary or desirable to enforce compliance with the terms and conditions of, or the rights of the Lessor with respect to any of, any Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities.

(e) Lessor May Perform. If the Lessee shall fail to perform any agreement contained herein, the Lessor may itself perform, or cause performance of, such agreement, and the reasonable expenses of the Lessor incurred in connection therewith shall be payable by the Lessee to the Lessor as additional rent hereunder.

(f) Lessor's Duties. The powers conferred on the Lessor hereunder are solely to protect its interest in any Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities and shall not impose any duty upon it to exercise any such powers. The Lessor shall have no duty to take any necessary steps to preserve rights against prior parties or any other rights pertaining to any Construction Documents related to the Series 2026 Improvements or any Additional Housing Facilities.

Section 14. Assignment of Lease. (a) Written Consent. Except as otherwise provided in this Ground Lease, the Lessee, and its successors and assigns, shall not have the right to assign or transfer this Ground Lease or any interest herein or any right or privilege appurtenant hereto or to sublease the Premises or any portion thereof, unless the written consent of the Lessor is first had and obtained, such consent not to be unreasonably withheld.

(b) Resident Leases. Any other provisions of this Ground Lease to the contrary notwithstanding, the Lessee, and its successors and assigns, shall, without the consent or approval of the Lessor, have the right, in the ordinary course of business, to enter into Resident Leases.

(c) Assignment to Leasehold Mortgagee. Any other provisions of this Ground Lease to the contrary notwithstanding, the Lessee, and its successors and assigns, shall have the right without the consent or approval of the Lessor to assign or transfer its interest in this Ground Lease or the Premises or any interest therein or any right or privilege appurtenant thereto that the Lessee desires to assign or transfer to a Leasehold Mortgagee to the extent permitted in Section 30 hereof. The Lessor agrees to recognize any assignee or transferee of an assignment or transfer for which the Lessor's consent is not required as lessee for the performance of all duties and obligations arising by reason of the interest of this Ground Lease being so assigned or transferred; provided, however, it is hereby agreed and acknowledged by the Lessor and the

Lessee that the Lessee, its successors and assigns, shall not be relieved of its liability for the performance of such duties or obligations by any such assignment or transfer.

Section 15. Maintenance of Property. The Lessee shall, at all times during the term of this Ground Lease, at the Lessee's sole cost and expense, keep and maintain the Premises and appurtenances and every part thereof, and any and all buildings, other structures or improvements that may exist on, in, or be made a part of the Premises, in good order and condition, ordinary wear and tear excepted, and make all necessary repairs thereto, interior and exterior, structural and nonstructural, ordinary and extraordinary, and foreseen and unforeseen. In the event the Lessee fails to perform any of its obligations as required hereunder, after notice and right to cure pursuant to the terms and provisions of Section 26(a) hereof, the Lessor may (but shall not be required to) perform and satisfy same, and the Lessee hereby agrees to reimburse the Lessor, as additional rent, for the reasonable cost thereof promptly upon demand. The parties agree that it shall be the Lessee's sole responsibility at all times during the term of this Ground Lease to maintain the Premises consistent with the Management Agreement and the maintenance standards for the other premises located on the Campus. All normal maintenance and repair during the term of this Ground Lease shall be complete when the Premises are surrendered to the Lessor. The Lessor acknowledges that the responsibility for all such maintenance will be assumed by the Manager pursuant to, and subject to the terms of, the Management Agreement.

Section 16. Annual Budget. (a) The Lessee shall cause the Manager, in consultation with the Lessee, to develop in good faith, in its discretion and after consultation with the Lessor, an aggregate, line-item operation and capital budget for the Student Housing Facilities for each Annual Period (collectively, the "**Annual Budgets**" and each, an "**Annual Budget**") that sets forth matters usually contained in budgets of similar nature, all information required under the Bond Documents.

(b) Commencing with the first Annual Period and for each Annual Period thereafter, the Lessee shall submit to the Lessor for its approval, such approval not to be unreasonably withheld or delayed, a proposed Annual Budget within sixty (60) days prior to the commencement of each Annual Period. The Lessor shall give the Lessee notice of its approval of the Annual Budget as submitted or of its disapproval of one or more of the matters contained therein not later than thirty (30) days prior to the commencement of such Annual Period. If the Lessor shall fail to give notice of approval or disapproval in a timely manner, then the Annual Budget as submitted shall be deemed approved by the Lessor. In the event that the Lessor gives notice of its disapproval, the Lessee and Lessor promptly, in good faith, shall develop an Annual Budget on which they both may agree. If the Lessee and the Lessor fail to initially establish a satisfactory Annual Budget for such Annual Period before the commencement of an Annual Period, the Annual Budget for the then-current Annual Period, as increased by a factor equal to the greater of (i) 3.0% or (ii) the Consumer Price Index Increase shall be implemented for the next Annual Period until agreement is reached on a new Annual Budget.

(c) From time to time during or in respect to an Annual Period, the Lessee shall have the right to modify the Annual Budget, which amendment shall be subject to the Lessor's consent unless: (i) the amendment is to reflect additional General Revenues or the receipt of insurance or condemnation proceeds; (ii) the amendment shall be for an amount in respect to a line item (A) that does not increase or decrease, when added to all other changes to that line item, either the original amount of that line item or an increased amount approved by the Lessor and then in effect by more than the lesser of (1) ten percent (10%) and (2) \$400,000, (B) that does not increase the original total amount of Expenses or an increased amount approved by the Lessor and then in effect by more than ten percent (10%) or (iii) the amendment shall be necessary to preserve life or property or comply with law. Any amendments requiring the Lessor's consent shall be submitted in writing and the Lessor shall give its consent or give the Lessee notice that it does not consent, with explanatory comments, within ten (10) business days of its receipt (by email of an electronic copy) of the amendment, failing which the amendment shall be deemed approved. An Annual Budget for

an Annual Period, as so amended, shall, after such amendment, be the Annual Budget for such Annual Period.

(d) The Lessee shall operate the Student Housing Facilities and make expenditures in connection with the Student Housing Facilities in accordance with the Annual Budget.

(e) The Lessor acknowledges that there may be certain periods (e.g., the summer months) when the General Revenues may be inadequate to pay all of the Expenses (collectively, the "**Shortfall Periods**" and each, a "**Shortfall Period**") and agree that provision should be made for the funding of any such liquidity shortfalls (collectively, the "**Shortfalls**" and each, a "**Shortfall**") during the periods when the General Revenues are more than adequate to pay all of the Expenses (collectively, the "**Surplus Periods**" and each, a "**Surplus Period**"). The Lessor therefore authorizes the Lessee to make provision for such Shortfalls by arranging to have amounts deposited in the Operating Account during Surplus Periods to be in excess of that which is required to pay Expenses during such Surplus Periods with such excesses to be in the amounts of the anticipated Shortfalls. The Lessor also acknowledges that the funding for a Shortfall Period in one Annual Period may be made during a Surplus Period occurring in the immediately preceding Annual Period. The Lessee agrees that any such funding for a Shortfall Period shall be clearly and completely identified in the Annual Budget submitted to and approved by the Lessor.

Section 17. Reservations of Rights. The Lessor reserves the following rights in and to the Property:

(a) **Pedestrian/Vehicular Access Reservation.** The Lessor reserves the right, at any time and from time to time, to construct, install, repair, maintain, remove and replace one or more pedestrian walkways, connections, overhead walkways and similar improvements providing pedestrian ingress and egress to and from the Property to other lands or property owned from time to time by the Lessor. Additionally, the Lessor further reserves for itself and the users and occupants from time to time of land or other property owned from time to time by the Lessor the non-exclusive right to use, for vehicular and pedestrian ingress and egress purposes, all roads, streets, drives, sidewalks, plazas and other areas of the Property that are, from time to time, intended for use for vehicular and pedestrian ingress, egress and enjoyment of the Premises. The rights reserved by the Lessor in this Section are herein called the "**Pedestrian Access Reservation**". The Lessor expressly agrees that its use of the Pedestrian Access Reservation shall be reasonable and the Lessor shall not take any action in exercise of such rights that would interfere with the development or operation of the Premises or the improvements to be constructed thereon by the Lessee pursuant to this Ground Lease.

(b) **Infrastructure Rights.** The Lessor reserves and retains the right, exercisable from time to time in accordance with this Section, to connect to the utility mains, lines, conduit and other facilities providing power, technology, telecommunications, water, sanitary sewer, stormwater discharge service and capacity and other similar utilities and services to the Premises (as a whole or in material part, and as opposed to lines and conduit servicing only particular buildings or a limited set of improvements), and to transmit through such mains, lines, conduits and other facilities power, technology, telecommunications, water, sanitary sewer, stormwater and other similar utilities and services. Any such connections shall be at the sole cost and expense of the Lessor, coordinated with the Lessee so as to minimize any disruption in services to the Premises, and shall only be permitted to be made if, in the reasonable opinion of engineers selected by the Lessor, the lines and conduit all are of adequate size to accommodate the incremental flow or transmission capacity resulting from the intended use (if such lines are not of adequate size, the Lessor shall have the right to increase the size at its sole cost and expense). The rights reserved by the Lessor in this Section are herein called the "**Infrastructure Rights**." The Lessor expressly agrees that use of the Infrastructure Rights shall be reasonable and the Lessor shall take any action in exercise of such rights that

would interfere with the development or operation of the Premises or the improvements to be constructed thereon pursuant to this Ground Lease.

(c) Construction. The Lessor reserves the right of access for the purpose of constructing, installing, maintaining, and/or expanding any roads, parking, curbing and utility and other infrastructure on, around and within the Property, provided that Lessor shall take any action in the exercise of such rights that would interfere with the development, operation or maintenance of the Premises or the improvements to be constructed thereon by the Lessee pursuant to this Ground Lease.

(d) Naming Rights. The Lessor reserves the right, at any time and from time to time, to add names for any new Student Housing Facilities and to change the names of any existing Student Housing Facilities. The Lessor's reservation of rights herein shall be subject to an opinion of bond counsel that the exercising of such rights shall not have an adverse effect on the tax-exempt status of any Bond used to finance or refinance the respective Student Housing Facility to be named or renamed.

Section 18. Indemnification Agreement. (a) Only to the extent of the Lessee's rights to and ownership interest in the Student Housing Facilities or required insurance coverage, which shall be the sole source of compensation available to any Indemnitee, the Lessee hereby releases and agrees to indemnify and hold harmless the Lessor and all of its regents, officers, employees, directors, agents, and consultants (hereinafter collectively referred to as the "**Indemnitees**") of and from any and all claims, demands, liabilities, losses, costs, or expenses for any loss including but not limited to bodily injury (including death), personal injury, property damage, expenses, and reasonable attorneys' fees, caused by, growing out of, or otherwise happening in connection with this Ground Lease, due to any negligent act or omission on the part of the Lessee, its agents, employees, or others working at the direction of the Lessee or on its behalf, or due to the application or violation of any pertinent federal, state, or local law, rule, or regulation but shall not include any liability for any criminal, tortious, or intentional acts of the Indemnitees. This indemnification extends to the successors and assigns of the Lessee, and this indemnification survives the expiration or termination of the Ground Lease and the dissolution or, to the extent allowed by law, the bankruptcy of the Lessee. This indemnification does not extend beyond the scope of this Ground Lease and any construction documents related to the Project and the work undertaken thereunder, and does not extend to claims exclusively between the undersigned parties arising from the terms or regarding the interpretation of this Ground Lease.

(b) Upon the transfer of all of Lessee's interest in the Student Housing Facilities, whether by termination of this Ground Lease or as otherwise allowed under the terms hereof or consented to by Lessor (other than a termination resulting from an Event of Default), the Lessor shall, to the full extent allowed by the laws of the Commonwealth, be obligated to (a) indemnify and hold harmless Lessee from and against any and all costs, liability, damage or expense, including, without limitation, reasonable attorneys' fees and disbursements, arising with respect to Lessee's ownership, construction, financing or management of the Student Housing Facilities incurred prior to or subsequent to the transfer of the Student Housing Facilities, which obligation shall specifically include, without limitation, the obligation to reimburse Lessee for any state or local taxes assessed against Lessee as a result of such transfer, but shall not include any cost or expenses solely related to Lessee's corporate overhead or operation or as a result of the willful misconduct of the Lessee, its agents or employees. This indemnification extends to the successors and assigns of the Lessor, and this indemnification survives the expiration or termination of the Ground Lease and the dissolution or, to the extent allowed by law, the bankruptcy of the Lessor. This indemnification does not extend beyond the scope of this Ground Lease and any construction documents related to the Project and the work undertaken thereunder, and does not extend to claims exclusively between the undersigned parties arising from the terms or regarding the interpretation of this Ground Lease.

Section 19. Parking. The Lessor shall maintain throughout the term of this Ground Lease parking for residents of the Student Housing System in a manner consistent with parking provided to other students and in reasonable proximity to the Student Housing Facilities. Parking shall at all times be made available and be maintained in accordance with the Lessor's standards and practice for provision of parking for similar facilities throughout its campus and shall include accessible spaces in accordance with applicable law.

Section 20. Insurance. (a) General. It is the intent of the parties that all risk of loss for the Student Housing Facilities be shifted to insurance to the maximum extent practicable. Accordingly, unless the Lessor otherwise agrees, the Lessee shall maintain, or cause to be maintained, insurance covering the risks enumerated below to the extent that such insurance is available on commercially reasonable terms. Such insurance shall be written on an occurrence basis unless the Lessor otherwise consents in writing, which consent shall not be unreasonably withheld or delayed, except for the Fidelity/Employee Dishonesty coverage required under subsection 20(d) and Errors and Omissions coverage required under subsection 20(g) which may be written on a claims made basis. The policies shall provide that such insurance shall be primary coverage without reduction or right of offset or contribution on account of any insurance provided by the Lessor, the Issuer, and the Trustee, to themselves or their officers, officials, or employees, that such insurance shall not be cancelled without thirty (30) days' written notice, or ten (10) days' written notice for non-payment of premium to the Lessee and Lessor. Should any insurance company not provide notice to the Lessor, then the Lessee shall promptly forward any notice of cancellation received from an insurance carrier to the Lessor. Except for the insurance required under subsections 20(b), 20(d) and 20(g) hereof, such insurance shall name the Lessor, the Trustee and the Issuer as additional insureds and include a waiver of subrogation rights endorsement or language in favor of the additional insureds. The waiver of subrogation rights endorsement or language in favor of the additional insureds shall also apply under the workers' compensation /employers liability policy. The insurance policies purchased by or caused to be maintained by the Lessee must be issued by a company authorized to conduct business in the Commonwealth, including non-admitted insurance companies, or by a company acceptable to the Lessor and that has a rating of "A-VIII" or better by the latest *Best Insurance Report*. Notwithstanding anything else herein contained, the rights of the Lessor to any insurance policies covering the Premises or the Student Housing Facilities (or any portion thereof) and any and all proceeds paid or payable thereunder shall be in all respects junior and subordinate to the rights of the Lessee, the Trustee under the Bond Documents and any other permitted Leasehold Mortgage.

(b) Workers' Compensation, Employer's Liability. Flood and earthquake limits may be sub-limited at a minimum of \$5,000,000 each; and

- (iii) At all times, business interruption and extra expense insurance (also referred to as "loss of rental income insurance") covering loss of revenues, the value of related soft costs or other income by the Lessee by reason of total or partial suspension of, or interruption in, the operation of the Student Housing Facilities caused by covered damage or destruction of the Student Housing Facilities in an amount sufficient to meet debt service payments on the Series 2026 Bonds and budgeted operating expenses for eighteen (18) months, minus those operating expenses avoided as a result of, and during the period of interruption, subject to the reasonable discretion of the Lessor.

Should the Property/Business Income Interruption policy required herein not provide coverage for the Series 2026 Improvements, the Lessee shall obtain or cause to be maintained, with the Lessee and Lessor as insureds, a stand-alone all risk builder's risk insurance policy covering the replacement cost of the Series 2026 Improvements and delay in completion/loss of rental income covering at least eighteen months of lost rental revenue.

Coverage may be specific for the Student Housing Facilities or covered under umbrella or pooled policies. The policy or policies must be on an "occurrence" basis unless waived by the Lessor.

(f) Automobile. At all times during the term of this Ground Lease, the Lessee shall maintain or cause to be maintained business automobile insurance (with deductible provisions per occurrence which are reasonable and customary in the current insurance market) with liability limits of not less than One Million Dollars (\$1,000,000.00) combined single limit covering liability arising out of the use of any of the Lessee's vehicles used in conjunction with the Student Housing Facilities, whether owned, non-owned or hired.

The Lessee shall cause the Developer to cause any architects or engineers (as more specifically provided in Section 11(o)) in connection with the design and construction of Series 2026 Improvements or Additional Housing Facilities to maintain Professional Errors and Omissions Insurance in the amount of \$5,000,000 per claim and annual aggregate for not less than a period of five (5) years after final completion of Series 2026 Improvements or Additional Housing Facilities, as

the case may be. Coverages may be specific for Series 2026 Improvements or Additional Housing Facilities or aggregated with insurance for other undertakings of the insureds. If the policies are canceled or non-renewed an extended reporting period endorsement or tail coverage shall be purchased for the required five (5) years.

(h) *Umbrella/Excess Liability*. The Lessee shall obtain and maintain or cause to be obtained and maintained, with the Lessor as an additional insured, umbrella or excess liability coverage in the minimum amount of Twenty-Five Million Dollars (\$25,000,000) in the aggregate, which shall include all insured coverages required by subsections (b – employer’s liability), (e), and (f) of this Section.

(i) *Loss Payable Clauses*. The contracts of insurance set forth in Section 20(c) shall contain a standard loss payable endorsement, including the Trustee, as mortgagee, any Leasehold Mortgagee, the Lessor, and the Issuer as loss payees, as their respective interests may appear. The insurance policy shall specifically provide that no act or omission by the named insureds shall in any way prejudice the rights of these loss payees.

(j) *Delivery of Insurance Certificates*. Upon the commencement of this Ground Lease and at each policy renewal date, the Lessee shall furnish to the Lessor, at the address set forth for each in Section 32 hereof, an insurance certificate or renewal certificate evidencing all insurance required to be carried by, or maintained on behalf of, the Lessee in accordance with the Ground Lease, listing the Lessor as the certificate holder. The insurance certificate must document that the liability insurance coverage purchased by the Lessee includes contractual liability coverage to cover all insurable obligations in this Ground Lease.

(k) *Evidence of Payment of Premiums*. The Lessee shall furnish to the Lessor upon request duplicate receipts or satisfactory evidence of the payment of all premiums on any and all insurance required to be carried by, or maintained on behalf of, the Lessee, in accordance with this Ground Lease.

(l) *Changes in Coverage*. The Lessee shall keep and maintain such other liability insurance and property damage insurance on the Premises or any replacements or substitutions therefor in such amounts as may from time to time be reasonably required by the Lessee or the Lessor and covering such other insurable hazards that at the time are commonly insured against in the case of premises similarly situated, due regard being given to the height and type of the Improvements, its construction, location, use, and occupancy. Without limiting the generality of the foregoing, the Lessee and the Lessor respectively recognize that insurance practices, procedures, policy forms, and available coverages and insurance premiums applicable thereto change from time to time and that it is the intention of the Lessor and the Lessee that the Lessor be permitted to revise and update from time to time during the term of this Ground Lease the specifications with regard to the insurance to be obtained and maintained by the Lessee so that both the Lessee and the Lessor are afforded coverage that is then commonly provided in similar circumstances on commercially reasonable terms. The Lessor acknowledges the Lessee’s obligation under the Loan Agreement to have the insurance coverage required for the Student Housing Facilities to be periodically reviewed by an Insurance Consultant (as defined in the Indenture). The Lessee agrees to provide the Lessor with a copy of any report of the Insurance Consultant and to discuss any proposed changes recommended by the Insurance Consultant.

Section 21. Damage and Destruction. (a) *Repair of Damaged Improvements*. Should any building or other structures or improvements constructed and located by the Lessee on or within the Premises be damaged or destroyed by fire or any other casualty whatsoever during the term of this Ground Lease, the Lessee, except as hereafter provided in this subsection (a), shall, within ninety (90) days from the date of such damage or destruction, commence the work of repair, reconstruction, restoration, or replacement and shall prosecute the same with all reasonable dispatch, such that the buildings, other structures or improvements shall be repaired, reconstructed, or restored as nearly as practicable to the same

condition as prior to such damage or destruction. Anything in this Ground Lease to the contrary notwithstanding, the period of time within which the Lessee is hereinabove obligated to complete the repair, reconstruction, restoration, or replacement of any buildings or other structures or improvements so damaged or destroyed shall be extended for the period of any delay in said completion not within the reasonable control of the Lessee. The Lessor and the Lessee specifically agree that, except as otherwise provided in this Ground Lease, damage to or destruction of any building or other structures or improvements on or within the Property at any time during the term of this Ground Lease, by fire or any other casualty whatsoever, shall not work a termination of this Ground Lease or authorize the Lessee or those claiming by, through or under the Lessee to quit or surrender possession of the Premises or any part thereof, and shall not release the Lessee in any way from its liability to pay the Lessor the Rent herein provided for, or from any of the provisions of this Ground Lease. However, if any building or other structures or improvements constructed and located by the Lessee on or within the Property shall be damaged or destroyed at any time after payment in full of any debt secured by the Lessee's interest under this Ground Lease, the Lessee shall be relieved of any obligation to repair, reconstruct, restore, or replace the said damaged or destroyed buildings, other structures or improvements upon payment by the Lessee to the Lessor, in a single total payment, of the net proceeds received by the Lessee from the insurance company or companies insuring the same. The Lessee shall also be relieved of any such obligation in the event a Leasehold Mortgagee shall elect to apply insurance proceeds to the reduction of the Lessee's outstanding indebtedness as permitted pursuant to subsection (c) of this Section. The release of the Lessee from the Lessee's obligation to repair, reconstruct, restore, or replace the said damaged or destroyed building or other structures or improvements shall be conditioned, in addition to the payment by the Lessee of the sums herein enumerated, upon delivery by the Lessee to the Lessor of an instrument releasing, demising, conveying, and transferring to the Lessor all of the Lessee's rights, title, and interest in and to the Premises. Notwithstanding the above, the parties recognize that the Bond Documents contain provisions governing the actions of the Lessee upon damage or destruction of all or part of the Premises and agree that so long as the Bond Documents are in effect, (i) the compliance by the Lessee with the provisions thereof regarding damage or destruction shall constitute compliance by the Lessee hereunder, and (ii) this Section shall be interpreted in a manner consistent with the provisions of the Bond Documents.

(b) Damages for Failure to Comply with Repair Obligation. If the repair, reconstruction, restoration, or replacement of damaged or destroyed buildings, other structures or improvements is not substantially completed in accordance with subsection (a) hereof (if such completion date is prior to the end of the term of this Ground Lease and if the Lessee is under the affirmative requirement of such subsection (a) to commence the repair, reconstruction, restoration, or replacement), the Lessor may terminate this Ground Lease upon ninety (90) days' written notice thereof to the Lessee, with a right of the Lessee to cure within such 90-day period and, in such event, but subject to the requirements of the Bond Documents, the Lessor shall receive the proceeds of all insurance obtained in accordance with Section 20 of this Ground Lease to the extent such proceeds have not been expended on or committed to such repairs.

(c) Use of Proceeds of Insurance. The proceeds of all insurance obtained in accordance with Section 20 hereof shall be used in accordance with the provisions of the Bond Documents.

(d) Termination Prior to Completion of Repair. In the event of the termination of this Ground Lease before the expenditure of the full amount of such insurance proceeds in the repair, reconstruction, restoration, or replacement of such damaged or destroyed buildings, other structures or improvements, any unexpended balance thereof, including any interest previously earned by such balance, shall inure to and become the sole property of the Lessor.

(e) Subordination to Bond Documents. Notwithstanding anything else herein contained, the provisions of the Bond Documents shall control in all respects the receipt, handling, and application of any and all insurance proceeds, it being acknowledged and agreed that the Issuer, the Trustee and any other

permitted Leasehold Mortgagee, as their respective interests may appear, shall have a first and prior security interest therein.

Section 22. Condemnation. (a) *General.* The term "**condemnation**" as used in this Ground Lease means the taking or appropriation of property, or any interest therein, in exercise of the power or right of eminent domain or such taking for public or quasi-public use or any state of facts relating to the taking or appropriation of property that, without an actual taking or appropriation, shall result in direct or consequential damages to the Property or the leasehold interest herein. Such term shall also be deemed to include to the extent not otherwise defined in this paragraph, a temporary taking of the Property or any part thereof or the improvements thereon for a period of one year or more, and the taking of the leasehold interest created herein.

(b) *Total Condemnation.* If all of the Property (or such substantial portion thereof as shall, in the Lessor's sole discretion, make it economically unfeasible to continue to operate the remaining portion for the purpose herein) is so condemned, this Ground Lease shall terminate on the date title to the Property vests in the condemnor; provided, however, that such termination shall be without prejudice to the rights of the Lessor to recover just and adequate compensation from any such condemnor. If this Ground Lease is terminated as provided in this subsection, the Lessee shall pay the Rent for the year in which the Property is taken, up to the date of such termination. The Rent shall be payable within sixty (60) days after the date the Ground Lease is terminated.

(c) *Division of Award - Total Condemnation.* Subject to the controlling provisions of the Bond Documents, if the property is totally condemned as provided in subsection (b) above, the condemnation proceeds shall be paid as follows:

(i) the Lessee first shall be entitled to receive such portion of the condemnation proceeds as shall equal the principal balance and accrued interest on and all other sums owing under the Leasehold Mortgage that shall be directly paid to such Leasehold Mortgagee.

(ii) the Lessor shall then be entitled to receive the balance of the condemnation proceeds.

(d) *Partial Condemnation.* In the event of a taking of less than a total taking as provided in subsection (b) above, this Ground Lease shall terminate as to the condemned portion of the Property on the date title to the condemned portion of the Property vests in the condemnor; provided, however, that such termination shall be without prejudice to the rights of the Lessor to recover just and adequate compensation from any such condemnor. The provisions of this Ground Lease shall remain in full force and effect as to the portion of the Property not condemned.

(e) *Division of Award - Partial Condemnation.* Subject to the controlling provisions of the Bond Documents, if the property is partially condemned as provided in subsection (d) above, the condemnation proceeds shall be paid as follows:

(i) the Lessee first shall be entitled to receive such portion of the condemnation proceeds as shall equal Leasehold Mortgagee's equitable portion of the principal balance and accrued interest on and all other sums owing under the Leasehold Mortgage. Such amount shall be directly paid to such Leasehold Mortgagee.

(ii) the Lessor shall then be entitled to receive the balance of the condemnation proceeds.

Section 23. Estoppel Certificates. (a) The Lessor and the Lessee will execute, acknowledge and deliver to the other promptly upon request, a certificate certifying as to the following:

(i) Validity of Lease: that this Ground Lease is unmodified and in full force and effect (or, if there have been modifications, that this Ground Lease is in full force and effect, as modified, and stating the modifications);

(ii) Payment of Rent: the dates through which the Rent under this Ground Lease has been paid;

(iii) Amount of Rent Due: the amount of the Rent then payable; and

(iv) Defaults by the Lessee: that no notice has been given by the Lessor to the Lessee of any failure to comply under this Ground Lease that has not been cured and to the best of its knowledge and belief no Event of Default exists (or, if there has been any notice given or an Event of Default exists, describing the same).

(b) Certificates from the Lessor and the Lessee pertaining to the same matters may be relied upon by any prospective Leasehold Mortgagee or by any prospective assignee of an interest under this Ground Lease or by any prospective sublessee as to all or any portion of the Property.

Section 24. Access to Premises. The Lessor and their authorized representatives, agents, employees, and attorneys may, but shall be under no duty to, enter the Premises at reasonable times and hours, subject to the rights of tenants in possession, if any, to inspect the Property in order to determine whether the Lessee is complying with its undertakings, duties, and obligations under this Ground Lease. The Lessor may make such necessary repairs, additions, improvements, changes, or alterations to the Premises as the Lessor may elect to make in accordance with the terms and provisions of this Ground Lease (the Lessor agreeing to provide five (5) days' written notice of its intent to make such necessary repairs, additions, improvements, changes, or alterations to the Premises, except in the case of an emergency where no such prior notice shall be required), and to exhibit the same to prospective purchasers, operators, mortgagees, or tenants of the Premises. Such entry, inspection and repairs, additions, improvements, changes, or alterations as the Lessor may make of the Premises shall not constitute an eviction of the Lessee in whole or in part, and the Rent shall in no way abate by reason of loss or interruption of the business of the Lessee or otherwise while such work is being done. The Lessor agrees to employ its reasonable efforts to minimize any interruption to the business operations of the Lessee resulting from the Lessor's (or its designated representatives') work in or on the Premises. Nothing herein contained, however, shall be deemed or construed to impose upon the Lessor any obligation or liability whatsoever for care, supervision, repair, improvement, additions, improvement, change, or alteration to the Premises other than as herein expressly provided.

Section 25. Property Subject to Zoning. The Lessee takes the Property subject to all zoning regulations and ordinances now or hereafter in force including, but not limited to, those as to building line and setback.

Section 26. Events of Default and Remedies. (a) Events of Default Defined. The following shall be "**Events of Default**" under this Ground Lease, and the terms "**Event of Default**" or "**Default**" shall mean, whenever they are used herein, any one or more of the following events:

(i) The Lessee shall fail to pay the Rent at the times specified herein.

(ii) The Lessee shall fail to perform or cause to be performed any other term, covenant, condition, or provision hereof, other than as referred to in (i) above, and to correct such failure within thirty (30) days after written notice specifying such is given to the Lessee and the Trustee

by the Lessor. In the case of any such failure that cannot with due diligence be corrected within such thirty (30) day period but can be wholly corrected within a period of time not materially detrimental to the rights of the Lessor, it shall not constitute an Event of Default if corrective action is instituted by the Lessee within the applicable period and diligently pursued until the failure shall be corrected.

(iii) The Lessee shall be adjudicated a bankrupt.

(iv) A permanent receiver shall be appointed for the Lessee's interest in the Premises and such receiver shall not be removed within ninety (90) days after notice from the Lessor to the Lessee to obtain such removal.

(v) The Lessee shall voluntarily take advantage of any debtor relief proceedings under any present or future law whereby any amount payable to the Lessor hereunder shall be reduced or payment thereof deferred or shall become subject to any such involuntary proceedings and said involuntary proceedings shall not be dismissed within ninety (90) days after notice from the Lessor to the Lessee to obtain such dismissal.

(vi) The Lessee shall make a general assignment for the benefit of creditors.

(vii) The Premises or the Lessee's effects or interests therein shall be levied upon or attached under process against the Lessee, and the same shall not be satisfied or dissolved within ninety (90) days after notice from the Lessor to the Lessee and the Trustee to obtain satisfaction or dissolution thereof.

(viii) The Lessee shall default under the terms of the Development Agreement and such default continues after any applicable grace or cure period.

(b) Remedies. Subject to the provisions of Sections 30(c), (d), (e) and (f) and 37(i) hereof and the payment or defeasance of the Series 2026 Bonds or any Additional Bonds, upon the occurrence of an Event of Default, the Lessor may pursue one of the following remedies in addition to any other right or remedy available at law or in equity:

(i) Terminate this Ground Lease immediately upon written notice thereof to the Lessee and the Trustee, and thereafter, without legal process, enter upon and take possession and control of the Premises to the complete exclusion of the Lessee. The Lessor may also demand, collect, and retain all rents due from tenants occupying the Premises, and the Lessor may otherwise treat and occupy the Premises as if this Ground Lease had expired of its own limitation. The failure of the Lessor to exercise such rights after one or more Events of Default shall not be a waiver of the rights of the Lessor upon the occurrence of any subsequent Event of Default; or

(ii) As the Lessee's legal representative, without terminating this Ground Lease, re-let the Premises upon obtaining the written consent of any Leasehold Mortgagee. Such re-letting may be accomplished without advertisement and by private negotiations for such term or terms and at such rental or rentals as the Lessor in its sole discretion may deem proper and advisable, with the right to make alterations and repairs to the Premises. Upon each such reletting:

(A) the Lessee shall be immediately liable to pay to the Lessor, in addition to any sums due hereunder, the reasonable cost and expenses of such reletting and of such alterations and repairs incurred by the Lessor; and

(B) subject to applicable law, rents received by the Lessor from such reletting shall be applied: First, to the payment of any costs and expenses of such re-letting and of such alteration and repair; Second, to the payment of Rent due and unpaid under this Ground Lease; and Third, the residue, if any, shall be held by the Lessor, in escrow, and (1) applied to the payment of the Rent as the same shall become due under this Ground Lease and (2) if any balance shall then remain, paid to the Lessee at the termination of this Ground Lease. The Lessor shall in no event be liable to the Lessee for any interest on the said residue.

Notwithstanding anything herein to the contrary, but subject to Section 30 hereof, as long as the Bonds are outstanding and any amounts are owed by the Lessee under the Bond Documents, the Lessor shall not have the right, power or authority to terminate this Ground Lease if the Lessee has made all required payments of Rent and is operating and maintaining the Premises in the manner required by Section 15 hereof.

(c) Lessor Events of Default. If the Lessor shall fail to perform or cause to be performed any term, covenant, condition, or provision imposed upon it hereunder, and to correct such failure within thirty (30) days after written notice specifying such is given to the Lessor by the Lessee, such failure shall be a "Lessor Event of Default"; provided, that in the case of any such failure that cannot with due diligence be corrected within such thirty (30) day period but can be wholly corrected within a period of time not materially detrimental to the rights of the Lessee, it shall not constitute a Lessor Event of Default if corrective action is instituted by the Lessor within the applicable period and diligently pursued until the failure shall be corrected. Upon occurrence and during the continuation of any Lessor Event of Default the Lessee and any Leasehold Mortgagee shall have the right to, in addition to any other right or remedy available at law or in equity:

- (i) perform, on behalf and at the expense of the Lessor, any obligation of the Lessor under this Ground Lease that the Lessor has failed to perform, the cost of which shall be deducted from Rent owed hereunder;
- (ii) cure such Lessor Event of Default in any other manner; and
- (iii) pursue any combination of such remedies and/or any other right or remedy available to the Lessee in respect to the Lessor on account of such Lessor Event of Default under this Ground Lease or at law or in equity, other than termination of this Ground Lease.

Section 27. Release and Addition of Property. (a) Subject to the requirements of the Bond Documents, and at the sole expense of the Lessor, the parties agree that, from time to time, parcels of real property, improved or unimproved, may be released from the demise of this Ground Lease, and thereafter shall no longer constitute part of the Property, under the following conditions:

- (1) an instrument releasing the parcel of real property from the demise of the this Ground Lease (the "Release") shall be executed by the Lessor and the Lessee;
- (2) the Release or a memorandum thereof shall be recorded in the office of the Warren County Clerk;
- (3) an instrument releasing the parcel of real property from the encumbrance of the Leasehold Mortgage shall be executed, delivered and recorded in the office of the Warren County Clerk;

(4) the Lessee shall have received an opinion of counsel, satisfactory in form and content to the Lessee and its counsel, stating that the execution and delivery of the Release shall not have an adverse effect on the tax-exemption of the Tax-Exempt Bonds (as defined in the Indenture).

(5) a resolution of the Board of Regents of the Lessor, authorizing the execution and delivery of the Release; and

(6) a resolution of the Lessee, authorizing the execution and delivery of the Release.

(b) Subject to the requirements of the Bond Documents, at the sole expense of the Lessor, the parties agree that, from time to time, parcels of real property, improved or unimproved, may be added to the Property subject to the demise of this Ground Lease and used for the purposes permitted hereby under the following conditions:

(1) for the parcels of real property more particularly described on Exhibit "D":

(i) an instrument subjecting the parcel of real property to the demise of the this Ground Lease (the "Demising Instrument") shall be executed by the Lessor and the Lessee;

(ii) the Demising Instrument or a memorandum thereof shall be recorded in the office of the Warren County Clerk;

(iii) the Leasehold Mortgage shall be amended to encumber the parcel of real property subject to the Demising Instrument, and said amendment shall be recorded in the office of the Warren County Clerk;

(iv) the Lessee shall have received an opinion of bond counsel, satisfactory in form and content to the Lessee and its counsel, stating that (2) the execution and delivery of the Demising Instrument and the use of the property subject to the Demising Instruments (AA) is permitted by the Act, as that term is defined under the Bond Indenture, and (BB) shall not have an adverse effect on the tax-exemption of the Tax-Exempt Bonds (as defined under the Indenture);

(v) the Lessee shall have received an endorsement to the existing title policy issued with regard to the Property, satisfactory to the Lessee, adding the subject parcel to the existing title policy as of the dated date of the Demising Instrument;

(vi) the Lessee shall have received a current appraisal covering the parcel subject to the Demising Instrument and any improvements thereon in form and content satisfactory to the Lessee;

(vii) the Lessee shall have received an ALTA as-built survey for the parcel subject to the Demising Instrument and any improvements constructed thereon;

(viii) the Lessee shall have received a geotechnical analysis report relating to the parcel subject to the Demising Instrument and the construction of any improvements thereon in form and content satisfactory to the Lessee;

(ix) the Lessee shall have received a Phase I Environmental Assessment relating to the parcel subject to the Demising Instrument in form and content satisfactory to the Lessee;

(x) the Lessee shall have received a certificate of an architect and/or engineer related to the construction of any improvements on the parcel subject to the Demising Instrument, certifying that such improvements were constructed in accordance with any Plans and Specifications therefor and all applicable codes and regulations;

(xi) the Lessee shall have received a property condition report relating to the parcel subject to the Demising Instrument and the construction of any improvements thereon in form and content satisfactory to the Lessee;

(xii) the Lessee shall have received copies of all permits, licenses, certificates, authorizations, certificates of occupancy and other governmental approvals relating to the parcel subject to the Demising Instrument and the construction of any improvements thereon and written evidence that the intended use of the parcel is in accordance with all applicable zoning, planning and building restrictions; and

(xiii) the Lessee shall have received evidence satisfactory to the Lessee that the parcel subject to the Demising Instrument and any improvements thereon has adequate access to all electric, gas, water, sewer, telephone, internet and other utilities necessary for the intended use thereof.

(2) for any parcel of real property not more particularly described on Exhibit "D":

(i) the conditions listed in Section 27(b)(1) above;

(ii) a resolution of the Board of Regents of the Lessor, authorizing the execution and delivery of the Demising Instrument; and

(iii) a resolution of the Lessee, authorizing the execution and delivery of the Demising Instrument.

Section 28. Expiration or Termination. (a) *Extinguishment of the Lessee's Rights.* Upon the termination or expiration of this Ground Lease from any cause, all rights and interests of the Lessee, and all persons whomsoever claiming by, through or under the Lessee (with the exception of the rights of Leasehold Mortgagees arising under Section 30 hereof), shall immediately cease and terminate, and the Premises, including all buildings, improvements, engines, machinery, dynamos, generators, boilers, furnaces, elevators, fire escapes, and all lifting, lighting, heating, cooling, refrigerating, air conditioning, ventilating, gas, electric and plumbing apparatus, appliances and fixtures, as well as other fixtures attached to or within the Premises, and all personal property located thereon, shall thence forward constitute and belong to and be the absolute property of the Lessor or the Lessor's successors and assigns, without further act or conveyance, and without liability to make such compensation to the Lessee or to anyone whomsoever, and free and discharged from all and every lien, encumbrance, claim and charge of any character created or attempted to be created by the Lessee at any time. The Lessee agrees, at the termination of this Ground Lease, to surrender unto the Lessor, all and singular the Premises with then existing buildings, other structures and improvements constructed and located thereon and therein, in the same condition as when the construction of such buildings, other structures, and improvements was completed, only natural and normal wear and tear excepted, unless the Lessee shall be relieved of the Lessee's obligation to repair,

reconstruct, restore or replace damaged or destroyed buildings, other structures or improvements pursuant to Section 21(a) hereof.

(b) Prepaid Items Assigned. Upon the expiration of the term of this Ground Lease, or upon the prior termination of this Ground Lease from any cause, all expense items prepaid by the Lessee with respect to constructing, operating, maintaining, and protecting the Premises, including, but not limited to, prepaid insurance premiums, any tax and utility deposits, shall inure to the benefit of and become the property of the Lessor and to this extent the Lessee does hereby transfer, assign and convey any such prepaid expense items to the Lessor.

(c) Amounts Remaining in Funds and Accounts. Upon the expiration of the term of this Ground Lease, or upon the prior termination of this Ground Lease from any cause, and subject to the interest of the Issuer, the Lessee, the Trustee, the Bond Insurer and/or any other Leasehold Mortgagee, any amounts remaining in any fund, account or reserve created in connection with the maintenance of the Property, or the management of the Student Housing Facilities, shall inure to the benefit of and become the property of the Lessor and to this extent the Lessee does hereby transfer, assign, and convey any such funds to the Lessor.

(d) Ownership and Operation by Lessor. If the Lessor acquires ownership of the Student Housing Facility pursuant to the terms of this Ground Lease or otherwise, the Lessor will continue to own and operate the Student Housing Facility so long as the Bonds are outstanding for a governmental purpose in a manner which would not cause the Bonds to become private activity bonds unless the Lessor provides an opinion of nationally recognized bond counsel addressed and reasonably acceptable to the Lessee, the Issuer and the Trustee to the effect that the change in use would not adversely affect any exclusion from gross income for federal income tax purposes of interest on any Bonds. Anything herein to the contrary notwithstanding, this Section 28(d) shall survive termination of this Ground Lease and continue in effect so long as any Bonds remain outstanding.

Section 29. Selection of Accountant. The Lessee shall have the right to select the Accountant for the Project that is necessary to prepare any audits or other reports required to be prepared by the Accountant under this Ground Lease, the Management Agreement or the Bond Documents.

Section 30. Mortgaging the Leasehold. The Lessee, and every successor and assign of the Lessee, shall have the right in addition to any other rights granted in this Ground Lease to encumber its interest in this Ground Lease or the Premises with the Lessor's consent, which consent shall not be unreasonably withheld, under any one or more Leasehold Mortgages. In accordance with the foregoing, the Lessor hereby consents to the Lessee's encumbrance of its interest in this Ground Lease and the Premises pursuant to the Trustee Mortgage and agrees that the provisions set forth in subsections (a) through (i) below shall automatically be deemed to apply with respect to the Trustee Mortgage. If, from time to time, the Lessee or the Lessee's successors and assigns shall encumber this Ground Lease or the Premises with a Leasehold Mortgage approved by the Lessor, and if the holder thereof delivers to the Lessor an executed counterpart of such Leasehold Mortgage, together with each assignment thereof certified by such holder to be true together with written notice specifying the name and address of such holder and the pertinent recording data with respect to such Leasehold Mortgage, the Lessor agrees that, anything in this Ground Lease to the contrary notwithstanding, from and after the date of receipt by the Lessor of such notice and for the term (duration) of such Leasehold Mortgage, the following provisions shall apply:

(a) Consent to Amendment. There shall be no cancellation, surrender or modification of this Ground Lease by the Lessor or the Lessee without the prior written consent of any Leasehold Mortgagee, except that no such consent shall be required for any amendment of this Ground Lease (i) in connection with the issuance of Additional Bonds pursuant to the terms of the Trust Indenture, (ii) so as to identify

more precisely the Property or to add additional land or interests in land or (iii) to provide for Additional Housing Facilities. Notwithstanding the foregoing (but, in any event, subject to a Leasehold Mortgagee's curative rights set forth in subsections (c) and (d) hereof), nothing herein shall be deemed to prohibit the Lessor from terminating this Ground Lease in accordance with its terms or exercising its option to purchase as provided for in this Ground Lease. Except for a refinancing pursuant to this Section 30, there shall be no material modification to the Leasehold Mortgage or related documentation without the Lessor's prior written consent.

(b) Notices to Leasehold Mortgagees. The Lessor, upon serving the Lessee with any notice of an Event of Default, failure to comply, or termination, shall simultaneously serve a copy of such notice on any Leasehold Mortgagee. If the Lessor shall serve the Lessee with a notice of a failure to comply with any term, covenant, condition, or provision hereof, the Leasehold Mortgagee shall then have ten (10) days following expiration of the cure period after service of the notice on it as is given to the Lessee hereunder to remedy or cause to be remedied such failure, and the Lessor shall accept performances by or at the instigation of any Leasehold Mortgagee as if it had been done by the Lessee. Any notice required to be given to any Leasehold Mortgagee shall be posted in the United States mail, postage prepaid, certified, return receipt requested and addressed to the Leasehold Mortgagee at the address and to the attention of the person designated to the Lessor by such Leasehold Mortgagee to receive copies of such notices and shall be deemed to have been served as of the date the said notice is received or refused by such Leasehold Mortgagee.

(c) Curative Rights of Leasehold Mortgagees. In addition to the rights granted to any Leasehold Mortgagee under subsection (b) of this Section and in the case of any such failure that cannot with due diligence be corrected within such period but can be wholly corrected within a period of time not materially detrimental to the rights of the Lessor and in no event more than an additional period of one hundred twenty (120) days, it shall not constitute an Event of Default if corrective action is instituted by a Leasehold Mortgagee on behalf of the Lessee within the applicable period and diligently pursued until the failure shall be corrected.

(d) Limitation Upon Termination Rights of the Lessor. If the Lessor shall elect to terminate this Ground Lease upon the occurrence of an Event of Default, the Leasehold Mortgagee shall also have the right to postpone and extend the date of termination as fixed by the provisions of this Ground Lease for a period of not more than twelve (12) months from the expiration of the period specified in subsection (c) hereof, provided that the Leasehold Mortgagee shall pay the Rent and other charges required to be paid under this Ground Lease during such period and shall maintain the Student Housing Facilities in good condition, and provided further, that the Leasehold Mortgagee shall forthwith take steps necessary to acquire the Lessee's interest and estate in this Ground Lease by foreclosure of its Leasehold Mortgage, or otherwise, and shall prosecute such action to completion with due diligence. If at the end of the twelve (12) month period, the Leasehold Mortgagee shall be actively engaged in steps to acquire or sell the Lessee's interest in this Ground Lease, the time for the Leasehold Mortgagee to comply with the provisions of this subsection (d) shall be extended for such period as shall be reasonably necessary to complete these steps with reasonable diligence and continuity.

(e) Assignment. The Lessor agrees that in the event of any foreclosure under any Leasehold Mortgage, either by judicial proceedings or under power of sale contained therein all right, title and interest encumbered by such Leasehold Mortgage may, without the consent of the Lessor, be assigned to and vested in the purchaser at such foreclosure sale subject and subordinate, however, to the rights, title and interests of the Lessor; and, notwithstanding that the Lessor's consent to said assignment shall not have been obtained, any such assignee shall be vested by virtue of such assignment with any and all rights of the party whose estate was encumbered by such Leasehold Mortgage as though the Lessor had consented thereto.

(f) Mortgagee Leases. The Lessor agrees that in the event of a termination of this Ground Lease by reason of any Event of Default, and subject to the rights herein granted to Leasehold Mortgagees, the Leasehold Mortgagee shall have the option, but not the obligation, to enter into a Mortgagee Lease; provided:

(i) the Leasehold Mortgagee shall enter into a Mortgagee Lease within the twelve (12) month period specified in subsection (d) of this Section;

(ii) the Leasehold Mortgagee shall perform and observe all covenants contained in the Mortgagee Lease on the Lessee's part to be performed during such period of time commencing with the date of the execution of the Mortgagee Lease and terminating upon the abandonment or surrender of possession of the Premises under the Mortgagee Lease; and

(iii) the Leasehold Mortgagee, as lessee under the Mortgagee Lease shall have the same right, title and interest in and to the Premises and the right to use the buildings and improvements thereon as the Lessee had under this Ground Lease.

NOTWITHSTANDING ANYTHING ELSE CONTAINED HEREIN, IF AN EVENT OCCURS (OTHER THAN THE EXPIRATION OF THE TERM OF THIS GROUND LEASE) THAT GIVES THE LESSOR THE RIGHT TO TERMINATE THIS GROUND LEASE AND THE LEASEHOLD MORTGAGEE DOES NOT ELECT TO ENTER INTO A MORTGAGEE LEASE, THEN, AS A CONDITION TO THE LESSOR'S RIGHT TO TERMINATE THIS GROUND LEASE, THE LESSOR SHALL EITHER PAY TO THE LEASEHOLD MORTGAGEE THE OUTSTANDING AMOUNT PAYABLE BY THE LESSEE UNDER THE BOND DOCUMENTS WHICH SHALL IN ANY EVENT BE SUFFICIENT TO PAY OR LEGALLY DEFEASE THE BONDS IN FULL IN ACCORDANCE WITH THE PROVISIONS OF THE TRUST INDENTURE OR ASSUME IN WRITING THE LESSEE'S OBLIGATIONS UNDER THE BOND DOCUMENTS AND GRANT TO THE LEASEHOLD MORTGAGEE A PERFECTED, FIRST PRIORITY SECURITY INTEREST IN THE GENERAL REVENUES FOR THE PURPOSE OF SECURING SUCH OBLIGATIONS.

(g) Agreement Between the Lessor and Leasehold Mortgagee. The Lessor, upon request, shall execute, acknowledge, and deliver to each Leasehold Mortgagee an agreement, in form reasonably satisfactory to the Leasehold Mortgagee and the Lessor, by and among the Lessor, the Lessee, and the Leasehold Mortgagee (provided the same has been previously executed by the Lessee and Leasehold Mortgagee) agreeing to all of the provisions of this Section.

(h) Limitation on Liability of Leasehold Mortgagee. Notwithstanding any other provision of this Ground Lease, the Lessor agrees that any Leasehold Mortgagee permitted under this Ground Lease shall in no manner or respect whatsoever be (i) liable or responsible for any of the Lessee's obligations or covenants under this Ground Lease (nor shall any rights of such Leasehold Mortgagee be contingent on the satisfaction of such obligations or covenants), or (ii) required to cure any Event of Default; provided, however, that if such Leasehold Mortgagee becomes the owner of the leasehold estate created hereunder or becomes the lessee under a Mortgagee Lease, then such Leasehold Mortgagee shall be responsible and liable for all obligations and covenants accruing during such Leasehold Mortgagee's tenure as owner of such leasehold estate or as lessee under a Mortgagee Lease. Notwithstanding the foregoing, to the extent permitted by the laws of the Commonwealth, the liability of a Leasehold Mortgagee with respect to its obligations under this Ground Lease or any Mortgagee Lease shall be "non-recourse" and, accordingly, the Lessor's source of satisfaction of such obligations shall be limited to the Net Available Cash Flow, and the Lessor shall not seek to obtain payment through any judicial process or otherwise from any person or entity comprising such Leasehold Mortgagee or from any assets of such Leasehold Mortgagee other than the Net Available Cash Flow.

(i) Additional Rights of the Trustee. So long as the Bond Documents are in effect, then:

(i) any provision of this Ground Lease expressly recognizing or granting rights in or to the Leasehold Mortgagee may not be amended in any manner that affects the rights of the Leasehold Mortgagee without the prior written consent of the Leasehold Mortgagee;

(ii) the Leasehold Mortgagee's consent shall be required for the execution and delivery of any amendment, supplement or change to or modification of this Ground Lease or for any other action under this Ground Lease requiring the consent of any Leasehold Mortgagee;

(iii) to the extent that this Ground Lease confers upon or gives or grants to the Leasehold Mortgagee any right, remedy or claim under, or by reason of, this Ground Lease, the Leasehold Mortgagee, is hereby explicitly recognized as being a third-party beneficiary hereunder and may enforce any such right, remedy or claim conferred, given or granted hereunder;

(iv) nothing in this Ground Lease expressed or implied is intended or shall be construed to confer upon, or to give or grant to, any Person, other than the Lessor, the Lessee, the Leasehold Mortgagee, and the Trustee for the benefit of the registered owners of the Bonds, any right, remedy or claim under or by reason of this Ground Lease or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises, and agreements contained in this Ground Lease by and on behalf of the Lessor and the Lessee shall be for the sole and exclusive benefit of the Lessor, the Lessee, the Leasehold Mortgagee, and the Trustee for the benefit of the registered owners of the Bonds;

(v) whenever a Leasehold Mortgagee seeks to enforce any right or remedy of the Lessee under this Ground Lease, whether as a third party beneficiary or in any other capacity under this Ground Lease, the Leasehold Mortgagee shall be subrogated to the Lessee and shall have the rights and be subject to all the limitations accruing to the Lessee hereunder.

Section 31. Option to Purchase. The Lessee, for additional good and valuable consideration, the receipt and sufficiency of which is hereby confirmed, hereby grants to the Lessor an option to purchase as provided in this Section 31. Throughout the term of this Ground Lease, the Lessor shall have the right and option to purchase the Lessee's right, title, and interest in and to the Premises.

(a) Exercise Notice. The Lessor may exercise such option to purchase the Lessee's right, title and interest in and to the Premises by delivering written notice (the "**Exercise Notice**") of such exercise to the Lessee and any other Leasehold Mortgagee.

(b) Purchase Price. If the option to purchase is exercised, the purchase price of the Lessee's right, title, and interest in and to the Premises shall be the principal balance then outstanding of all sums secured by any Leasehold Mortgage then in effect, plus any premium payable on such indebtedness, plus all interest accrued or to accrue on such indebtedness through the date of payment of such indebtedness plus any other charges due and payable under the Bond Documents.

(c) Closing. The closing of the transfer of the Lessee's right, title and interest in and to the Premises (the "**Closing**") shall be held on or before the date that is ninety (90) days after the date of the Exercise Notice, on such date and at such time and place as the Lessor shall specify in a notice to the Lessee. At Closing, upon payment of the Purchase Price to the Trustee, title to the Student Housing Facilities shall be conveyed by a limited or special warranty deed in recordable form executed by the Lessee, and the

Lessee shall convey its interest in the Resident Leases by Assignment of Leases containing limited warranties of title.

(d) Title. Upon payment of the Purchase Price, the Student Housing Facilities shall be conveyed to the Lessor free and clear of all loans, and shall be subject only to the Resident Leases, to Permitted Encumbrances, and to all matters of record incurred in the ordinary operation of the Student Housing Facilities in accordance with this Ground Lease or previously approved in writing by the Lessor.

(e) Closing Costs. The Lessor shall pay all recording fees for satisfaction of the Lessee's loans, all transfer taxes in connection with the sale of the Student Housing Facilities, and all recording fees in connection with recording of the deed and assignment and all expenses incurred by the Lessee in connection with the closing of the purchase of the Student Housing Facilities. The purchase price shall be paid to the Leasehold Mortgagee on behalf of the Lessee in cash at Closing.

(f) Release by Lessor. Upon the transfer of all of the Lessee's interest in the Student Housing Facilities, whether by termination of this Ground Lease or as otherwise allowed under the terms hereof or consented to by the Lessor, the Lessor agrees that the Lessee shall, to the extent permitted by the laws of the Commonwealth, be released from all liability and obligations to the Lessor under this Ground Lease, or any other prior agreements between the Lessor and the Lessee, arising after the transfer.

Section 32. Notices. (a) Except as otherwise provided in this Ground Lease, all notices, certificates, demands, requests, or other communications hereunder shall be sufficiently given and shall be deemed given when mailed by certified mail, postage prepaid, return receipt requested, or given when dispatched by electronic or facsimile transmission, or by commercial overnight delivery service, or by personal delivery addressed as follows:

Provided, that any notice, certificate, demand, request, or other communication hereunder sent by electronic mail shall promptly be confirmed by communication through another permitted method.

(b) Either party hereto may, by notice given to the other party, designate any additional or different addresses to which subsequent notices, certificates, demands, requests, or other communications shall be sent.

(c) Notwithstanding anything contained herein to the contrary, any notice required to be given by the Lessor or the Lessee hereunder shall be deemed to have been given and shall be effective as of the date such notice is received or refused reflected on said notice. All notices, certificates, demands, requests, or other communications made by either party to the other that are required or permitted by the provisions of this Ground Lease shall be in writing.

Section 33. Submission of Matters to the Lessor for Approval. Any matter which must be submitted to and consented to or approved in writing by the Lessor or any matter which must be submitted to the Lessor which may become effective if not denied by the Lessor, as required under this Ground Lease, shall be submitted to the Lessor by hand or mailed by United States certified or registered mail return receipt requested, to the address of the Lessor designated for the giving of notice to the Lessor under Section 32 hereof and, except as otherwise provided herein, shall either be approved or rejected by the Lessor within thirty (30) days after receipt unless a shorter period of time is expressly stated elsewhere herein. Unless otherwise provided herein, if the Lessor should fail so to approve or reject within such thirty (30) day period as provided for herein, the Lessor's approval shall be assumed to have been unconditionally granted and the Lessee shall have the right to proceed on such matter so submitted. The Lessor shall inform the Lessee in writing of its rejection or approval of such submitted matter by facsimile or United States certified or registered mail, return receipt requested, to the address of the Lessee designated for the giving of notice to the Lessee in Section 32 hereof. Any review by the Lessor of any matter submitted to the Lessor is for the Lessor's own convenience and purpose only. By undertaking such review, the Lessor does not obtain or have any liability to the Lessee or any other person, including, without limitation, the insurers and lenders of the Lessee.

Section 34. Holding Over by the Lessee. The Lessee shall not use or remain in possession of the Premises after the termination of this Ground Lease. Any holding over, or continued use or occupancy by the Lessee after the termination of this Ground Lease, without the written consent of the Lessor, shall not constitute a tenant-at-will interest in behalf of the Lessee, but the Lessee shall become a tenant-at-sufferance and liable for Rent and all other expenses, obligations and payments in effect for the immediately preceding year of the term of this Ground Lease. There shall be no renewal whatsoever of this Ground Lease by operation of law.

Section 35. Environmental Matters. The Lessee covenants, represents, and warrants that the Lessee's use of the Premises shall not and will not involve the use, storage, generation, or disposal of Hazardous Materials (as defined in Section 10(c)) in violation of any Environmental Laws (as defined in Section 10(c)), and that the Lessee shall not cause or permit any Hazardous Materials to be brought, used, stored, generated, or disposed on or about the Premises by the Lessee, its agents, employees, contractors,

subcontractors, or invitees, unless such use shall be in compliance with all laws, including, without limitation, Environmental Laws and with all governmental authorities.

Section 36. Membership. (a) In recognition of the assistance to be provided by the Lessee and the Foundation to the Lessor to provide needed housing for the Lessor's students and to otherwise assist the Lessor in furthering its educational mission, Lessor acknowledges and agrees that upon the execution hereof, the Lessor shall be deemed to be a member of the Foundation and that it shall remain such a member until the termination of this Ground Lease.

(b) The Lessor warrants, represents and agrees that at all times during the term of this Ground Lease it shall be and remain an organization which is described in either Section 511(a)(2)(B) of Code, or Section 501(c)(3) and 170(b)(1)(A)(ii) of the Internal Revenue Code that is not a private foundation within Section 509 of the Internal Revenue Code.

(c) In consideration for entering into this Ground Lease, the Lessor agrees to pay or cause the Foundation to be paid the following amounts:

(i) an acquisition fee equal to \$250,000, which will be payable [out of the proceeds of the Series 2026B Bonds][as an Expense from the operating Account during the first year of operation]; and

(ii) a fee of \$10,000 per month for each month after Financial Close until the commencement of operation of the Series 2026 Improvements; and

(iii) an annual membership fee equal to one and one-half (1.5%) percent of the General Revenues for each Annual Period, not to exceed \$300,000, which payment shall be paid in monthly installments for each month after the issuance of the Series 2026 Bonds by the Manager, as an Expense from the Operating Account, based on the General Revenues actually received by the Trustee for each month during an Annual Period, in accordance with the terms of the Trust Indenture. Upon receipt by the Lessee and the Trustee of the annual audit report for such Annual Period provided to the Trustee in accordance with the provisions of the Loan Agreement, any portion of such annual fee which has not been paid to the Foundation based on such audit shall be paid to the Foundation out of the Surplus Fund before any distribution of the Net Available Cash Flow to the Lessor. In the event the Foundation received payments during an Annual Period exceeding the amount it was due based on such audit, Lessee shall promptly cause the Foundation to reimburse such excess amount to the Lessor.

(d) Notwithstanding anything herein or in the Foundation's bylaws to the contrary, the Lessor shall in no event be liable for the obligations of the Foundation or have any other obligations as a result of being a member of the Foundation other than those explicitly imposed by this Section.

Section 37. Miscellaneous. (a) No Waiver of Rights by the Lessor. No failure of the Lessor to exercise any power given the Lessor hereunder or to insist upon strict compliance by the Lessee with its undertakings, duties and obligations hereunder, and no custom or practice of the parties hereto at variance with the provisions hereof shall constitute a waiver of the Lessor's right to demand exact compliance with the provisions contained in this Ground Lease.

(b) Rights are Cumulative. All rights, powers, and privileges conferred herein upon both parties hereto shall be cumulative.

(c) Provisions are Binding Upon Assigns and are Real Covenants. It is mutually covenanted, understood and agreed by and between the parties hereto, that each of the provisions of this Ground Lease shall apply to, extend to, be binding upon and inure to the benefit or detriment of not only the parties hereto,

but also the legal representatives, successors and assigns of the Lessor and the Lessee hereto, and shall be deemed and treated as real covenants running with the Property during the term of this Ground Lease. The parties further acknowledge and agree that the Issuer, the Trustee and any other Leasehold Mortgagee and their respective successors and assigns shall be deemed third party beneficiaries hereunder. Whenever a reference to the parties hereto is made, such reference shall be deemed to include the legal representatives, successors and assigns of said party, the same as if in each case expressed.

(d) Applicable Law. This Ground Lease shall be governed, construed, performed and enforced in accordance with the laws of the Commonwealth, without regard to conflicts of laws principles.

(e) All Genders and Numbers Included. Whenever the singular or plural number, or masculine, feminine, or neuter gender is used in this Ground Lease, it shall equally apply to, extend to, and include the other.

(f) Invalidity of Provision or Part Thereof. In the event any provision, or any portion of any provision of this Ground Lease is held invalid, the other provisions of this Ground Lease and the remaining portion of said provision, shall not be affected thereby and shall continue in full force and effect.

(g) Time is of the Essence. All time limits stated in this Ground Lease are of the essence of this Ground Lease.

(h) Section Captions are to be Disregarded. The captions of the numbered sections of this Ground Lease are for purposes of identification and convenience only and are to be completely disregarded in construing this Ground Lease.

(i) Subordination. NOTWITHSTANDING ANYTHING ELSE CONTAINED HEREIN, THE LESSOR AGREES THAT THE FINANCING OF THE ACQUISITION, CONSTRUCTION, AND FURNISHING OF THE STUDENT HOUSING FACILITIES WILL DIRECTLY BENEFIT THE LESSOR'S OPERATIONS, AND THE LESSOR AGREES THAT ITS INTEREST IN AND TO THE RENTS, REVENUES, ISSUES, AND PROFITS RELATING TO THE OPERATION OF THE STUDENT HOUSING FACILITIES, INCLUDING, WITHOUT LIMITATION, ALL INSURANCE PROCEEDS, RESERVE FUNDS, AND GENERAL REVENUES, AS WELL AS ANY AND ALL RIGHTS TO ANY AND ALL CONTRACTS, AGREEMENTS, AND OTHER INSTRUMENTS IN CONNECTION WITH THE DESIGN, ACQUISITION, CONSTRUCTION, EQUIPPING, INSTALLATION, AND OPERATION OF THE PROJECT SHALL BE JUNIOR AND SUBORDINATE TO THE INTEREST OF THE ISSUER, THE LESSEE, THE TRUSTEE, THE BOND INSURER, AND/OR ANY OTHER LEASEHOLD MORTGAGEE AS GRANTED OR PROVIDED IN ANY OF THE BOND DOCUMENTS (COLLECTIVELY, THE "COLLATERAL"). NOTHING IN THIS SUBSECTION (i) SHALL PREVENT THE LESSOR FROM PURSUING ITS REMEDIES UNDER SECTION 26 UPON THE OCCURRENCE OF AN EVENT OF DEFAULT.

(j) Entire Agreement Contained Herein. The making, execution and delivery of this Ground Lease by the Lessee has not been induced by any representations, statements, covenants or warranties by the Lessor except for those contained in this Ground Lease. This Ground Lease constitutes the full, complete and entire agreement between and among the parties hereto; no agent, employee, officer, representative or attorney of the parties hereto has authority to make, or has made, any statement, agreement, representation or contemporaneous agreement, oral or written, in connection herewith modifying, adding to or changing the provisions of this Ground Lease. No amendment of this Ground Lease shall be binding unless such amendment shall be in writing, signed by both parties hereto and approved by any Leasehold Mortgagee (unless such approval is not required by the terms hereof), and attached to, incorporated in and by reference made a part of this Ground Lease.

(k) No Partnership or Agency. Nothing in this Ground Lease is intended, or shall in any way be construed, so as to create any form of partnership or agency relationship between the parties. The parties hereby expressly disclaim any intention of any kind to create any partnership or agency relationship between themselves. Nothing in this Ground Lease shall be construed to make either party liable for any of the indebtedness of the other, except as specifically provided herein.

(l) Limitation of Liability. Notwithstanding anything herein to the contrary, the liability of the Lessee hereunder (including, but not limited to its indemnity obligations) under this Ground Lease shall be "non-recourse" and, accordingly, the Lessor's sole source of satisfaction of such obligations shall be limited to the Lessee's interest in the Student Housing Facilities and the rents, issues and surplus related thereto, and the Lessor shall not seek to obtain payment from any person or entity comprising the Lessee, including, without limitation, its member, officers, directors, employees or agents, or from any assets of the Lessee other than those described herein, notwithstanding the survival of any obligation of the Lessee beyond the term hereof.

(m) Recordation of Memorandum of Lease. The Lessor and the Lessee agree that the parties shall execute, seal, acknowledge and deliver simultaneously with the execution of this Ground Lease, in recordable form, a memorandum of lease setting forth the basic terms hereof.

(n) Counterparts. This Ground Lease may be executed simultaneously in two or more counterparts, each of which shall be deemed original and all of which, when taken together, shall constitute one and the same document. The signature of any party to any counterpart shall be deemed a signature too, and may be appended to, any other counterpart.

(o) Preservation of Tax Exemption. The Lessor hereby represents that, as of the date hereof: (i) the Lessor is a governmental entity of the Commonwealth, (ii) the use of the Student Housing Facility in accordance with this Ground Lease does not adversely affect the status of the Lessor as a governmental entity of the Commonwealth, and (iii) the Lessor expects to maintain its status as such a governmental entity of the Commonwealth at all times while the Bonds are outstanding. The Lessor shall not knowingly take any action with respect to the Student Housing Facilities that would adversely affect the exemption of interest on any Bonds from gross income for federal income tax purposes.

(p) No Waiver of Sovereign Immunity. Nothing in this Ground Lease shall be construed to waive the sovereign immunity of the Commonwealth or any entity thereof, including the sovereign immunity of Lessor, as an agency of the Commonwealth.

(q) Conflicting Documents. This Ground Lease is subject to the provisions of the Loan Agreement and in the event of a conflict between this Ground Lease on the one hand, and the Loan Agreement on the other hand, where such inconsistency would materially prejudice the interests of the holders of the Bonds and to the extent consistent with applicable Commonwealth law, the Loan Agreement shall govern and control.

(r) No Merger. So long as any Leasehold Mortgage is in existence, unless all Leasehold Mortgagees shall have otherwise agreed in writing, the fee title to the Property and the leasehold created hereby shall not merge but shall remain separate and distinct, notwithstanding the acquisition of said fee title and said leasehold by the Lessor or the Lessee or by a third party, by purchase or otherwise.

(s) Audits. The Lessor may, at its option and at its own expense, and during customary business hours, conduct internal audits of the books, bank accounts, records and accounts of the Lessee. Audits may be made on either a continuous or a periodic basis or both, and may be conducted by employees of the Lessor or by independent auditors retained by the Lessor desiring to conduct such audit, but any and all such audits shall be conducted without materially or unreasonably or unnecessarily interrupting or interfering with the normal conduct of the Lessee's business affairs by the Lessor.

Section 38. **Bond Insurer.** So long as no Series 2026 Bond Insurer Default (as that term is defined in the Indenture) exists, the Bond Insurer shall be deemed a third-party beneficiary of this Ground Lease Agreement. Except as provided in Section 30(a) hereof, this Ground Lease Agreement may not be amended without the prior written consent of the Bond Insurer, except that no such consent shall be required where a Series 2026 Bond Insurer Default exists.

The principal of and premium, if any, and interest on the Bonds are payable solely out of the Security, including the revenues derived from the Notes delivered to the Issuer and endorsed to the Trustee. None of the Issuer, the Commonwealth, or any political subdivision thereof shall in any event be liable for the payment of the principal of or premium, if any, or interest on the Bonds or for the performance of any pledge, mortgage, obligation, or agreement of any kind whatsoever that may be undertaken by the Borrower. Neither the Bonds, the Notes, nor any of the agreements or obligations of the Issuer or the Borrower shall be construed to constitute an indebtedness of the Issuer, the Commonwealth, nor any political subdivision thereof within the meaning of any constitutional or statutory provisions whatsoever, or a pledge of the faith and credit of the Issuer, the Commonwealth, or any political subdivision thereof, nor do they constitute or give rise to a pecuniary liability on, or be a charge against, the general credit or taxing powers, if any, of the Issuer, the Commonwealth, nor any political subdivision thereof. No Person has any right to have the Issuer, the Commonwealth, or any political subdivision thereof levy any taxes or appropriate any funds for the payment of the principal of or premium, if any, or interest on the Bonds or the obligations of the Borrower under the Loan Agreement or the Notes.

Section 2.03. Authentication. Only such Bonds as shall have endorsed thereon a certificate of authentication substantially in the form set forth in Exhibit I attached hereto and duly executed by the Trustee shall be entitled to any right, security, or benefit under this Indenture. No Bond shall be valid or obligatory for any purpose unless and until such certificate of authentication shall have been duly executed by the Trustee, and such executed certificate upon any such Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Indenture and that the Owner thereof is entitled to the benefits of the trust hereby created. The Trustee's certificate of authentication on any Bond shall be deemed to have been duly executed by it if (a) it is signed by an authorized officer or signatory of the Trustee, but it shall not be necessary that the same officer or signatory sign the certificate of authentication on all of the Bonds or on all of the Bonds of any series issued hereunder, and (b) the date of registration and authentication of the Bond is inserted in the place provided therefor on the certificate of authentication.

Section 2.04. Form; Denomination; Medium of Payment. The Bonds shall be issuable only as fully registered Bonds without coupons in Authorized Denominations. The Bonds shall be substantially in the form set forth in Exhibit J attached hereto with such variations, insertions, or omissions as are appropriate and not inconsistent therewith and shall conform generally to the rules and regulations of any governmental authority or usage or requirement of law with respect thereto. Debt Service Payments on the Bonds shall be payable in any coin or currency of the United States of America that at the time of payment is legal tender for the payment of public and private debts.

Section 2.05. Mutilated, Lost, Stolen, or Destroyed Bonds.

(a) If any Bond is mutilated, lost, stolen, or destroyed, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond of like date, number, series, interest rate, maturity, and denomination as that mutilated, lost, stolen, or destroyed; provided that, in the case of any mutilated Bond, such mutilated Bond shall first be surrendered to the Trustee, and in the case of any lost, stolen, or destroyed Bond, there shall be first furnished to the Issuer and the Trustee evidence of such loss, theft, or destruction satisfactory to the Issuer and the Trustee, together with indemnity satisfactory to them. If any such Bond shall have matured, shall be about to mature, or shall have been called for redemption, instead of issuing a duplicate Bond, the Issuer may pay the same without surrender thereof, provided that the conditions of this Section shall have been satisfied. The Issuer and the Trustee may charge the Owner of such Bond with their reasonable fees and expenses in connection with actions taken under this Section and may require the Owner of such Bond to pay any shipping charge, insurance premium, tax, fee, or other governmental charge that may be imposed in relation thereto as conditions precedent to the issuance of any replacement Bond(s). The Issuer shall cooperate with the Trustee in connection with the issue of replacement Bonds, but nothing in this Section shall be construed to be in derogation of any rights that the Issuer or the Trustee may have to receive indemnification against liability or payment or reimbursement of expenses in connection with the issue of a replacement Bond.

(b) Every substituted Bond issued pursuant to this Section shall constitute an original, additional contractual obligation of the Issuer, whether or not the Bond alleged to have been mutilated, lost, stolen, or destroyed shall be at any time enforceable by anyone and shall be entitled to all the rights and benefits hereof equally and proportionately with any and all other Bonds Outstanding of the same series duly issued hereunder.

(c) All Bonds shall be held and owned upon the express condition that the foregoing provisions are, to the extent permitted by law, exclusive with respect to the replacement or payment of mutilated, lost, stolen, or destroyed Bonds and shall preclude any and all other rights or remedies.

Section 2.06. Cancellation and Destruction of Surrendered Bonds. Whenever any Outstanding Bond shall be delivered to the Trustee for cancellation pursuant to this Indenture upon payment of the principal amount or interest represented thereby, or for replacement pursuant to Section 2.05 hereof, or for transfer or exchange pursuant to Section 2.07 hereof, such Bond shall be promptly canceled and cremated or otherwise destroyed by the Trustee, and counterparts of a certificate of destruction evidencing such cremation or other destruction shall be furnished by the Trustee to the Issuer, if requested.

Section 2.07. Negotiability; Registration, Transfer, and Exchange.

(a) The Bonds shall be and shall have all the qualities and incidents of negotiable instruments under the laws of the Commonwealth, and the Bondholders, in accepting any of the Bonds, shall be conclusively deemed to have agreed that the Bonds shall be and have all of the qualities and incidents of negotiable instruments.

(b) The Issuer shall cause the Bond Register to be kept by the Trustee which is hereby appointed the Issuer's bond registrar and agent for the transfer and exchange of the Bonds and as such shall maintain the Bond Register. The Trustee, for and on behalf of the Issuer, shall keep the Bond Register in which shall be recorded any and all transfers of ownership of Bonds. No Bonds shall be registered to bearer. The Bond Register shall at all times comply with all requirements of Section 149(a) of the Code and all Regulations from time to time promulgated thereunder as may be applicable to the Bond Register. Any Bond may be transferred upon the Bond Register upon surrender thereof at the Office of the Trustee by the Owner in person or by his, her, or its attorney in fact or legal representative duly authorized in writing together with a written instrument of transfer in form and with guarantee of signature satisfactory to the Trustee duly executed by the Owner or his, her, or its attorney in fact or legal representative duly authorized in writing and upon payment by such Owner of a sum sufficient to cover any governmental tax, fee, or charge required to be paid as provided in this Indenture. Upon any such registration of transfer, the Issuer shall cause to be executed and the Trustee shall authenticate and deliver in the name of the transferee a new fully registered Bond or Bonds of like tenor, in Authorized Denominations and of the same series, maturity or maturities, and interest rate or rates and in the same aggregate principal amount, and the Trustee shall enter the transfer of ownership in the Bond Register. No transfer of any Bond shall be effective until entered on the Bond Register.

(c) Any Bonds, upon surrender thereof at the Office of the Trustee with a written instrument of transfer in form and with guarantee of signature satisfactory to the Trustee, duly executed by the Owner or his, her or its attorney in fact or legal representative duly authorized in writing, may be exchanged, at the option of the Owner thereof, and upon payment by such Owner of a sum sufficient to cover any shipping charge, insurance premium, governmental tax, fee, or charge required to be paid as provided in this Indenture, when not prohibited by law, for an equal aggregate principal amount of Bonds of the same series, interest rate, and maturity or maturities and in any other Authorized Denominations and registered in the name of the same Owner. When Bonds are presented for exchange in accordance with this Section, the Issuer shall cause to be executed and the Trustee shall authenticate and deliver Bonds that the Owner making the exchange is entitled to receive, bearing numbers not then outstanding, and the Trustee, as bond registrar, shall enter the exchange in the Bond Register.

(d) Except as provided herein with respect to exchanges for certain temporary Bonds, the cost of printing, lithographing, and engraving of all Bonds shall be deemed to be an Ordinary Expense of the Trustee, and there shall be no charge to any Owner for the registration, exchange, or transfer of Bonds, although in each case the Trustee may require the payment by the Owner requesting exchange or transfer of any tax, fee, or other governmental charge required to be paid with respect thereto and may require that such amount be paid before any such new Bond shall be delivered.

(e) The Issuer and the Trustee may deem and treat the Owner of any Bond as the absolute owner of such Bond for the purpose of receiving any payment on such Bond and for all other purposes hereof and of the Loan Agreement, whether such Bond shall be overdue or not, and neither the Issuer nor the Trustee shall be affected by any notice to the contrary. Payment of, or on account of, the Debt Service Payments on any Bond shall be made to or upon the written order of such Owner or his, her or its attorney in fact or legal representative duly authorized in writing. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

(f) The execution and attestation by the manual or facsimile signature of the Chair and the Secretary of the Issuer of any Bond of any Authorized Denomination shall constitute full and due authorization of such denomination, and the Trustee shall thereby be authorized to authenticate and deliver such Bond. New Bonds delivered upon any transfer or exchange shall be valid special and limited obligations of the Issuer evidencing the same obligation as the Bonds surrendered, shall be secured by this Indenture, and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds, or portions thereof, surrendered. The Trustee shall not be required to transfer or exchange any Bond (i) after the notice calling such Bond, or portion thereof, for redemption shall have been given as herein provided, or (ii) during the period beginning at the opening of business on the fifteenth day (whether or not a Business Day) immediately preceding either any Interest Payment Date or any date of selection of Bonds to be redeemed and ending at the close of business on the Interest Payment Date or day on which the applicable notice of redemption is given.

Section 2.08. Number and Payment Provisions.

(a) The Bonds of each series shall be numbered consecutively from AR-1 or BR-1 upward, as the case may be, or in such other manner as the Issuer, with the concurrence of the Trustee, shall determine. Each Bond shall bear interest from the Interest Payment Date immediately preceding the date of registration and authentication thereof unless it is registered and authenticated as of an Interest Payment Date, in which event it shall bear interest from such date, or unless it is registered and authenticated before the first Regular Record Date, in which event it shall bear interest from its date, or unless, as shown by the records of the Trustee, interest on the Bonds shall be in default, in which event it shall bear interest from the date to which interest shall have been paid in full, or unless no interest shall have been paid on the Bonds, in which event it shall bear interest from its date. The Trustee shall insert the date of registration and authentication of each Bond in the place provided for such purpose in the form of certificate of authentication of the Trustee to be printed on each Bond. If interest on the Bonds shall be in default, Bonds issued in exchange for Bonds surrendered for transfer or exchange shall be dated as of the date to which interest has been paid in full on the Bonds surrendered.

(b) Principal of and premium, if any, on the Bonds shall be payable by check or draft to the Owner of each Bond upon presentation and surrender of such Bond when due at the Office of the Trustee. Payment of interest on any Bond shall be made to the person in whose name such Bond is registered at the close of business on the Regular Record Date for such payment and shall be paid by check or draft mailed to such person at his, her or its address as it appears on the Bond Register, irrespective of any transfer or exchange of such Bond after a Regular Record Date and before such Interest Payment Date, by the person in whose name such Bond is registered. At the option of the

Owner of Bonds of any series, if such Owner is the owner of not less than \$500,000 in aggregate principal amount outstanding of Bonds of such series, interest shall be paid by wire transfer in immediately available funds in accordance with written wire transfer instructions filed with the Trustee before the close of business on the Regular Record Date. Interest shall continue to be paid in accordance with such instructions, until revoked, except for the final payment of interest upon maturity or redemption before maturity which shall be paid only upon presentation of the Bond to the Trustee. Notwithstanding anything to the contrary contained in this subsection, while DTC is the Owner of Bonds, all Debt Service Payments on the Bonds shall be paid to DTC or its nominee by wire transfer.

(c) Defaulted Interest shall cease to be payable to the Owner of Bonds on the relevant Regular Record Date solely by virtue of such Owner having been an Owner of Bonds on such date, and such Defaulted Interest may be paid by the Trustee, at its election in each case, as provided in clause (i) or (ii) below:

(i) The Trustee may elect to make payment of any Defaulted Interest on the Bonds to the persons in whose names such Bonds are registered at the close of business on a Special Record Date for the payment of such Defaulted Interest, which shall be fixed in the following manner. When the Trustee holds an amount of money equal to the proposed payment of Defaulted Interest, the Trustee shall fix a Special Record Date for the payment of such Defaulted Interest which shall be not more than fifteen nor less than ten days before the date of the proposed payment. The Trustee shall promptly notify the Issuer of such Special Record Date and, in the name and at the expense of the Issuer, such expense to be paid solely from amounts held under this Indenture, shall cause notice of the date and amount of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first class postage prepaid, not less than ten days preceding such Special Record Date, to each Owner at his, her or its address as it appears in the Bond Register at the close of business on the fifth day preceding the date of mailing. Notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor having been mailed as aforesaid, such Defaulted Interest shall be paid to the persons in whose names the Bonds are registered on such Special Record Date and shall no longer be payable pursuant to clause (ii) below.

(ii) The Issuer may make payment of any Defaulted Interest on the Bonds in any other lawful manner not inconsistent with the requirements of any securities exchange on which such Bonds may be listed and upon such notice as may be required by such exchange, if, after notice given by the Issuer to the Trustee of the proposed payment pursuant to this subsection, such payment shall be deemed practicable by the Trustee.

Section 2.11. Additional Bonds.

(a) General. If no Event of Default has occurred and is continuing hereunder and no event of default has occurred and is continuing under the Borrower Documents (or, in either case, if no such Event of Default or event of default would continue to occur upon the issuance of a series of Additional Bonds), the Issuer may issue one or more series of Additional Bonds hereunder upon satisfaction of the following conditions:

(i) Completion Bonds. The Issuer may issue Additional Bonds from time to time to complete the development, acquisition, construction, equipping, installation, and renovation of one or more Projects for which Bonds have previously been issued by the Issuer in accordance with this Indenture provided the Borrower delivers to the Issuer and the Trustee an Officer's Certificate certifying that the amount of such Additional Bonds does not exceed the amount necessary to provide a completed and equipped Housing Facility of the type and scope contemplated at the time that such prior Bonds were originally authorized and issued and that such prior Bonds were estimated when issued to be sufficient to provide such completed and equipped Housing Facility.

(ii) Project Bonds. The Issuer may issue Additional Bonds from time to time to finance the costs of the development, acquisition, construction, equipping, installation, and renovation of one or more Additional Projects if the Borrower delivers to the Issuer and the Trustee an Officer's Certificate demonstrating that the Borrower has obtained a report of a Financial Consultant evidencing (i) the Fixed Charges Coverage Ratio for the Borrower's most recent Annual Period before the incurrence of such series of Additional Bonds was at least [1.20] and (ii) the projected Fixed Charges Coverage Ratio of the Borrower for the first two full Annual Periods immediately following completion of the Additional Project to be financed with the

proceeds of the series of Additional Bonds would be at least [1.20] (including the proposed series of Additional Bonds).

In lieu of the requirements in the preceding paragraph, the report of the Financial Consultant supporting the issuance of a series of Additional Bonds may evidence that the projected Fixed Charges Coverage Ratio of the Borrower for the first three full Annual Periods immediately succeeding completion of such Additional Housing Facilities would be at least [1.20] (including the proposed Additional Bonds and the then outstanding Indebtedness of the Borrower).

(iii) Refunding Bonds. The Issuer may issue Additional Bonds from time to time to finance the costs of refunding or defeasing any one or more Outstanding Bonds in advance of Maturity if the Borrower delivers to the Issuer and the Trustee an Officer's Certificate demonstrating that the Maximum Annual Debt Service of the Additional Bonds to be issued for purposes of such refunding or defeasance will not exceed [115]% of the Maximum Annual Debt Service of the Outstanding Bonds to be refunded or defeased, determined immediately before such refunding or defeasance.

(b) Authorization. Such Additional Bonds shall be issued in such series and principal amounts, shall be dated, shall bear interest at such rate or rates, shall be subject to redemption at such times and prices and shall mature in such years as provided by the Supplemental Indenture to be entered into by and between the Issuer and the Trustee as set forth herein, including, Section 12.01 hereof.

(c) Security. Such Additional Bonds shall be issued on a parity with the Series 2026 Bonds and any Additional Bonds theretofore or thereafter issued, shall be secured by the lien and security interests granted by the Leasehold Mortgage and the Security Agreement, equally and ratably with the Series 2026 Bonds and any Additional Bonds theretofore or thereafter issued, and shall be payable from the Bond Fund and the Redemption Fund. An amount equal to the Additional Bonds Debt Service Reserve Requirement for such series of Additional Bonds (or an increase in the aggregate Debt Service Reserve Requirement, if any, in the case of Refunding Bonds) shall be deposited into a separate Account of the Debt Service Reserve Fund.

(d) Rating Requirement. Except for the authorization and issuance of Refunding Bonds, no series of Additional Bonds shall be issued pursuant to this Indenture unless and until there shall have been furnished to the Trustee written confirmation from each Rating Agency then rating the Outstanding Bonds that after the issuance of such series of Additional Bonds, the existing rating or ratings on any series of the then Outstanding Bonds will not be lowered, suspended, or withdrawn; provided, however, that in no event shall such rating or ratings be lower than "Baa3" by Moody's, "BBB-" by S&P or Fitch, or its equivalent, as applicable (without regard to any credit enhancement).

(e) Bond Insurer Consent. No series of Additional Bonds shall be issued pursuant to this Indenture unless and until there shall have been furnished to the Trustee the prior written consent of each Bond Insurer.

Section 2.12. Book Entry System.

(a) The Bonds shall be issued by means of a book entry system with no physical distribution of Bonds made to the public. One Bond for each maturity within a series shall be issued to and registered in the name of Cede & Co., as nominee of DTC, and immobilized in its custody. A book entry system shall be employed, evidencing ownership of the Bonds in Authorized Denominations, with transfers of beneficial ownership effected on the records of DTC and DTC Participants pursuant to rules and procedures established by DTC.

(b) Each DTC Participant will be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by and through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners will not receive Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner will be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds will be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners.

(c) So long as Cede & Co, as nominee for DTC, is the Registered Owner of the Bonds, the Trustee shall treat Cede & Co. as the only Owner of the Bonds for all purposes under this Indenture, including receipt of all Debt Service Payments on the Bonds, receipt of notices, voting and requesting or directing the Trustee to take or not to take, or consenting to, certain actions under this Indenture.

(d) Debt Service Payments with respect to the Bonds, so long as DTC is the only Owner of the Bonds, shall be paid by the Trustee directly to DTC or its nominee, Cede & Co., as provided in the Blanket Letter of Representations from the Issuer to DTC. DTC will remit such payments to DTC Participants, and such payments thereafter will be paid by DTC Participants to the Beneficial Owners. The Issuer and the Trustee shall not be responsible or liable for payment by DTC or DTC Participants for sending transaction statements or for maintaining, supervising, or reviewing records maintained by DTC or DTC Participants.

(e) If (i) DTC shall determine not to continue to act as securities depository for the Bonds, or (ii) the Issuer shall determine that the continuation of the book entry system of evidence and transfer of ownership of the Bonds would adversely affect the interests of the Issuer or the Beneficial Owners of the Bonds, the Issuer shall discontinue the book entry system with DTC. If the Issuer shall fail to identify another qualified securities depository to replace DTC, the Issuer shall cause the Trustee to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner.

(f) The Issuer, the Borrower, the Underwriter, and the Trustee do not have any responsibility or obligations to any DTC participant or any Beneficial Owner with respect to (i) the Bonds, (ii) the accuracy of any records maintained by DTC or any DTC Participant, (iii) the payment of DTC or any DTC Participant of any amount due to any Beneficial Owner with respect to the Debt Service Payments on the Bonds, (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of this Indenture to be given to Owners, (v) the selection of Beneficial Owners to receive payments

in the event of any partial redemption of the Bonds, or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as Owner.

(g) If a book entry system of evidence and transfer of ownership of the Bonds shall be discontinued pursuant to the provisions of this Section, the Bonds of each series shall be delivered solely as fully registered Bonds without coupons in Authorized Denominations, shall be lettered "R" and numbered separately from "1" upward, and shall be payable, executed, authenticated, registered, exchanged and canceled pursuant to the provisions of this Article II. In addition, the Issuer will cause the Borrower to pay all costs and fees associated with the printing of the Bonds and issuance of the same in certificated form.

ARTICLE III REDEMPTION OF BONDS

* Final Maturity

(c) On or before the forty-fifth day immediately preceding any [July 1] on which Series 2026 Bonds are to be retired pursuant to the applicable Sinking Fund Requirement, the Borrower may (i) deliver to the Trustee for cancellation Series 2026 Bonds or portions thereof in any aggregate principal amount desired, or (ii) receive a credit with respect to the Sinking Fund Requirement for any Series 2026 Bonds that have been purchased or redeemed (other than through mandatory sinking fund redemption) and cancelled by the Trustee before such date and not theretofore applied as a credit against such Sinking Fund Requirement. Each such Series 2026 Bond or portion thereof so delivered or previously purchased or redeemed and cancelled by the Trustee shall be credited by the Trustee at 100% of the principal amount thereof against future Sinking Fund Requirements for the Series 2026 Bonds of the same series, in such order as may be selected by the Borrower pursuant to Section 3.06 hereof, and the principal amount of the Series 2026 Bonds shall be accordingly reduced.

(d) The Sinking Fund Requirements of any series of Additional Bonds shall be provided in the Supplemental Indenture authorizing such series of Additional Bonds.

Section 3.04. Extraordinary Optional Redemption.

(a) The Series 2026 Bonds shall also be subject to redemption at the option of the Issuer upon the written request of the Borrower, in full if:

(i) all or a portion of the Housing Facilities shall have been destroyed or damaged to such an extent that in the opinion of the Borrower and the University expressed in a certificate filed with the Issuer, each Bond Insurer and the Trustee (A) they cannot reasonably be restored within a period of twelve months to the condition thereof immediately preceding such destruction or damage, (B) the Borrower will thereby be prevented from carrying on its normal operations thereat for a period of twelve consecutive months, or (C)

the cost of restoration or replacement would exceed the Net Proceeds of insurance payable in respect of such destruction or damage; or

(ii) title to, or the temporary use of, a substantial portion of the Housing Facilities shall have been taken under the exercise of the power of eminent domain by any governmental authority or person, firm, or corporation acting under governmental authority to such an extent that in the opinion of the Borrower and the University expressed in a certificate filed with the Issuer, each Bond Insurer and the Trustee (A) it cannot be reasonably restored or replaced within a period of twelve months to substantially the condition thereof immediately preceding such taking, (B) the Borrower will thereby be prevented from carrying on its normal operations thereat for a period of twelve consecutive months, or (C) the cost of restoration or replacement would exceed the total amount of compensation for such taking.

(b) The Series 2026 Bonds shall also be subject to redemption at the option of the Issuer upon the written request of the Borrower, in part upon partial condemnation or destruction of, or partial damage to, the Housing Facilities from the Net Proceeds received by the Borrower as a result of such taking, destruction, or damage to the extent such Net Proceeds are not used for the restoration of the Housing Facilities or for the acquisition of substitute property suitable for the Borrower's operations of the Housing Facilities as such operations were conducted before such taking, damage, or destruction if the Borrower furnishes to the Trustee, each Bond Insurer and the Issuer (i) a certificate of the Borrower and the University stating (A) that the property forming a part of the Housing Facilities that was taken, damaged, or destroyed is not essential to the Borrower's use or occupancy of the Housing Facilities at substantially the same revenue producing level before such taking, destruction, or damage, (B) that the Housing Facilities have been restored to a condition substantially equivalent to its condition before the taking, damage, or destruction, or (C) that the Borrower has acquired improvements that are substantially equivalent to the property forming a part of the Housing Facilities that was taken, destroyed, or damaged, or (ii) a written report of a Financial Consultant filed with the Trustee and each Bond Insurer that the Fixed Charges Coverage Ratio for each of the two Annual Periods following the Annual Period following such taking, destruction, or damage will not be less than the lesser of (A) [1.20], and (B) the average Fixed Charges Coverage Ratio for the two most recent Annual Periods before such taking, destruction, or damage for which Audit Reports are available.

(c) If the Series 2026 Bonds are called for redemption upon the occurrence of any of the events described in subsections (a) or (b) above, the Series 2026 Bonds may be redeemed on any date for which the requisite notice of redemption can be given within 180 days of such event at a Redemption Price equal to 100% of the principal amount thereof plus interest accrued to the redemption date, plus any unamortized premium through the first optional redemption date (on a straight-line basis) on such Series 2026 Bonds to be redeemed. In the event of a redemption in part, the Trustee shall redeem the maximum amount of Series 2026 Bonds that may be redeemed in accordance with the provisions of subsection (b) above, and any excess moneys shall remain in the Redemption Fund.

(d) Any extraordinary optional redemption requirements of any series of Additional Bonds shall be provided in the Supplemental Indenture authorizing such series of Additional Bonds.

Section 3.05. Other Redemptions at Par.

(a) The Series 2026 Bonds shall also be subject to redemption before maturity, in whole or in part, at any time and as expeditiously as reasonably possible, upon the deposit of moneys in the Redemption Fund required by the Loan Agreement (as set forth below), in a principal amount equal to such deposit and at a Redemption Price equal to 100% of such principal amount to be redeemed, plus interest accrued thereon to the redemption date:

(i) any Net Proceeds of title insurance on the Housing Facilities paid to the Trustee pursuant to the provisions of Section 3.05 of the Loan Agreement; or

(ii) any Net Proceeds of insurance received by the Borrower as a result of destruction of or damage to the Housing Facilities transferred to the Redemption Fund pursuant to the provisions of Section 7.01 of the Loan Agreement; or

(iii) any Net Proceeds received by the Borrower as a result of the taking of the Housing Facilities or any part thereof under the exercise of the power of eminent domain transferred to the Redemption Fund pursuant to the provisions of Section 7.02 of the Loan Agreement.

(b) In all instances where the Trustee is directed by the terms of this Section to redeem Series 2026 Bonds from moneys deposited into the Redemption Fund, the Trustee shall redeem the maximum number of Series 2026 Bonds that may be redeemed in accordance with the provisions of subsection (a) hereof, and any excess moneys shall remain in the Redemption Fund.

(c) Additional redemption requirements of any series of Additional Bonds shall be provided in the Supplemental Indenture authorizing such series of Additional Bonds.

Section 3.06. Selection of Bonds to Be Redeemed.

(a) If less than all of the Bonds of any series or any maturity within a series are to be called for redemption, the Trustee shall select, in such manner as the Trustee in its sole discretion may determine, the Bonds of such series and maturity to be redeemed. Notwithstanding the foregoing, if less than all of the Bonds of any series and maturity are called for redemption (other than through mandatory sinking fund redemption), the Borrower shall have the right to designate the series and the maturity of such Bonds to be called for redemption and to designate the Sinking Fund Requirement to which such redemption shall be credited.

(b) If a Bond is equal to an even multiple of an Authorized Denomination, a portion of such Bond may be redeemed, but such Bond shall be redeemed in part only in an amount equal to an even multiple of the Authorized Denomination for such series of Bonds and only if the unredeemed portion thereof is an Authorized Denomination for such series of Bonds.

(c) So long as all of a series of Bonds shall be maintained under a book entry system with DTC or any other Securities Depository in accordance herewith: (i) if fewer than all of a series of Bonds of any maturity shall be called for redemption, DTC, or such other Securities Depository, and not the Trustee, shall select the particular accounts from which such series of Bonds or portions

thereof shall be redeemed in accordance with DTC's or such other Securities Depository's standard procedures for redemption of obligations such as the Bonds; and (ii) if part, but not all, of a Bond shall be called for redemption, the Owner of such Bond may elect not to surrender such Bond in exchange for a new Bond of the same series in accordance with the provisions hereof and of such Bond and, in such event, shall make a notation indicating the principal amount of such redemption and the date thereof on the Payment Grid attached to such Bond. For all purposes, the principal amount of each Bond outstanding at any time shall be equal to the lesser of the principal sum shown on the face thereof and such principal sum reduced by the principal amount of any partial redemption thereof following which the Owner thereof shall have elected not to surrender such Bond in accordance with the provisions hereof and of such Bond. The failure of the Owner of a Bond to note the principal amount of any partial redemption on the Payment Grid attached thereto, or any inaccuracy therein, shall not affect the payment obligation of the Issuer hereunder or under such Bond. Therefore, it cannot be determined from the face of a Bond whether a part of the principal thereof shall have been paid.

(d) Notwithstanding anything in this Indenture to the contrary, if any of the Series 2026 Bonds are to be called for redemption under the provisions of Section 3.04 or 3.05, the selection of such Series 2026 Bonds will be subject to the approval of the Series 2026 Bond Insurer.

Section 3.07. Election to Redeem and Notice to Trustee; Redemption Notice.

(a) In case of any redemption pursuant to Section 3.02, Section 3.04, or Section 3.05 hereof, the Borrower shall, at least twenty days before the date that notice of redemption is required to be given by the Trustee (unless a shorter notice shall be satisfactory to the Trustee), notify the Trustee and each Bond Insurer in writing of such redemption date and of the principal amount of Bonds to be redeemed.

(b) If any Bonds are called for redemption as aforesaid, notice thereof identifying the Bonds or portions thereof to be redeemed shall be given by the Trustee by mailing a copy of the redemption notice by first class mail (postage prepaid) not less than thirty nor more than sixty days before the date fixed for redemption to the Owner of each Bond to be redeemed in whole or in part at the address shown on the Bond Register at the close of business on the day preceding the date of mailing; provided, however, that failure to give such notice by mailing to any Owner of Bonds, or any defect therein, shall not affect the validity of any proceedings for the redemption of any other Bonds for which notice shall have been properly given. Each notice shall specify the CUSIP numbers of the Bonds being called; the numbers of the Bonds being called, if less than all of the Bonds are being called; the redemption date; the Redemption Price; and the place or places where amounts due upon such redemption will be payable. Such notice shall further state that payment of the applicable Redemption Price will be made upon presentation and surrender of the Bonds to be redeemed and that on the redemption date, the Redemption Price will become due and payable upon each Bond to be redeemed and that interest thereon will cease to accrue on and after such date, provided collected funds for the redemption of the Bonds to be redeemed are on deposit with the Trustee at the place of, and the time for, payment at that time. Any notice mailed as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner of such Bonds actually receives such notice.

(c) Any notice of redemption may, at the direction of the Issuer upon the written request of the Borrower, state that the redemption to be effected is conditioned upon the receipt by the Trustee on or before the redemption date of sufficient and legally available funds to pay the Redemption Price of the Bonds to be redeemed and that if such funds are not so received or are not so legally available such notice shall be of no force or effect and such Bonds shall not be required to be redeemed. If such notice contains such a condition and sufficient funds to pay the Redemption Price of such Bonds shall not be received by the Trustee on or before the redemption date, the redemption shall not be made and the Trustee shall, within a reasonable time thereafter, give notice, in the manner in which the notice of redemption shall have been given, that such funds were not so received.

Section 3.08. Effect of Calling for Redemption.

(a) On or before the date fixed for redemption of Bonds, moneys or Defeasance Obligations shall be deposited with the Trustee sufficient to pay the Redemption Price of the Bonds or portions thereof called for redemption.

(b) On the date fixed for redemption, notice having been given in the manner and under the conditions hereinabove provided, the Bonds or portions thereof called for redemption shall be due and payable on the date fixed for redemption at the Redemption Price provided therefor. On such date, if moneys or Defeasance Obligations, or a combination of both, sufficient to pay the Redemption Price of the Bonds or portions thereof to be redeemed, are held by the Trustee in trust for the Owners of Bonds or portions thereof to be redeemed, interest on the Bonds or portions thereof called for redemption shall cease to accrue; such Bonds or portions thereof shall cease to be entitled to any benefits or security under this Indenture or to be deemed Outstanding; and the Owners of such Bonds or portions thereof shall have no rights in respect thereof except to receive payment of the Redemption Price thereof. Bonds and portions of Bonds for which irrevocable instructions to pay on one or more specified dates or to call for redemption at a redemption date have been given to the Trustee in form satisfactory to it shall not thereafter be deemed to be Outstanding under this Indenture and shall cease to be entitled to the security of or any rights under this Indenture, other than rights to receive payment of the Redemption Price thereof, to be given notice of redemption in the manner provided in Section 3.07 hereof, and, to the extent hereinafter provided, to receive Bonds for any unredeemed portions of Bonds, if money or Defeasance Obligations, or a combination of both, sufficient to pay the Redemption Price of such Bonds or portions thereof are held by the Trustee in trust for the Owners of such Bonds.

Section 3.09. Redemption of a Portion of a Bond. If a portion of an Outstanding Bond shall be selected for redemption, the Owner thereof or his, her, or its attorney or legal representative shall present and surrender such Bond to the Trustee for payment of the Redemption Price of such principal amount, and the Issuer shall cause to be executed and the Trustee shall authenticate and deliver to or upon the order of such Owner or his, her, or its legal representative, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds of the same series, form, and maturity and of any Authorized Denominations; provided, however, that if the Owner is a Securities Depository Nominee, the Securities Depository, in its discretion, (a) may surrender such Bond to the Trustee and request that the Issuer cause to be executed and the Trustee authenticate and deliver a new Bond for the unredeemed portion of the

principal amount of the Bond so surrendered, or (b) shall make an appropriate notation on such Bond indicating the dates and amounts of such reduction in principal.

Section 3.10. Cancellation. Bonds redeemed, presented and surrendered in accordance with the terms hereof shall be cancelled on the surrender thereof.

Section 3.11. Use of Defeasance Obligations to Redeem Bonds. For purposes of this Article, Defeasance Obligations shall be deemed sufficient to pay or redeem Bonds on a specified date if the principal of and the interest on such Defeasance Obligations, when due, are sufficient, together with any cash amounts necessary for such purpose, in the opinion of an Accountant addressed to the Trustee and each Bond Insurer, to pay the Redemption Price of such Bonds on such date.

ARTICLE IV GENERAL COVENANTS

Section 4.01. Special and Limited Obligations; No Recourse to the Issuer.

(a) Notwithstanding any provision of this Indenture, the Loan Agreement or the Bonds to the contrary:

(i) The Bonds are special and limited obligations of the Issuer, payable solely from and secured by the Trust Estate, including the revenues and income pledged for the payment thereof pursuant to this Indenture and the Loan Agreement. The Bonds are not and never shall become general obligations of the Issuer.

(ii) Neither the Issuer, the Commonwealth, nor any of its political subdivisions shall be directly, indirectly, contingently or morally obligated to use any other moneys or assets to pay all or any portion of the debt service due on the Bonds, to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment.

(iii) The Commonwealth shall not in any event be liable for the performance of any pledge, obligation, or agreement of any kind whatsoever that may be undertaken or made by the Issuer or the Borrower. The Issuer shall not in any event be liable for the performance of any pledge, obligation, or agreement of any kind whatsoever undertaken or made by the Borrower.

(iv) The Bonds are not a pledge of the faith and credit of the Issuer, the Commonwealth, or any of its political subdivisions nor do they constitute indebtedness within the meaning of any constitutional or statutory debt limitation. Neither the Bonds, the Loan Agreement, nor any of the agreements or obligations of the Issuer or the Borrower shall be construed to (A) constitute an indebtedness or obligation, general, moral or otherwise, of the Commonwealth or the Issuer within the meaning of any constitutional or statutory provisions, or (B) give rise to any pecuniary liability on, or be a charge against, the general credit or taxing powers of the Commonwealth or the Issuer.

(v) The Issuer shall not be liable for payment of the principal of or premium, if any, or interest on the Bonds or any other costs, expenses, losses, damages, claims, or actions of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Indenture, the Bonds, or any other documents, except only to the extent amounts are received for bond payments or loan payments from the Borrower under this Indenture or the Loan Agreement.

(vi) It is hereby understood and agreed that all of the representations and warranties of the Issuer contained in this Indenture and Loan Agreement are subject to the limitations set forth in this Section and are not intended to and do not create a general obligation of the Issuer.

(b) Notwithstanding any provision of this Indenture, the Loan Agreement or the Bonds to the contrary, the Issuer shall be entitled to refrain from taking any action otherwise required of it under this Indenture, the Tax Agreement, or the Loan Agreement unless and until the Borrower shall have caused adequate provision for the payment of any and all reasonable costs and expenses, outlays, and counsel fees and other disbursements, and against all liability, to be provided for the account of the Issuer in advance of taking such action. Notwithstanding any provision of this Indenture, the Loan Agreement, or the Bonds to the contrary, the Issuer may consult with independent counsel, chosen by it with reasonable care, and shall not be liable for action taken or not taken in good faith in reliance upon the written advice or opinion of such counsel.

(c) Notwithstanding any provision of this Indenture, the Loan Agreement, or the Bonds to the contrary:

(i) No Person executing Issuer Deliverable is liable personally on or with respect to such Issuer Deliverable or otherwise subject to any personal liability or accountability by reason thereof.

(ii) No recourse shall be had for the payment of the principal of or premium, if any, or interest on the Bonds or for any claim based thereon or any certification, obligation, covenant, or agreement in any Issuer Deliverable against any past, present or future member, officer, agent, attorney, employee, director, trustee, or other official of the Issuer or any incorporator, member, officer, agent, attorney, employee, director, trustee, other official or independent contractor of any successor corporation of the Issuer or any Person executing the Bonds, or any other Issuer Deliverable.

(iii) No covenant, stipulation, promise, certification, agreement, or obligation contained in the Bonds, this Indenture, the Loan Agreement, or any other Issuer Deliverable executed in connection therewith shall be deemed to be the covenant, stipulation, promise, agreement, or obligation of any present or future member, director, trustee, officer, agent, attorney, employee, or other official of the Issuer in his or her individual capacity, and neither any official of the Issuer, nor any officers executing the Bonds, shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance of the Bonds unless such claim is based upon the willful dishonesty of or intentional violation of law by such Person.

(d) By their purchase of each Bond, each Bondholder shall be deemed to have acknowledged and agreed to the provisions of this Section and that the Issuer has no taxing power.

Section 4.02. Performance of Covenants; Authority of the Issuer.

(a) The Issuer covenants that it shall faithfully perform on its part at all times any and all covenants, undertakings, stipulations, and provisions contained in this Indenture, in any and every Bond executed, authenticated, and delivered hereunder, and in all proceedings pertaining thereto; provided, however, that the liability of the Issuer under any such covenant, undertaking, stipulation, or provision for any breach or default by the Issuer thereunder shall be limited solely to the Security and to the revenues and receipts derived from the payments under the Notes and the Loan Agreement. The Issuer covenants that it is duly authorized under the Constitution and laws of the Commonwealth, including, particularly, the Act, to issue Bonds authorized hereby and to execute this Indenture, to convey the Trust Estate to the Trustee, and to pledge the receipts, revenues, and collateral hereby pledged in the manner and to the extent herein set forth, that all action required on its part for the issuance of the Series 2026 Bonds and the execution and delivery hereof have been duly and effectively taken (or if Additional Bonds are issued as authorized herein, will be duly taken as provided herein), and that the Bonds in the hands of the Owners thereof are and will be valid and enforceable obligations of the Issuer according to the terms thereof except as the enforceability thereof may be limited by bankruptcy laws and other laws similarly affecting creditors' rights generally and by usual equity principles.

(b) The Issuer represents that it is duly authorized under the Constitution and laws of the Commonwealth, including, particularly, the Act and the Bond Resolution, to issue the Bonds and to execute this Indenture, to execute and deliver the Loan Agreement, to grant the security interest provided herein, to assign and pledge the Loan Agreement and amounts payable thereunder, and to assign and pledge the amounts hereby assigned and pledged in the manner and to the extent herein set forth, that all action on its part for the issuance of the Bonds and the execution and delivery of this Indenture has been duly and effectively taken, and that the Bonds in the hands of the Owners are and will be valid and enforceable obligations of the Issuer according to the terms thereof and hereof.

(c) The Issuer shall fully cooperate with the Trustee, with each Bond Insurer and with the Owners of the Bonds to the end of fully protecting the rights and security of the Owners of any Bonds.

(d) Except to the extent otherwise provided in this Indenture, the Issuer shall not enter into any contract or take any action by which the rights of the Trustee, each Bond Insurer or the Owners of the Bonds may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be reasonably required to carry out the purposes of this Indenture.

Section 4.03. Instruments of Further Assurance. The Issuer agrees that the Trustee may defend its rights to the payments and other amounts due under the Issuer Documents for the benefit of the Bondholders, against the claims and demands of all persons whomsoever. The Issuer covenants that it will do, execute, acknowledge, and deliver or cause to be done, executed, acknowledged, and delivered such indentures supplemental hereto and such further acts, instruments, and transfers as the Trustee may (but is not required to) reasonably require for the better assuring,

transferring, conveying, pledging, assigning, and confirming unto the Trustee the Trust Estate. Any and all property hereafter acquired that is of the kind or nature provided herein to be and become subject to the lien and security interest hereof shall, without any further conveyance, assignment, or act on the part of the Issuer or the Trustee, be and become subject to the lien and security interest hereof as fully and completely as though specifically described herein, but nothing in this sentence contained shall be deemed to modify or change the obligations of the Issuer under this Section. The Issuer covenants and agrees that, except as herein and in the Loan Agreement provided, it has not and will not sell, convey, assign, pledge, mortgage, encumber, grant a security interest in, or otherwise dispose of, or create or suffer to be created any lien, encumbrance, security interest, or charge upon, any part of the Trust Estate or of its rights under any of the Issuer Documents, or enter into any contract or take any action by which the rights of the Trustee, each Bond Insurer or the Bondholders may be impaired.

Section 4.04. Rights under Certain Documents.

(a) The Financing Documents, duly executed originals or counterparts of which have been filed with the Trustee, set forth the covenants and obligations of the Issuer and the Borrower, including provisions that after the initial issuance of each series of Bonds and before their payment in full or provision for payment thereof in accordance with the provisions hereof, the Financing Documents may not be effectively amended, changed, modified, altered, or terminated other than as provided herein, and reference is hereby made to the Financing Documents for a detailed statement of such covenants and obligations of the Issuer and the Borrower thereunder. The Trustee may enforce all rights of the Issuer, except the Unassigned Rights, and all obligations of the Borrower under and pursuant to the Financing Documents for and on behalf of the Bondholders, whether or not an Event of Default has occurred hereunder.

(b) So long as any of the Bonds shall remain Outstanding and for such longer period when required by the Loan Agreement, the Issuer shall faithfully and punctually perform and observe all obligations and undertakings on its part to be performed and observed under the Issuer Documents. The Issuer covenants to maintain, at all times, the validity and effectiveness of the Financing Documents to which it is a party or in respect of which it is a beneficiary and (except as expressly permitted by the Loan Agreement) shall not take any action, shall not permit any action to be taken by others under its control, and shall not omit to take any action or permit others under its control to omit to take any action, which action or omission might release the Borrower from its liabilities or obligations thereunder or result in the surrender, termination, amendment, or modification thereof or impair the validity thereof.

(c) The Issuer covenants to enforce, at the request of the Trustee, all covenants, undertakings, and obligations of the Borrower under the Borrower Documents to which it is a party or in respect of which it is a beneficiary, and the Issuer hereby authorizes and directs the Trustee to enforce any and all of the Issuer's rights thereunder on behalf of the Issuer and the Owners of the Bonds.

(d) The Trustee shall retain possession of executed originals or counterparts of the Financing Documents to which the Issuer is a party or in respect of which it is a beneficiary, and shall release the same only in accordance with the provisions thereof. The Financing Documents to which the Issuer is a party or in respect of which it is a beneficiary shall be available for inspection

at reasonable times and under reasonable conditions by the Issuer, the Borrower, each Bond Insurer and any Owner of any Bond.

(e) The Issuer agrees that the Trustee may defend the Issuer's rights to the payments and other amounts due under the Loan Agreement, for the benefit of the Owners of the Bonds, against the claims and demands of all persons whomsoever. The Issuer covenants that it will do, execute, acknowledge, and deliver, or cause to be done, executed, acknowledged, and delivered, such indentures supplemental hereto and such further acts, instruments and transfers as the Trustee may reasonably require for the better assuring, transferring, pledging, assigning, and confirming to the Trustee all and singular the rights assigned hereby and the amounts pledged hereby to the payment of the principal of and premium, if any, and interest on, the Bonds. The Issuer covenants and agrees that, except as herein and in the Loan Agreement provided, it will not sell, convey, assign, pledge, encumber, or otherwise dispose of any part of the Trust Estate.

Section 4.05. Designation of Additional Paying Agents and Co-Bond Registrar. The Issuer may, and upon the written request of the Borrower and payment of any expenses incurred in connection therewith pursuant to Section 5.02 of the Loan Agreement, shall cause the necessary arrangements to be made through the Trustee for the designation of additional paying agents as specified by the Borrower for the making available of funds for the payment of such of the Bonds as shall be presented when due at the principal office of such additional paying agents. The Trustee may designate a co-bond registrar that may perform the duties of bond registrar on behalf of the Trustee, and all references herein to bond registrar shall include any such co-bond registrar.

Section 4.06. Issuer's Disclosure Instructions to Trustee. The Trustee shall have no responsibility whatsoever with respect to any disclosure to Bondholders or any public disclosure of any event or circumstance occurring, arising, or existing with respect to the Bonds, the Issuer, the Borrower, the Project, or any other matter, except that the Trustee shall give to the Dissemination Agent a copy of any notice that the Trustee gives to Bondholders, the Issuer, or the Borrower pursuant to the default provisions hereof or any other Financing Document.

Section 4.07. Recordation and Other Instruments. In order to perfect the security interest of the Trustee in the Trust Estate and to perfect the security interest in the Notes, the Issuer, to the extent permitted by law, will execute such security agreements or financing statements, naming the Trustee as assignee and pledgee of the Trust Estate assigned and pledged under this Indenture for the payment of the principal of and premium, if any, and interest on the Bonds and as otherwise provided herein, and the Borrower will cause the same to be duly filed and recorded, as the case may be, in the appropriate state and county offices of the Commonwealth as are required by the provisions of the Uniform Commercial Code or other similar law as adopted in the Commonwealth, as from time to time amended. To continue the security interest evidenced by such security agreements or financing statements, the Borrower shall file and record or cause to be filed and recorded such necessary continuation statements or supplements thereto and other instruments from time to time as may be required pursuant to the provisions of such Uniform Commercial Code or other similar law to fully preserve and protect the security interest of the Trustee and each Bond Insurer in the Trust Estate and to perfect the security interest in the Notes. The Issuer, to the extent permitted by law, at the expense of the Borrower, shall execute and cause to be executed any and all further instruments as shall be reasonably required by the Trustee for such protection and perfection of the interests of the Trustee,

each Bond Insurer and the registered owners and the Trustee shall file and refile or cause to be filed and refilled such continuation statements which shall be necessary to preserve and perfect the lien of this Indenture upon the Trust Estate until the principal of and premium, if any, and interest on the Bonds issued hereunder shall have been paid or provision for their payment shall be made as herein provided.

Section 4.08. Rights under Loan Agreement. The Loan Agreement, a duly executed counterpart of which has been filed with the Trustee, sets forth the covenants and obligations of the Issuer and the Borrower, including provisions that, after the issuance of the Bonds and before the payment in full or provision for payment thereof in accordance with the provisions hereof, the Loan Agreement (except as expressly provided therein) may not be effectively amended, changed, modified, altered, or terminated without the concurring written consent of the Trustee, as evidenced by an Opinion of Counsel, as provided in Article XIII hereof, and reference is hereby made to the Loan Agreement for a detailed statement of such covenants and obligations of the Borrower, and the Issuer agrees that the Trustee in its name or (to the extent required by law) in the name of the Issuer may enforce all rights of the Issuer and all obligations of the Borrower under the Loan Agreement, whether or not the Issuer is in default hereunder. The Issuer shall cooperate with the Trustee in enforcing the obligations of the Borrower to pay, or cause to be paid, all amounts payable by the Borrower under the Loan Agreement.

Section 4.09. Prohibited Activities. Subject to the limitations on its liability as stated herein and to the extent permitted by law, the Issuer covenants and agrees that it has not knowingly engaged and will not knowingly engage in any activities and that it has not knowingly taken and will not knowingly take any action which might result in any interest on the Tax Exempt Bonds becoming includable in the gross income of the owners thereof for purposes of federal income taxation.

Section 4.10. No Disposition of Trust Estate. Except as permitted by this Indenture, the Issuer shall not sell lease, pledge, assign, or otherwise encumber or dispose of its interest in the Trust Estate and will promptly pay (but only from the revenues and income derived pursuant to the Loan Agreement and the Security, and any other moneys constituting the Trust Estate) or cause to be discharged, or make adequate provision to discharge, any lien or charge on any part thereof not permitted hereby.

Section 4.11. Access to Books. All books and documents in the possession of the Issuer relating to the revenues and income derived pursuant to the Loan Agreement and the security therefor, and any other moneys constituting the Trust Estate shall at all reasonable times be open to inspection by such accountants or other agencies as the Trustee may from time to time designate. If requested by the Trustee, such inspection shall occur annually at a time convenient for the Issuer and the Trustee.

Section 4.12. Provisions for Payment of Expenses. The Issuer shall not be obligated to execute any documents or take any other action under or pursuant to this Indenture, the Loan Agreement, or any other document in connection with the Bonds unless and until provision for the payment of expenses of the Issuer, including legal counsel fees, shall have been made. Provision for expenses shall be deemed to have been made upon arrangements reasonably satisfactory to the Issuer for the provision of expenses being agreed upon by the Issuer and the party requesting such execution.

ARTICLE V
FUNDS UNDER THIS INDENTURE

Section 5.01. Revenue Fund: Flow of Funds. There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated the “Revenue Fund.” The Borrower agrees to deposit or cause to be deposited all General Revenues to the Revenue Fund not less frequently than once every two weeks; provided, however, that if an Event of Default shall have occurred and be continuing, the Borrower has agreed, in accordance with Section 5.03 of the Loan Agreement, to deliver all such General Revenues daily. The amounts so transferred and deposited into the Revenue Fund shall be disbursed by the Trustee each month in the following order:

(a) there shall be paid to the Manager on the twentieth day of each month (or the immediately succeeding Business Day if the twentieth day of a month is not a Business Day) for deposit into the Operating Account an amount equal to the greater of (i) the amount budgeted in the Annual Budget for Expenses for the immediately succeeding month, or (ii) 10% of the Expenses shown in the then current Annual Budget; provided that the amount transferred shall not exceed the amount, if any, resulting by subtracting (A) the amount theretofore deposited into the Operating Account pursuant to this subsection (a) for the then current Annual Period, from (B) the amount budgeted in the Annual Budget for Expenses for the then current Annual Period through the last day of the immediately succeeding month; and provided, further, that any portion of the Property Management Base Fee for any Annual Period that has not been paid before the fifth anniversary of the due date shall be disbursed by the Trustee to the Manager on such fifth anniversary, following transfer to the Manager of the amounts provided in this subsection (a) for deposit in the Operating Account;

(b) there will be paid to any Bond Insurer, an amount equal to the then due and owing Bond Insurer Installment Premium, if any;

(c) there shall be transferred to the Bond Fund:

Section 5.02. Bond Fund.

(a) There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated the "Bond Fund." There shall be deposited into the Bond Fund from the Revenue Fund all amounts specified in Section 5.01(c) hereof and all other moneys received by the

Trustee under and pursuant to any of the provisions of the Loan Agreement when accompanied by written directions from the Manager or the Borrower that such moneys are to be paid into the Bond Fund. Except as provided in subsection (d) of this Section and Section 5.14 and Section 11.02 hereof, moneys in the Bond Fund (with the exception of the Defeasance Account) shall be used solely to pay the Debt Service Payments on the Bonds. Not later than 1:00 p.m. on any date Debt Service Payments are due (other than principal of Bonds to be paid from moneys in the Redemption Fund pursuant to Section 5.03 hereof), the Trustee shall withdraw moneys from the Bond Fund sufficient to make such Debt Service Payment and shall make such Debt Service Payment to the Owner of such Bonds entitled thereto.

(b) There are hereby created by the Issuer and ordered established with the Trustee two accounts within the Bond Fund, to be designated respectively, the "Capitalized Interest Account" and the "Defeasance Account." In connection with the issuance of the Series 2026 Bonds, there are also hereby created by the Issuer and ordered established with the Trustee separate subaccounts within the Capitalized Interest Account designated the "2026A CI Subaccount" and the "2026B CI Subaccount" and separate subaccounts within the Defeasance Account designated the "2026A Defeasance Subaccount" and the "2026B Defeasance Subaccount." The Trustee shall also establish separate subaccounts within the Capitalized Interest Account and the Defeasance Account with respect to each series of Additional Bonds.

(c) There shall be deposited into the 2026A CI Subaccount and the 2026B CI Subaccount of the Capitalized Interest Account the amounts set forth in Section 6.01 hereof. On each date that transfers to the Bond Fund are required by Section 5.01(c)(i) hereof while there are funds on deposit in the Capitalized Interest Account of the Bond Fund, the Trustee shall transfer (i) from the 2026A CI Subaccount and the 2026B CI Subaccount, to the Bond Fund, the lesser of (A) an amount equal to any such transfer required in respect of the respective Series 2026A Bonds or Series 2026B Bonds on that date, or (B) the amount remaining in the respective 2026A CI Subaccount or 2026B CI Subaccount, and (ii) from any other subaccount of the Capitalized Interest Account created in respect of a series of Additional Bonds, to the Bond Fund, the lesser of (A) an amount equal to any such transfer required in respect of such series of Bonds on that date, or (B) the amount remaining in such subaccount.

(d) There shall be deposited into the subaccounts of the Defeasance Account all amounts deposited to pay and discharge a particular series of the Bonds pursuant to Section 9.01 hereof, including proceeds of any refunding Bonds, which subaccounts shall hold no other moneys. Moneys in the subaccounts of the Defeasance Account shall be used solely to pay the purchase price of, and the Debt Service Payments on, the series of Bonds with respect to which such subaccount shall have been established.

(e) Upon the occurrence of an Event of Default, the Trustee may use moneys in the Bond Fund to pay the reasonable fees and expenses of the Trustee before the making of any payments to the Bondholders. Except as provided in Article III hereof or any corresponding Article in an indenture supplemental hereto, no part of the Basic Loan Payments in the Bond Fund shall be used to redeem, before maturity, a part of the Bonds Outstanding; provided that whenever the amount in the Bond Fund, from any source whatsoever, is sufficient (i) to redeem all of the Bonds Outstanding hereunder, (ii) to pay interest to accrue thereon to such redemption date, and (iii) to pay all costs and

expenses accrued and to accrue to such redemption date, then, if so directed by the Borrower pursuant to the Loan Agreement, the Issuer covenants and agrees to take, and cause to be taken, the necessary steps to redeem all of such Bonds on the immediately succeeding redemption date for which the required redemption notice may be given.

(f) The Issuer hereby authorizes and directs the Trustee to withdraw sufficient funds from the Bond Fund to pay Debt Service Payments on the Bonds as the same become due and payable and to make such funds so withdrawn available to the paying agent or agents, if any, for the purpose of paying such Debt Service Payments, which authorizations and directions the Trustee hereby accepts.

(g) If, on any Bond Payment Date, there are insufficient funds in the Bond Fund and the Redemption Fund available therefor to pay Debt Service Payments then due, the Trustee shall transfer to the Bond Fund an amount equal to such insufficiency, from the following Funds, in the following order of priority: (i) first, the Surplus Fund, (ii) second, the Operations Contingency Fund, (iii) third, the Repair and Replacement Fund, and (iv) fourth, the related Account of the Debt Service Reserve Fund.

There shall be deposited into the Redemption Fund all moneys required to be transferred thereto or deposited therein pursuant to Section 5.05(c) hereof, Section 6.02, Section 7.01, and Section 7.02 of the Loan Agreement, and the Leasehold Mortgage. Moneys in the Redemption Fund shall be used only to pay the principal of Bonds or that portion of the Redemption Price of Bonds corresponding to principal in the manner specified in this Section and in Section 3.05 hereof. Not later than 1:00 p.m. on any date principal or Redemption Price of any Bond is due, the Trustee shall withdraw moneys from the Redemption Fund sufficient to make such payment and shall make such payment to the Owner of such Bonds entitled thereto.

(b) The Trustee shall establish a separate Account within the Redemption Fund (i) with respect to each series of Bonds, (ii) if more than one series of Bonds shall be issued on the same date, with respect to each such multiple series of Bonds, and with respect to any amounts transferred to the Redemption Fund from the Capitalized Interest Account of the Bond Fund or the Construction Fund pursuant to Section 5.05(c) hereof. Subject to the provisions of subsection (c) of this Section, but notwithstanding anything else contained herein to the contrary, any amounts required to be deposited in the Redemption Fund for the redemption of a particular series or multiple series of Bonds in accordance with any of the Financing Documents shall be deposited in the applicable Account or Accounts thereof, and, before the occurrence of an Event of Default, any amounts in an Account of the Redemption Fund may be used only to make payments on the series of Bonds in respect of which such Account was established.

(c) All amounts transferred to the Redemption Fund from the Capitalized Interest Account of the Bond Fund or the Construction Fund pursuant to Section 5.05(c) hereof to redeem Bonds shall be used to redeem only the principal portion thereof.

(d) When (i) the amount of the remaining Debt Service Payments on the Outstanding Bonds shall be equal to or less than the sum of the balance of the Bond Fund, the balance of the Redemption Fund, the balance of the related Account of the Debt Service Reserve Fund and the balance of the Repair and Replacement Fund, (ii) the amount of the remaining Debt Service Payments on any Outstanding Additional Bonds shall be equal to or less than the sum of the balance of the Bond Fund, the balance of the Redemption Fund and the balance of the Repair and Replacement Fund, and (iii) all other amounts owed under the Loan Agreement and this Indenture shall have been paid, moneys held in the Redemption Fund shall be deposited into the Bond Fund and credited against payments of Loan Payments required under Section 5.02 of the Loan Agreement or may be used in such other manner approved by an Opinion of Bond Counsel.

Section 5.04. Cost of Issuance Fund.

(a) There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated the "Cost of Issuance Fund," which shall be used as a fund to pay Costs of Issuance. Within the Cost of Issuance Fund, there is hereby created by the Issuer and ordered established separate accounts designated as the "2026A Account of the Cost of Issuance Fund" and the "2026B Account of the Cost of Issuance Fund." There shall be deposited into the 2026A Account of the Cost of Issuance Fund and the 2026B Account of the Cost of Issuance Fund, the respective amounts specified in Section 6.01(k) and (l) hereof. Moneys in the Cost of Issuance Fund shall be disbursed upon receipt of a requisition for payment substantially in the form attached hereto as Exhibit C, which, by this reference thereto, is incorporated herein, executed by the Authorized Borrower Representative, and the Trustee is hereby authorized and directed to issue its checks for each disbursement upon receipt of such a requisition. If any funds remain in the Cost of Issuance Fund on the earlier of (i) the receipt by the Trustee of a certificate of the Borrower stating that all Costs of Issuance of the Series 2026A Bonds or the Series 2026B Bonds and the Borrower Fee have been paid, or (ii) one year from the date of issuance and delivery of the Series 2026 Bonds, the Trustee shall transfer any funds remaining in the 2026A New Construction Account of the Cost of Issuance Fund and the 2026B Account of the Cost of Issuance Fund, as the case may be, to the 2026A Account of the Construction Fund or the 2026B New Construction Account of the Construction Fund, as applicable. The Trustee shall establish a separate Account within the Cost of Issuance Fund with respect to each series of Additional Bonds issued hereunder. If any funds remain in any other Account of the Cost of Issuance Fund after similar dates relating to the issuance of other series of Bonds, the Trustee shall transfer such funds to the comparable Account of the Construction Fund.

(b) The Trustee shall keep and maintain adequate records pertaining to the Cost of Issuance Fund and all disbursements therefrom, and after all amounts are disbursed from the Cost of Issuance Fund, the Trustee shall, if requested by the Borrower, file an accounting thereof with the Issuer and the Borrower.

Section 5.05. Construction Fund.

(a) There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated the "Construction Fund," which shall be used solely for the purposes set forth in this Section. Within the Construction Fund, there is hereby created by the Issuer and ordered established separate Accounts designated as the "2026A New Construction Account," the "2026B New Construction Account," the "2026A Renovation Account," the "2026B Renovation Account,"

“2026A Acquisition Account,” and “2026B Acquisition Account.” There shall be deposited into such Accounts from the sale of the Series 2026 Bonds the amounts specified in Section 6.01 hereof. The Trustee shall deposit into the designated Accounts of the Construction Fund as and when received by the Trustee any moneys paid to the Trustee under the Loan Agreement or this Indenture for credit or transfer to an Account of the Construction Fund. Moneys in the Construction Fund shall be expended for Costs of the Project in accordance with the provisions of the Project Certificate and the Loan Agreement, including, particularly, Section 4.03 thereof. Moneys in the Accounts of the Construction Fund shall be disbursed, upon receipt of a requisition for payment substantially in the form of Exhibit D-1, Exhibit D-2, or Exhibit E attached hereto, as applicable, which, by this reference, are incorporated herein. Any such requisition shall be executed by the Authorized Borrower Representative and the Authorized Developer Representative or the Authorized Manager Representative, as the case may be. Upon receipt of any such fully-executed form, the Trustee shall disburse the monies requested from the applicable Account of the Construction Fund.

(b) The Trustee shall establish a separate Account within the Construction Fund with respect to each series of Additional Bonds issued hereunder.

(c) All proceeds of the Series 2026A Bonds and the Series 2026B Bonds and investment earnings thereon remaining in the respective 2026A New Construction Account, 2026B New Construction Account, 2026A Renovation Account, 2026B Renovation Account, 2026A Acquisition Account, and 2026B Acquisition Account of the Construction Fund on the Completion Date of the Series 2026 Project, less amounts retained or set aside to meet costs not then due and payable or that are being contested, shall be used for other capital expenditures related to the Series 2026 Project approved by the University with the consent of the Borrower, which consent shall not be unreasonably withheld; provided that a Favorable Opinion of Bond Counsel with respect to such expenditure shall have been obtained. If there are no such additional capital expenditures, such excess amounts shall be transferred (i) to the Bond Fund and used for the payment of principal of and interest on the respective series of the Series 2026 Bonds (the 2026A New Construction Account, 2026A Renovation Account, and 2026A Acquisition Account shall be used for the Series 2026A Bonds and the 2026B New Construction Account, 2026B Renovation Account, and 2026B Acquisition Account shall be used for the Series 2026B Bonds), provided that the Borrower shall deliver to the Trustee a Favorable Opinion of Bond Counsel with respect to such payment, or (ii) if the Borrower shall fail to deliver such an opinion, to the Redemption Fund by the Trustee and used to redeem any applicable Series 2026 Bonds on [July 1], 20[___].

(d) Upon the occurrence and continuance of an Event of Default or an event which with notice or lapse of time would constitute an Event of Default, amounts on deposit in the 2026A New Construction Account, 2026A Renovation Account, 2026B Renovation Account, 2026A Acquisition Account, and 2026B Acquisition Account, as applicable, will not be disbursed, and, if the Series 2026 Bond Insurer and the Borrower otherwise direct, will be applied to the Debt Service Payment or Redemption Price of Series 2026A Bonds and the Series 2026B Bonds, as the case may be.

Section 5.06. Debt Service Reserve Fund.

(a) There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated the “Debt Service Reserve Fund,” which shall be used solely for the purposes set forth in this Section. Within the Debt Service Reserve Fund there is hereby created by the Issuer

and ordered established separate Accounts designated as the “2026A Account of the Debt Service Reserve Fund” and “2026B Account of the Debt Service Reserve Fund.” The Trustee shall establish a separate Account within the Debt Service Reserve Fund with respect to each series of Additional Bonds issued hereunder.

(b) There shall be deposited into the 2026A Account of the Debt Service Reserve Fund the Series 2026A Reserve Policy, which shall be in an amount equal to the Series 2026 Debt Service Reserve Requirement attributable to the Series 2026A Bonds on and as of the Closing Date. There shall be deposited into the 2026B Account of the Debt Service Reserve Fund the Series 2026B Reserve Policy, which shall be in an amount equal to the Series 2026 Debt Service Reserve Requirement attributable to the Series 2026B Bonds on and as of the Closing Date. The Trustee shall deposit in the applicable Account or Accounts of the applicable Debt Service Reserve Fund any funds paid to the Trustee under the Loan Agreement or this Indenture for credit or transfer to the applicable Debt Service Reserve Fund. If the Borrower shall have exercised its option or shall have become obligated to prepay the Loan relating to a series of Bonds in whole and not in part pursuant to the terms of Article XI of the Loan Agreement and shall have paid the sums as provided therein, all of the funds then in the related Account of the Debt Service Reserve Fund, subject to the provisions of subsection (e) below, shall be deposited into the applicable Bond Fund. The Trustee shall give written notice to the Issuer, the University, each Bond Insurer and the Borrower of (i) any withdrawals from any Accounts of the Debt Service Reserve Fund, (ii) any diminution in Value as of any Valuation Date, or (iii) net losses from the investment of funds in the Debt Service Reserve Fund as of any Valuation Date that reduce the Value of the cash and investments deposited therein or credited thereto to less than the Debt Service Reserve Requirement for the Series 2026 Bonds or any series of Additional Bonds.

(c) The Issuer hereby authorizes and directs the Trustee to withdraw funds from the applicable Account of the Debt Service Reserve Fund to pay Debt Service Payments on the related Series of Bonds, to the extent that there are insufficient funds in the Bond Fund, the Redemption Fund, the Surplus Fund, the Operations Contingency Fund, and the Repair and Replacement Fund available therefor (in that order of priority) on the date such Debt Service Payments are due, which authorization and direction the Trustee hereby accepts.

(d) When (i) the remaining amount of Debt Service Payments on the Outstanding Bonds of a series shall be equal to or less than the sum of the balances of the related Accounts of the Bond Fund, the Redemption Fund, the Debt Service Reserve Fund, and, if no other series of Bonds are then Outstanding, the balance of the Repair and Replacement Fund, and (ii) all other amounts owed under the Loan Agreement and this Indenture shall have been paid, moneys held in the related Account of the Debt Service Reserve Fund shall be deposited into the Bond Fund and, subject to the provisions of subsection (e) below, credited against payments of Loan Payments required under Section 5.02 of the Loan Agreement for the related series of Bonds or may be used in such other manner approved by an Opinion of Bond Counsel.

(e) Subject to Section 7.02 hereof, if, as a result of the valuation of the investments held in the Debt Service Reserve Fund as of any Valuation Date pursuant to Section 7.01 hereof, the balance of the 2026A Account and the 2026B Account of the Debt Service Reserve Fund is greater than the Series 2026 Debt Service Reserve Requirement or the related Account of any series of

Additional Bonds is greater than the Additional Series Debt Service Reserve Requirement for such series of Additional Bonds, the aggregate of such amount in the 2026A Account and the 2026B Account of the Debt Service Reserve Fund in excess of the Series 2026 Debt Service Reserve Requirement and the amount in the Account of the Debt Service Reserve Fund in excess of the Additional Bonds Debt Service Reserve Requirement for any series of Additional Bonds shall be transferred to the related Accounts of the Bond Fund corresponding to the Series 2026 Bonds or such series of Additional Bonds, as applicable.

(f) In lieu of or in addition to cash or investments, at any time, the Borrower may satisfy the Debt Service Reserve Requirement by delivery to the Trustee of a surety bond, an insurance policy or a letter of credit (each, a "Reserve Policy") meeting the requirements set forth below. The issuer of each Reserve Policy must be rated at the time the Reserve Policy is delivered in the third highest rating category by each Rating Agency then rating the Bonds or such Rating Agency must consent to the delivery of each such Reserve Policy. The obligation of the Borrower to fund the Debt Service Reserve Requirement shall be deemed satisfied as of any date to the extent of the then available balance of any Reserve Policy; provided, however, that the Debt Service Reserve Requirement shall not be satisfied if, on the date of delivery of a Reserve Policy, the rating on any Bond issued by any Rating Agency would be reduced or withdrawn as a result of the delivery of such Reserve Policy. If a disbursement is made pursuant to a Reserve Policy, the Issuer must be obligated (i) to reinstate the maximum limits of such Reserve Policy or (ii) to deposit into the applicable Account of the Debt Service Reserve Fund moneys in an amount equal to the disbursement made under such Reserve Policy, or a combination of such alternatives, as would provide that such Account of the Debt Service Reserve Fund has all of the moneys or full value of Reserve Policy on deposit as it shall be required to have at such time.

(g) In conjunction with the issuance of the Series 2026 Bonds, the Series 2026 Reserve Policies are being issued as Reserve Policies under subsection (f) above in satisfaction of the Series 2026 Debt Service Reserve Requirement for the Series 2026 Bonds. Notwithstanding anything in this Indenture to the contrary, so long as the Series 2026 Reserve Policies are in effect and no Series 2026 Bond Insurer Default exists, the provisions in Section 5.16 shall govern for the Series 2026 Reserve Policies.

(h) No Reserve Policy (other than the Series 2026 Reserve Policies) may be credited to the 2026A Account and the 2026B Account of the Debt Service Reserve Fund in substitution of either Series 2026 Reserve Policy or both or in lieu of cash and other investments without the prior written consent of the Series 2026 Bond Insurer.

Section 5.07 Repair and Replacement Fund.

(a) There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated the "Repair and Replacement Fund," which shall be used solely for the purposes set forth in this Section. The Trustee shall deposit into the Repair and Replacement Fund as and when received, any moneys paid under the Loan Agreement, including, particularly Section 5.02(b)(i) thereof, or this Indenture, for credit or transfer to the Repair and Replacement Fund.

(b) The Issuer hereby authorizes and directs the Trustee to withdraw funds from the Repair and Replacement Fund to pay (i) the maintenance and repair costs related to the Project that

the Borrower shall be obligated to pay pursuant to Section 6.01 of the Loan Agreement or, to the extent that the Net Proceeds shall be insufficient for such purposes, to the costs of restoration or replacement of the Project (or any portion thereof) pursuant to Section 7.01 or Section 7.02 of the Loan Agreement, and (ii) the Debt Service Payments to the extent there are insufficient funds in the Bond Fund, the Redemption Fund, the Surplus Fund, and the Operations Contingency Fund available therefor (in that order of priority) on the date such Debt Service Payments are due, which authorization and direction the Trustee hereby accepts.

(c) Moneys in the Repair and Replacement Fund to be used for the purpose described in item (i) of subsection (b) above shall be disbursed by the Trustee upon receipt by the Trustee of a requisition for payment substantially in the form attached hereto as Exhibit F, which, by this reference thereto, is incorporated herein, executed by the Authorized Borrower Representative, and the Trustee is hereby authorized and directed to issue its checks for each such disbursement upon receipt of such a requisition; however, upon the occurrence of an Event of Default or a failure by the Borrower to pay Basic Loan Payments required by Section 5.02(a) of the Loan Agreement, the Trustee will not be obligated to disburse funds from the Repair and Replacement Fund for such purposes. The Trustee is hereby authorized and directed to withdraw funds from the Repair and Replacement Fund for the purpose described in item (ii) of the subsection (b) above automatically, without any requisition from the Borrower.

(d) Notwithstanding the foregoing provisions of this Section, no amounts shall be disbursed for the purpose described in item (i) of subsection (b) of this Section without the consent of the University, which consent shall not be unreasonably withheld, conditioned, or delayed, unless (i) such disbursement shall have been included in the then current Annual Budget, (ii) such disbursement shall not exceed \$10,000 or, in the case of an emergency (which shall be certified to the University), \$25,000, or (iii) such disbursement, together with all other disbursements from the Repair and Replacement Fund during such Annual Period that were not included in the then current Annual Budget and to which the University shall not have consented does not exceed \$25,000.

(e) When (i) the remaining amount of the Debt Service Payments on the Outstanding Bonds shall be equal to or less than the sum of the balance of the Bond Fund, the balance of the Redemption Fund, the balance of the Debt Service Reserve Fund and the balance of the Repair and Replacement Fund, and (ii) all other amounts owed under the Loan Agreement and this Indenture shall have been paid, moneys held in the Repair and Replacement Fund shall be deposited into the Bond Fund and credited against payments of Loan Payments required under Section 5.02 of the Loan Agreement or used as otherwise permitted by an Opinion of Bond Counsel.

Section 5.08. Insurance and Condemnation Funds. Reference is hereby made to Article VII of the Loan Agreement whereunder it is provided that under certain circumstances the Net Proceeds of insurance and condemnation awards are to be paid to the Trustee and deposited into the Insurance Fund and the Condemnation Fund, respectively, and are to be disbursed and paid out as therein provided. The Trustee hereby accepts and agrees to perform the duties and obligations as therein specified. There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated the "Insurance Fund," a trust fund to be designated the "Condemnation Fund," and, within each of such Funds, a "2026 Account", all of which shall be opened only if funds are required to be deposited therein as provided in Article VII of the Loan Agreement. The Trustee shall also

establish a separate Account within the Insurance Fund and within the Condemnation Fund with respect to each series of Additional Bonds issued hereunder or, if more than one series of Additional Bonds is issued on the same date, with respect to each such multiple series of Additional Bonds. Funds held in the Insurance Fund or in the Condemnation Fund shall be disbursed in accordance with Section 7.01 or Section 7.02 of the Loan Agreement, respectively, upon receipt of a requisition for payment substantially in the form attached hereto as Exhibit G, which, by this reference thereto, is incorporated herein, executed by the Authorized Borrower Representative, and the Trustee is hereby authorized and directed to issue its checks or wires for each disbursement upon receipt of such a requisition. Notwithstanding anything contained herein to the contrary, any amounts required to be deposited in the Insurance Fund or in the Condemnation Fund in accordance with the Loan Agreement shall be deposited in the applicable Account thereof, and, before the occurrence of an Event of Default, any amounts in an Account of the Insurance Fund or the Condemnation Fund may be used only to restore that portion of the Project in respect of which such Account was established or to acquire land or improvements in substitution for that portion of the Project in respect of which such Account was established or to redeem Bonds in accordance with the provisions of Section 3.02, or if applicable, Section 3.04 hereof.

Section 5.09. Operations Contingency Fund.

(a) There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated the "Operations Contingency Fund" into which shall be transferred moneys remaining in the Revenue Fund after the disbursements described in subsections (a) through (j) of Section 5.01 hereof. Moneys in the Operations Contingency Fund shall be disbursed as follows:

(iii) To make the transfers and deposits required by Section 5.01(a) through (i) hereof.

(iv) For the avoidance of doubt, and notwithstanding anything contained herein to the contrary, to the extent that there are insufficient funds in the Revenue Fund for such purpose, the Trustee is directed to make transfers and deposits among Funds in the following order of priority: (A) with respect to Expenses or to make capital expenditures in respect of the Project as set forth in paragraph (i) above, from the Operations Contingency Fund (after having transferred available amounts from the Surplus Fund thereto); (B) with respect to the

transfers and deposits required by Section 5.01(a) through (i) hereof, (1) first, from the Operations Contingency Fund, and (2) second, from the Surplus Fund; and (C) with respect to Debt Service Payments, (1) first, from the Surplus Fund, (2) second, from the Operations Contingency Fund, (3) third, from the Repair and Replacement Fund, and (4) fourth, from the Debt Service Reserve Fund.

(b) On June 30 of each year (or the immediately preceding Business Day if June 30 is not a Business Day), all amounts remaining in the Operations Contingency Fund in excess of 25% of the aggregate Expenses in the Annual Budget for the following Annual Period on June 30 of each year shall be transferred to the Surplus Fund.

Section 5.10. Surplus Fund.

(a) There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated the "Surplus Fund."

(b) If (i) no Event of Default shall have occurred and then be continuing, (ii) all amounts withdrawn from the Repair and Replacement Fund to pay Debt Service Payments in accordance with Section 5.07(b)(ii) hereof shall have been reimbursed in full, (iii) all amounts withdrawn from the Debt Service Reserve Fund to pay Debt Service Payments in accordance with Section 5.06(c) hereof shall have been reimbursed in full, and (iv) all owed, but unpaid Property Management Performance Incentive Fees owed for past years have been paid to the Manager, the Trustee, upon receipt of the Borrower's annual financial statements and Audit Report for the most recently ended Annual Period in accordance with the Loan Agreement, if such annual financial statements and Audit Report demonstrate that the Borrower achieved a Fixed Charges Coverage Ratio of at least 1.20 during the period reported by such annual financial statements and Audit Report, shall transfer from the Surplus Fund, to the extent that such amounts are then on deposit therein, first (A) to the Manager, the Property Management Performance Incentive Fee, if any due under the Management Agreement, and to the University, the Retained Services Fee, then (B)(1) to the University, an amount equal to eighty percent of such amount then remaining on deposit in the Surplus Fund and (2) to the Repair and Replacement Fund, an amount equal to twenty percent of such amount then remaining on deposit in the Surplus Fund.

With respect to clause (A) in the immediately preceding subsection (b), each amount payable under clause (A) shall be specified in the applicable Audit Report and shall be payable by the Trustee upon receipt of an invoice delivered by the Borrower, which invoice sets forth the amount of each such payable as specified in the applicable Audit Report, and if there are insufficient amounts on deposit in the Surplus Fund to pay the entirety of the Property Management Performance Incentive Fee and the Retained Services Fee, the Trustee shall prorate such payments based on their respective proportionate amounts otherwise owing on such date.

(c) To the extent any amounts in the Surplus Fund may not be transferred to the University and to the Repair and Replacement Fund pursuant to subsection (b) of this Section, all such amounts shall remain in the Surplus Fund until such time as such funds are otherwise applied in accordance with this Indenture.

(d) Moneys in the Surplus Fund may also be (i) used to make the transfers and deposits required by Section 5.01 hereof to the extent that there are insufficient funds in the Revenue Fund available on such date, and (ii) transferred to the Operating Contingency Fund to the extent moneys are required to be used from such fund in accordance with Section 5.09(a) hereof; and the Issuer hereby authorizes and directs the Trustee to withdraw funds from the Surplus Fund to make such transfers and deposits, which authorization and direction the Trustee hereby accepts.

Section 5.11. Rebate Fund.

(a) There is hereby created by the Issuer and ordered established with the Trustee a trust fund to be designated the "Rebate Fund." The Rebate Fund shall be for the sole benefit of the United States of America and shall not be subject to the claim of any other Person, including the Owners. The Rebate Fund is established for the purpose of complying with Section 148 of the Code and the Regulations promulgated thereunder. The money deposited in the Rebate Fund, together with all investments thereof and investment income therefrom, shall be held in trust and applied solely as provided in this Section. The Rebate Fund is not a portion of the Trust Estate and is not subject to the lien of this Indenture.

(b) The Borrower will be required under the terms of the Loan Agreement (i) to calculate the Rebate Amount as of each Calculation Date, (ii) to transmit a copy of such calculation to the Trustee on or before the date due under the Loan Agreement, and (iii) to pay to the Trustee for deposit to the Rebate Fund or to direct the Trustee, to transfer from the Revenue Fund an amount equal to the difference, if any, between the amount then in the Rebate Fund and the Rebate Amount so calculated. If, as of any Calculation Date, the amount in the Rebate Fund shall exceed the Rebate Amount, such excess may, upon the written request of the Borrower, be transferred from the Rebate Fund to the Revenue Fund.

(c) On the dates directed by the Borrower, the Trustee shall pay to the United States of America from the amounts on deposit in the Rebate Fund an amount determined by the Borrower to be the amount owed to the United States of America under Section 148(f) of the Code and the Regulations promulgated thereunder. The Borrower shall provide to the Trustee any completed IRS form that must accompany each payment to the United States of America.

(d) If the Borrower shall fail to provide any of the information, calculations, forms, or moneys to the Trustee as required by this Section or by Section 8.12 of the Loan Agreement, the Trustee shall so notify the University and the Issuer, but none of the University, the Issuer, nor the Trustee shall have any obligation to make any calculation or payment required under this Section.

(e) Upon written request of any Owner, the Borrower shall furnish to such Owner a certificate (supported by reasonable documentation, which may include calculations by Bond Counsel or by some other service organization) showing compliance with this Section and other applicable provisions of Section 148 of the Code.

(f) The Trustee shall maintain a record of the annual calculations by the Borrower of the Rebate Amount for a period ending on the date that is three years after all of the Bonds have been Discharged. Such records provided by the Borrower shall summarize the manner in which the Rebate Amount, if any, were determined.

(g) If all of the Bonds shall have been Discharged, any amount remaining in any of the Funds or Accounts created hereunder (other than any such Fund or Account funded in accordance with the provisions of Article IX hereof) shall be transferred to the Rebate Fund to the extent that the amount therein is less than the Rebate Amount calculated as of the final Calculation Date.

(h) The Issuer hereby authorizes and directs the Chair to execute any documents, certificates, or reports required by the Code and to make such elections on behalf of the Issuer that may be permitted by the Code and that shall be requested by the Borrower.

(i) Notwithstanding any provision of this Indenture to the contrary, the Trustee shall not be liable or responsible for any calculation or determination that may be required in connection with or for the purpose of complying with the provisions of Section 148 of the Code or any applicable Regulations, including the calculation of amounts required to be paid to the United States under the provisions of Section 148 of the Code and applicable Regulations and the fair market value of any investments made hereunder, and the sole obligation of the Trustee with respect to the investment of funds hereunder shall be to invest the moneys received by the Trustee in accordance with the written instructions of the Borrower.

(j) On the date that is ninety days after all of the Bonds shall have been Discharged, the Trustee shall pay all amounts remaining in the Rebate Fund to the Borrower free of any trust or lien.

Section 5.12. Non-Presentment of Bonds.

(a) If any Bonds shall not be presented for payment when the principal thereof shall become due, either at maturity, at the date fixed for redemption thereof, or otherwise, if funds sufficient to pay such Bonds shall have been made available to the Trustee for the benefit of the Owner or Owners thereof, all liability of the Issuer and the Borrower to the Owner or Owners thereof for the payment of such Bonds shall forthwith cease, determine, and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the Owner or Owners of such Bonds, who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his, her or their part under this Indenture or on, or with respect to, the Bonds.

(b) Any moneys so deposited with and held by the Trustee not so applied to the payment of Bonds, if any, within five years after the date on which the same shall have become due (or such earlier date as immediately precedes the date on which such funds would be required to escheat or be payable to the Commonwealth or any other governmental unit under any laws governing unclaimed funds) shall, upon the written request of the University, be paid by the Trustee to the University, and thereafter Bondholders shall be entitled to look only to the University for payment, and then only to the extent of the amount so repaid, and none of the Issuer, the Borrower, the Trustee, nor the University shall be liable for any interest thereon and shall not be regarded as a trustee of such money. If the University shall fail to make the aforementioned written request, the Trustee shall apply such moneys in accordance with applicable laws governing unclaimed funds.

Section 5.13. Moneys to Be Held in Trust. All moneys required to be deposited with or paid to the Trustee for the account of the Revenue Fund, the Bond Fund, the Redemption Fund, the Cost of Issuance Fund, the Construction Fund, the Debt Service Reserve Fund, the Repair and

Replacement Fund, the Insurance Fund, the Condemnation Fund, the Operations Contingency Fund, the Surplus Fund, or any other trust fund or reserve under any provision hereof shall be held by the Trustee, in trust and, with the exception of the Rebate Fund, shall, while held by the Trustee, constitute part of the Trust Estate and be subject to the trust created hereby and any lien or security interest granted with respect to the Trust Estate and shall be and remain entitled to the benefit and shall be subject to the security hereof for the benefit of the Owners of the Bonds. The Trustee hereby covenants that all moneys held in any Fund under this Indenture (other than the Rebate Fund) and any collateral securing such funds are a part of the Trust Estate, and that the rights and interests of the Bondholders in and to such moneys and collateral are and, subject to the provisions of Section 11.02 hereof with respect to the payment of the fees and expenses of the Trustee, shall be superior to the claims of the creditors and depositors of the Trustee.

Section 5.14. Amounts Remaining in Funds and Accounts. Subject to the provisions of Section 5.12 hereof, any amounts remaining in the Revenue Fund, the Bond Fund, the Redemption Fund, the Cost of Issuance Fund, the Construction Fund, the Debt Service Reserve Fund, the Repair and Replacement Fund, the Insurance Fund, the Condemnation Fund, the Operations Contingency Fund, the Surplus Fund, or any other Fund, Account, or reserve created under this Indenture, with the exception of the Rebate Fund, after payment in full of the Debt Service Payments on the Bonds (or provision for payment thereof as provided in this Indenture), the fees, charges, and expenses of the Trustee, any paying agents, and the Issuer, the amounts required to be paid to the United States pursuant to the Loan Agreement, and all other amounts required to be paid hereunder, shall be promptly paid to the University as the final payment of rent due under the Ground Lease.

Section 5.15. Payment Procedure Pursuant to the Series 2026 Bond Insurance Policies. Notwithstanding anything herein to the contrary, as long as either Series 2026 Bond Insurance Policy shall be in full force and effect and no Series 2026 Bond Insurer Default shall have occurred and be continuing, the Issuer and the Trustee agree to comply with the following provisions with respect to the Series 2026 Bond Insurance Policies; provided, however, that to the extent that the Series 2026 Bond Insurer has made any payment of principal of or interest on the Series 2026A Bonds or the 2026B Bonds, it shall retain its rights of subrogation hereunder and under the relevant Series 2026 Bond Insurance Policy.

(a) If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Trustee, after making all transfers and deposits required under this Indenture, moneys sufficient to pay the principal of and interest on the Series 2026A Bonds and/or the Series 2026B Bonds due on such Payment Date, the Trustee shall give notice to the Series 2026 Bond Insurer and to its designated agent (if any) (the "Series 2026 Bond Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Series 2026A Bonds and/or the Series 2026B Bonds due on such Payment Date, the Trustee shall make a claim under the applicable Series 2026 Bond Insurance Policy and give notice to the Series 2026 Bond Insurer and the Series 2026 Bond Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the related Series 2026 Bonds and the amount required to pay principal of the related Series 2026 Bonds, confirmed in writing to the Series 2026

Bond Insurer and the Series 2026 Bond Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the applicable Series 2026 Bond Insurance Policy.

(b) The Trustee shall designate any portion of payment of principal on Series 2026A Bonds and/or Series 2026B Bonds paid by the Series 2026 Bond Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of such Series 2026 Bonds registered to the then current Bondowner, whether DTC or its nominee or otherwise, and shall issue a replacement Series 2026A Bond or Series 2026B Bond, as applicable, to the Series 2026 Bond Insurer, registered in the name of Assured Guaranty Inc., in a principal amount equal to the amount of principal of the Series 2026A Bonds and/or Series 2026B Bonds so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Series 2026A Bond or Series 2026B Bond, as applicable, shall have no effect on the amount of principal or interest payable by the Issuer on any Series 2026 Bond or the subrogation rights of the Series 2026 Bond Insurer.

(c) The Trustee shall keep a complete and accurate record of all funds deposited by the Series 2026 Bond Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal of any Series 2026A Bond or Series 2026B Bond. The Series 2026 Bond Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

(d) Upon payment of a claim under a Series 2026 Bond Insurance Policy, the Trustee shall establish a separate special purpose trust account referred to herein as the "Policy Payments Account" and create one or more separate subaccounts therein for the applicable Series 2026 Bonds for the benefit of the Owners of such Series 2026 Bonds and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under a Series 2026 Bond Insurance Policy in trust on behalf of Owners of Series 2026A Bonds or Series 2026B Bonds and shall deposit any such amount in the applicable subaccount of the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to applicable Owners of Series 2026A Bonds or Series 2026B Bonds, as applicable, in the same manner as principal and interest payments are to be made with respect to the related Series 2026 Bonds under the sections of this Indenture regarding payment of Series 2026A Bonds or Series 2026B Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything in this Indenture to the contrary, the Issuer agrees to pay, but solely from the Trust Estate and such other amounts made available therefor by the Borrower, to the Series 2026 Bond Insurer (i) a sum equal to the total of all amounts paid by the Series 2026 Bond Insurer under a Series 2026 Bond Insurance Policy (the "Series 2026 Bond Insurer Advances"); and (ii) interest on such Series 2026 Bond Insurer Advances from the date paid by the Series 2026 Bond Insurer until payment thereof in full, payable to the Series 2026 Bond Insurer at the Late Payment Rate per annum (collectively, the "Series 2026 Bond Insurer Reimbursement Amounts"). As used in this Section 5.15, "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in The City of New York, as its prime or base

lending rate (any change in such rate of interest to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the related Series 2026 Bonds under the applicable Series 2026 Bond Insurance Policy and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. The Issuer hereby covenants and agrees that the Series 2026 Bond Insurer Reimbursement Amounts are secured by a lien on and pledge of the General Revenues and payable from such General Revenues on a parity with debt service due on the applicable Series 2026 Bonds.

(e) Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. The Trustee shall notify the Series 2026 Bond Insurer of any funds remaining in the Policy Payments Account after the Trustee has made the payments for which a claim was made to the Owners of the applicable Series 2026 Bonds and shall, at the written direction of the Series 2026 Bond Insurer, promptly remit such funds remaining to the Series 2026 Bond Insurer.

(f) The Series 2026 Bond Insurer shall, to the extent it makes any payment of principal of or interest on the Series 2026 Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the applicable Series 2026 Bond Insurance Policy (which subrogation rights shall also include the rights of any such recipients in connection with any Insolvency Proceeding). Each obligation of the Issuer to the Series 2026 Bond Insurer under this Indenture shall survive discharge or termination of this Indenture.

(g) Amounts paid by the Series 2026 Bond Insurer under a Series 2026 Bond Insurance Policy shall not be deemed paid for purposes hereof and the Series 2026 Bonds relating to such payments shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the terms hereof. This Indenture shall not be discharged unless all amounts due or to become due to the Series 2026 Bond Insurer have been paid in full or duly provided for.

(h) The Series 2026 Bond Insurer shall be entitled to pay principal or interest on the Series 2026 Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Series 2026 Bond Insurance Policies) and any amounts due on the Series 2026 Bonds as a result of acceleration of the maturity thereof in accordance with this Indenture, whether or not the Series 2026 Bond Insurer has received a Notice of Nonpayment (as such terms are defined in the Series 2026 Bond Insurance Policies) or a claim upon a Series 2026 Bond Insurance Policy.

Section 5.16. Duties Regarding the Series 2026 Reserve Policies. Notwithstanding anything in this Indenture to the contrary, as long as either Series 2026 Reserve Policy is in force and effect and no Series 2026 Bond Insurer Default exists regarding the Series 2026 Reserve Policies, the Issuer and the Trustee agree to comply with the following payment procedures with respect to the Series 2026 Reserve Policies; provided, however, that the Series 2026 Bond Insurer shall retain its rights of reimbursement to the extent that it has previously made any payment under the relevant Series 2026 Reserve Policy:

(a) The Issuer shall repay in accordance with Section 5.01 hereof any draws under the Series 2026 Reserve Policies and pay all related reasonable expenses incurred by the Series 2026

Bond Insurer and shall pay interest thereon from the date of payment by the Series 2026 Bond Insurer until repaid at the Late Payment Rate. As used in this Section 5.16, "Late Payment Rate" means the lesser of (i) the greater of (A) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 5%, and (B) 12%, and (ii) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 360 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Series 2026 Bond Insurer shall specify. If the interest provisions of this subsection (a) will result in an effective rate of interest which, for any period, exceeds the limit of the usury or any other laws applicable to the indebtedness created herein, then all sums in excess of those lawfully collectible as interest for the period in question will, without further agreement or notice between or by any party hereto, be applied as additional interest for any later periods of time when amounts are outstanding hereunder to the extent that interest otherwise due hereunder for such periods plus such additional interest would not exceed the interest would not exceed the limit of the usury or such other laws, and any excess will be applied upon principal immediately upon receipt of such moneys by the Series 2026 Bond Insurer, with the same force and effect as if the Issuer had specifically designated such extra sums to be so applied and the Series 2026 Bond Insurer had agreed to accept such extra payment(s) as additional interest for such later periods. In no event will any agreed-to or actual exaction as consideration for the indebtedness created herein exceed the limits imposed or provided by the law applicable to this transaction for the use or detention of money or for forbearance in seeking its collection.

(b) The obligation to repay draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Series 2026 Reserve Policy Costs") will commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the Series 2026 Reserve Policy Costs related to such draw.

(c) Amounts in respect of Series 2026 Reserve Policy Costs paid to the Series 2026 Bond Insurer will be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Series 2026 Bond Insurer on account of principal due, the coverage under the Series 2026 Reserve Policies will be increased by a like amount, subject to the terms of the Series 2026 Reserve Policies. The obligation to pay Series 2026 Reserve Policy Costs is secured by a valid lien on the General Revenues (subject only to the priority of payment provisions set forth under this Indenture).

(d) All cash and investments in the 2026A Account and the 2026B Account of the Debt Service Reserve Fund, if any, shall be transferred to Bond Fund for payment of debt service on the respective series of Outstanding Series 2026 Bonds before any drawing may be made on the Series 2026 Reserve Policies or any other Reserve Policy credited to the 2026 Account and the 2026B Account in the Debt Service Reserve Fund in lieu of cash. Payment of any Series 2026 Reserve Policy Costs will be made prior to replenishment of any such cash amounts. Draws on all Reserve Policies (including the Series 2026 Reserve Policies) on which there is available coverage will be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the 2026A Account and 2026B Account of the Debt

Service Reserve Fund. Payment of Series 2026 Reserve Policy Costs and reimbursement of amounts with respect to other Reserve Policies will be made on a pro-rata basis prior to replenishment of any cash drawn from the 2026A Account and the 2026B Account of the Debt Service Reserve Fund. For the avoidance of doubt, “available coverage” means the coverage then available for disbursement pursuant to the terms of the applicable alternative Reserve Policy without regard to the legal or financial ability or willingness of the provider of such instrument to honor a claim or draw thereon or the failure of such provider to honor any such claim or draw.

(e) If the Issuer fails to pay any Series 2026 Reserve Policy Costs in accordance with the requirements of this Section, the Series 2026 Bond Insurer will be entitled to exercise any and all legal and equitable remedies available to it, including those provided under this Indenture other than (A) acceleration of the maturity of the Bonds or (B) remedies which would adversely affect Owners of the Bonds.

(f) This Indenture will not be discharged until all Series 2026 Reserve Policy Costs owing to the Series 2026 Bond Insurer have been paid in full. The Issuer’s obligation to pay such amounts will expressly survive payment in full of the Series 2026 Bonds.

(g) The calculation of Fixed Charges for purposes of the Additional Bonds test in Section 2.11 hereof and the rate covenant in Section 8.06 of the Loan Agreement shall include any Series 2026 Reserve Policy Costs then due and owing the Series 2026 Bond Insurer.

(h) The Trustee will ascertain the necessity for a claim upon the Series 2026 Reserve Policies in accordance with the provisions of subsection (d) hereof and provide notice to the Series 2026 Bond Insurer in accordance with the terms of the Series 2026 Reserve Policies at least five Business Days prior to each date upon which interest or principal is due on the Series 2026 Bonds. Where deposits are required to be made by the Issuer with the Trustee to the Senior Bond Fund more often than semi-annually, the Trustee will give notice to the Series 2026 Bond Insurer of any failure of the Borrower to make timely payment in full of such deposits within two Business Days of the date due.

Section 5.17. Series 2026A Bond Insurer Installment Premium. The Issuer hereby agrees to pay the Series 2026 Bond Insurer, which payment obligation shall be payable pursuant to Section 5.01(b) hereof to the extent monies are available therefor hereunder, the annual premiums and other amounts due under the terms of the Series 2026A Premium Letter (the “Series 2026A Bond Insurer Installment Premium”). To the extent that any payment of the Series 2026A Bond Insurer Installment Premium is not paid when due, interest shall accrue on such unpaid amounts from the date such amount is due until the date the Series 2026 Bond Insurer is paid in full at a rate equal to the Late Payment Rate (as defined in Section 5.15(d) hereof). The amounts payable hereunder shall be non-refundable for any reason whatsoever, including the lack of any payment under the Series 2026 Bond Insurance Policies or any other circumstances relating to the Series 2026 Bonds, or provision being made by refunding or defeasance escrow for payment of the Series 2026 Bonds prior to maturity.

ARTICLE VI CUSTODY AND APPLICATION OF PROCEEDS OF THE BONDS

Section 6.01. Application of Proceeds of Series 2026 Bonds. Upon the issuance and delivery of the Series 2026 Bonds, the Trustee shall deposit the net proceeds thereof, plus an original issue premium of \$[_____] and an original issue discount of \$[_____] and net of an underwriter's discount of \$[_____] and the upfront premiums for the Series 2026 Bond Insurance Policies and the Series 2026 Reserve Policies, which will be separately wired to the Series 2026 Bond Insurer by the Underwriter for the benefit of the Borrower, in the aggregate amount of \$[_____] , as follows:

(a) there shall be deposited into the Bond Fund the sum of \$[_____] as Capitalized Interest (which shall be placed in the 2026A CI Subaccount of the Capitalized Interest Account of the Bond Fund);

(b) there shall be deposited into the Bond Fund the sum of \$[_____] as Capitalized Interest (which shall be placed in the 2026B CI Subaccount of the Capitalized Interest Account of the Bond Fund);

(c) there shall be deposited into the 2026A New Construction Account of the Construction Fund the sum of \$[_____] ;

(d) there shall be deposited into the 2026B New Construction Account of the Construction Fund the sum of \$[_____] ;

(e) there shall be deposited into the 2026A Renovation Account of the Construction Fund the sum of \$[_____] ;

(f) there shall be deposited into the 2026B Renovation Account of the Construction Fund the sum of \$[_____] ;

(g) there shall be deposited into the 2026A Acquisition Account of the Construction Fund the sum of \$[_____] ;

(h) there shall be deposited into the 2026B Acquisition Account of the Construction Fund the sum of \$[_____] ;

(i) there shall be deposited into the 2026A Account of the Cost of Issuance Fund the sum of \$[_____] ; and

(j) there shall be deposited into the 2026B Account of the Cost of Issuance Fund the sum of \$[_____] .

The Trustee will deposit the Series 2026 Reserve Policies to the credit of the 2026A Account and the 2026B Account of the Debt Service Reserve Fund on and as of the Closing Date.

ARTICLE VII INVESTMENTS

Section 7.01. Investment of Funds and Accounts.

(a) Subject to Article IX hereof, any moneys held by the Trustee as part of the Revenue Fund, the Bond Fund (except moneys in the Defeasance Account), the Redemption Fund, the Cost of Issuance Fund, the Construction Fund, the Debt Service Reserve Fund, the Repair and Replacement Fund, the Insurance Fund, the Condemnation Fund, the Operations Contingency Fund, the Surplus Fund, the Rebate Fund, reserves in connection with contested liens, or other special trust funds created under this Indenture, shall be invested and reinvested by the Trustee, at the written direction of (or oral direction, confirmed in writing), and as specified by, the Authorized Borrower Representative in accordance with the provisions of Section 4.07 of the Loan Agreement. In the absence of any such written instruction to the Trustee, such amounts shall be invested in the Morgan Stanley Institutional Liquidity Funds Government Portfolio CUSIP MVVXX 61747C80. Any such investments shall be held by or under the control of the Trustee and shall be deemed at all times a part of the Revenue Fund, the Bond Fund, the Redemption Fund, the Cost of Issuance Fund, the Construction Fund, the Debt Service Reserve Fund, the Repair and Replacement Fund, the Insurance Fund, the Condemnation Fund, the Operations Contingency Fund, the Surplus Fund, the Rebate Fund, reserve, other special trust fund or other Funds or Accounts, as the case may be, and the interest accruing thereon and any profit realized from such investments shall be credited as set forth in Section 7.02 hereof, and any loss resulting from such investments shall be charged to such Fund or Account. The Trustee is directed to sell and reduce to cash funds a sufficient amount of such investments whenever the cash balance in any Fund or Account is insufficient for the uses prescribed for moneys held in such Fund or Account. The Trustee may transfer investments from any Fund or Account to any other Fund or Account in lieu of cash when required or permitted by the provisions hereof. The Trustee shall value the investments held in each Account of the Debt Service Reserve Fund as of the close of business on each Valuation Date and shall promptly deliver copies of such valuation to the Issuer, the Borrower, and the University if the value is less than the related Debt Service Reserve Requirement. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof. The Trustee shall not be liable for any depreciation in the Value of any obligations in which moneys of Funds or Accounts shall be invested or sold, as aforesaid, or for any loss arising from any investment or sale. Such investments shall be made only as follows:

(i) moneys in the Revenue Fund, the Cost of Issuance Fund, the Construction Fund, the Repair and Replacement Fund, the Operations Contingency Fund, the Surplus Fund, the Rebate Fund, and any other Funds or Accounts (other than as described in clauses (ii) through (v) below) only in Permitted Investments maturing or redeemable at the option of the holder in such amounts and on such dates as may be necessary to provide moneys to meet the payments from each such respective Fund or Account as may be specified, for Funds and Accounts held by the Trustee, by the Authorized Borrower Representative;

(ii) moneys in the Bond Fund only in Permitted Investments maturing or redeemable at the option of the holder not later than the immediately succeeding Bond Payment Date;

(iii) moneys in the Redemption Fund only in Permitted Investments maturing or redeemable at the option of the holder not later than the immediately succeeding Bond Payment Date, subject to the requirements of the Tax Agreement;

ARTICLE IX DISCHARGE OF LIEN

Section 9.01. Discharge; Release of Indenture.

(a) When (i) any Bond shall have become due and payable in accordance with the terms thereof or otherwise as provided in this Indenture, the whole amount of the Debt Service Payments so due and payable on such Bond shall be paid, (ii) if the Bond shall not have become due and payable in accordance with the terms thereof, the Trustee shall hold sufficient Defeasance Obligations, the principal of and the interest on which, when due and payable, will provide sufficient money to pay the Debt Service Payments on such Bond to the maturity date of such Bond or to the date specified for the redemption thereof and the Issuer shall cause to be delivered to the Trustee a verification or other appropriate report to such effect issued by an Accountant, (iii) if such Bond is to be called for redemption, irrevocable instructions to call such Bond for redemption shall have been given by the Issuer to the Trustee, and (iv) sufficient funds shall also have been provided or provision shall have been made for paying all other obligations payable hereunder with respect thereto by the Issuer and the Trustee, including any Rebate Amount, then and in that case, the right, title, and interest of the Trustee in the Funds and Accounts, if any, established with respect to such Bond shall then cease, determine, and become void and, on demand of the Issuer and on being furnished with an opinion, in form and substance satisfactory to the Trustee, of counsel approved by the Trustee, to the effect that all conditions precedent to the release of this Indenture or that portion, if any, of the Trust Estate relating to such Bond shall have been satisfied, the Trustee shall release

this Indenture or that portion, if any, of the Trust Estate relating to such Bond and shall execute such documents to evidence such release as may be reasonably required by the Issuer and shall transfer to the University any surplus in, and all balances remaining in, all such Funds and Accounts.

(b) Otherwise, this Indenture shall continue and remain in full force and effect; but if Defeasance Obligations shall be deposited with and held by the Trustee as hereinabove provided, (i) in addition to the requirements set forth in Article III hereof but not as a condition to defeasance, the Trustee, within thirty days after such Defeasance Obligations shall have been deposited with it, shall cause a notice signed by the Trustee to be mailed, postage prepaid, to all Owners of Bonds to be paid or redeemed, setting forth (A) the date or dates, if any, designated for the redemption of such Bonds, (B) a description of the Defeasance Obligations so held by it, and (C) that this Indenture or that portion, if any, of the Trust Estate relating to such series of Bonds has been released in accordance with the provisions of this Section, and (ii) the Trustee shall nevertheless retain such rights, powers, and privileges under this Indenture as may be necessary and convenient in respect of such Bonds (A) for the payment of the Debt Service Payments for which such Defeasance Obligations have been deposited, and (B) for the registration, transfer, and exchange of such Bonds.

(c) All money and Defeasance Obligations held by the Trustee under this Section shall be held in trust and applied to the payment, when due, of the obligations payable therewith.

(d) Anything in Article XII hereof to the contrary notwithstanding, if such moneys or Defeasance Obligations shall have been deposited or set aside with the Trustee pursuant to this Article for the payment of the Debt Service Payments on a Bond, but shall not have in fact been actually paid in full, no amendment to the provisions of this Article shall be made without the consent of the Owner of each Bond affected thereby.

(f) To defease all or a part of the Series 2026 Bonds, the Issuer or the Trustee will cause to be delivered to the Series 2026 Bond Insurer (i) a report of an independent firm of nationally recognized verification agents or such other accountant as is acceptable to the Series 2026 Bond Insurer, verifying the sufficiency of the escrow established to pay such Series 2026 Bonds in full on maturity or earlier redemption date; (ii) an escrow deposit agreement in form and substance acceptable to the Series 2026 Bond Insurer; (iii) an opinion of nationally recognized bond counsel to the effect that such Series 2026 Bonds are no longer Outstanding under this Indenture; and (iv) a certificate of discharge of the Trustee with respect to such Series 2026 Bonds; each verification report and defeasance opinion will be acceptable in form and substance, and addressed, to the Issuer, the Borrower, the Trustee and the Series 2026 Bond Insurer. The Series 2026 Bond Insurer will also be provided with the final drafts of the above referenced documentation not less than five Business Days prior to the funding of the escrow and notice of the principal amounts, maturities and CUSIP numbers of the Series 2026 Bonds being defeased.

ARTICLE X

DEFAULT PROVISIONS AND REMEDIES OF THE TRUSTEE AND THE BONDHOLDERS

Section 10.01. Events of Default. Each of the following events is hereby declared an Event of Default under this Indenture:

(a) payment of any installment of interest on any Bond shall not be made by or on behalf of the Issuer when the same shall become due and payable (a payment by a Bond Insurer under a Bond Insurance Policy will not be considered a payment by or on behalf of the Borrower for such purposes);

(b) payment of the principal of any Bond shall not be made by or on behalf of the Issuer when the same shall become due and payable, whether at maturity or by proceedings for redemption or pursuant to a Sinking Fund Requirement or otherwise (a payment by a Bond Insurer under a Bond Insurance Policy will not be considered a payment by or on behalf of the Borrower for such purposes);

(c) the failure to perform in a punctual manner any other of the covenants, conditions, agreements or provisions contained in this Indenture or any agreement supplemental hereto and the continuation of such failure for thirty days after receipt by the Issuer of a written notice from the Trustee or a Bond Insurer specifying such failure and requiring the same to be remedied, provided, however, that if such performance requires work to be done, action to be taken or conditions to be remedied that by their nature cannot reasonably be done, taken or remedied, as the case may be, within such thirty day period, no Event of Default shall be deemed to have occurred or to exist if, and so long as, the Issuer shall begin such performance within such period and shall diligently and continuously prosecute the same to completion and each Bond Insurer has consented to such extension in writing; or

(d) an "Event of Default," event of default, or other material breach, shall have occurred in respect to the Borrower's obligations under any of the other Financing Documents other than the Continuing Disclosure Agreement.

Section 10.02. Acceleration of Maturities. On the happening and continuance of any Event of Default under Section 10.01(a) or (b) hereof, the Trustee may, and, on the written request of a Majority of the Bondholders, shall, by notice in writing to the Issuer, the Borrower, each Bond Insurer, and, if the Trustee is not the Dissemination Agent, the Dissemination Agent, declare the principal of all Bonds then Outstanding (if not then due and payable) to be due and payable immediately, and on such declaration, the same shall become and be immediately due and payable. Upon the happening and continuance of any Event of Default under Section 10.01(c) or (d) hereof, the Trustee shall, on the written request of a Majority of the Bondholders, by notice in writing to the Issuer, the Borrower, each Bond Insurer, and, if the Trustee is not the Dissemination Agent, the Dissemination Agent, declare the principal of all Bonds then Outstanding (if not then due and payable) to be due and payable immediately, and on such declaration, the same shall become and be immediately due and payable. Upon such declaration, interest on the Bonds shall cease to accrue and the Trustee shall promptly notify the Owners of the Bonds of such declaration and that interest on the Bonds shall have ceased to accrue on and as of the date of such declaration. If at any time after the principal of the Bonds shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action, or proceeding instituted on account of such Event of Default, or before the completion of the enforcement of any other remedy under this Indenture, money shall have accumulated in the Bond Fund sufficient to pay the principal of all matured Bonds and all arrears of interest, if any, on all Bonds then Outstanding (except the principal of any Bonds

not then due and payable by their terms and the interest accrued on such Bonds since the last Interest Payment Date), and the charges, compensations, expenses, disbursements, advances, and liabilities of the Trustee and all other amounts then payable by the Issuer hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Trustee, and every other failure known to the Trustee in the observance or performance of any covenant, condition, or agreement contained in the Bonds, in this Indenture (other than a failure to pay the principal of such Bonds then due only because of a declaration under this Section), and in the other Bond Documents shall have been remedied to the satisfaction of the Trustee, then, and in every such case, the Trustee may, and on the written request of the Owners of not less than 25% in aggregate principal amount of the Outstanding Bonds not then due and payable by their terms (Bonds then due and payable only because of a declaration under this Section will not be deemed to be due and payable by their terms) shall, by written notice to the Issuer, the Borrower, each Bond Insurer, the Owners of the Bonds, and, if the Trustee is not the Dissemination Agent, the Dissemination Agent, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon. Upon any declaration of acceleration hereunder, the Trustee shall immediately proceed to exercise such rights as it may have under the Loan Agreement to declare all payments thereunder to be immediately due and payable.

Notwithstanding anything to the contrary above, the maturity of the Series 2026 Bonds shall not be accelerated without the consent of the Series 2026 Bond Insurer and in such event, the Series 2026 Bond Insurer may elect, in its sole discretion, to pay accelerated principal and interest accrued, on such principal to the acceleration date (to the extent unpaid by the Issuer), and the Trustee is required to accept such amounts. Upon payment of such accelerated principal and interest accrued to the acceleration date as provided above, the Series 2026 Bond Insurer's obligations under the Series 2026 Bond Insurance Policies for such Series 2026 Bonds will be fully discharged.

Section 10.03. Trustee May Bring Suit. Upon the happening and continuance of any Event of Default, then and in every such case the Trustee may, and on the written request of a Majority of the Bondholders shall, proceed, subject to the provisions of Section 10.06, Section 10.13, and Section 11.14 hereof, to protect and enforce its rights and the rights of the Owners under the laws of the Commonwealth under this Indenture, the other Security Documents, and the Notes by such suits, actions, or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for the specific performance of any covenant, condition, or agreement contained herein or in the other Security Documents or the Notes or in aid or execution of any power herein granted or for the enforcement of any proper legal or equitable remedy, as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights.

Section 10.04. Application of Funds.

(a) All money received by the Trustee pursuant to any right given or action taken under this Indenture (other than amounts held in the Rebate Fund) shall, after payment of the costs and expenses of the proceedings resulting in the collection of such money and the fees and expenses of the Trustee, be deposited in the Bond Fund and applied to the payment of the Debt Service Payments then due and unpaid in accordance with the provisions of this Indenture. Anything in this Indenture to the contrary notwithstanding, if at any time the money in the Bond Fund shall not be sufficient to pay the interest on or the principal of the Bonds as the same shall become due and payable (either

by their terms or by acceleration of maturities under the provisions of Section 10.02 hereof), such money, together with any money then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article or otherwise, shall be applied as follows:

(i) if the principal of all Bonds shall not have become or shall not have been declared due and payable, all such money shall be applied as follows:

FIRST: to the payment to the persons entitled thereto of all installments of interest on Bonds then due and payable in the order in which such installments became due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment, ratably according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the respective rates of interest specified in such Bonds;

SECOND: to the payment to the persons entitled thereto of the unpaid principal of any Bonds that shall have become due and payable (other than Bonds deemed to have been paid under Article IX hereof), in the order of their due dates, and, if the amount available shall not be sufficient to pay in full the principal of Bonds due and payable on any particular date, then to the payment ratably according to the amount of such principal due on such date, to the persons entitled thereto without any discrimination or preference;

THIRD: to the payment of the interest on and the principal of Bonds, to the purchase and retirement of Bonds, and to the redemption of Bonds, all in accordance with this Indenture; and

FOURTH: to the payment, first, of any unpaid Bond Insurer Installment Premium and, second, of any other amounts owing to each Bond Insurer to the extent not paid under FIRST, SECOND and THIRD above; provided that, in the case such proceeds shall be insufficient to pay in full the whole amount so due and unpaid, then to the payment of such amounts due, without any preference or priority, ratably according to the aggregate amount so due;

(ii) if the principal of all Bonds shall have become or shall have been declared due and payable, all such money shall be applied to the payment of principal and interest then due on the Bonds, without preference or priority of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference; and

(iii) if the principal of all Bonds shall have been declared due and payable and if such declaration thereafter shall have been rescinded and annulled under Section 10.02 hereof, then, subject to Section 10.04(a)(ii) hereof, if the principal of all Bonds shall later become due and payable or shall be declared due and payable, the money then remaining in

and thereafter accruing to the Bond Fund shall be applied in accordance with Section 10.04(a)(i) hereof.

(b) Whenever money is to be applied by the Trustee under this Section, the Trustee shall apply such money at such times and from time to time, as the Trustee in its sole discretion shall determine, having due regard for the amount of such money available for such application and the likelihood of additional money becoming available for such application in the future; the setting aside of such money, in trust for the proper purpose, constitutes proper application by the Trustee, and the Trustee shall incur no liability whatsoever to the Issuer, the Borrower and any Owner or to any other person for any delay in applying any such money so long as the Trustee shall act with reasonable diligence, having due regard for the circumstances, and ultimately shall apply the same in accordance with such provisions of this Indenture as may be applicable at the time of application by the Trustee. Whenever the Trustee shall exercise such discretion in applying such money, it shall set the date (which must be an Interest Payment Date unless the Trustee shall deem another date more suitable) on which such application is to be made. The Trustee shall give notice by first class mail, postage prepaid, to all Owners of the setting of any such date and shall not be required to make payment to the Owner of any Bonds until such Bonds are surrendered to the Trustee for cancellation if fully paid.

Section 10.05. Effect of Discontinuance of Proceedings. If any proceeding taken by the Trustee or the Owners on account of any Event of Default shall have been discontinued or abandoned for any reason, then, and in every such case, the Issuer, the Trustee and the Owners shall be restored to their former positions and rights hereunder and under the other Security Documents, respectively, and all rights, remedies, powers, and duties of the Trustee shall continue as though no proceeding had been taken.

Section 10.06. Control of Proceedings by a Majority of the Bondholders. Anything in this Indenture to the contrary notwithstanding, a Majority of the Bondholders shall have the right, subject to Section 11.14 hereof, by an instrument or concurrent instruments in writing executed and delivered to the Trustee, (a) to direct the time, method and place of conducting all remedial proceedings to be taken by the Trustee hereunder or under any other Security Document, if such direction is in accordance with law and this Indenture, and (b) to approve any consent, approval, or waiver requested to be given by the Trustee hereunder.

Section 10.07. Restrictions upon Actions by Individual Owners. Except as provided in Section 10.13 hereof, no Owner shall have any right to institute any suit, action, or proceeding in equity or at law on any Bond or for the execution of any trust hereunder or for any other remedy hereunder unless the Issuer or the Owners of not less than 25% in aggregate principal amount of Bonds then Outstanding previously shall have given to the Trustee written notice of the Event of Default on account of which such suit, action or proceeding is to be instituted, and unless also the Issuer or the Owners shall have made a written request of the Trustee after the right to exercise such powers or right of action, as the case may be, shall have accrued, and shall have afforded the Trustee a reasonable opportunity either to proceed to exercise the powers hereinabove granted or to institute such action, suit, or proceedings in its or their name, and unless, also, there has been offered to the Trustee reasonable security and indemnity against the costs, expenses, and liabilities to be incurred therein or thereby, and the Trustee shall have refused or neglected to comply with such request within

a reasonable time. Such notification, request, and offer of indemnity are hereby declared in every such case, at the option of the Trustee, to be conditions precedent to the execution of the powers and trusts of this Indenture or to any other remedy hereunder. Notwithstanding the foregoing provisions of this Section and without complying therewith, the Owners of not less than 25% in aggregate principal amount of Bonds then Outstanding may institute any such suit, action, or proceeding in their own names for the benefit of all Owners hereunder. It is understood and intended that, except as otherwise above provided, no one or more Owners have any right in any manner whatsoever by his, her, its, or their action to affect, disturb, or prejudice the security of this Indenture, or to enforce any right hereunder except in the manner provided, that all proceedings at law or in equity shall be instituted, had, and maintained in the manner herein provided and for the benefit of all Owners and that any individual rights of action or other right given to one or more of such Owners by law are restricted by this Indenture to the rights and remedies herein provided.

Section 10.08. Appointment of Receiver. On the occurrence of an Event of Default and on the filing of a suit or other commencement of judicial proceedings to enforce the rights of the Trustee and of the Owners under this Indenture, the Trustee is entitled as a matter of right to the appointment of a receiver or receivers of the amounts payable under the Loan Agreement and the Notes as assigned to the Trustee under this Indenture, pending such proceedings, with such powers as the court making such appointments shall confer, whether or not any such amounts is sufficient ultimately to satisfy the Bonds then Outstanding hereunder.

Section 10.09. Enforcement of Rights of Action. All rights of action (including the right to file proof of claim) under this Indenture or under any Bonds may be enforced by the Trustee without the possession of any Bonds or the production thereof in any proceedings relating thereto, and any such suit or proceedings instituted by the Trustee must be brought in its name as Trustee, without the necessity of joining as plaintiffs or defendants any Owners hereby secured, and any recovery of judgment shall be for the equal benefit of the Owners.

Section 10.10. No Remedy Exclusive. No remedy herein conferred on or reserved to the Trustee or the Owners is intended to be exclusive of any other remedy or remedies herein provided, and each and every such remedy is cumulative and in addition to every other remedy given hereunder or now or hereafter existing at law or in equity.

Section 10.11. Waivers. No delay or omission by the Trustee or any Owner in the exercise of any right or power accruing on any Event of Default shall impair any such right or power or shall be construed to be a waiver of any Event of Default or any acquiescence therein; and every power or remedy given by this Indenture to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

Section 10.12. Notice of Events of Default.

(a) The Trustee shall mail to the Issuer, each Bond Insurer, all Owners and the Borrower written notice of the occurrence of any Event of Default set forth in Section 10.01 hereof within thirty days after the Trustee shall, under Section 11.01(h) hereof, be deemed to have notice that any Event of Default has occurred.

(b) The Trustee shall mail to the Issuer and the Borrower (i) notice of any Event of Default described in Section 10.01(a), (b), or (c) hereof promptly on occurrence of such default, and (ii) notice of any other Event of Default known to the Trustee within fifteen days of the Trustee's knowledge thereof.

Section 10.13. Right to Enforce Payment of the Bonds Unimpaired. Nothing in this Article shall affect or impair the right of any Owner to enforce the payment of the Debt Service Payments on his, her, or its Bond or the obligation of the Issuer to pay the Debt Service Payments on each Bond to the Owner thereof at the time and place in the Bond expressed.

ARTICLE XI THE TRUSTEE

Section 11.01. Acceptance of the Trusts. The Trustee hereby accepts the trusts imposed upon it by this Indenture, represents and covenants that it is fully empowered under applicable laws and regulations to accept such trusts, and agrees to perform such trusts, but only upon and subject to the following express terms and conditions, and no implied covenants or obligations shall be read into this Indenture against the Trustee:

(a) The Trustee, before the occurrence of an Event of Default of which it is deemed to have knowledge under paragraph (h) below and after the waiving or curing of all Events of Default of which it is deemed to have knowledge under paragraph (h) below that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth herein. In case an Event of Default of which it is deemed to have knowledge under paragraph (h) below shall have occurred (which shall not have been cured or waived), the Trustee shall exercise such of the rights and powers vested in it by this Indenture and the other Security Documents, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(b) The Trustee may execute any of the trusts or powers hereunder and perform any of its duties by or through attorneys, accountants, agents, receivers or employees, and shall not be responsible for the acts of any attorneys, accountants, agents or receivers appointed by it in good faith and without gross negligence, and shall be entitled to advice of counsel concerning all matters of trusts hereof and the duties hereunder and may in all cases pay such reasonable compensation to all such attorneys, accountants, agents, receivers and employees as may be reasonably employed in connection with the trusts hereof. The Trustee may act upon the opinion or advice of any attorneys (who may be the attorney or attorneys for the Issuer or the Borrower) approved by the Trustee in the exercise of reasonable care. The Trustee shall not be responsible for any loss or damage resulting from any action or non-action taken in good faith in reliance upon such opinion or advice.

(c) The Trustee shall not be responsible for any recital contained herein or in the Bonds (except in respect to the authentication certificate of the Trustee endorsed on the Bonds) or for insuring the property conveyed hereby or for collecting any insurance moneys or for the validity of the execution by the Issuer hereof or any Supplemental Indentures hereto or instruments of further assurance or for the validity or sufficiency of the Security for the

Bonds issued hereunder or intended to be secured hereby or for the value or title of the property conveyed hereby or otherwise as to the maintenance of the security hereof; except that in the event the Trustee enters into possession of a part or all of the property conveyed hereby pursuant to any provision hereof, it shall use the same degree of care and skill in the performance of its duties as a prudent person would exercise under the circumstances in the conduct of his or her own affairs in preserving such property. The Trustee shall have no duty to verify or investigate the accuracy of the recitations or figures provided in any requisition. The Trustee shall not be bound to ascertain or inquire as to the performance or observance of any covenants, conditions or agreements on the part of the Issuer or on the part of the Borrower under the Loan Agreement, the Borrower Documents, the Security Documents, or this Indenture except as herein expressly set forth. The Trustee shall perform all of the duties or obligations set forth for it under the Loan Agreement, but shall not be answerable for the performance of any such duty or obligation for other than its gross negligence or willful misconduct.

(d) The Trustee shall not be accountable for the use of the proceeds from the sale of the Bonds disbursed in accordance with the provisions of the Loan Agreement. The Trustee may become the Owner of Bonds secured hereby with the same rights that it would have if not Trustee.

(e) The Trustee shall be protected in acting (or refraining from acting) in good faith upon any notice, request, resolution, consent, certificate, judgment, decree, order, affidavit, letter, telegram, or other paper or document, or oral communication or direction (including any of the foregoing provided to it by Electronic Means), reasonably believed to be genuine and correct and to have been signed or sent or given by the proper person or persons. The Trustee shall be entitled to request and receive written instructions from the Issuer or the Borrower, as applicable, and shall have no responsibility or liability for any losses or damages of any nature that may arise from any action taken or not taken by the Trustee in accordance with the written direction of such party. The Trustee shall not unreasonably withhold its consent to, approval of, or action with respect to any reasonable request of the Borrower provided that the Borrower, if required by the Trustee, has provided the Trustee with security and indemnity, satisfactory to the Trustee in its sole discretion, against any costs, expenses, and liabilities to be incurred thereby. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who at the time of making such request or giving such authority or consent is the Owner of any Bond shall be conclusive and binding upon all future Owners of the same Bond and of any Bond or Bonds issued in exchange therefor or upon transfer of or in place thereof.

(f) As to the existence or nonexistence of any fact or as to the sufficiency or validity of any instrument, paper, or proceedings, the Trustee shall be entitled to rely upon a certificate signed on behalf of the Issuer by the Authorized Issuer Representative or by the Chair and attested by the Secretary of the Issuer and upon a certificate signed on behalf of the Borrower by the Authorized Borrower Representative or by the President of the Foundation as sufficient evidence of the facts therein contained and before the occurrence of an Event of Default of which the Trustee shall have been notified or of which it shall be deemed to have notice as provided in paragraph (h) below, shall also be at liberty to accept a

similar certificate to the effect that any particular dealing, transaction, or action is necessary or expedient, but may at its discretion secure such further evidence deemed necessary or advisable, but shall in no case be bound to secure the same. The Trustee may accept a certificate of the Secretary of the Issuer to the effect that a resolution in the form therein set forth has been adopted by the Issuer as conclusive evidence that such a resolution has been duly adopted and is in full force and effect.

(g) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable with respect to any such permissive right or liable for any acts or omissions except for such losses, damages, or expenses directly resulting from its gross negligence or willful misconduct.

(h) The Trustee shall not be required to take notice or be deemed to have notice of any failure on the part of the Issuer to comply with the terms hereof or any other Issuer Document or the Borrower to comply with the terms of the Loan Agreement or any other Borrower Document except:

(i) failure by the Issuer to cause to be made any of the payments to the Trustee required to be made by Article V hereof, and

(ii) failure by the Borrower to make any of the payments to the Trustee required to be made by Section 5.02 of the Loan Agreement,

unless the Trustee shall be specifically notified in writing of such failure by the Issuer or by a Majority of the Bondholders. All notices or other instruments required by this Indenture to be delivered to the Trustee must, in order to be effective, be delivered to a Responsible Officer at the Office of the Trustee, and in the absence of such notice so delivered the Trustee may conclusively assume there is no such failure to comply except as aforesaid. Notwithstanding any other provision of this Indenture, no right of the Trustee to indemnification shall relieve the Trustee from responsibility for making Debt Service Payments when due from money available to it or accelerating the Bonds as required pursuant to Section 10.02 hereof.

(i) The Trustee shall not be liable for any debts contracted or for damages to persons or to personal property injured or damaged or for salaries or nonfulfillment of contracts during any period in which it may be in the possession of or managing the Project as in this Indenture provided, other than for its gross negligence or willful misconduct.

(j) At any and all reasonable times the Trustee and its duly authorized agents, attorneys, experts, engineers, accountants, and representatives shall have the right, but shall not be required, to inspect any and all of the Project, including all books, papers, and records of the Issuer pertaining to the Project and the Bonds, and to take such memoranda from and in regard thereto as may be desired, subject to the limitations imposed upon such rights of inspection pursuant to Section 8.02 of the Loan Agreement.

(k) The Trustee shall not be required to give any bond or surety in respect of the execution of its trusts and powers hereunder or otherwise in respect of the premises hereof or to file any returns or reports to any court in the execution of its trusts.

(l) Notwithstanding anything elsewhere in this Indenture contained, the Trustee shall have the right, but shall not be required, to demand, in respect of the authentication of any Bonds, the withdrawal of any cash, the release of any property or the taking of any action whatsoever within the purview hereof, the delivery of any showings, certificates, opinions, appraisals, or other information, or corporate action or evidence thereof, in addition to that by the terms hereof required as a condition of any such action by the Trustee, deemed reasonably necessary for the purpose of establishing the right of the Issuer to the authentication of any Bonds, the withdrawal of any cash, the release of any property, or the taking or omitting of any other action by the Trustee.

(m) All moneys received by the Trustee or any paying agent shall, until used or applied or invested as herein provided, be held in trust for the purposes for which they were received but need not be segregated from other funds except to the extent required by law or by this Indenture. Neither the Trustee nor any paying agent shall be under any liability for interest on any moneys received hereunder except such as may be agreed upon.

(n) The Trustee may construe any provision hereof insofar as such may appear to it to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provision by the Trustee shall be binding upon the Bondholders and the Issuer.

(o) The Trustee shall not be liable and shall be fully protected with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of a Majority of the Bondholders relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred upon the Trustee under this Indenture.

(p) No provisions hereof shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of any of its rights or powers.

(q) The Trustee makes no representations as to (i) the value, condition, or sufficiency of any assets pledged or assigned as security for the Bonds; (ii) the right, title, or interest of the Issuer or the Borrower therein; (iii) the security provided thereby or by this Indenture, the other Bond Documents, or the Security Documents; (iv) the technical or financial feasibility of the Project; (v) the compliance of the Project with the Act; or (vi) the tax-exempt status of any Tax Exempt Bonds. The Trustee is not accountable for the use or application by the Borrower of any of the Bonds or the proceeds of the Bonds or for the use or application of any money paid over by the Trustee in accordance with any provision of this Indenture, the other Bond Documents, or the Security Documents. The Trustee shall have no duty to prepare or file any federal or state tax report or return with respect to any funds held hereunder or any income earned thereon.

(r) In no event shall the Trustee be responsible or liable for special, indirect, punitive, incidental, or consequential loss or damage of any kind whatsoever (including loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(s) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; quarantine restrictions; riots; interruptions, loss, or malfunctions of utilities, computers (hardware or software), or communications services; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility.

(t) The Trustee shall have no obligation to file, record, authorize, or obtain any financing statements, notices, instruments, documents, agreements, consents, or other papers as shall be necessary to (i) create, preserve, perfect, or validate the security interest granted to the Trustee pursuant to this Indenture or any other Security Documents, or (ii) enable the Trustee to exercise and enforce its rights hereunder or under any other Bond Documents with respect to such pledge and security interest; provided, however, that the Trustee will file UCC-3 continuation statements upon receipt of a written request therefor from the Borrower or the Issuer not more than sixty nor less than ten days before the date of the requested filing. In addition, the Trustee shall have no responsibility or liability (1) in connection with the acts or omissions of the Issuer or the Borrower in respect of the foregoing, or (2) for or with respect to the legality, validity, and enforceability of any security interest created in the such collateral or the perfection and priority of such security interest.

(u) The Trustee shall have no responsibility for any information in any official statement, offering memorandum, or other disclosure material distributed with respect to the Bonds and the Trustee shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(v) The Trustee's immunities and protections from liability and its right to compensation and indemnification in connection with the performance of its duties under this Indenture and the other Bond Documents, Security Documents, and Borrower Documents shall extend to the Trustee's officers, directors, agents, attorneys, and employees. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal and final payment of the Bonds.

(w) Any term of this Indenture or any other Bond Document, Security Document, or Borrower Document to the contrary notwithstanding, and notwithstanding an agreement of indemnity, the Trustee shall have no responsibility, obligation, or duty to enter upon, or otherwise take possession or control of, any property, or to take any other action that could constitute taking possession or control of any property, unless and until the Trustee shall be satisfied, in its sole discretion and determination, that neither it nor the trusts created hereby

shall incur, by reason of such action, any liability under any federal or state law for hazardous wastes, hazardous materials, or other environmental liabilities. If the Trustee shall believe it prudent or appropriate before taking any action with respect to possession or control of the property, the Trustee may contract for, at the expense of the trusts created hereby, an environmental inspection of such property.

(x) Whether or not expressly so provided, every provision of this Indenture and the other Bond Documents, Security Documents, or Borrower Documents relating to the conduct or affecting the liability of or affording protection of the Trustee is subject to the provisions of this Article.

Section 11.02. Fees, Charges, and Expenses of the Trustee. The Trustee shall be entitled to payment or reimbursement for reasonable fees for Ordinary Services of the Trustee rendered hereunder, and all advances, attorneys' fees, and other Ordinary Expenses of the Trustee reasonably made or incurred by the Trustee in connection with such Ordinary Services of the Trustee, and if the Trustee performs Extraordinary Services of the Trustee, it shall be entitled to reasonable extra compensation therefor and to reimbursement for reasonable Extraordinary Expenses of the Trustee in connection therewith; provided that if such Extraordinary Services of the Trustee or Extraordinary Expenses of the Trustee are the result of the gross negligence or willful misconduct of the Trustee, the Trustee shall not be entitled to compensation or reimbursement therefor. The Trustee shall be entitled to payment and reimbursement for the reasonable fees and charges of the Trustee as bond registrar and paying agent for the Bonds as hereinabove provided. Notwithstanding any other provision hereof or of the Loan Agreement to the contrary, upon the occurrence and continuation of an Event of Default, payments to the Trustee for services hereunder shall be superior to the payment of Debt Service Payments on the Bonds, and the Trustee shall have a first and prior lien on the Trust Estate for payment of its fees and expenses.

Section 11.03. Notice to Bondholders If Payment Default Occurs. If a failure to comply shall occur of which the Trustee is required to take notice pursuant to Section 11.01(h) hereof or if notice of a failure to comply shall be given as provided in Subsection 11.01(h) hereof, the Trustee shall give such notice to the Issuer as is specified in Section 10.12 hereof and shall give written notice thereof by first class mail, within fifteen days (unless such failure to comply shall have been cured or waived), to the Owners of all Bonds then Outstanding shown by the Bond Register, provided that, except in the case of a failure to make due and punctual payment of the Debt Service Payments on any Bond, the Trustee may withhold such notice to the Bondholders if and so long as the board of directors, the executive committee, or a trust committee of directors or responsible officers of the Trustee in good faith determine that the withholding of such notice is in the interests of the Bondholders.

Section 11.04. Intervention by the Trustee. The Trustee may intervene on behalf of Bondholders in any judicial proceeding to which the Borrower shall be a party and which, in the reasonable opinion of the Trustee and its counsel, shall have a substantial bearing on the interests of Owners of the Bonds and shall do so if requested in writing by the Owners of at least 25% in aggregate principal amount of all Bonds then Outstanding and the indemnity required by Section 11.14 hereof shall have been provided. The rights and obligations of the Trustee under this Section are subject to the approval of a court of competent jurisdiction.

Section 11.05. Successor Trustee. Any corporation or association into which the Trustee may be converted or merged, or with which it may be consolidated, or to which it may sell, lease, or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation or association resulting from any such conversion, sale, merger, consolidation or transfer to which it is a party, among other things, shall be and become successor trustee hereunder and vested with all of the title to the Trust Estate and all the trusts, powers, rights, obligations, duties, remedies, discretions, immunities, privileges, and all other matters as was its predecessor, without the execution or filing of any instruments or any further act, deed, or conveyance on the part of any of the parties hereto, anything herein to the contrary notwithstanding, provided however that such successor trustee meets the requirements of Section 11.08 hereof and provided further that notice of any successor trustee resulting from such conversion, sale, merger, consolidation, or transfer shall be provided to the Borrower, each Bond Insurer and the Issuer.

Section 11.06. Resignation by the Trustee. The Trustee and any successor trustee may at any time resign from the trusts hereby created by giving thirty days' written notice to the Issuer, to the Borrower, to each Bond Insurer, and, by first class (postage prepaid) mail, to each Bondholder shown on the Bond Register, and such resignation shall take effect at the appointment of a successor trustee pursuant to the provisions of Section 11.08 hereof and acceptance by the successor trustee of such trusts. Such notice to the Issuer and to the Borrower may be served personally or sent by registered or certified mail. If no successor trustee shall have been so appointed by the Bondholders pursuant to Section 11.08 hereof within thirty days after delivery of such notices, a temporary trustee may be appointed by the Issuer pursuant to Section 11.08 hereof. If no successor trustee shall have been appointed and shall have accepted appointment within thirty days of the giving of written notice by the resigning trustee as aforesaid, the resigning trustee may petition any court of competent jurisdiction for the appointment of a successor trustee. The Trustee's right to indemnity, the Trustee's rights to any unpaid amounts due to the Trustee, and the Trustee's rights to reimbursement of fees and expenses and any other amount due to the Trustee under Section 11.02 hereof shall survive the Trustee's resignation.

Section 11.07. Removal of the Trustee. The Trustee may be removed at any time (i) by the Issuer for any breach of the trusts set forth herein or any failure or refusal to act as trustee, (ii) by an instrument or concurrent instruments in writing delivered to the Trustee and to the Issuer and signed by a Majority of the Bondholders, or (iii) by an instrument in writing delivered to the Trustee and to the Issuer signed by the Borrower, provided that no Event of Default under this Indenture or the Loan Agreement shall have occurred and be continuing, and provided, further, that any removal without cause shall require at least thirty days' prior written notice to the Trustee. Removal of the Trustee shall not be effective until a successor or temporary Trustee shall have been appointed pursuant to Section 11.08 hereof and the Trustee shall have been paid for all Ordinary Services and Extraordinary Services of the Trustee rendered hereunder and for all Ordinary Expenses and Extraordinary Expenses of the Trustee incurred hereunder.

Section 11.08. Appointment of Successor Trustee. If the Trustee hereunder shall give notice of resignation or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public office or offices, or of a receiver appointed by a court, the Borrower may (to the extent that no Event of Default shall have occurred and be continuing under the Loan Agreement), with the

prior written consent of the Issuer, appoint a successor Trustee and shall confirm such appointment in writing delivered personally or sent by first class mail, postage prepaid, to the Issuer, the retiring Trustee and the successor Trustee.

If the Trustee shall give notice of resignation or be removed, or be dissolved, or shall be in the course of dissolution or liquidation, or otherwise become incapable of acting hereunder, or in case it shall be taken under the control of any public office or offices, or of a receiver appointed by a court, to the extent that an "Event of Default" shall have occurred and be continuing under the Loan Agreement, a successor may be appointed by the owners of a majority in aggregate principal amount of Bonds then outstanding, by an instrument or concurrent instruments in writing signed by such owners, or by their duly authorized attorneys in fact, a copy of which shall be delivered personally or sent by first class mail, postage prepaid, to the Issuer, the retiring Trustee, the successor Trustee and the Borrower.

If no permanent successor Trustee shall have been appointed by the Borrower or the Bondholders within the six calendar months next succeeding the month during which the Issuer appoints such a temporary Trustee, such temporary Trustee shall, without further action on the part of the Issuer or the Bondholders, become the permanent successor Trustee.

If the Borrower, the registered owners or the Issuer fail to so appoint a successor Trustee (whether permanent or temporary) hereunder within forty-five days after the Trustee has given notice of its resignation, has been removed, has been dissolved, has otherwise become incapable of acting hereunder or has been taken under control by a public officer or receiver, the Trustee shall have the right to petition a court of competent jurisdiction to appoint a successor hereunder.

Every such Trustee appointed pursuant to the provisions of this Section shall make the representations set forth in Section 11.20 hereof.

Section 11.09. Concerning Any Successor Trustee. Section 12.02. Amendments to Indenture and Supplemental Indentures Requiring Consent of the Bondholders.

(a) Exclusive of amendments and indentures supplemental hereto governed by Section 12.01 hereof and subject to the terms and provisions contained in this Section and not otherwise, the Requisite Number of Bondholders shall have the right, from time to time, anything contained in this Indenture to the contrary notwithstanding, to consent to and approve the execution by the Issuer and the Trustee of an amendment to this Indenture or such indenture supplemental hereto as shall be deemed necessary and desirable by the Issuer for the purpose of modifying, altering, amending, adding to, or rescinding, in any particular, any of the terms or provisions contained in this Indenture, in any amendment to this Indenture, or in any Supplemental Indenture; provided, however, that nothing contained in this Section shall permit, or be construed as permitting:

(i) an extension of the stated maturity or reduction in the principal amount of, or a reduction in the rate or an extension of the time of payment of interest on, or a reduction of any premium payable on the redemption of, any Bonds, without the consent of every Owner of such Bonds;

(ii) the creation of any lien or security interest (other than any Permitted Encumbrances) before or on a parity with the lien and security interest hereof, without the consent of the Owners of all the Bonds at the time Outstanding that would be affected by the action to be taken;

(iii) a reduction in the amount, or an extension of the time of any payment, required by the mandatory sinking fund redemption provisions of Section 3.03 hereof,

without the consent of the Owners of all the Bonds at the time Outstanding that would be affected by the action to be taken;

(iv) a reduction in the aforesaid aggregate principal amount of Bonds the Owners of which are required to consent to any such amendment or Supplemental Indenture, without the consent of the Owners of all the Bonds at the time Outstanding;

(v) the modification of the trusts, powers, obligations, remedies, privileges, rights, duties, or immunities of the Trustee, without the written consent of the Trustee;

(vi) a privilege or priority of any Bond or Bonds over any other Bond or Bonds, without the consent of all of the Owners of all the Bonds then Outstanding; or

(vii) the release of or requirements for the release hereof, without the consent of the Owners of all the Bonds at the time Outstanding.

(b) If, at any time, the Issuer shall request the Trustee to enter into any such amendment or Supplemental Indenture for any of the purposes allowed by this Section, the Trustee shall, upon being reasonably indemnified with respect to expenses, cause notice of the proposed execution of such amendment or Supplemental Indenture to be given in substantially the manner provided in Section 3.07 hereof with respect to redemption of Bonds. Such notice shall briefly set forth the nature of the proposed amendment or Supplemental Indenture and shall state that copies thereof are on file at the Office of the Trustee for inspection by all Bondholders. If, within sixty days or such longer period as shall be reasonably prescribed by the Issuer following the giving of such notice, the Requisite Number of Bondholders (or, if required, all of the Bondholders affected by the action taken) shall have consented to and approved the execution thereof as herein provided, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein or to the operation thereof or in any manner to question the propriety of the execution thereof or to enjoin or restrain the Trustee or the Issuer from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such amendment or Supplemental Indenture as permitted and provided by this Section, this Indenture shall be and be deemed to be modified and amended in accordance therewith. The Trustee may rely upon an opinion of counsel as conclusive evidence that execution and delivery of an amendment or Supplemental Indenture has been effected in compliance with the provisions of this Article.

(c) Notwithstanding anything herein to the contrary, if the Borrower shall not be in default under the Loan Agreement at such time, an amendment hereto or Supplemental Indenture under this Article that affects any rights or obligations of the Borrower or that changes the priority or use of moneys under this Indenture shall not become effective unless and until the Borrower shall have consented to the execution and delivery of such amendment or Supplemental Indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any such amendment or Supplemental Indenture, together with a copy of such amendment or Supplemental Indenture, to be mailed by certified or registered mail or personally delivered to the Borrower at least fifteen days before the proposed date of execution and delivery of any such amendment or Supplemental Indenture. Under such circumstances, the Borrower shall be deemed to have consented to the execution and delivery of any such amendment or Supplemental Indenture if the Trustee does not receive a letter of protest or objection thereto signed by or on behalf of the Borrower on or before

4:30 p.m. on the fifteenth day after the mailing of such notice and a copy of the proposed amendment or Supplemental Indenture.

(d) The Trustee shall not be obligated to sign any amendment or supplement to this Indenture or the Bonds as authorized by this Article if such amendment or supplement, in the judgment of the Trustee, might adversely affect the rights, duties, liabilities, protections, indemnities or immunities of the Trustee. In signing any such amendment or supplement, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of Bond Counsel stating that such amendment or supplement is authorized by this Indenture and will not impair the exclusion of the interest on any Tax Exempt Bonds from the gross income of the Owners thereof for federal income tax purposes.

(e) Notwithstanding anything herein to the contrary, no amendment hereto or Supplemental Indenture under this Article that affects the rights and obligations of the University under the Ground Lease shall become effective without the prior written consent of the University.

(f) No amendment hereto or Supplemental Indenture under this Article XII that adversely affects the rights and interests of a Bond Insurer shall become effective without the prior written consent of such Bond Insurer, so long as no Bond Insurer Default exists for such Bond Insurer. Except as otherwise provided, none of the amendments or supplemental indentures relating to the purposes enumerated in Section 12.01 in and of themselves will adversely affect the rights and interests of a Bond Insurer hereunder.

ARTICLE XIII AMENDMENT OF OTHER FINANCING DOCUMENTS

Section 13.01. Amendments to Other Financing Documents Not Requiring Consent of the Bondholders. The Issuer and the Trustee shall, without the consent of or notice to the Bondholders, consent to any supplement, amendment, change, or modification of the Financing Documents (including a Supplemental Loan Agreement) other than this Indenture for any one or more of the following purposes: (a) as may be required or permitted by the Ground Lease, the Initial Loan Agreement, or this Indenture; (b) in connection with the issuance of Additional Bonds (including Refunding Bonds) as provided in Section 2.11 hereof; (c) for the purpose of curing any error, ambiguity, or formal defect or omission therein, or to correct or supplement any defective provision thereof; (d) in connection with the land and interests in land, buildings, machinery, equipment, and other real or personal property described in the Ground Lease, the Leasehold Mortgage, or the Security Agreement so as to identify more precisely the same or to substitute or add additional land or interests in land, buildings, machinery, equipment, or other real or personal property; (e) so as to add additional rights acquired in accordance with the provisions of the Financing Documents; (f) to substitute a new "Borrower" under the Loan Agreement as provided therein; (g) to comply with any provisions of the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, or any rules or regulations promulgated thereunder; (h) to grant to or confer upon the Issuer or Trustee, for the benefit of the Bond Owners, any additional rights, remedies, powers, or authorities that lawfully may be granted to or conferred upon the Issuer or the Trustee; (i) to amend or modify the Loan Agreement, or any part thereof, in any manner specifically required or permitted by the terms thereof, including as may be necessary to maintain the exclusion from gross income for purposes of federal income taxation of the interest on any Tax Exempt Bonds; (j) to provide that the

Bonds may be secured by a credit facility or other additional security not otherwise provided for in this Indenture or the Loan Agreement; (k) to modify, amend, or supplement the Loan Agreement, or any part thereof, or any supplement thereto, in such manner as the Trustee and Borrower deem necessary in order to comply with any statute, regulation, judicial decision, or other law relating to secondary market disclosure requirements with respect to tax-exempt obligations of the type that includes the Tax Exempt Bonds; (l) to provide for the appointment of a successor securities depository; (m) to provide for the availability of certificated Bonds; (n) to provide for changes in the components of the Project, to the extent permitted by this Indenture, the Loan Agreement, and the Ground Lease; or (o) to make any other change therein that, in the judgment of the Trustee (which may rely on an opinion of counsel), does not prejudice the Trustee or materially adversely affect the Bondholders and each Bond Insurer.

Notwithstanding the foregoing or the provisions of Section 13.02 hereof, amendments to the Tax Agreement or the Project Certificate may be made without the consent of the Issuer, the Trustee, or the Bondholders, provided that a Favorable Opinion of Bond Counsel is delivered with respect to such amendments.

Section 13.02. Amendments to Other Financing Documents Requiring Consent of the Bondholders.

(a) Except for the amendments, changes, or modifications as provided in Section 13.01 hereof, neither the Issuer nor the Trustee shall consent to any other amendment, change, or modification of the Financing Documents or any of them other than this Indenture without giving notice to and obtaining the written approval or consent of the Requisite Number of Bondholders given and procured as in this Section provided; provided, however, that nothing in this Section or Section 13.01 hereof shall permit, or be construed as permitting, (i) an extension of the time for payment of any amounts payable under the Loan Agreement or a reduction in the amount of any payment or in the total amount due under the Loan Agreement, without the consent of the Owners of all of the Bonds at the time Outstanding, or (ii) a reduction in the aforesaid aggregate principal amount of Bonds the Owners of which are required to consent to any such amendment, change, or modification of such other Financing Documents, without the consent of the Owners of all of the Bonds at the time Outstanding. If, at any time, the Issuer and the Borrower shall request the consent of the Trustee to any such proposed amendment, change, or modification of such other Financing Documents, the Trustee shall, upon being satisfactorily indemnified with respect to expenses, cause notice of such proposed amendment, change, or modification to be given in the same manner as provided by Section 12.02 hereof with respect to Supplemental Indentures. Such notice shall briefly set forth the nature of such proposed amendment, change, or modification and shall state that copies of the instrument embodying the same are on file at the Office of the Trustee for inspection by all Bondholders. If, within sixty days or such longer period as shall be prescribed by the Issuer following the giving of such notice, the Trustee and the Requisite Number of Bondholders (or, if required, all of the Bondholders affected by the action taken) shall have consented to and approved the execution thereof as herein provided, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein or to the operation thereof or in any manner to question the propriety of the execution thereof or to enjoin or restrain the Trustee from consenting to the execution thereof or to enjoin or restrain the Issuer or the Borrower from executing the same or from taking any action pursuant to the provisions thereof. Upon the execution of any such amendment, change, or

modification as in this Section permitted and provided, such other Financing Documents shall be and be deemed to be modified, changed, and amended in accordance therewith.

(b) The Trustee shall not be obligated to sign any amendment or supplement to the Financing Documents if such amendment or supplement, in the judgment of the Trustee, might adversely affect the rights, duties, liabilities, protections, indemnities, or immunities of the Trustee. In signing any such amendment or supplement, the Trustee shall receive, and shall be fully protected in relying on, an opinion of Bond Counsel stating that such amendment or supplement is authorized by this Indenture and will not impair the exclusion of the interest on any Tax Exempt Bonds from the gross income of the Owners thereof for federal income tax purposes.

(c) Anything herein to the contrary notwithstanding, no amendment or supplement to the Financing Documents that affects the rights and obligations of the University under the Ground Lease shall become effective without the prior written consent of the University.

(d) No amendment or supplement to the Financing Documents that adversely affects the rights and interests of a Bond Insurer shall become effective without the prior written consent of such Bond Insurer, so long as no Bond Insurer Default exists for such Bond Insurer. Except as otherwise provided, none of the amendments or supplements to the Financing Documents relating to the purposes enumerated in Section 13.01 in and of themselves will adversely affect the rights and interests of a Bond Insurer hereunder; provided, that all amendments, supplements or modifications to the Loan Agreement, the Ground Lease and the Management Agreement shall be subject to the prior written consent of each Bond Insurer.

ARTICLE XIV MISCELLANEOUS

Section 14.01. Consents of Bondholders. Any consent, request, direction, approval, waiver, objection, or other instrument required by this Indenture to be signed and executed by the Bondholders may be in any number of concurrent writings of similar tenor and may be signed or executed by such Bondholders in person or by agent appointed in writing. Proof of the execution of any consent, request, direction, approval, waiver, objection, or other instrument or of the writing appointing any such agent and of the ownership of Bonds, if made in the following manner, shall be sufficient for any of the purposes hereof and shall be conclusive in favor of the Trustee with regard to any action taken under such request or other instrument, namely:

(a) the fact and date of the execution by any person of any such instrument or writing may be proved by the affidavit of a witness of such execution or by the certificate of any notary public or other officer of any jurisdiction authorized by the laws thereof to take acknowledgments of deeds, certifying that the person signing such instrument or writing acknowledged to him or her the execution thereof; where such execution is by an officer of a corporation or association or a member of a partnership on behalf of such corporation, association or partnership, such affidavit or certificate shall also constitute sufficient proof of his or her authority;

(b) the fact of ownership of Bonds and the amount or amounts, numbers, other identification of such Bonds and the date of ownership shall be proved by the Bond Register;

(c) any request, consent or vote of the Owner of any Bond shall bind every future Owner of the same Bond and the Owner of every Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Issuer in pursuance of such request, consent, or vote; and

(d) in determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent, or waiver under this Indenture, Bonds that are owned by the Issuer, by the Borrower or by any other obligor under the Loan Agreement or on the Bonds, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer, the Borrower or any other obligor under the Loan Agreement or on the Bonds, shall be disregarded and deemed not to be outstanding for the purpose of determining whether the Trustee shall be protected in relying on any such demand, request, direction, consent, or waiver (unless all of the Bonds are so owned), but only Bonds that the Trustee knows to be so owned shall be disregarded; Bonds so owned that have been pledged in good faith may be regarded as outstanding for the purposes of this Section if the pledge shall establish to the satisfaction of the Trustee the pledgee's right to vote such Bonds and that the pledge is not a person directly or indirectly controlling or controlled by or under direct or indirect common control with the Issuer, the Borrower or any other obligor under the Loan Agreement or on the Bonds; in case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee.

Section 14.02. Limitation of Rights. With the exception of rights herein expressly conferred, nothing expressed or mentioned in or to be implied from this Indenture or the Bonds is intended or shall be construed to give to any Person other than the parties hereto, the Borrower, each Bond Insurer and the Owners of the Bonds any legal or equitable right, remedy, or claim under or in respect to this Indenture, or any covenants, conditions, and provisions herein contained. This Indenture and all of the covenants, conditions, and provisions hereof are intended to be and are for the sole and exclusive benefit of the parties hereto, the Borrower, each Bond Insurer and the Owners of the Bonds herein provided for.

Section 14.03. Severability.

(a) If any provision hereof shall be held or be deemed to be or shall, in fact, be illegal, invalid, inoperative, or unenforceable as applied in any particular case in any jurisdiction or jurisdictions or in all jurisdictions or in all cases because it conflicts with any other provision or provisions hereof or any constitution or statute or rule of law or public policy, or for any other reason, such circumstances shall not have the effect of rendering the provision in question inoperative or unenforceable in any other case or circumstance, or of rendering any other provision or provisions herein contained illegal, invalid, inoperative, or unenforceable to any extent whatever.

(b) The invalidity of any one or more phrases, sentences, clauses, or Sections contained in this Indenture shall not affect the remaining portions hereof or any part thereof.

Section 14.04. Notices. All notices, certificates, or other communications hereunder shall be in writing and shall be deemed given when mailed by certified mail, postage prepaid, return receipt requested or shall be sufficiently given and deemed given when sent by Electronic Means (which

Receipt of notices, certificates, or other communications hereunder shall occur upon actual delivery (whether by mail, Electronic Means, email, messenger, courier service, or otherwise) to any Person at any location where such Person may be found, or to an officer, agent or employee of such Person at the address of such Person set forth above, subject to change as provided hereinabove. An attempted delivery in accordance with the foregoing, acceptance of which is refused or rejected, shall be deemed to be and shall constitute receipt; and an attempted delivery in accordance with the foregoing by mail, email, messenger, or courier service (whichever is chosen by the sender) that is not completed because of changed address of which no notice was received by the sender in accordance with this provision before the sending of the notice, certificate, or other communication shall also be deemed to be and constitute receipt. A duplicate copy of each notice, certificate, or other communication given hereunder shall also be given to the Trustee. Any party named in this Section may, by notice given to all parties to this Indenture and the Loan Agreement, designate any additional or different addresses to which subsequent notices, certificates, or other communications shall be sent.

In each case in which notice or other communication to a Bond Insurer refers to an Event of Default or a claim on a Bond Insurance Policy issued by such Bond Insurer, then a copy of such notice or other communication will also be sent to the attention of the General Counsel of such Bond Insurer and shall be marked to indicate “URGENT MATERIAL ENCLOSED.”

Section 14.05. Payments Due on Saturdays, Sundays, and Holidays. In any case where the date for any payment of interest on or principal of any Bonds or the date fixed for redemption of any Bonds shall be, in the location of the Office of the Trustee, a Saturday, Sunday, legal holiday, or day on which banking institutions are authorized by law to close, then payment of Debt Service Payments need not be made on such date but may be made on the immediately succeeding business day not a Saturday, Sunday, legal holiday, or day upon which banking institutions are authorized by law to close with the same force and effect as if made on the date of maturity or the date fixed for redemption, and no interest shall accrue for the period after such date.

Section 14.06. Counterparts; Entire Agreement. This Indenture may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. This Indenture and the other Bond Documents and the exhibits thereto set forth the entire agreement and understanding of the parties related to this transaction and supersedes all prior agreements and understandings, oral or written.

Section 14.07. Laws Governing Indenture and Situs and Administration of Trust. The effect and meanings hereof and the rights of all parties hereunder shall be governed by and construed according to the laws of the Commonwealth, exclusive of the Commonwealth’s rules regarding choice of law, but it is the intention of the Issuer that the situs of the trust created by this Indenture

be in the state in which is located the Office of the Trustee from time to time acting under this Indenture. The word "Trustee," as used in the preceding sentence, shall not be deemed to include any additional individual or institution appointed as a separate or co-trustee pursuant to Section 11.13 hereof. It is the further intention of the Issuer that the Trustee administer the trust created by this Indenture in the state in which it is located, from time to time, and that the same be, for all purposes hereunder, the situs of the trust.

Section 14.08. No Liability of Issuer's or Trustee's Officers. No recourse under or upon any obligation, covenant, or agreement contained in this Indenture, or in the Bonds, or for any claim based thereon, or under any judgment obtained against the Issuer or the Trustee, or by the enforcement of any assessment or penalty or otherwise or by any legal or equitable proceeding by virtue of any constitution, rule of law or equity, or statute or otherwise or under any other circumstances, under or independent hereof, shall be had against any incorporator, member, or officer, as such, past, present, or future of the Issuer or the Trustee, or any incorporator, member, or officer of any successor corporation, as such, either directly or through the Issuer or the Trustee or any successor corporation, or otherwise, for the payment for or to the Issuer or any receiver thereof, or for or to the Trustee as trustee for the Bondholders or otherwise, of any sum that may be due and unpaid by the Issuer upon the Bonds. Any and all personal liability of every nature, whether at common law or in equity, or by statute or by constitution or otherwise, of any such incorporator, member or officer, as such, to respond by reason of any act or omission on his or her part or otherwise, for the payment for or to the Issuer or any receiver thereof, or for or to the Trustee as trustee for the Bondholders or otherwise, of any sum that may remain due and unpaid upon the Bonds, is hereby expressly waived and released as a condition of and in consideration for the execution hereof and the issuance of the Bonds.

Section 14.09. University a Third-Party Beneficiary. The University is a third-party beneficiary of this Indenture.

Section 14.10. References to the Series 2026 Bond Insurance Policies; Consents, Etc. Anything in this Indenture to the contrary notwithstanding, and so long as the Series 2026 Bond Insurance Policies are in effect and no Series 2026 Bond Insurer Default exists for the Series 2026 Bond Insurance Policies, any request, demand, authorization, direction, notice, consent, waiver, or other action provided in this Indenture to be given or taken by the Owners of the Series 2026 Bonds and any right of the Owners of the Series 2026 Bonds to direct, consent to, or waive the exercise by the Trustee of any right or remedy hereunder and under any other Financing Document (except in respect of an amendment described in clauses (a)(i) through (a)(vii) of Section 12.02 hereof and clause (a)(i) and (a)(ii) of Section 13.02 hereof) shall be given or taken by, and only by, a written instrument signed by the Series 2026 Bond Insurer on behalf of such Owners. In furtherance thereof and as a term of this Indenture and each Series 2026 Bond, each Owner of the Series 2026 Bonds appoints the Series 2026 Bond Insurer as its agent and attorney-in-fact for the Series 2026 Bonds and agrees that the Series 2026 Bond Insurer may at any time during the continuation of any Insolvency Proceeding direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a "Claim"), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, each Owner of the Series

2026 Bonds delegates and assigns to the Series 2026 Bond Insurer, to the fullest extent permitted by law, the rights of each Owner of the Series 2026 Bonds in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action for any court order issued in connection with any such Insolvency Proceeding. The Trustee acknowledges such appointment, delegation and assignment by each Owner of the Series 2026 Bonds for the Series 2026 Bond Insurer's benefit, and agrees to cooperate with the Series 2026 Bond Insurer in taking any action reasonably necessary or appropriate in connection with such appointment, delegation and assignment.

Section 14.11. Each Bond Insurer as Third-Party Beneficiary. Each Bond Insurer is a third-party beneficiary of this Indenture.

Section 14.12. Rights of the Series 2026 Bond Insurer. The rights granted to the Series 2026 Bond Insurer under this Indenture and the Financing Documents to request, consent to or direct any action are rights granted to the Series 2026 Bond Insurer in consideration of its issuance of the Series 2026 Bond Insurance Policies. Any exercise by the Series 2026 Bond Insurer of such rights is merely an exercise of the Series 2026 Bond Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit or on behalf of the Bondholders nor does such action evidence any position of the Series 2026 Bond Insurer, positive or negative, as to whether Bondholder consent is required in addition to consent of the Series 2026 Bond Insurer.

In determining whether any amendment, consent or other action to be taken, or any failure to act, under this Indenture would adversely affect the security for the Bonds or the rights of the Bondholders, the effect of any such amendment, consent, action or inaction shall be considered as if there were no Series 2026 Bond Insurance Policies.

KNOW ALL PERSONS BY THESE PRESENTS that the Kentucky Bond Development Corporation, a nonprofit corporation organized and existing under the laws of the Commonwealth of Kentucky (the “Commonwealth”), acting for and on behalf of certain public agencies of the Commonwealth, together with its successors and assigns (the “Issuer”), for value received, hereby promises to pay, but only from the sources as hereinafter provided, to the Registered Owner specified

above (the “Owner”), or registered assigns, on the Maturity Date specified above (unless this Bond shall have been called for redemption and payment of the redemption price shall have been duly made or provided for) upon the presentation and surrender hereof at the Office of the Trustee the Principal Amount specified above and in like manner to pay interest on such Principal Amount from time to time remaining unpaid from the Interest Payment Date (hereinafter defined) immediately preceding the date of registration and authentication hereof, at the Interest Rate specified above, on [January 1], 2027, and semiannually thereafter on [July 1] and [January 1] (each an “Interest Payment Date”) of each year until such Principal Amount shall have been paid in full, except as the provisions hereinafter set forth with respect to redemption before maturity may become applicable hereto. This Bond shall bear interest on overdue principal and overdue interest at the aforesaid rate.

Interest on this Bond is computed on the basis of a 360-day year consisting of twelve 30 day months. Payment of interest on this Bond shall be made to the Owner and shall be paid in lawful money of the United States of America by check or draft mailed to the person in whose name this Bond is registered at his, her or its address as it appears on the registration books of the Issuer (the “Bond Register”) maintained by the Trustee, as bond registrar, on behalf of the Issuer, at the close of business on the fifteenth day of the month (whether or not a business day) immediately preceding each Interest Payment Date (each, a “Regular Record Date”), irrespective of any transfer or exchange of this Bond after a Regular Record Date and before such Interest Payment Date, by the person in whose name this Bond is registered, unless the Issuer shall have failed to pay interest due on such Interest Payment Date. In the event of any such failure, such defaulted interest shall cease to be payable to the Owner on such Regular Record Date, and may be paid to the person in whose name this Bond is registered at the close of business on a Special Record Date (hereinafter defined) for the payment of such defaulted interest established by notice mailed by the Trustee on behalf of the Issuer to the Owner not less than ten days preceding such Special Record Date which Special Record Date shall be not more than fifteen nor less than ten days before the date of the proposed payment. Such notice shall be mailed, by first class mail, postage prepaid, to the person in whose name this Bond is registered on the Bond Register. At the option of the Owner, if such Owner is the registered owner of not less than \$500,000 in aggregate principal amount outstanding of Bonds of the same series issued under and secured by the Trust Indenture (as now or hereafter amended, supplemented, modified, or restated, the “Indenture”) dated as of [May 1, 2026], by and between the Issuer and the Trustee, interest shall be paid by wire transfer in immediately available funds in accordance with written wire transfer instructions filed with the Trustee before the close of business on the Regular Record Date. Interest shall continue to be paid in accordance with such instructions, until revoked, except for the final payment of interest upon maturity or redemption before maturity which shall be paid only upon presentation of this Bond to the Trustee.

Words and terms not otherwise defined herein shall have the meanings ascribed to such terms in the Indenture.

The principal of and any premium on this Bond are payable at the Office of the Trustee. Interest will be payable on each Interest Payment Date by check mailed to the Owner at his, her or its address as it appears on the Bond Register at the close of business on the applicable Regular Record Date; provided that while DTC is the owner of the Series 2026 Bonds, all payments of principal and redemption price of, and premium, if any, and interest (collectively, the “Debt Service Payments”) on the Series 2026[A/B] Bonds will be paid to DTC or its nominee by wire transfer.

The Series 2026[A/B] Bonds are being issued by means of a book entry system with no physical distribution of bond certificates to be made except as provided in the Indenture. One bond certificate, in the aggregate principal amount of the Series 2026[A/B] Bonds of each series and maturity and registered in the name of Cede & Co., as nominee of DTC, is being issued and required to be deposited with DTC (or an authorized banking institution acceptable to DTC) and immobilized in its custody. The book entry system will evidence ownership of the Series 2026 Bonds in Authorized Denominations, with transfers of ownership effected on the records of DTC and its participants pursuant to rules and procedures established by DTC and its participants. Transfer of Debt Service Payments to beneficial owners of the Series 2026[A/B] by participants of DTC will be the responsibility of such participants and other nominees of such beneficial owners. The Borrower (as hereinafter defined) and the Issuer will not be responsible or liable for such transfers of payments or for maintaining, supervising or reviewing the records maintained by DTC, its participants or persons acting through such participants. While Cede & Co. is the Owner, notwithstanding the provisions hereinabove contained, Debt Service Payments on this Bond will be made in accordance with the existing arrangements between the Trustee and DTC.

This Bond is one of an authorized issue of Bonds designated “Kentucky Bond Development Corporation Student Housing Revenue Bonds, City of Plum Springs [Taxable] Series 2026[A/B] (Collegiate Housing Foundation – Bowling Green, L.L.C. – Western Kentucky University Project)” (the “Series 2026[A/B] Bonds”), in the original aggregate principal amount of \$_____, authorized to be issued with an authorized issue of Bonds designated “Kentucky Bond Development Corporation Student Housing Revenue Bonds, City of Plum Springs [Taxable] Series 2026[A/B] (Collegiate Housing Foundation – Bowling Green, L.L.C. – Western Kentucky University Project)” (the “Series 2026[A/B] Bonds”), in an original aggregate principal amount of \$_____, which Series 2026[A/B] Bonds are issued to (i)(a) acquire the majority of the housing assets (the “Legacy Housing Facilities”) of Western Kentucky University (the “University”); (b) renovate certain of the Legacy Housing Facilities; (c) demolish certain of the Legacy Housing Facilities; (d) develop a new approximately 1,028-bed student housing facility on the campus of the University (the “New Student Housing Facility” and, together with the Legacy Housing Facilities, the “Series 2026 Project”); (ii) fund interest on the Series 2026[A/B] Bonds during the period of construction of the New Student Housing Facility through and including [____]; (iii) fund the 2026[A/B] Account of the Debt Service Reserve Fund for the Series 2026[A/B] Bonds; (iv) finance certain startup costs and related working capital for the Series 2026 Project; and (v) pay the costs of issuance of the Series 2026[A/B] Bonds. The Series 2026 Project will be operated by Collegiate Housing Foundation – Bowling Green, L.L.C. (the “Borrower”), a single member limited liability company organized and existing under the laws of the State of Alabama. The land on which the Series 2026 Project will be constructed is being leased to the Borrower pursuant to a Ground Lease Agreement (the “Ground Lease”) dated [Closing Date], by and between the University, as lessor, and the Borrower, as lessee.

The Series 2026[A/B] Bonds and any additional bonds issued in accordance with the terms of the Indenture on a parity with the Series 2026[A/B] Bonds (collectively, “Additional Bonds”) are parity obligations that rank equally, without privilege, priority or distinction as to the lien on, or claim of any of such Bonds to, the property pledged under the Indenture over any other of such bonds.

The Issuer will lend the proceeds of the Series 2026[A/B] Bonds to the Borrower pursuant to a Loan Agreement (as now or hereafter amended, supplemented, modified, or restated, the “Loan

Agreement”) dated as of [May 1, 2026], by and between the Issuer and the Borrower. The Borrower is obligated pursuant to the Loan Agreement to pay to the Issuer such loan payments as will always be sufficient to pay the Debt Service Payments on the Series 2026[A/B] Bonds and any Additional Bonds, as the same mature and become due. Under the Loan Agreement, it is the obligation of the Borrower to pay all expenses of operating and maintaining the Series 2026 Project in good repair, to keep it properly insured and to pay all taxes, assessments, and other charges levied or assessed against or with respect to the Series 2026 Project. To evidence the obligation to pay loan payments sufficient to pay the Debt Service Payments on the Series 2026[A/B] Bonds, the Borrower has executed and delivered to the Issuer its promissory note (the “Series 2026 Note”) in the principal amount of [COMBINED PRINCIPAL AMOUNT] dated [Closing Date], and the Issuer has endorsed the Series 2026[A/B] Note to the order of the Trustee.

To secure its obligations under the Loan Agreement, the Series 2026[A/B] Note and any promissory note or notes executed and delivered by the Borrower in connection with the issuance of, and in an aggregate principal amount equal to the aggregate face amount of, any Additional Bonds (collectively, “Additional Notes”), the Borrower has, subject to Permitted Encumbrances, (i) granted to the Trustee a first mortgage lien on the Borrower’s interest in the Premises and has assigned and pledged to the Trustee the Borrower’s interest in the General Revenues from the Housing Facilities and any improvements thereto or expansions thereof pursuant to a Leasehold Mortgage with Assignment of Rents as now or hereafter amended, supplemented, modified, or restated, the “Leasehold Mortgage”) dated [Closing Date], by the Borrower in favor of the Trustee, (ii) granted to the Trustee a first priority security interest in the accounts, documents, chattel paper, instruments, and general intangibles held by the Borrower arising in any manner from the Borrower’s ownership or operation of the Series 2026 Project and any improvements thereto or expansions thereof, in the inventory and equipment, if any, located thereat or thereon pursuant to a Security Agreement (as now or hereafter amended, supplemented, modified, or restated, the “Security Agreement”) dated [Closing Date], between the Borrower and the Trustee, and (iii) conditionally assigned to the Trustee, among other things, its rights under the Development Agreement, the General Construction Contract, and the architect’s agreement relating to the design or construction of the Series 2026 Project, and any improvements thereto or expansions thereof pursuant to a Collective Collateral Assignment Agreement dated [Closing Date], by the Borrower in favor of the Trustee.

The obligations of the Borrower to perform and observe its obligations contained in the Ground Lease, the Loan Agreement, the Series 2026[A/B] Note, and the Additional Notes (collectively, the “Notes”), the Leasehold Mortgage, the Security Agreement, the Assignment of Agreements and Documents, or any other document executed by the Borrower in connection with the issuance of the Series 2026[A/B] Bonds are enforceable against the Borrower only to the extent of its interest in the Series 2026 Project and in any other security for the Series 2026[A/B] Bonds.

This Bond and the obligation to pay the principal hereof and the premium, if any, and interest hereon, is a special and limited obligation of the Issuer, secured as provided herein and in the hereinafter defined Indenture and payable solely out of the payments made pursuant to the Loan Agreement and the Security (as such terms are hereinafter defined) and as otherwise provided in the Indenture and the Loan Agreement. This Bond, and the obligation to pay the principal hereof and the premium, if any, and interest hereon, shall not be deemed to constitute an indebtedness or an obligation of the Commonwealth of Kentucky or any political subdivision thereof, within the

purview of any constitutional or statutory limitation or provision, or a charge against the general credit or taxing powers of any of them. The Issuer does not have the power to levy taxes for any purposes whatsoever. No owner of this Bond shall have the right to compel any exercise of the taxing power of the Commonwealth of Kentucky or any political subdivision thereof to pay the principal of or premium, if any, or interest on this Bond.

Pursuant to the Indenture, as security for the payment of the Debt Service Payments on the Series 2026[A/B] Bonds, the Issuer has assigned and pledged to the Trustee, and granted a security interest to the Trustee in all of its right, title, and interest in the Loan Agreement (except for the Unassigned Rights), the Notes and all revenues, payments, receipts, and moneys to be received and held thereunder. It is provided in the Indenture that the Issuer may hereafter issue Additional Bonds from time to time under certain terms and conditions contained therein, and if issued, such Additional Bonds will rank on a parity with the Series 2026[A/B] Bonds. Reference is made to the Indenture and to all indentures supplemental thereto for a description of the property subject to the lien and security interest of the Indenture; the provisions, among others, with respect to the nature and extent of the security for the Series 2026[A/B] Bonds; the rights, duties, and obligations of the Issuer, the Trustee, and the owners of the Series 2026[A/B] Bonds; the issuance of Additional Bonds; the terms upon which such Additional Bonds may be issued and secured; and the provisions regulating the manner in which the terms of the Indenture, the Loan Agreement, the Series 2026[A/B] Note, the Leasehold Mortgage, the Security Agreement, and the Assignment of Agreements and Documents may be modified, to all of which provisions the Owner, on behalf of himself, herself, or itself and his, her, or its successors in interest, assents by acceptance hereof.

Reference is made to the Indenture, the Loan Agreement, the Series 2026[A/B] Note, the Leasehold Mortgage, the Security Agreement, and the Assignment of Agreements and Documents for a more complete statement of the provisions thereof and of the rights of the Issuer, the Trustee, the Borrower, and the Owners of the Series 2026[A/B] Bonds. Copies of the Indenture, the Loan Agreement, the Series 2026[A/B] Note, the Leasehold Mortgage, the Security Agreement, and the Assignment of Agreements and Documents are on file and may be inspected at the Office of the Trustee. By the purchase and acceptance of this Bond, the Owner signifies assent to all of the provisions of the aforementioned documents.

This Bond is issued and the Indenture, the Loan Agreement, the Leasehold Mortgage, the Security Agreement, and the Assignment of Agreements and Documents were made and entered into under and pursuant to the Constitution and laws of the Commonwealth of Kentucky, and particularly in conformity with the provisions, restrictions and limitations of Sections 103.200 through 103.285, inclusive, of the Kentucky Revised Statutes, as supplemented and amended (the "Act").

The Series 2026[A/B] Bonds are issuable only in the form of fully registered bonds without coupons in the denomination of \$5,000 or any multiple thereof (each, an "Authorized Denomination"). Subject to the conditions and upon the payment of charges provided in the Indenture, the owner of any Bond or Bonds issued under the Indenture may, if not prohibited by law, surrender the same (together with a written instrument of transfer satisfactory to the Trustee duly executed by the Owner or his, her, or its attorney duly authorized in writing) in exchange for an equal aggregate principal amount of Bonds of the same series, interest rate, and maturity or maturities and of any Authorized Denomination. On or before the forty-fifth day immediately preceding any [July 1] on which Series 2026[A/B] Bonds are to be retired pursuant to the applicable Sinking Fund Requirement, the Borrower may (i) deliver to the Trustee for cancellation, Series 2026[A/B] Bonds or portions thereof in any aggregate principal amount desired, or (ii) receive a credit with respect to the Sinking Fund Requirement for any Series 2026[A/B] Bonds, that before such date have been purchased or redeemed (other than through mandatory sinking fund redemption) and cancelled by the Trustee and not theretofore applied as a credit against such Sinking Fund Requirement. Each such Series 2026[A/B] Bond or portion thereof so delivered or previously purchased or redeemed and cancelled by the Trustee will be credited by the Trustee at 100% of the principal amount thereof against future Sinking Fund Requirements for the Series 2026[A/B] Bonds in such order as may be selected by the Borrower pursuant to the Indenture, and the principal amount of the Series 2026[A/B] Bonds will be accordingly reduced.

Extraordinary Optional Redemption. The Series 2026[A/B] Bonds are also subject to redemption at the option of the Issuer upon the written request of the Borrower, in full if:

(i) the Project shall have been destroyed or damaged to such an extent that in the opinion of the Borrower and the University expressed in a certificate filed with the Issuer and the Trustee, (A) it cannot reasonably be restored within a period of twelve months to the condition thereof immediately preceding such destruction or damage, (B) the Borrower will thereby be prevented from carrying on its normal operations thereat for a period of twelve consecutive months, or (C) the cost of restoration or replacement would exceed the net proceeds of insurance payable in respect of such destruction or damage; or

(ii) title to, or the temporary use of, a substantial portion of the Project shall have been taken under the exercise of the power of eminent domain by any governmental authority or person, firm, or corporation acting under governmental authority to such an extent that in the opinion of the Borrower and the University expressed in a certificate filed with the Issuer and the Trustee, (A) it cannot be reasonably restored or replaced within a period of twelve months to substantially the condition thereof immediately preceding such taking, (B) the Borrower will thereby be prevented from carrying on its normal operations thereat for a period of twelve consecutive months, or (C) the cost of restoration or replacement would exceed the total amount of compensation for such taking.

The Series 2026[A/B] Bonds are also subject to redemption at the option of the Issuer upon the written request of the Borrower, in part upon partial condemnation or destruction of, or partial damage to, the Project from the Net Proceeds received by the Borrower as a result of such taking, destruction, or damage to the extent such Net Proceeds are not used for the restoration of the Project or for the acquisition of substitute property suitable for the Borrower's operations at the Project as such operations were conducted before such taking, damage, or destruction if the Borrower furnishes to the Trustee and the Issuer (i) a certificate of the Borrower and the University stating (A) that the property forming a part of the Project that was taken, damaged, or destroyed is not essential to the Borrower's use or occupancy of the Project at substantially the same revenue producing level before such taking, destruction, or damage, (B) that the Project has been restored to a condition substantially equivalent to its condition before the taking, damage, or destruction, or (C) that the Borrower has acquired improvements that are substantially equivalent to the property forming a part of the Project that was taken, destroyed, or damaged, or (ii) a written report of a Financial Consultant filed with the Trustee that the Fixed Charges Coverage Ratio for each of the two Annual Periods following the Annual Period following such taking, destruction, or damage will not be less than the lesser of (Aa) [1.20], and (B) the average Fixed Charges Coverage Ratio for the two most recent Annual Periods before such taking, destruction, or damage for which Audit Reports are available.

If the Series 2026[A/B] Bonds are called for redemption upon the occurrence of any of the events described in the immediately preceding paragraph, the Series 2026[A/B] Bonds may be redeemed on any date for which the requisite notice of redemption can be given within 180 days of such event at a Redemption Price equal to 100% of the principal amount thereof plus interest accrued to the redemption date, plus any unamortized premium through the first optional redemption date (on a straight-line basis) on such Series 2026[A/B] Bonds to be redeemed. Upon a redemption in part, the Trustee shall redeem the maximum amount of the Series 2026[A/B] Bonds that may be redeemed in accordance with the provisions of the preceding paragraph, and any excess moneys shall remain in the Redemption Fund.

Other Redemptions at Par. The Series 2026[A/B] Bonds are also subject to redemption in whole or in part at any time and as expeditiously as reasonably possible upon the deposit of moneys in the Redemption Fund required by the Loan Agreement as set forth below in a principal amount equal to such deposit and at a Redemption Price equal to 100% of such principal amount plus interest accrued thereon to the redemption date:

- (i) any Net Proceeds of title insurance on the Project paid to the Trustee pursuant to the Loan Agreement; or
- (ii) any Net Proceeds of insurance received by the Borrower as a result of destruction of or damage to the Project transferred to the Redemption Fund pursuant to the Loan Agreement; or
- (iii) any Net Proceeds received by the Borrower as a result of the taking of the Project or any part thereof under the exercise of the power of eminent domain transferred to the Redemption Fund pursuant to the Loan Agreement.

In all instances where the Trustee is directed by the terms of the Indenture to redeem Series 2026 Bonds from moneys deposited into the Redemption Fund, the Trustee will redeem the maximum number of Series 2026[A/B] Bonds that may be redeemed in accordance with the provisions of the preceding paragraph, and any excess moneys will remain in the Redemption Fund.

Selection of Series 2026[A/B] Bonds to Be Redeemed. If less than all of the Series 2026[A/B] Bonds of any series or any maturity within a series are to be called for redemption, the Trustee will select, in such manner as the Trustee in its sole discretion may determine, the Series 2026[A/B] Bonds of such series or maturity to be redeemed. Notwithstanding the foregoing, if less than all of the Series 2026[A/B] Bonds are called for redemption (other than through mandatory sinking fund redemption), the Borrower will have the right to designate the series and the maturity of such Series 2026[A/B] Bonds to be called for redemption and to designate the Sinking Fund Requirement to which such redemption will be credited.

If a Series 2026[A/B] Bond is of an Authorized Denomination larger than \$5,000, a portion of such Series 2026[A/B] Bond may be redeemed, but such Series 2026[A/B] Bond will be redeemed in part only in an Authorized Denomination and only if the unredeemed portion thereof is an Authorized Denomination.

So long as all of the Series 2026[A/B] Bonds shall be maintained under a book entry system with DTC or any other Securities Depository in accordance with the Indenture: (i) in the event that fewer than all Series 2026[A/B] Bonds of any one maturity of a series shall be called for redemption, DTC, or such other Securities Depository, and not the Trustee, will select the particular accounts from which Series 2026[A/B] Bonds or portions thereof will be redeemed in accordance with DTC's or such other Securities Depository's standard procedures for redemption of obligations such as the Series 2026[A/B] Bonds; and (ii) in the event that part, but not all, of this Bond shall be called for redemption, the Owner of this Bond may elect not to surrender this Bond in exchange for a new Series 2026[A/B] Bond in accordance with the provisions hereof and of the Indenture and, in such event, will be required to make a notation indicating the principal amount of such redemption and the date thereof on the Payment Grid attached hereto. For all purposes, the principal amount of this

Bond outstanding at any time will be equal to the lesser of the principal sum shown on the face hereof and such principal sum reduced by the principal amount of any partial redemption of this Bond following which the Owner hereof shall have elected not to surrender this Bond in accordance with the provisions hereof and of the Indenture. The failure of the Owner hereof to note the principal amount of any partial redemption on the Payment Grid attached hereto, or any inaccuracy therein, will not affect the payment obligation of the Issuer hereunder or under the Indenture. Therefore, it cannot be determined from the face of this Bond whether a part of the principal of this Bond shall have been paid.

The Owner will have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in, or defend any suit or other proceeding with respect thereto, except as provided in the Indenture and except that the Owner may institute action to enforce the payment of the principal of or the interest on his, her, or its Bond.

Upon the occurrence of certain events, and on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all Series 2026[A/B] Bonds then outstanding under the Indenture may become or may be declared due and payable before the stated maturities thereof, together with the interest accrued thereon.

Modifications or alterations of the Indenture or any indenture supplemental thereto or the Loan Agreement or any agreement amendatory thereof or supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture or the Loan Agreement.

This Bond, notwithstanding the provisions for registration of transfer stated herein and contained in the Indenture, at all times will be and will be understood to be an investment security within the meaning of and for all of the purposes of Article 8 of the Uniform Commercial Code of the Commonwealth of Kentucky. This Bond is issued with the intent that the laws of the Commonwealth of Kentucky will govern its construction.

All references to times of the day shall, unless otherwise stated, be deemed to be references to Eastern time (daylight or standard, as applicable).

Neither the members or officers of the Issuer nor any person executing this Bond is liable personally hereon or subject to any personal liability or accountability by reason of the issuance hereof.

IT IS HEREBY CERTIFIED, RECITED, AND DECLARED that all acts, condition, and things required to exist, happen, and be performed precedent to and in the issuance of this Bond do exist, have happened, and have been performed in due time, form and manner as required by law in order to make this Bond a valid and legal special and limited revenue obligation of the Issuer and that the issuance of the Series 2026[A/B] Bonds, together with all other obligations of the Issuer, does not exceed or violate any constitutional or statutory limitation applicable to the Issuer.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any security or benefit under the Indenture until the Trustee's Certificate of Authentication hereon shall have been duly executed by the Trustee.

(d) Pursuant to the Act and based solely upon the application submitted by the Borrower and other representations made, information presented, and testimony given by the Borrower, and without independent verification by the Issuer, the Series 2026 Project to be financed or refinanced by the Series 2026 Bonds, constitutes a "building" within the meaning of the Act, and has been determined by the Issuer to promote opportunities for gainful employment and the increase of industry within the Commonwealth.

Section 2.02. Representations of the Borrower. The Borrower makes the following representations and warranties as the basis for the undertakings on its part herein contained:

(a) The Borrower is a limited liability company duly organized, validly existing, and in good standing under the laws of the State of Alabama, is authorized to do business in the Commonwealth, and has all requisite power and authority and all necessary licenses and permits to own and operate its properties and to carry on its business as it is now being conducted and as it is currently proposed to be conducted. (b) Except as specifically disclosed in the Official Statement for the Series 2026 Bonds, the Borrower is not aware of any litigation, proceedings, or investigations pending or threatened against the Borrower or the Foundation seeking to restrain, enjoin, or, in any way, limit the approval or delivery by the Borrower of the Borrower Documents for the Series 2026 Bonds, or which would, in any manner, challenge or adversely affect the corporate existence of the Borrower or the Foundation, the status of the Foundation as a Tax-Exempt Organization, or the power of the Borrower to enter into and carry out the transactions described in or contemplated by or the execution, delivery, validity, enforceability, or performance by the Borrower of the Borrower Documents for the Series 2026 Bonds.

(c) Neither the Borrower nor the Foundation is in default with respect to any judgment, order, writ, injunction, decree, demand, rule, or regulation of any court, governmental authority, or arbitration board or tribunal. All tax returns (federal, state, and local) required to be filed by or on behalf of the Borrower have been duly filed, and all taxes,

(f) No event has occurred and no condition exists that would constitute an Event of Default or that, with the lapse of time or the giving of notice, or both, would become an Event of Default. To the knowledge of the Borrower, the Borrower is not in default or

violation in any material respect under any charter instrument, the Operating Agreement, or other agreement or instrument to which it is a party or by which it may be bound. For purposes of this subsection (f), a default or violation shall be deemed "material" if it would adversely affect the ability of the Borrower to perform its obligations hereunder.

(g) The Borrower is not in violation of any laws, ordinances, or governmental rules or regulations to which it is subject and has not failed to obtain any licenses, permits, franchises, or other governmental authorizations (that are currently obtainable) necessary to the ownership of its properties or to the conduct of its business, which violation or failure to obtain might materially and adversely affect the properties, business, prospects, profits, or condition (financial or otherwise) of the Borrower.

(i) The property to be encumbered by the Leasehold Mortgage and the Security Agreement is not mortgaged, pledged, or hypothecated in any manner or for any purpose and has not been the subject of a grant of a security interest by the Borrower other than as provided in the Leasehold Mortgage and the Security Agreement as security for its obligations under this Loan Agreement and any Supplemental Loan Agreements, if any.

The Foundation is the sole member of the Borrower and has not made any election to classify the Borrower as other than a disregarded entity under Section 301.7701-3(b)(1)(ii) of the Regulations. The Foundation has conducted its operations and filed all required reports and documents with the IRS so as to maintain its status as a Tax Exempt Organization. The Foundation is organized and operated exclusively for religious, educational, and charitable purposes, and not for pecuniary profit, and no part of its net earnings inures to the benefit of any person, private stockholder, or individual. (k) The Borrower has not entered into any management contract or other service contract relating to the Series 2026A Bonds or the Series 2026 Project, with any Person that is not a Qualified Management or Service Agreement.

(l) The Borrower does not maintain and has not maintained and is not a party to and has not been a party to any employee pension or benefit plan.

(m) The representations of the Borrower contained in the Borrower Documents for the Series 2026 Bonds and any certificate, document, written statement, or other instrument furnished by or on behalf of the Borrower or the Foundation to the Issuer, the Trustee, or the Underwriter in connection with the transactions contemplated hereby do not contain any untrue statement of a material fact and do not omit to state a material fact necessary to make the statements contained herein or therein not misleading. There is no fact that the Borrower has not disclosed to the Issuer, the Trustee, or the Underwriter in writing that materially and adversely affects, or in the future may (so far as the Borrower can now reasonably foresee) materially and adversely affect, the lease of the Property, the ownership or operation of the Legacy Housing Facilities and/or Series 2026 Housing Facilities, or the properties, business, operations, prospects, profits, or condition (financial or otherwise) of the Borrower or the Foundation, or the ability of the Borrower to perform its obligations under the Borrower Documents for the Series 2026 Bonds, or any of the documents or transactions contemplated hereby or thereby or any other transactions contemplated by the Financing Documents for the Series 2026 Bonds that has not been set forth in the Official Statement for the Series 2026 Bonds or in the other certificates, documents, and instruments furnished to the Underwriter by or on behalf of the Borrower before the date of delivery of the Official Statement for the Series 2026 Bonds in connection with the transactions contemplated hereby.

and permits to occupy and operate the Series 2026 Project, as they become required, except where failure to obtain any such license or permit would not have a material adverse effect.

(p) To the knowledge of the Borrower, based on the representations of the Developer, all utility services and facilities necessary for the operation of the Series 2026 Project for its intended purposes are available on the site of the Series 2026 Housing Facilities.

(q) To the knowledge of the Borrower, no condemnation or eminent domain proceeding has been commenced, is currently pending or threatened against the Series 2026 Project.

(r) The Borrower is a single member limited liability company, and the Foundation is and shall remain the only member of the Borrower.

(s) The Borrower hereby covenants and agrees to comply with all requirements of the Code and the Tax Agreement, compliance with which subsequent to the issuance of the Series 2026A Bonds is necessary for interest on the Series 2026A Bonds to be, and to remain, excluded from the gross income of the Owners thereof for federal income tax purposes and not to take any actions that would adversely affect such exclusion under the provisions of the Code.

THE BORROWER WILL PAY OR CAUSE TO BE PAID ALL FILING FEES INCIDENT TO SUCH FILING, AND ALL EXPENSES INCIDENT TO THE PREPARATION, EXECUTION, AND ACKNOWLEDGMENT OF SUCH FILING.

THE ISSUER SHALL HAVE NO RESPONSIBILITY FOR THE PREPARATION, FILING, OR RECORDING OF ANY SUCH CONTINUATION STATEMENT OR FOR THE MAINTENANCE OF ANY SECURITY INTEREST INTENDED TO BE PERFECTED THEREBY. The Borrower shall furnish, within the time limit specified in any binder, an original of a mortgagee's title policy of leasehold mortgage insurance issued by such title insurance company. The mortgagee's title policy shall insure that the Trustee has a valid first priority mortgage lien on the Borrower's leasehold interest in the real property described in Exhibit B to this Loan Agreement subject only to Permitted Encumbrances. There shall be deleted in such policy the standard exceptions for discrepancies, encroachments, overlaps, conflicts in

boundary lines, servitudes, shortages in area or other matters that would be disclosed by an accurate survey and inspection of the real property described in Exhibit B to this Loan Agreement, for mechanics' and materialmen's liens, or for rights or claims of parties in possession and easements or claims of easements now shown by the public records. In lieu of the standard zoning endorsement, the Borrower may provide an opinion of Independent Counsel as to the matters contained in the standard zoning endorsement. Any Net Proceeds payable either to the Issuer or the Borrower under such policy shall be subject to the lien of the Indenture, shall be paid to the Trustee and held by the Trustee in the Insurance Fund, and shall, at the Borrower's written direction, be either (a) used to acquire or construct replacement or substitute property for that to which title has been lost, or (b) used to redeem such Series 2026 Bonds pursuant to Section 3.05(a)(i) of the Indenture. The Trustee shall be reimbursed for any such costs and expenses in accordance with the provisions of Section 6.08 hereof. If the Borrower shall not take the action contemplated herein, the Trustee or the Issuer may, but shall not be under any obligation to, appear or intervene in any such action or proceeding and retain counsel therein and defend the same or otherwise take such action therein as it may be advised and may settle or compromise the same and, in that behalf and for any of such purposes, may expend and advance such sums of money as it may deem necessary, and such sums shall be an advance payable in accordance with Section 6.08 hereof.

(c) The Borrower's obligations hereunder to the Issuer, the Series 2026 Bond Insurer and the Trustee shall not be limited to any extent by the term of the Series 2026 Bonds, and, as to any act or occurrence before payment in full and satisfaction of such Series 2026 Bonds that gives rise to liability hereunder, shall continue, survive, and remain in full force and effect notwithstanding payment in full and satisfaction of such Series 2026 Bonds and this Loan Agreement or foreclosure under the Leasehold Mortgage, or delivery of a deed in lieu of foreclosure.

synthetic gas, products, or hazardous substance or material, toxic or dangerous waste, substance or material, pollutant, or contaminant, as may now or at any time hereafter be in effect.

Section 3.08. Annual Certificate. During the term of this Loan Agreement, the Borrower will furnish to the Issuer, each Bond Insurer and the Trustee within 180 days after the end of each Annual Period, commencing with the Annual Period ended [June 30, 2027], a certificate of an Authorized Borrower Representative, stating that the signer of the certificate has made a review of the activities of the Borrower during the preceding Annual Period for the purpose of determining whether or not the Borrower, to the knowledge of such signer, is in compliance with its post-issuance compliance policy in all material respects and whether the Borrower has complied with all of the terms, provisions, and conditions of this Loan Agreement and the Project Certificate in all material respects and that, to the knowledge of such signer, the Borrower has kept, observed, performed, and fulfilled each and every covenant, provision, and condition of this Loan Agreement (in all material respects) and in the Project Certificate to be performed by the Borrower and is not in material default in the performance or observance of any of the covenants, provisions, or conditions hereof or thereof, or if there shall be such a default, such certificate shall specify all such defaults and the nature thereof of which the signer of the certificate shall have knowledge and the corrective action being undertaken or to be undertaken with respect thereto.

Section 3.09. No Recourse to Issuer.

(a) Notwithstanding any provision of the Indenture, this Loan Agreement, or the Series 2026 Bonds, to the contrary:

(i) The Series 2026 Bonds are special and limited obligations of the Issuer, payable solely from and secured by the Trust Estate, including the revenues and income pledged for the payment thereof pursuant to the Indenture and this Loan Agreement. Any such Series 2026 Bonds are not and never shall become general obligations of the Issuer.

(ii) Neither the Issuer, the Commonwealth, nor any of its political subdivisions shall be directly, indirectly, contingently or morally obligated to use any other moneys or assets to pay all or any portion of the debt service due on the Series 2026 Bonds, to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment.

(iii) The Commonwealth shall not in any event be liable for the performance of any pledge, obligation or agreement of any kind whatsoever that may be undertaken or made by the Issuer or the Borrower. The Issuer shall not in any event be liable for the performance of any pledge, obligation or agreement of any kind whatsoever undertaken or made by the Borrower.

(iv) The Series 2026 Bonds are not a pledge of the faith and credit of the Issuer, the Commonwealth, or any of its political subdivisions nor do they constitute indebtedness within the meaning of any constitutional or statutory debt limitation. Neither the Series 2026 Bonds, this Loan Agreement, nor any of the agreements or obligations of the Issuer or the Borrower shall be construed to (A) constitute an indebtedness or obligation, general, moral or otherwise, of the Commonwealth or the Issuer within the meaning of any constitutional

or statutory provisions, or (B) give rise to any pecuniary liability on, or be a charge against, the general credit or taxing powers of the Commonwealth or the Issuer.

(v) The Issuer shall not be liable for payment of the principal of or premium, if any, or interest on the Series 2026 Bonds, or any other costs, expenses, losses, damages, claims or actions of any conceivable kind on any conceivable theory, under or by reason of or in connection with the Indenture, the Series 2026 Bonds, or any other documents, except only to the extent amounts are received for bond payments or loan payments from the Borrower under the Indenture or this Loan Agreement.

(vi) It is hereby understood and agreed that all of the representations and warranties of the Issuer contained in the Indenture and this Loan Agreement are subject to the limitations set forth in this Section and are not intended to and do not create a general obligation of the Issuer.

(b) Notwithstanding any provision of the Indenture, this Loan Agreement, or the Series 2026 Bonds, to the contrary, the Issuer shall be entitled to refrain from taking any action otherwise required of it under the Indenture, the Tax Agreement, or this Loan Agreement unless and until the Borrower shall have caused adequate provision for the payment of any and all reasonable costs and expenses, outlays, and counsel fees and other disbursements, and against all liability, to be provided for the account of the Issuer in advance of taking such action. Notwithstanding any provision of the Indenture, this Loan Agreement, or such Series 2026 Bonds, to the contrary, the Issuer may consult with independent counsel, chosen by it with reasonable care, and shall not be liable for action taken or not taken in good faith in reliance upon the written advice or opinion of such counsel.

(c) Notwithstanding any provision of the Indenture, this Loan Agreement, or the Series 2026 Bonds, to the contrary:

(i) No person executing an Issuer Deliverable is liable personally on or with respect to such Issuer Deliverable or otherwise subject to any personal liability or accountability by reason thereof.

(ii) No recourse shall be had for the payment of the principal of or premium, if any, or interest on the Series 2026 Bonds, or for any claim based thereon or any certification, obligation, covenant, or agreement in any Issuer Delivery against any past, present or future member, officer, agent, attorney, employee, director, trustee, or other official of the Issuer or any incorporator, member, officer, agent, attorney, employee, director, trustee, other official, or independent contractor of any successor corporation of the Issuer or any person executing the Series 2026 Bonds, or any other Issuer Deliverable.

(iii) No covenant, stipulation, promise, certification, agreement, or obligation contained in the Series 2026 Bonds, the Indenture, this Loan Agreement, or any other Issuer Deliverable executed in connection therewith shall be deemed to be the covenant, stipulation, promise, agreement, or obligation of any present or future member, director, trustee, officer, agent, attorney, employee, or other official of the Issuer in his or her individual capacity, and neither any official of the Issuer, nor any officers executing the Series 2026 Bonds, shall be

liable personally on the Series 2026 Bonds, or be subject to any personal liability or accountability by reason of the issuance of the Series 2026 Bonds.

By their purchase of each Series 2026 Bond, each Bondholder shall be deemed to have acknowledged and agreed to the provisions of this Section and that the Issuer has no taxing power.

Section 3.10. Compliance with Laws. Subject to provisions of Section 3.09 hereof, the Borrower will, through the term of this Loan Agreement, at no expense to the Issuer, promptly comply or cause compliance with all applicable laws, ordinances, orders, rules, regulations, and requirements of duly constituted public authorities, which may be applicable to the Series 2026 Housing Facilities, or to the repair and alteration thereof, or to the use or manner of use of the Series 2026 Housing Facilities, including the Americans with Disabilities Act, the Kentucky Accessibility Code, all federal, Commonwealth, and local environmental and health and safety laws, rules, regulations, and orders applicable to or pertaining to the Series 2026 Housing Facilities, and the Federal Worker Adjustment and Retraining Notification Act.

Section 3.11. Operation of Series 2026 Housing Facilities. The Borrower shall operate the Series 2026 Housing Facilities, as student housing facilities and related facilities or cause the same to be operated as student housing facilities and related facilities in accordance with the Ground Lease, for rent only to Eligible Tenants (as defined in the Ground Lease), and shall continue to maintain the Series 2026 Project in compliance with all applicable life and safety codes and all applicable building and zoning, health, environmental, and safety ordinances and laws and all other applicable laws, rules, and regulations of the United States of America, the Commonwealth, and any political subdivision or agency thereof having jurisdiction over the Series 2026 Housing Facilities.

Section 3.12. Indenture Provisions. The Indenture provisions concerning the Series 2026 Bonds, and the other matters therein are an integral part of the terms and conditions of the Loan made by the Issuer to the Borrower pursuant to this Loan Agreement, and the execution of this Loan Agreement shall constitute conclusive evidence of approval of the Indenture by the Borrower to the extent it relates to the Borrower. Additionally, the Borrower agrees that, whenever the Indenture by its terms imposes a duty or obligation on the Borrower, such duty or obligation shall be binding upon the Borrower to the same extent as if the Borrower were an express party to the Indenture, and the Borrower hereby agrees to carry out and perform all of its obligations under the Indenture as fully as if the Borrower were a party to the Indenture.

ARTICLE IV ACQUISITION, CONSTRUCTION, FURNISHING, AND EQUIPPING OF THE SERIES 2026 PROJECT; ISSUANCE OF THE BONDS; INVESTMENT OF FUNDS

Section 4.01. Development, Acquisition, Construction, Equipping, Installation, and Renovation of the Series 2026 Project.

(a) Promptly following the issuance and sale of the Series 2026 Bonds, the Borrower shall acquire and construct the Series 2026 Project. The Issuer hereby authorizes the Borrower to use the proceeds of the Series 2026 Bonds, and other amounts deposited into the Construction Fund from time to time to develop, acquire, construct, equip, install, and renovate the Series 2026 Project (including any necessary demolition). The Borrower hereby agrees (i) that it will exercise the

foregoing authorizations given to it by the Issuer, (ii) that the Series 2026 Project will be acquired and constructed, all in accordance with the Plans and Specifications applicable to the Series 2026 Project and (iii) that it expects that the proceeds the Series 2026 Bonds deposited to the Construction Fund will be expended within three years from the date of issuance of the Series 2026 Bonds.

(b) The Borrower agrees that it will, at all times during the construction of the Series 2026 Project maintain or cause the Developer or the General Contractor to maintain, at a minimum, the insurance set forth in Section 20 of the Ground Lease or otherwise identified on Exhibit M to the Development Agreement. Such policy or policies of insurance required under Sections 20(e) of the Ground Lease (commercial general liability), Section 20(f) of the Ground Lease (business automobile liability), and Section 20(h) of the Ground Lease (umbrella/excess liability) shall name the Issuer, the Borrower, the Trustee, and the University as additional insureds for ongoing and completed operations on a primary and noncontributory basis and include a waiver of subrogation rights endorsement in favor of the additional insureds, a waiver of subrogation rights endorsement shall also apply to Section 20(b) of the Ground Lease with respect to workers' compensation and employer's liability coverage in favor of the Issuer, the Borrower, the Trustee, and the University, the insurance required under Section 20(c) of the Ground Lease (property/business interruption) shall name the Issuer, the Borrower, the Trustee, the Series 2026 Bond Insurer, and the University as insureds, as their interest may appear, and shall name the Trustee as mortgagee and loss payee under a standard Loss Payable Endorsement providing that no act or omission by the named insured shall in any way prejudice the rights of the Trustee thereunder, and all Net Proceeds received under such policy or policies by the Borrower, the Trustee, or the Issuer shall be paid over to the Trustee and deposited into the Insurance Fund to be applied to the restoration or completion of the Series 2026 Project or to the redemption of Bonds, including the Series 2026 Bonds, in accordance with the provisions of Section 6.05 and Section 7.01 hereof. Moneys held by the Trustee in the Insurance Fund shall be invested and disbursed, from time to time, as provided in Section 7.04 hereof. All such policies or copies thereof or certificates that such insurance is in full force and effect shall be delivered to the Trustee at or before the delivery of the Series 2026 Bonds.

(c) The Borrower further agrees that it will cause the Developer to require the General Contractor to deliver to the Trustee separate performance and labor and material payment bonds with respect to "material subcontractors," as defined in the Development Agreement, and in the full amount required by the Development Agreement, made by the contractor thereunder as the principal and a surety company or companies, acceptable to the Borrower, Trustee, the Series 2026 Bond Insurer, and the Developer, as surety; such bonds to be in such forms as are acceptable to the Borrower, the Trustee, the Series 2026 Bond Insurer, and the Developer. The bonds shall name the General Contractor as the primary obligee and the Issuer, the Borrower, the Trustee, the University, the Series 2026 Bond Insurer, and the Developer as dual or additional obligees, and all Net Proceeds received under the bonds by the Borrower, the Trustee, or the Issuer shall become a part of and be deposited into the Construction Fund, or if received after the Completion Date of the Series 2026 Project, shall be used to pay any obligation then owed by the Borrower under this Loan Agreement, and if any Net Proceeds remain, shall be paid to the University. Any amounts recovered by way of penalties or damages, whether liquidated or actual, for delays in completion by a contractor, payment for which the Borrower is otherwise entitled, shall be deposited into the Bond Fund.

(d) The Borrower shall develop, acquire, construct, install, equip, and renovate the Series 2026 Project (including any necessary demolition) in accordance with the Plans and Specifications and the Construction Contracts and warrants that the construction or renovation of the Series 2026 Project in accordance with such Plans and Specifications will, result in a facility suitable for use by the Borrower as student housing facilities and that all real and personal property provided for therein is necessary or appropriate in connection with the Series 2026 Project. The Borrower may make changes in or additions to the Plans and Specifications for the Series 2026 Project; provided, however that the foregoing shall not be a limitation on any approval right of the Developer made under the Development Agreement or the University under the Ground Lease.

(e) The Borrower shall not permit any mechanics' or materialmen's or other liens to be perfected or remain against the Series 2026 Project for labor or materials furnished in connection with the construction and renovation of the Series 2026 Project provided that it shall not constitute an Event of Default upon such liens being filed, if the Borrower shall promptly notify the Trustee and the Series 2026 Bond Insurer of any such liens, and the Borrower shall in good faith promptly contest such liens; in such event the Borrower may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom provided the Borrower shall furnish the Trustee with a bond or cash deposit equal to at least the amount so contested, a title insurance endorsement, or an opinion of Independent Counsel reasonably acceptable to the Trustee stating that by nonpayment of any such items, the liens of the Leasehold Mortgage, the Security Agreement, and the Assignment of Agreements and Documents as to any material part of the Series 2026 Project will not be materially and imminently endangered and neither the Series 2026 Project nor any material part thereof will be subject to imminent loss or forfeiture. The proceeds of the bond, cash deposit or title insurance endorsement may be used by the Trustee to satisfy the lien if action is taken to enforce the lien and such action is not stayed. If the Borrower shall be unable or shall otherwise fail to obtain such a bond or provide such a cash deposit or title insurance endorsement or such an opinion of Independent Counsel, the Borrower shall promptly cause to be satisfied and discharged all such items by payment thereof. If the Borrower shall fail to pay any of the foregoing items required by this Section to be paid by the Borrower, the Issuer or the Trustee may (but shall be under no obligation to) pay the same, and any amounts so advanced therefor by the Issuer or the Trustee shall become an advance repayable in accordance with Section 6.08 hereof. The Borrower shall complete the acquisition and construction or renovation of the Series 2026 Project as promptly as practicable and with all reasonable dispatch.

Section 4.02. (f) Upon reasonable advance notice, the Borrower shall permit, and cause the Developer and General Contractor to permit, the Construction Monitor to enter upon the Series 2026 Project site during construction of Student Housing Facility 1 to inspect the property and improvements and all materials to be used in the construction thereof and to examine all detailed Plans and Specifications which are or may be kept at the Series 2026 Project site, to examine and make copies and abstracts from the records and books of account, wherever located, in respect of Student Housing Facility 1, to discuss the affairs, finances and accounts of Borrower with the financial and accounting officers of the Borrower, and to directly contact the Borrower, the Developer, the General Contractor, and any subcontractors, consultants, and material men to determine the status of construction and compliance with the provisions of the Development Agreement and the Construction Contract and related terms and conditions set forth herein. The Borrower will cooperate and cause the Developer, the General Contractor, and any of their

consultants or major subcontractors to cooperate with the Construction Monitor to enable the Construction Monitor to perform its functions hereunder. At the time of each inspection by the Construction Monitor, the Developer and the Borrower will make available to the Construction Monitor on demand daily log sheets covering the period since the immediately preceding inspection showing the date, weather, subcontractors on the job, number of workers and status of construction. All fees and expenses of the Construction Monitor for performing such services will be paid on a monthly basis by or on behalf of the Borrower as a Non-Construction Cost promptly following receipt of invoice submitted by the Construction Monitor. None of the foregoing will imply that the Construction Monitor is under any duty to supervise or inspect construction or examine any books and records. In no event will any inspection by the Construction Monitor be a representation that there has been or will be compliance with the Plans and Specifications or that the construction is free from defective materials or workmanship. Project Records. The Borrower will maintain (or will cause to be maintained) such records in connection with the acquisition, construction, equipping, installation, and renovation of the Series 2026 Project as are required to permit ready identification of the Series 2026 Project and the Costs of the Series 2026 Project.

Section 4.03. Construction Fund.

(a) Section 5.05 of the Indenture authorizes and directs the Trustee to disburse moneys in the Construction Fund to pay for the Costs of the Series 2026 Project.

(b) Each payment from the Construction Fund shall be made by the Trustee in lawful money of the United States by check or interbank transfer of funds. Each such payment shall be made by the Trustee to the payee or payees identified on the requisition (or supporting application for payment) submitted by the Borrower to the Trustee, provided that each such requisition and supporting application for payment facially complies with the requirements of this Section and the Indenture. In responding to a requisition to make a disbursement from the Construction Fund, the Trustee may rely upon any instrument or signature reasonably believed by it to be genuine and authorized and shall not be required to confirm or otherwise investigate any factual statements made therein. The Borrower hereby covenants and agrees to indemnify and save harmless the Issuer and the Trustee and their respective officers, directors, members, agents, and employees from any liability incurred in connection with any application for payment, which indemnification shall survive the Agreement Term.

(c) Subject to compliance by the Borrower with all of the terms, provisions, and conditions of this Loan Agreement and the Project Certificate, including the applicable conditions for disbursements set forth in this Section, the Issuer shall cause the Trustee to disburse sums in the Construction Fund to the Borrower or to the appropriate payee for Non-Construction Costs in one or more disbursements in accordance with the following procedures:

(i) Not less than five Business Days before the date on which the Borrower desires a disbursement, but not more frequently than monthly, the Borrower shall submit to the Trustee a requisition for payment substantially in the form of Exhibit D-1 or Exhibit D-2, to the Indenture, as applicable, which shall be accompanied by an itemization of Non-Construction Costs in such detail as the Trustee shall require, and the accuracy of such cost and fee itemization shall be certified by the Borrower. The Borrower shall designate the 2026A Account of the Construction Fund or the 2026B Account of the Construction Fund

from which the disbursement is to be paid, or other such named account as designated in connection with the issuance of Additional Bonds. The requisition must be signed by the Authorized Borrower Representative and approved by the Authorized Developer Representative for Exhibit D-1 to the Indenture, or approved by the Authorized Manager Representative for Exhibit D-2 to the Indenture, as applicable.

(ii) A disbursement request for Non-Construction Costs submitted in accordance with the foregoing procedure need not comply with, and shall not be subject to the requirements of, subsections (d), (f), or (g) of this Section.

(d) Subject to compliance by the Borrower with all of the applicable terms, provisions, and conditions of this Loan Agreement and the Project Certificate, including the conditions for disbursements set forth in this Section, the Issuer upon such Borrower direction will cause the Trustee to disburse sums in the Construction Fund to the Borrower, to the Developer under the Development Agreement, or to the appropriate contractor under the Construction Contracts for Construction Costs in several disbursements in accordance with the following procedures:

(i) Not less than five Business Days before the date on which the Borrower desires a disbursement, but not more frequently than monthly, the Borrower shall submit to the Trustee a Requisition substantially in the form of Exhibit E to the Indenture, together with a Payment Application in the form attached as Exhibit I to the Development Agreement (a "Payment Application"), which shall be accompanied by all of the information required for such Payment Application by the Development Agreement.

(ii) The Developer shall approve each requisition for payment, and such approval shall constitute a certification to the Trustee and the Borrower as of the date of such Payment Application that the Architect has certified, in accordance with the attachments to each Payment Application for payment and the Architect's Agreement, that all work theretofore performed is in compliance with the Plans and Specifications and that all work and material for which payment is sought has been done and provided.

(iii) The Developer shall determine the "maximum allowable disbursement" by adding to the cost of completed construction to date (as determined by the Developer on the basis of its review of the Application and Certificate of Payment and cost breakdown) any allowable Non-Construction Costs related to the Series 2026 Project.

(iv) Subject to the requirements of subsection (h) of this Section, the disbursement requested from the Trustee shall be the "maximum allowable disbursement" as determined under clause (iii) above, less: (A) the percentage of the cost of completed construction specified in the Development Agreement to be retained (hereinafter referred to as the "Retainage"), and (B) the amounts previously disbursed by the Trustee. Retainage under the Development Agreement may only be disbursed by the Trustee after the requirements of the Development Agreement related to such Retainage shall have been performed to the satisfaction of the Borrower, as evidenced by the signature of the Authorized Borrower Representative on the related Payment Application.

(e) Notwithstanding any other terms and provisions set forth herein, the Trustee, at the direction of the Borrower, in its discretion, shall make all disbursements or any disbursement directly to the Borrower (in accordance with paragraph (h)(ii) hereof), to the Developer, to the General Contractor, to any contractor, or to any subcontractor, laborer, materialman, or Person furnishing labor, services, or materials used or to be used on or in the construction of the Series 2026 Project (including authorized extras) or to any combination of them. Any such disbursement shall be deemed to have been made to the Borrower or for its account.

(f) The execution of each Certificate and Requisition submitted for disbursements relating to Construction Costs by the Borrower shall constitute the certification, warranty, and agreement of the Borrower as follows:

(i) the Series 2026 Project is free and clear of all liens and encumbrances, except Permitted Encumbrances;

(ii) all evidence, statements, and other writings required to be furnished under the terms of this Loan Agreement and the Indenture are true in all material respects and omit no material fact the omission of which may make them misleading;

(iii) all moneys previously disbursed have been used solely to pay for costs allowed by this Loan Agreement, and the Borrower has written evidence to support this item of warranty;

(iv) none of the items for which payment is requested has formed the basis for any payment previously made from the Construction Fund;

(v) other than those costs for which payment is requested pursuant to the requisition, the Retainage and amounts withheld from the General Contractor or other contractors or their subcontractors pursuant to applicable law necessary to resolve disputed liens or claims, all bills for labor, materials, and fixtures used, or on hand and to be used, in the construction of the portion of the Series 2026 Project financed by the applicable series of Bonds, have been paid, and no Person is asserting a lien with respect thereto, except Permitted Encumbrances;

(vi) such Certificate and Requisition contains no items representing payment of any amount constituting Costs of Issuance;

(vii) the payment of such requisition is in compliance with the Project Certificate, and, together with the payment of all prior requisitions, will not result in more than 5% of the proceeds of any series of Tax Exempt Bonds being used directly or indirectly in any trade or business carried on by any Person that is not a Tax Exempt Organization or a Governmental Person or in any unrelated trade or business of a Tax Exempt Organization;

(viii) the amount remaining in the Construction Fund after the payments of such requisition plus expected earnings thereon are sufficient to pay the remaining Costs of the Series 2026 Project (excluding permitted start-up costs) as determined on the date of such requisition; and

(ix) no Event of Default has occurred and is continuing.

(g) The Borrower covenants and agrees that, upon the request of the Trustee from time to time, it shall furnish the Trustee with evidence that is reasonably satisfactory to the Trustee (including certificates and affidavits of the Borrower or the Developer or any contractor or such other person as the Trustee may reasonably require) showing to its knowledge (i) the total costs of construction existing at that time, (ii) that, other than those costs for which a payment requisition is outstanding, the Retainage and amounts withheld by the General Contractor, other contractors or their subcontractors pursuant to applicable law necessary to resolve disputed liens or claims, all outstanding claims for labor, materials, fixtures, furnishings, equipment, and other work have been paid or provided for in accordance with the requirements of this Loan Agreement, (iii) that there are no liens outstanding or unpaid other than Permitted Encumbrances and liens contested under Section 4.01(e) hereof, (iv) that the Borrower has substantially complied with all of the Borrower's obligations hereunder and under the Indenture, (v) that the Architect has certified, in accordance with the attachments to each requisition for payment and the Architect's Agreement, that all construction has been done in accordance with the Plans and Specifications, (vi) that the performance and labor and material payment bonds required by Section 4.01(c) hereof are in full force and effect, and (vii) that no Event of Default has occurred and is continuing. Notwithstanding the foregoing, in providing any evidence, certificate or affidavit to the Trustee under this Section, the Borrower may reasonably rely upon certificates of the Developer or the General Contractor with respect to clause (i), (ii), (iii), and (v).

(h) The Trustee shall not make any disbursement from the Construction Fund unless each and all of the conditions precedent set forth below shall have been met and complied with in full:

(i) at the time of each disbursement the Trustee shall not have or be deemed to have notice of an Event of Default that has occurred and is continuing, as provided in Section 11.01(h) of the Indenture; and

(ii) at the time each disbursement is made pursuant to this Section as a reimbursement to the Borrower or the Issuer, the Borrower or the Issuer shall deliver to the Trustee evidence satisfactory to the Trustee of prior payment by the Borrower or the Issuer to the appropriate contractor or supplier under the Construction Contracts or other person of the amount then and theretofore approved for payment.

(i) If sufficient liquid funds shall not be available to the Trustee at the time of presentment of an Certificate and Requisition due to the particular form of Construction Fund investments or a lack of funds, payment of such Certificate and Requisition shall be delayed until liquid funds or additional funds sufficient to satisfy the requirements of this Section shall have been received by the Trustee.

Section 4.04. Establishment of Completion Date. The Completion Date of the Series 2026 Project shall be evidenced to the Trustee by a certificate of substantial completion listing the items to be completed or corrected, if any, and the amounts to be withheld therefor, signed by the Authorized Borrower Representative and approved by the Developer stating (i) that, with respect to the construction of any new Housing Facility comprising a portion of the Series 2026 Project, except for amounts retained by the Trustee for Costs of such portion of the Series 2026 Project not then due

and payable as provided in Section 4.03 hereof, (a) the Architect has certified, in accordance with the attachments to each requisition for payment and the Architect's Agreement, that construction of such portion of the Series 2026 Project has been completed substantially in accordance with the Plans and Specifications for such portion and all labor, services, materials, and supplies used in such construction have been paid or provided for, (b) the Architect has certified, in accordance with the attachments to each requisition for payment and the Architect's Agreement, that all other facilities necessary in connection with the construction of such portion have been constructed, acquired, and installed substantially in accordance with the Plans and Specifications for such portion, and all costs and expenses incurred in connection therewith have been paid or provided for, (c) according to the "as built" survey of any new Housing Facility comprising a portion of the Series 2026 Project or a certificate of the surveyor, such portion does not encroach on any other property or violate any setback or sideline requirements applicable to such portion, and (d) a certificate of occupancy for such portion has been issued by appropriate local governmental authorities, if applicable; (ii) that, with respect to the renovation or improvement of any Legacy Housing Facility, all expenditures necessary to be made with respect to such renovations or improvements have been made and such renovations and improvements are completed to the satisfaction of the Developer and the Borrower. Notwithstanding the foregoing, such certificate may state that it is given without prejudice to any rights against third parties that exist at the date of such certificate or that may subsequently come into being. The Developer shall certify the matters covered by (a) and (b) above. It shall be the duty of the Borrower to cause the certificate contemplated by this Section to be furnished as soon as the construction of applicable Series 2026 Project shall have been substantially completed.

IF THE BORROWER DETERMINES NOT TO COMPLETE ANY PORTION OF THE SERIES 2026 PROJECT FOR WHICH PROCEEDS OF THE SERIES 2026 BONDS (OR INVESTMENT EARNINGS THEREON) ARE AVAILABLE AND DELIVERS THE COMPLETION CERTIFICATE, OR FUNDS SUCH PORTION OF SUCH SERIES 2026 PROJECT FROM ANY OTHER SOURCE, SUCH SERIES 2026 BOND PROCEEDS (OR INVESTMENT EARNINGS THEREON) OTHERWISE ALLOCABLE TO SUCH PORTION MUST BE USED EITHER (I) TO PAY COSTS OF THE REMAINING PARTS OF SUCH SERIES 2026 PROJECT, PROVIDED THAT THE BORROWER CERTIFIES TO THE ISSUER AND THE TRUSTEE THAT AFTER RECALCULATING THE AVERAGE REASONABLY EXPECTED ECONOMIC LIFE OF THE SERIES 2026 PROJECT BEING FINANCED, REFINANCED, OR REIMBURSED WITH PROCEEDS OF THE SERIES 2026 BONDS (OR INVESTMENT EARNINGS THEREON), THE WEIGHTED AVERAGE MATURITY OF SUCH SERIES OF BONDS WILL NOT EXCEED 120% OF THE AVERAGE REASONABLY EXPECTED ECONOMIC LIFE OF THE APPLICABLE PORTION OF THE SERIES 2026 PROJECT, (II) TO PAY THE COSTS OF OTHER PROJECTS QUALIFYING UNDER THE ACT, WITH THE APPROVAL OF THE ISSUER, (III) TO REDEEM PRINCIPAL ON THE SERIES 2026 BONDS IN ACCORDANCE WITH THE PROVISIONS OF THIS LOAN AGREEMENT AND THE INDENTURE, OR (IV) IN ANY OTHER LAWFUL MANNER, PROVIDED, IN EACH CASE, THAT THERE SHALL BE DELIVERED TO THE TRUSTEE AND THE ISSUER A FAVORABLE OPINION OF BOND COUNSEL WITH RESPECT TO SUCH APPLICATION. IF THE BORROWER SHALL SO DETERMINE (1) NOT TO COMPLETE ANY PORTION OF THE SERIES 2026 PROJECT OR (2) TO FUND SUCH PORTION FROM ANY OTHER SOURCE, SUCH PORTION OF THE SERIES 2026 PROJECT SHALL NO LONGER BE DEEMED TO BE WITHIN THE MEANING OF THE TERM "SERIES 2026 PROJECT" FOR ANY PURPOSE OF

THIS LOAN AGREEMENT OR THE INDENTURE. IN ADDITION, IF THE BORROWER SHALL SO DETERMINE TO USE AVAILABLE BOND PROCEEDS TO PAY THE COSTS OF OTHER PROJECTS APPROVED BY THE ISSUER, SUCH PROJECTS SHALL THEREAFTER BE DEEMED TO BE WITHIN THE MEANING OF THE TERM "SERIES 2026 PROJECT" FOR ALL PURPOSES OF THIS LOAN AGREEMENT AND THE INDENTURE.

Section 4.05. Payment of Costs of the Series 2026 Project if Construction Fund Insufficient. The Issuer does not make any warranty or representation, either express or implied, that the moneys that will be paid into the Construction Fund and that, under the provisions of this Loan Agreement, will be available for payment of the Costs of the Series 2026 Project will be sufficient to pay all the costs that will be incurred in that connection. Subject to the terms of the Development Agreement, the Borrower agrees that if after exhaustion of the moneys in the Construction Fund the Borrower shall pay, or, to the extent authorized pursuant to the Development Agreement, cause the Developer to pay, any portion of such Costs of the Series 2026 Project, it shall not be entitled to any reimbursement therefor from the Issuer or from the Trustee or from the owners of any of the Series 2026 Bonds, nor shall it be entitled to any diminution of the Loan Payments. The obligation of the Borrower to complete the construction of the Series 2026 Project, shall survive any termination of this Loan Agreement.

Section 4.06. Authorized Borrower and Issuer Representatives and Successors. The Borrower and the Issuer, respectively, shall designate the Authorized Borrower Representative and the Authorized Issuer Representative. If any person so designated and such person's alternate or alternates, if any, should become unavailable or unable to take any action or make any certificate provided for or required in this Loan Agreement, a successor shall be appointed in the same manner.

Section 4.07. Investment of Funds and Accounts.

(a) Subject to Article VII of the Indenture and Section 4.08 hereof, any moneys held by the Trustee as a part of the Revenue Fund, the Bond Fund, the Redemption Fund, the Cost of Issuance Fund, the Construction Fund, the Debt Service Reserve Fund, the Repair and Replacement Fund, the Insurance Fund, the Condemnation Fund, the Operations Contingency Fund, the Surplus Fund, or the Rebate Fund or as reserves in connection with contested liens or any other special trust funds, shall be invested or reinvested in such Permitted Investments as may be designated by the Borrower, which designation shall not contain directions contrary to the laws of the Commonwealth, the Tax Agreement, or Section 7.01 of the Indenture. The particular investments shall be designated by the Borrower to the Trustee at the written (or oral confirmed in writing) direction of the Authorized Borrower Representative. The Trustee shall not be liable for any depreciation in the Value of any obligations in which moneys of funds or accounts held under the Indenture shall be invested, as aforesaid, or for any loss arising from any investment or for any investment that does not comply with the laws of the Commonwealth.

(b) The investments so purchased shall be deemed at all times a part of the Revenue Fund, the Redemption Fund, the Bond Fund, the Cost of Issuance Fund, the Construction Fund, the Debt Service Reserve Fund, the Repair and Replacement Fund, the Insurance Fund, the Condemnation Fund, the Operations Contingency Fund, the Surplus Fund, or the Rebate Fund, as the case may be, and the interest accruing thereon and any profit realized therefrom shall be credited

as provided in Section 7.02 of the Indenture, and any losses resulting from such investments shall be charged to such Fund and paid by the Borrower.

Section 4.08. Special Investment Covenants. The Issuer and the Borrower each covenant that it shall not directly or indirectly use or permit the use of any proceeds (as defined in the Regulations) of any issue or any other funds of the Issuer or the Borrower, or take or omit to take any action, or direct the Trustee to invest any funds held by it, in such manner as will cause any Tax Exempt Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code and any Regulations proposed or promulgated in connection therewith or to be “federally guaranteed,” as such term is used and defined in Section 149(b) of the Code and any Regulations proposed or promulgated in connection therewith. To that end, the Issuer and the Borrower shall comply with all requirements of Section 148 of the Code to the extent applicable to any Tax Exempt Bonds. If at any time the Issuer or the Borrower shall be of the opinion that for purposes of this Section it is necessary to dispose of any investment or to restrict or limit the yield on any investment held under the Bond Documents or otherwise, the Issuer or the Borrower, as the case may be, shall so instruct the Trustee in writing.

ARTICLE V
AGREEMENT TERM; LOAN PAYMENTS AND OTHER AMOUNTS
PAYABLE; NATURE OF OBLIGATIONS OF THE BORROWER

Section 5.01. Agreement Term. This Loan Agreement shall become effective upon its execution and delivery and shall be in full force and effect until the Series 2026 Bonds shall have been fully paid (or provision for such payment shall have been made as provided in Article IX of the Indenture), all fees, charges, indemnities, and expenses of the Issuer and Trustee, have been fully paid or provision made for such payment (the payment of which fees, charges, indemnities, and expenses shall be evidenced by a written certification of the Borrower that it has fully paid or provided for all such fees, charges, indemnities, and expenses); and all other amounts due hereunder have been duly paid or provision made for such payment. All representations, certifications, and covenants by the Borrower as to the indemnification of various parties and the payment of fees and expenses of the Issuer, and all matters affecting the tax-exempt status of the Series 2026 Bonds, shall survive the termination of this Loan Agreement, but in all events continue to be subject to the provisions of Section 10.06 hereof.

Section 5.02. Loan Payments and Other Amounts Payable.

(a) Basic Loan Payments:

(i) Until the Debt Service Payments shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture, the Borrower shall pay to the Trustee for the account of the Issuer as Basic Loan Payments, in each case for deposit into the Bond Fund, amounts sufficient to pay the Debt Service Payments as and when the same shall become due and all other sums payable under the terms of the Series 2026 Bonds. The Borrower shall pay to the Trustee for the account of the Issuer:

(A) except as otherwise provided in a Supplemental Loan Agreement with respect to a particular series of Additional Bonds, on or before [____] 20, 20[____], a

sum equal to the amount payable on the immediately succeeding Interest Payment Date as interest on all Outstanding Bonds, and on or before [____] 20, 20[____] and on or before the twentieth day of each month thereafter, a sum equal to one-sixth of the amount payable on the immediately succeeding Interest Payment Date as interest on all Outstanding Bonds, or such lesser amount that, together with amounts already on deposit in the applicable subaccounts and the Capitalized Interest Account of the Bond Fund and available therefor, will be sufficient to pay interest on the Series 2026 Bonds to become due on the immediately succeeding Interest Payment Date, as provided in the Indenture;

(B) except as otherwise provided in a Supplemental Loan Agreement with respect to a particular series of Additional Bonds, on or before [____] 20, 20[____], and on or before the twentieth day of each month thereafter, a sum equal to (1) one-twelfth of the principal due on the immediately succeeding [June 1] that is a maturity date of the all Outstanding Bonds, or (2) one-twelfth of the amount required to retire Outstanding Bonds under the mandatory sinking fund redemption requirements of Section 3.03 of the Indenture on the immediately succeeding [June 1], as provided in the Indenture, as the case may be;

(C) on the Business Day before any date on which any Additional Bonds are to be redeemed pursuant to any mandatory redemption provisions of any supplemental indenture or indentures executed in connection with the issuance of Additional Bonds (other than mandatory sinking fund or other similar redemption pursuant to such supplemental indenture or indentures), an amount equal to the Redemption Price of such Additional Bonds to be redeemed (taking into account amounts then on deposit in the Bond Fund to be used for the payment of such Additional Bonds to be redeemed).

(ii) Each payment of Basic Loan Payments under clause (a)(i)(A) of this Section shall in all events be sufficient, after giving credit for funds held in the Bond Fund (including amounts held in the Capitalized Interest Account) and the Revenue Fund available for such purpose, to pay the total amount of interest payable on the Bonds on the immediately succeeding Interest Payment Date, each payment of Basic Loan Payments under clause (a)(i)(B) of this Section shall in all events be sufficient, after giving credit for funds held in the Bond Fund available for such purpose, to pay the total amount of principal payable in respect of the Bonds on the immediately succeeding [June 1], and each payment of Basic Loan Payments under clause (a)(i)(C) of this Section shall in all events be sufficient, after giving credit for funds held in the Redemption Fund available for such purpose, to pay the total Redemption Price of the Bonds on the applicable date of redemption. Any Basic Loan Payments shall be reduced or need not be made to the extent that there are moneys on deposit in the Bond Fund or the Redemption Fund in excess of scheduled payments of Basic Loan Payments plus the amount required for the payment of Bonds theretofore matured or called for redemption, the amount required for the payment of interest for which checks or drafts have been mailed by the Trustee, and past due interest in all cases where Bonds have not been presented for payment. Further, if the amount held by the Trustee in the Bond Fund and the Redemption Fund shall be sufficient to pay at the times required the Debt Service

Payments then remaining unpaid, the Borrower shall not be obligated to make any further payments of Basic Loan Payments under the provisions of this Section. There shall also be a credit against remaining Basic Loan Payments for Bonds purchased, redeemed, or canceled, as provided in Article III of the Indenture or in any supplemental indenture or indentures executed in connection with the issuance of Additional Bonds as provided therein.

(b) Additional Loan Payments:

(i) The Borrower shall pay (A) to the Trustee, until the Debt Service Payments shall have been fully paid (1) for deposit into the Repair and Replacement Fund, commencing on the twentieth day of the first month following the month in which the Series 2026 Bonds were issued, and on the twentieth day of each month thereafter, an amount in equal monthly installments necessary to equal the annual amounts as set forth in Exhibit D attached hereto, which, by this reference thereto, is incorporated herein, as "Scheduled Payments to the Repair and Replacement Fund," and any and all additional amounts required to be deposited therein by any amendment or amendments hereto executed in connection with (a) the completion of the construction of any new Housing Facility comprising a portion of the Series 2026 Project or following a Periodic Project Assessment in accordance with Section 5.05(a) hereof or (b) the issuance of Additional Bonds on the dates set forth therein, (2) for deposit into any Fund or Funds created under the Indenture or any supplemental indenture or indentures executed in connection with the issuance of Additional Bonds other than the Repair and Replacement Fund, the Operations Contingency Fund, and the Surplus Fund, any and all additional amounts required to be deposited into such Fund or Funds by any amendment or amendments hereto executed in connection with the issuance of Additional Bonds on the dates set forth therein, (3) an amount equal to the annual fee of the Trustee for the Ordinary Services of the Trustee rendered and the Ordinary Expenses of the Trustee incurred under the Indenture, as and when the same shall become due, (4) the reasonable fees and charges of the Trustee, as bond registrar and paying agent, and of any other paying agents on the Bonds for acting as paying agents as provided in the Indenture, as and when the same shall become due, (5) the reasonable fees and charges of the Trustee for the Extraordinary Services of the Trustee rendered by it and the Extraordinary Expenses of the Trustee incurred by it under the Indenture, as and when the same shall become due; provided that the Borrower may, without creating an Event of Default, contest in good faith the reasonableness of any such Extraordinary Services of the Trustee and Extraordinary Expenses of the Trustee and the reasonableness of any such fees, charges, or expenses, and (6) any Bond Insurer Installment Premium when due under the Indenture, (B) to the Issuer, (1) an issuance fee of \$[] and the fees of Issuer's counsel, before or contemporaneously with the issuance of the Series 2026 Bonds or as otherwise agreed by the Borrower and the Issuer, and (2) an amount sufficient to reimburse the Issuer for all expenses reasonably incurred by it hereunder in connection with the Series 2026 Project, including the fees and expenses of counsel for the Issuer and Bond Counsel, fees and expenses for any rebate consultant or analyst retained by the Issuer as a result of the Borrower's failure to comply with the provisions of Section 8.12 hereof, and any expenses incurred as a result of any audit relating to the Series 2026 Bonds or any requested amendment of the Series 2026 Bonds requiring action or approval of the Issuer, (C) to the Manager, any management fees owed pursuant to the Management Agreement, which shall be evidenced by a written invoice approved by the Borrower, (D) to

the Independent Engineer and the Insurance Consultant, all of their reasonable fees, charges, and expenses, and (E) to each Bond Insurer, any amounts owing to that Bond Insurer under the Indenture, other than for Bond Insurer Installment Premium when due, and reimbursement due to such Bond Insurer under Section 8.14 hereof and under any amendment to this Loan Agreement.

(ii) Such Additional Loan Payments shall be billed to the Borrower by the Issuer, the Trustee, each Bond Insurer or the University from time to time, together with a statement certifying that the amount billed has been incurred or paid by such party for one or more of the above items. Amounts so billed shall be paid by the Borrower within thirty days after receipt of the bill by the Borrower.

(iii) If the Borrower shall fail to make any of the payments required in this Section, the item or installment so in default shall continue as an obligation of the Borrower until the amount in default shall have been fully paid and shall bear interest at the highest rate of interest on the Series 2026 Bonds or such other rate as provided for such payments.

(iv) All amounts deposited in the Funds and Accounts created in the Indenture and available to be used to pay the amounts, fees, charges, and expenses described in item (i) of this subsection (b) in accordance with the terms of the Indenture shall be credited against the Borrower's obligation to make Additional Loan Payments to the extent such amounts are so used.

(c) Reserve Loan Payments: A separate Account of the Debt Service Reserve Fund shall be funded in an amount equal to the Debt Service Reserve Requirement for the purpose of paying Debt Service Payments on the Series 2026 Bonds as shall become due if there shall be insufficient funds for such purpose in the Bond Fund, the Redemption Fund, the Surplus Fund, the Operations Contingency Fund, and the Repair and Replacement Fund, unless provision for their payment in full shall have been duly made. If any funds from the Debt Service Reserve Fund shall be withdrawn (including from a draw on a Series 2026 Reserve Policy) or if there shall be a diminution in Value of the cash and investments held in the Debt Service Reserve Fund as of any Valuation Date or if any net losses result from the investment of amounts held in the Debt Service Reserve Fund that shall reduce the Value of the cash and investments in the Debt Service Reserve Fund to less than the Debt Service Reserve Requirement for the Series 2026 Bonds or any series of Additional Bonds as of any Valuation Date, the Borrower shall, beginning on the twentieth day of the month following notice from the Trustee of such withdrawal, diminution in Value, or losses, and on the twentieth day of each month thereafter, in addition to any other Loan Payments that may be due, make twelve consecutive monthly payments as Reserve Loan Payments to the Trustee for deposit into the related Account or Accounts of the Debt Service Reserve Fund, each equal to the lesser of (i) one-twelfth of the amount of such withdrawal, diminution in Value, or losses, including any amounts owing to the Series 2026 Bond Insurer on account of any draw on the Series 2026 Reserve Policies, or (ii) the excess of the Debt Service Reserve Requirement for the Series 2026 Bonds or any such series of Additional Bonds over the amount on deposit in the Series 2026A Account and the Series 2026B Account of the Debt Service Reserve Fund, with respect to the Series 2026 Bonds, or the related Account of the Debt Service Reserve Fund, with respect to such series of Additional Bonds.

Section 5.03. Agreement to Deposit General Revenues. As security for its obligation to make the Loan Payments, the Borrower hereby agrees to deposit or cause the Manager to deposit all General Revenues received by it in the form of cash, checks, or negotiable instruments into a “deposit only” account and to deliver such amounts not less frequently than each Friday (or if any Friday is not a Business Day, the immediately preceding Business Day) to the Trustee for deposit to the Revenue Fund; provided, however, that if an Event of Default shall have occurred and shall be continuing, the Borrower shall deliver or cause the Manager to deliver all such General Revenues daily.

Section 5.04. Nature of Obligations of the Borrower Hereunder.

(a) The obligations of the Borrower to make the payments required in Section 5.02 hereof and other Sections hereof and to perform and observe any and all of the other covenants and agreements on its part contained herein shall be a general obligation of the Borrower and shall be absolute and unconditional irrespective of any defense or any rights of setoff, recoupment, or counterclaim it may otherwise have against the Issuer. The Borrower agrees that it will not (i) suspend, abate, reduce, abrogate, diminish, postpone, modify, or discontinue any payments provided for in Section 5.02 hereof, (ii) fail to observe any of its other agreements contained in the Borrower Documents for the Series 2026 Bonds, or (iii) except as provided in Section 11.01, Section 11.02, and Section 11.03 hereof or in any amendment or amendments hereto executed in connection with the issuance of Additional Bonds, terminate its obligations under any of the Borrower Documents for the Series 2026 Bonds for any contingency, act of God, event, or cause whatsoever, including failure of the Borrower to occupy or to use the Series 2026 Project as contemplated in this Loan Agreement or otherwise, any change or delay in the time of availability of such Project, any acts or circumstances that may impair or preclude the use or possession of such Project, any defect in the title, design, operation, merchantability, fitness, or condition of such Project or in the suitability of such Project for the Borrower’s purposes or needs, failure of consideration, any declaration or finding that any of the Series 2026 Bonds are unenforceable or invalid, the invalidity of any provision of this Loan Agreement or any of the other Financing Documents, any acts or circumstances that may constitute an eviction or constructive eviction, destruction of or damage to such Project, the taking by eminent domain of title to or the use of all or any part of such Project, commercial frustration of purpose, any change in the tax or other laws of the United States of America or of the Commonwealth or any political subdivision or agency of either or in the rules or regulations of any governmental authority, or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability, or obligation arising out of or connected with this Loan Agreement.

(b) Nothing contained in this Section shall be construed to release the Issuer from the performance of any of the agreements on its part herein contained. If the Issuer should fail to perform any such agreement on its part, the Borrower may institute such action against the Issuer as the Borrower may deem necessary to compel performance so long as such action does not abrogate the Borrower’s obligations hereunder.

Section 5.05. Repair and Replacement Fund Certification.

(a) At least every five years following the Closing Date of the Series 2026 Bonds, the Borrower shall file with the Trustee and the Series 2026 Bond Insurer a certification accompanied by a written report following each Periodic Project Assessment for the Student Housing Facilities.

The amounts required to be deposited into the Repair and Replacement Fund shall be subject to adjustment upward or downward if so recommended in the Periodic Project Assessment report, and if so adjusted, the Borrower shall provide the Issuer, the Series 2026 Bond Insurer and the Trustee with a revised Exhibit D hereto and a revised Exhibit B to the Indenture, which revised Exhibits shall, from and after the date of such recommendation, be deemed and treated as an amendment hereto and a supplement to the Indenture, respectively.

(b) The Borrower shall cause a Latent Defect Report to be prepared for Student Housing Facility 1 (as defined in the Development Agreement) no later than 270 days before the tenth anniversary of the Substantial Completion Date (as defined in the Development Agreement) for Student Housing Facility 1. If any latent and inherent defective items determined to have been present in the design and construction of Student Housing Facility 1 are identified in the Latent Defect Report, the Borrower will, in a prompt and timely manner, prepare and deliver an appropriate form of "Latent Defects Notice" to the Developer and the General Contractor notifying them of such latent and inherent defective items and requesting that they take steps to effectively and immediately remedy such items (and in advance of the expiry of the tenth anniversary of the Substantial Completion Date for Student Housing Facility 1) to allow complete fulfillment of their contractual obligations with respect to the design and construction of Student Housing Facility 1. The Borrower shall promptly deliver copies of the Latent Defect Report and any Latent Defects Notice to the University, the Series 2026 Bond Insurer and the Trustee.

ARTICLE VI MAINTENANCE, TAXES, AND INSURANCE

Section 6.01. Maintenance and Modification of Project by the Borrower.

(a) The Borrower agrees that during the Agreement Term it shall at its own expense (i) keep the Series 2026 Project in as reasonably safe condition as its operations shall permit, (ii) keep the Series 2026 Housing Facilities in good repair and in good operating condition, making from time to time, subject to the provisions of Section 6.02 hereof, all necessary and proper repairs thereto and renewals and replacements thereof, including external and structural repairs, renewals, and replacements, and (iii) use any portion of the Series 2026 Housing Facilities comprising personal property in the regular course of its business only, within the normal capacity of the Series 2026 Housing Facilities, without abuse, and in a manner contemplated by the manufacturer thereof, and cause such property to be maintained in accordance with any applicable manufacturer's then currently published standard maintenance contract and recommendations. The Borrower may, also at its own expense, from time to time make any Additions or Alterations to any one or more Series 2026 Housing Facilities it may deem desirable for its business purposes that do not adversely affect the operation or value of such Series 2026 Housing Facilities. Additions or Alterations to the Series 2026 Housing Facilities so made by the Borrower shall be on the site of the Series 2026 Housing Facilities governed by the Ground Lease in accordance therewith, shall become a part of the Ground Lease in accordance therewith, and shall become subject to the lien and security interest of the Leasehold Mortgage and the Security Agreement. Such Additions or Alterations that cost in excess of \$1,000,000 shall be made only by contractors who furnish performance and labor and material payment bonds in the full amount of such contracts, made by the contractor thereunder as the principal and a surety company or companies reasonably acceptable to the Trustee and the Series

2026 Bond Insurer, as surety, and such bonds shall be in such form as is reasonably acceptable to the Trustee and the Series 2026 Bond Insurer. Such bonds shall name the Borrower, the Issuer, and the Trustee as obligees, and all Net Proceeds received under such bonds shall be paid over to the Trustee and deposited into the Insurance Fund to be applied to the completion of the Additions or Alterations to the Series 2026 Housing Facilities. Such money held by the Trustee in the Insurance Fund shall be invested from time to time, as provided in Section 4.07 hereof.

(b) The Borrower shall execute a conditional assignment directing the architect who has prepared any Plans and Specifications for any “material” Additions or Alterations to make available to the Trustee a complete set of the Plans and Specifications for such Additions or Alterations, which assignment shall be effective only upon the occurrence of an Event of a Default. All Construction Contracts executed by the Borrower for construction of any “material” Additions or Alterations shall contain a provision that, or by separate agreement such contractors shall agree that, upon the occurrence of an Event of Default, such contracts with the contractors or subcontractors shall be deemed assigned to the Trustee should the Trustee so direct. The Borrower covenants to include such conditional assignments in all material contracts and subcontracts executed for work to be performed on the Series 2026 Housing Facilities. For purposes of this Section, the term “material” means any Addition or Alteration or contract having a cost of more than \$250,000.

(c) The Borrower further agrees that at all times during the construction of Additions or Alterations that cost in excess of \$1,000,000 it shall maintain or cause to be maintained in full force and effect Builder’s Risk Completed Value Form insurance to the full insurable value of such Additions or Alterations, subject to policy sub-limits. The Borrower shall not permit any mechanics’ or materialmen’s or other statutory liens to be perfected or remain against the Series 2026 Housing Facilities for labor or materials furnished in connection with any Additions or Alterations so made by it, provided that it shall not constitute an Event of Default upon such liens being filed, if the Borrower shall promptly notify the Trustee of any such liens, and the Borrower shall in good faith promptly contest such liens; in such event the Borrower may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom provided the Borrower shall furnish the Trustee with a bond or cash deposit equal to at least the amount so contested, which, in the case of cash, shall be placed into an account with the Trustee and held and invested for the purposes stated in this subsection (c), or with an opinion of Independent Counsel reasonably acceptable to the Trustee stating that by nonpayment of any such items, the lien and security interest of the Leasehold Mortgage and the Security Agreement will not be materially endangered and neither the Series 2026 Housing Facilities nor any material part thereof will be subject to imminent loss or forfeiture. The proceeds of the bond or cash deposit may be used by the Trustee to satisfy the lien if action is taken to enforce the lien and such action is not stayed. The bond or cash deposit shall be returned to the Borrower if the lien shall be successfully contested. If the Borrower shall be unable or shall otherwise fail to obtain such a bond or provide such a cash deposit or such an opinion of Independent Counsel, the Borrower shall promptly cause to be satisfied and discharged all such items by payment thereof. If the Borrower shall be unable or shall otherwise fail to obtain such a bond or provide such a cash deposit or such an opinion of Independent Counsel, or to satisfy and discharge the lien, the Issuer or the Trustee may, but shall be under no obligation to, satisfy and discharge the lien by payment thereof or provide security that shall cause the claimant to release the lien against the Series 2026 Housing Facilities, and all amounts so paid by the Issuer or

the Trustee shall be treated as an advance to the Borrower repayable in accordance with Section 6.08 hereof.

(d) The Borrower shall not do or permit others under its control to do any work in or about the Series 2026 Housing Facilities or related to any repair, rebuilding, restoration, replacement, alteration of, or addition to the Series 2026 Project, or any part thereof, unless the Borrower shall have first procured and paid for all requisite municipal and other governmental permits and authorizations. All such work shall be done in a good and workmanlike manner and in compliance with all applicable building, zoning, and other laws, ordinances, governmental regulations, and requirements and in accordance with the requirements, rules, and regulations of all insurers under the policies required to be carried under the provisions of this Article.

(e) Nothing in this Section shall be construed to prevent the Borrower from, or impose on the Borrower any additional requirements or restrictions in connection with, (i) decommissioning or demolishing any Decommissioned Housing Facility, (ii) renovating any Legacy Housing Facility, or (iii) removing and disposing of any equipment or personal property that is part of the Legacy Housing Facilities, in each case in connection with the Series 2026 Project or any Additional Project contemplated on the campus of the University in accordance with the Development Agreement and the Ground Lease.

Section 6.02. Removal of Equipment.

(a) If no Event of Default under this Loan Agreement shall have occurred and be continuing, in any instance where the Borrower in its discretion shall determine that any items of equipment or any portion thereof shall have become inadequate, obsolete, worn out, unsuitable, undesirable, or unnecessary, the Borrower may remove such items of Equipment or portion thereof from the Premises and sell, trade in, exchange, or otherwise dispose of them (as a whole or in part) without any responsibility or accountability to the Trustee therefor, provided that the Borrower shall either:

(i) substitute and install anywhere in the Series 2026 Housing Facilities items of replacement equipment or related property having equal or greater value or utility (but not necessarily having the same function) in the operation of the Series 2026 Housing Facilities for the purpose for which it is intended, provided such removal and substitution shall not impair the nature of the Series 2026 Housing Facilities, all of which replacement equipment or related property shall be free of all liens, security interests, and encumbrances (other than Permitted Encumbrances), shall become subject to the lien and security interest of the Leasehold Mortgage and the Security Agreement, and shall be held by the Borrower on the same terms and conditions as the items originally constituting equipment, or

(ii) not make any such substitution and installation, unless in the case of: (A) the sale of any such equipment, (B) the trade in of such equipment for other machinery, furnishings, equipment, or related property not to become part of the Series 2026 Housing Facilities or to become subject to the lien and security interest of the Leasehold Mortgage and the Security Agreement, or (C) any other disposition thereof, the Borrower shall pay to the Trustee the proceeds of such sale or disposition or an amount equal to the credit received upon such trade in for deposit into the Redemption Fund. In the case of the sale, trade in, or

other disposition of any such Equipment to an Affiliate of the Borrower, the Borrower shall pay to the Trustee an amount equal to the greater of the amounts and credits received therefor or the fair market value thereof at the time of such sale, trade in, or other disposition for deposit into the Redemption Fund.

THE MARKET VALUE OF ALL EQUIPMENT SOLD, TRADED IN, OR OTHERWISE DISPOSED IN ANY ANNUAL PERIOD SHALL NOT EXCEED FIVE PERCENT OF THE TOTAL VALUE OF ALL EQUIPMENT. EXCEPT TO THE EXTENT THAT AMOUNTS ARE DEPOSITED INTO THE REDEMPTION FUND, THE REMOVAL FROM THE SERIES 2026 PROJECT OF ANY PORTION OF THE EQUIPMENT PURSUANT TO THE PROVISIONS OF THIS SECTION SHALL NOT ENTITLE THE BORROWER TO ANY POSTPONEMENT, ABATEMENT, OR DIMINUTION OF THE BASIC LOAN PAYMENTS PAYABLE UNDER SECTION 5.02 HEREOF.

(b) If before such removal and disposition of items of Equipment from the Series 2026 Housing Facilities, the Borrower shall have acquired and installed machinery, furnishings, equipment, or related property with its own funds that become part of the Series 2026 Housing Facilities and subject to the lien and security interest of the Leasehold Mortgage and the Security Agreement and that have equal or greater utility, but not necessarily the same functions, as the equipment to be removed, the Borrower may take credit to the extent of the amount so spent by it against the requirement that it either substitute and install other machinery and equipment having equal or greater value or that it make payment to the Trustee for deposit into the Redemption Fund.

(c) The Borrower shall report promptly to the Trustee each such removal, substitution, sale, or other disposition and shall pay to the Trustee such amounts as are required by the provisions of the preceding subsection (a) of this Section to be paid into the Redemption Fund promptly after the sale, trade in or other disposition requiring such payment; provided that no such report and payment need be made until the amount to be paid into the Redemption Fund on account of all such sales, trade ins or other dispositions not previously reported shall equal, in the aggregate, at least \$50,000 in any Annual Period. All amounts deposited into the Redemption Fund pursuant to this Section as a result of the sale, trade in, exchange or other disposition of Equipment shall be applied to the redemption of all or a portion of the Series 2026 Bonds issued to finance or refinance the acquisition of such Equipment or, if such Series 2026 Bonds are no longer Outstanding, the redemption of such other Bonds as may be directed by the Borrower in accordance with the provisions of the Indenture. The Borrower shall not remove, or permit the removal of, any of the Equipment from the Series 2026 Housing Facilities except in accordance with the provisions of this Section.

(d) Nothing in this Section shall be construed to prevent the Borrower from, or impose on the Borrower any additional requirements or restrictions in connection with, (i) decommissioning or demolishing any Decommissioned Housing Facility, (ii) renovating any Legacy Housing Facility, or (iii) removing and disposing of any equipment or personal property that is part of the Legacy Housing Facilities, in each case in connection with the Series 2026 Project or any Additional Project contemplated on the campus of the University in accordance with the Development Agreement and the Ground Lease.

Section 6.03. Taxes, Other Governmental Charges, and Utility Charges.

(a) The Borrower shall pay, or shall cause the University to pay, as the same become due but subject to the covenants in the Ground Lease, (i) all taxes and governmental charges of any kind whatsoever that may at any time be lawfully assessed or levied against or with respect to the Series 2026 Project or any machinery, equipment, furnishings, or other property installed by the Borrower thereon that, if not paid, will become a lien on the Series 2026 Project before or on a parity with the lien and security interest of the Leasehold Mortgage and the Security Agreement or a charge on the General Revenues before or on a parity with the charge and security interest thereon and the pledge or assignment thereof created and made in the Security Agreement and including all ad valorem taxes or payments in lieu of such taxes lawfully assessed upon the Series 2026 Project, (ii) all utility and other charges incurred in the ownership, operation, maintenance, use, occupancy, and upkeep of the Series 2026 Project, and (iii) all assessments and charges lawfully made by any governmental body for public improvements that may be secured by a lien on the Series 2026 Project; provided that with respect to special assessments or other governmental charges that may lawfully be paid in installments over a period of years, the Borrower shall be obligated to pay only such installments as are required to be paid during the Agreement Term.

(b) If the University has first notified the Trustee of its intention so to do, the University may, at its own expense and in good faith, contest any taxes, assessments, or other charges that it is responsible to pay as provided in Section 6.03(a), and, in the event of any such contest, the taxes, assessments, or other charges so contested may remain unpaid during the period of such contest and any appeal therefrom, provided the University has furnished the Trustee with a bond or a cash deposit equal to at least the amount so contested plus any interest or penalties that might be payable as a result of any late payment, which, in the case of cash, shall be placed into an account with the Trustee and held for the purposes stated in this subsection (b), or an opinion of Independent Counsel stating that by nonpayment of any such items, the lien and security interest of the Leasehold Mortgage and the Security Agreement will not be materially endangered and neither the Series 2026 Project nor any material part thereof will be subject to imminent loss or forfeiture. The proceeds of such bond or cash deposit may be used by the Trustee to satisfy the lien if action shall be taken to enforce the lien and such action shall not be stayed. Such bond or cash deposit shall be returned to the University if the taxes, assessments, or other charges shall be successfully contested. If the University shall be unable or shall otherwise fail to obtain such a bond or provide such a cash deposit or such an opinion of Independent Counsel, such taxes, assessments, or charges shall be promptly satisfied and discharged by payment thereof by the University.

Section 6.04. Insurance Required. In addition to the insurance required by Section 4.01 hereof, throughout the Agreement Term, the Borrower shall keep the Series 2026 Project or cause the same to be kept continuously insured against such risks as are customarily insured against with respect to facilities of like size and type, as recommended by an Insurance Consultant. If the following insurance policies are unattainable at a reasonable market rate, as certified by the Insurance Consultant, then the Borrower may elect to insure for a lesser amount of available coverage. If such policies are attainable at reasonable market rates then such insurance shall include:

(a) commencing on the Series 2026 Completion Date, insurance upon the repair or replacement basis in an amount of not less than 100% of the then actual cost of

(i) the use, financing, non-use, condition, or occupancy of the Series 2026 Housing Facilities, any repairs, construction, alterations, renovation, relocation, remodeling, and equipping thereof or thereto or the condition of any such Series 2026 Housing Facilities including adjoining sidewalks, streets, or alleys and any equipment or facilities at any time located on or connected with such Series 2026 Housing Facilities or used in connection therewith but which are not the result of the gross negligence of the Issuer or Trustee;

(ii) any act of the Borrower (whether negligent or intentional) or the failure of the Borrower or any of its agents or employees to fulfill any duty toward the Issuer or the Trustee in connection with the facilities financed or refinanced by the Series 2026 Bonds;

(iii) a violation of any agreement, warranty, covenant, or condition of this Loan Agreement or any other agreement executed in connection with this Loan Agreement or the Indenture;

(iv) a violation of any contract, agreement, or restriction by the Borrower relating to the Series 2026 Housing Facilities;

(v) a violation of any law, ordinance, rule, regulation, or court order affecting the Series 2026 Housing Facilities or the ownership, occupancy, or use thereof or the Series 2026 Bonds or use of the proceeds thereof;

(vi) violation of any law, ordinance, rule, regulation, or court order relating to the sale of any series of the Series 2026 Bonds or the use of the Official Statement for the Series 2026 Bonds (or other disclosure document) related thereto;

(vii) any statement or information concerning the Borrower, any of its officers and members, its operations or financial condition generally or the Series 2026 Housing Facilities, contained in any offering document or supplement or amendment thereto furnished to the Issuer or the purchaser of any series of the Series 2026 Bonds, that is untrue or incorrect in any material respect, and any omission from such offering document or any statement or information which should be contained therein for the purpose for which the same is to be used or which is necessary to make the statements therein concerning the Borrower, any of its officers and members, and the Series 2026 Housing Facilities not misleading in any material respect, provided that such offering document or supplement or amendment has been approved by the Borrower and the Indemnified Persons did not have actual knowledge of the omission or misstatement;

(viii) any and all any taxes (including all ad valorem taxes and sales taxes), assessments, impositions, and other charges imposed on the Issuer or the Trustee in respect of any portion of the Series 2026 Housing Facilities; and

(ix) with respect to the Trustee only, the acceptance or administration of the Indenture, including the enforcement of any remedies under the Indenture and the related documents; provided, however, that the foregoing shall not be construed as providing for indemnification of, or payment of expenses to, the Trustee as a result of the Trustee's gross negligence or misconduct.

(b) In case any claim shall be made or any action shall be brought against one or more of the Indemnified Persons in respect of which indemnity can be sought against the Borrower pursuant to any of the preceding paragraphs in Section 8.04(a) hereof, the Indemnified Party seeking indemnity shall promptly notify the Borrower, in writing, and the Borrower shall promptly assume the defense thereof, including the employment of counsel chosen by the Borrower and approved by the Issuer or the Trustee (as the case may be), or both (provided that such approval by the Issuer or the Trustee shall not be unreasonably withheld), the payment of all expenses and the right to negotiate and consent to settlement. If any Indemnified Person is advised in a written opinion of Counsel that there may be legal defenses available to such Indemnified Person which are adverse to or in conflict with those available to the Borrower or that the defense of such Indemnified Person should be handled by separate Counsel, the Borrower shall not have the right to assume the defense of such Indemnified Person, but the Borrower shall be responsible for the reasonable fees and expenses of Counsel retained by such Indemnified Person in assuming its own defense, and provided also that, if the Borrower shall have failed to assume the defense of such action or to retain Counsel reasonably satisfactory to the Issuer or the Trustee within a reasonable time after notice of the commencement of such action, the reasonable fees and expenses of Counsel retained by the Indemnified Person shall be paid by the Borrower. Notwithstanding the foregoing, any one or more of the Indemnified Persons shall have the right to employ separate Counsel with respect to any such claim or in any such action and to participate in the defense thereof, but the fees and expenses of such Counsel shall be paid by such Indemnified Person unless the employment of such Counsel has been specifically authorized by the Borrower or unless the provisions of the immediately preceding sentence are applicable. The Borrower shall not be liable for any settlement of any such action affected without the consent of the Borrower (which shall not be unreasonably withheld), but if settled with the consent of the Borrower or if there be a final judgment for the plaintiff in any such action with or without consent, the Borrower agrees to indemnify and hold harmless the Indemnified Person from and against any loss, liability or expense by reason of such settlement or judgment.

(c) The Borrower shall also indemnify the Issuer, the Trustee and such Indemnified Persons for all reasonable costs and expenses, including reasonable Counsel fees, incurred in: (i) enforcing any obligation of the Borrower under this Loan Agreement or any related agreement, including the Indenture; (ii) taking any action requested by the Borrower, (iii) taking any action required by this Loan Agreement or any related agreement, or (iv) taking any action considered necessary by the Issuer or the Trustee and which is authorized by this Loan Agreement or any related agreement. If the Issuer is to take any action under this Loan Agreement or any other instrument executed in connection herewith for the benefit of the Borrower, it will do so if and only if (A) the Issuer is a necessary party to any such action or proceeding, and (B) the Issuer has received specific written direction from the Borrower, as required hereunder or under any other instrument executed in connection herewith, as to the action to be taken by the Issuer.

(d) All amounts payable to the Issuer under this Section shall be deemed to be fees and expenses payable to the Issuer for the purposes of the provisions hereof and of the Indenture dealing with assignment of the Issuer's rights hereunder. The Issuer and its members, officers, agents, employees, and their successors and assigns shall not be liable to the Borrower for any reason.

(e) Any provision of this Loan Agreement or any other instrument or document executed and delivered in connection therewith to the contrary notwithstanding, the Issuer retains the right to

(i) enforce any applicable federal or Commonwealth law or regulation or resolution of the Issuer, and (ii) enforce any rights accorded to the Issuer by federal or Commonwealth law or policy or procedure of the Issuer, and nothing in this Loan Agreement shall be construed as an express or implied waiver thereof.

(f) The obligations of the Borrower under this Section shall survive any assignment or termination of this Loan Agreement in accordance with Section 9.01 and Section 11.01 hereof and the resignation or removal of the Trustee, and such obligations under this Section are in addition to any indemnifications or protections provided to the Trustee under the Indenture or any other related document, and the terms hereof shall not limit such indemnification or protections in any way.

Section 8.05. Covenant Regarding Financial Statements.

(a) The Borrower shall provide the Trustee, the University, the Dissemination Agent, each Bond Insurer and the Underwriter annually, within 180 days after the end of each Annual Period, beginning with the Annual Period ending June 30, 2027, the audited financial statements of the Borrower including its balance sheet, statement of revenue, expenses, and changes in fund balance (deficit), and statement of cash flow, for the year then ended in comparative form for the preceding Annual Period, which financial statements shall be accompanied by an Audit Report.

(b) The financial statements to be furnished to the Trustee, the University, each Bond Insurer and the Underwriter annually pursuant to this Section shall be accompanied by a calculation of the Fixed Charges Coverage Ratio for the applicable fiscal year, and by a certificate of the Borrower to the effect that the Borrower is not then in default under any provisions of this Loan Agreement and has fully complied with all of the provisions thereof, or if the Borrower shall then be in default or shall have failed to so comply, setting forth the nature of the default or failure to comply.

Section 8.06. Rate Covenant.

(a) The Borrower covenants and agrees to operate the Series 2026 Housing Facilities as revenue producing student housing facilities on a non-discriminatory basis, and to the extent permitted by law and by the Ground Lease, to charge such fees and rates for its facilities and services and to exercise such skill and diligence as will provide Revenue Available for Fixed Charges, together with other available funds, sufficient to pay promptly all expenses of operation, maintenance, and repair of the Series 2026 Housing Facilities, the Management Fee, the Membership Fee, and to provide all payments required to be made by the Borrower under this Loan Agreement.

(b) Such rates, fees, and charges in each Annual Period beginning with the first full Annual Period after the date of issuance the Series 2026 Bonds, shall be sufficient to produce a Fixed Charges Coverage Ratio of at least 1.20. If it shall be determined, based upon the financial statements of the Borrower required by Section 8.05 hereof, that for any Annual Period such Fixed Charges Coverage Ratio shall not have been maintained, the Borrower shall, within thirty days of receipt of such financial statements, engage a Financial Consultant to submit to the Trustee and each Bond Insurer a report of such firm containing recommendations as to changes in the operating policies of the Borrower designed to maintain such Fixed Charges Coverage Ratio, shall cause such Financial Consultant to prepare and submit such recommendations within ninety days of the date of its engagement, and shall promptly implement such recommendations to the extent permitted by law

and by the Ground Lease. Provided that the Fixed Charges Coverage Ratio does not fall below 1.00, no Event of Default shall occur if such recommendations shall be followed notwithstanding that such Fixed Charges Coverage Ratio shall not subsequently be reattained, but the Borrower shall continue to be obligated to employ such a Financial Consultant for such purpose until such Fixed Charges Coverage Ratio shall be reattained.

(c) The Borrower shall, from time to time as often as necessary and to the extent permitted by law and by the Ground Lease, revise the rates, fees, and charges aforesaid in such manner as may be necessary or proper so that the Revenue Available for Fixed Charges will be sufficient to meet the requirements of this Loan Agreement, and further, that it will, in order to comply with the provisions of this Loan Agreement, take all action within its power to obtain approvals of any regulatory or supervisory authority to implement any rates, fees, and charges required by this Loan Agreement.

Section 8.07. Annual Budget.

(a) At least ten days before the first day of each Annual Period commencing with the Annual Period ending June 30, 2027, the Borrower shall prepare a line item operation and capital budget for the Series 2026 Project (the "Annual Budget") for the immediately succeeding Annual Period which shall include the monthly budgeted Expenses of the Series 2026 Housing Facilities for such Annual Period and which shall have been approved by the Authorized University Representative in accordance with Section 16 of the Ground Lease. If the Borrower shall fail to prepare the Annual Budget for any Annual Period, the Annual Budget for the immediately preceding Annual Period, as adjusted by a factor equal to the greater of (i) 3.0%, or (ii) the Consumer Price Index Increase, as provided by the Ground Lease, shall continue in effect until the Annual Budget shall be prepared for the remainder of the applicable Annual Period.

(b) To the extent that the Borrower shall deem it necessary at any time during any Annual Period, the Borrower shall submit a revised Annual Budget to the University and the Trustee declaring that the revisions are necessary to operate or maintain the Series 2026 Housing Facilities and setting forth the reasons therefor which revised Annual Budget shall, for all purposes of this Loan Agreement (but without limitation of the rights of the University under the Ground Lease), be deemed the Annual Budget for the remainder of the applicable Annual Period.

(c) A copy of each Annual Budget or revised Annual Budget shall be furnished to the Trustee, each Bond Insurer and the University as soon as possible, but in no event later than the beginning of the Annual Period. The Annual Budget or revised Annual Budget shall be accompanied by a certificate of the Borrower to the effect that the Fixed Charges Coverage Ratio for the Annual Period to which such Annual Budget relates, based on the projected Revenues and Expenses set forth therein, will be not less than [1.20] or, if not so, stating in reasonable detail the reasons therefor.

(d) If the Borrower shall fail to provide a certificate required by subsection (c) of this Section stating that the Fixed Charges Coverage Ratio will be not less than [1.20], a Financial Consultant shall be engaged by the Borrower to review or revise the Annual Budget and to so certify to the Trustee, each bond Insurer and the University, and to the extent such Financial Consultant shall revise the proposed Annual Budget, such revised Annual Budget shall, for all purposes of this

Loan Agreement, but without limitation of the rights of the University under the Ground Lease, be deemed the Annual Budget for the remainder of the applicable Annual Period.

Section 8.08. Continuing Disclosure Agreement. The Borrower shall at all times remain party to the Continuing Disclosure Agreement, or if the Continuing Disclosure Agreement shall terminate, it shall enter into a similar agreement to provide for the dissemination of the financial statements and notices required by Rule 15c2 12 under the Securities and Exchange Act of 1934, as amended.

Section 8.09. Related Party Transactions. The Borrower shall not enter into any transaction relating to the Series 2026 Project, including the purchase, sale, lease, or exchange of property or the rendering of any service, with any Affiliate of the Borrower except in the ordinary course of business and pursuant to the reasonable requirements of the Borrower's business and upon terms found by the Board of Directors of the Borrower to be fair and reasonable and no less favorable to the Borrower than would be obtained in a comparable arm's length transaction with a Person not an Affiliate of the Borrower provided, however, the foregoing shall not apply to any transaction undertaken by the Borrower in support of the University.

Section 8.10. Covenant Regarding Manager. The Borrower agrees that if the initial Manager shall cease to serve, it will employ as the Manager either (a) the University, or (b) a recognized manager of student housing facilities that is acceptable to the University and each Bond Insurer and that then manages, and shall have for the past five years managed, at least 5,000 beds of student housing. Before entering into a contract with any successor Manager, the Borrower shall first deliver to the Trustee and the University an Opinion of Bond Counsel to the effect that the terms of the proposed Management Agreement will not bring about an Event of Taxability.

Section 8.11. Tax Exempt Status. The Borrower covenants with the Issuer and for and on behalf of the purchasers and Beneficial Owners of the Tax-Exempt Bonds from time to time outstanding that so long as any of the Tax Exempt Bonds remain outstanding, moneys on deposit in any fund in connection with the Tax Exempt Bonds, whether or not such moneys were derived from the proceeds of the sale of the Tax Exempt Bonds or from any other sources, will not be used in a manner which will cause the Tax Exempt Bonds to be "arbitrage bonds," within the meaning of Section 148 of the Code, and any lawful Treasury Regulations promulgated thereunder, as the same exist on this date, or may from time to time hereafter be amended, supplemented or revised. The Borrower also covenants for the benefit of the Beneficial Owners of the Tax Exempt Bonds to comply with all of the provisions of the Tax Agreement. The Borrower reserves the right, however, to make any investment of such moneys permitted by the laws of the Commonwealth, if, when, and to the extent that Section 148 or the Treasury Regulations promulgated thereunder shall be repealed or relaxed or shall be held void by final judgment of a court of competent jurisdiction, but only upon receipt of a Favorable Opinion of Bond Counsel with respect to such investment.

THE BORROWER AGREES THAT IT WILL TAKE SUCH ACTIONS AS ARE NECESSARY OR APPROPRIATE AND WITHIN ITS CONTROL TO TAKE TO COMPLY WITH THE PROVISIONS OF THE CODE AND THE TREASURY REGULATIONS PROMULGATED THEREUNDER IN ORDER TO AVOID ANY LOSS OF ANY THE EXCLUSION OF INTEREST ON THE TAX EXEMPT BONDS FROM GROSS INCOME OF THE OWNERS THEREOF FOR FEDERAL INCOME TAX PURPOSES, AND WILL NOT ACT OR FAIL TO ACT IN ANY

OTHER MANNER WHICH WOULD ADVERSELY AFFECT SUCH EXCLUSION. IN CONNECTION WITH THE FOREGOING, THE BORROWER ACKNOWLEDGES AND AGREES TO COMPLY WITH THE PROVISIONS OF ANY APPLICABLE PROJECT CERTIFICATE.

THE BORROWER ACKNOWLEDGES THAT UPON AN EXAMINATION BY THE INTERNAL REVENUE SERVICE OF THE EXCLUSION OF INTEREST ON THE TAX EXEMPT BONDS FROM GROSS INCOME OF THE OWNERS THEREOF FOR FEDERAL INCOME TAX PURPOSES, THE ISSUER MAY BE TREATED AS A "TAXPAYER" IN SUCH EXAMINATION, AND THE BORROWER AGREES THAT IT WILL RESPOND, AND WILL DIRECT THE ISSUER TO RESPOND, IN A COMMERCIALY REASONABLE MANNER TO ANY INQUIRIES FROM THE INTERNAL REVENUE SERVICE IN CONNECTION WITH SUCH AN EXAMINATION. THE ISSUER COVENANTS THAT IT WILL COOPERATE WITH THE BORROWER, AT THE BORROWER'S EXPENSE AND AT ITS DIRECTION, IN CONNECTION WITH SUCH EXAMINATION.

THE BORROWER FURTHER COVENANTS THAT ON OR BEFORE THE DATE THAT IS FIVE YEARS FROM THE CLOSING DATE FOR A SERIES OF TAX-EXEMPT BONDS, THE BORROWER SHALL PROVIDE TO THE TRUSTEE A WRITTEN CERTIFICATE OF AN AUTHORIZED BORROWER REPRESENTATIVE STATING THAT EITHER (A) NO REBATE PAYMENTS ARE THEN REQUIRED TO BE MADE TO THE UNITED STATES BECAUSE OF THE EXISTENCE OF ONE OR MORE EXCEPTIONS FROM THE REBATE PROVISIONS CONTAINED IN SECTION 148(F) OF THE CODE AND THE TREASURY REGULATIONS RELATING TO THE TAX-EXEMPT BOND PROVISIONS OF THE CODE (THE "REBATE PROVISIONS") FOR SUCH SERIES OF TAX-EXEMPT BONDS, OR (B) THE BORROWER HAS MADE (OR CAUSED TO BE MADE) A CALCULATION OF THE AMOUNT OF REBATE OWED PURSUANT TO THE REBATE PROVISIONS AND EITHER (I) NO REBATE WAS THEN DUE AND OWING WITH RESPECT TO SUCH SERIES OF TAX-EXEMPT BONDS, OR (II) REBATE (THE AMOUNT OF WHICH SHALL BE SPECIFIED) HAS BEEN PAID TO THE UNITED STATES WITH RESPECT TO SUCH SERIES OF TAX-EXEMPT BONDS. THE BORROWER ACKNOWLEDGES THAT ITS OBLIGATIONS UNDER THIS SECTION ARE SUPPLEMENTAL TO, AND NOT IN LIEU OF, THE REBATE PROVISIONS SET FORTH IN THE TAX AGREEMENT.

Section 8.12. Calculation and Payment of Rebate Amount.

(a) The Borrower shall (i) calculate the Rebate Amount as of each Calculation Date, (ii) transmit a copy of such calculation to the Trustee, and (iii) pay to the Trustee for deposit to the Rebate Fund or direct the Trustee to transfer from the Revenue Fund (if the Revenue Fund is held by the Trustee) an amount equal to the difference, if any, between the amount then in the Rebate Fund and the Rebate Amount so calculated. If, as of any Calculation Date, the amount in the Rebate Fund shall exceed the Rebate Amount, the Borrower may direct the Trustee to transfer such excess from the Rebate Fund to the Revenue Fund (if the Revenue Fund is held by the Trustee) or as otherwise directed by an Opinion of Bond Counsel.

(b) The Borrower shall pay, or shall direct the Trustee to pay, to the United States of America from the amounts on deposit in the Rebate Fund, all amounts required to be paid to the

United States of America under Section 148(f) of the Code and the Regulations promulgated thereunder, shall complete and file any IRS form that must accompany each such payment to the United States of America, and shall provide a copy of any such form to the Trustee.

Section 8.13. Limitation on Incurrence of Indebtedness.

(a) General. The Borrower shall not create, assume, guarantee, or otherwise become liable in respect of any Indebtedness except as otherwise permitted by Section 2.11 of the Indenture.

Section 8.14. Reimbursement of Series 2026 Bond Insurer. The Borrower will pay or reimburse the Series 2026 Bond Insurer any and all charges, fees, costs and expenses that the Series 2026 Bond Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Financing Document; (ii) the pursuit of any remedies under the Indenture, this Loan Agreement or any other Financing Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Indenture or any other Financing Document whether or not executed or completed, or (iv) any litigation, proceeding (including any Insolvency Proceeding) or other dispute in connection with the Indenture or any other Financing Document or the transactions contemplated thereby, other than costs resulting from the failure of the Series 2026 Bond Insurer to honor its obligations under the Series 2026 Bond Insurance Policies (collectively, the "Series 2026 Bond Insurer Administrative Expenses"). The Series 2026 Bond Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Indenture or any other Bond Document. Amounts payable by the Borrower hereunder shall bear interest at the Late Payment Rate (as defined in Section 5.15(d) of the Indenture) from the date such amount is paid or incurred by the Series 2026 Bond Insurer until the date the Series 2026 Bond Insurer is paid in full. The provisions of this Section will survive the Agreement Term.

Section 8.15. Borrower Covenants Regarding Underlying Ratings.

(a) No sooner than two (2) years and no later than four (4) years following the later of the Substantial Completion Date of Student Housing Facility 1 and Substantial Completion Date of Student Housing Facility 2 (as such term is defined in the Development Agreement), the Borrower, as an Expense of the Project, shall submit a request to the Rating Agencies that provided underlying credit ratings on the Closing Date to review the Borrower's credit profile for consideration of an upgrade to the underlying rating and outlook to the Series 2026 Bonds.

(b) The Borrower will continually maintain an underlying rating on the Series 2026 Bonds from at least one Rating Agency.

Section 8.16. Accounting of Project. Following the occurrence of an Event of Default under this Loan Agreement or the Indenture, each Bond Insurer will have the right to direct an accounting of the Project at the Borrower's expense, as a cost of the Project, which must be completed within 75 days after written notice of the direction from such Bond Insurer.

Section 8.17. Reporting Requirements. In addition to other items required to be delivered by the Borrower to the Series 2026 Bond Insurer under this Loan Agreement, the Borrower will also furnish, or cause to be furnished, the following to the Series 2026 Bond Insurer:

- (a) A copy of the occupancy reports prepared by the Manager and any budget reports with variances at the beginning of each semester, upon request;
- (b) Immediate notices of any lapses or non-renewal of any insurance policy required to be maintained by or on behalf of the Borrower under the Financing Documents unless replaced by another policy satisfying the insurance requirements;
- (c) Notice of any casualty or condemnation event or proceeding related to the Housing Facilities within five Business Days of knowledge thereof;
- (e) Copies of any amendments, modifications or supplements to the Financing Documents; and
- (f) The Series 2026 Bond Insurer will have the right to receive such additional information as it may reasonably request.

Section 8.18. Access to Borrower. The Borrower will permit each Bond Insurer to discuss the affairs, finances and accounts of the Borrower or any information such Bond Insurer may reasonably request regarding the security for the Bonds with appropriate officers of the Borrower and will use commercially reasonable efforts to enable each Bond Insurer to have access to the facilities, books and records of the Borrower regarding the security for the Bonds on any Business Day upon reasonable prior notice, and to take copies of the books and records.

ARTICLE IX

ASSIGNMENT, SUBLEASING, ENCUMBERING AND SELLING;
REDEMPTION; LOAN PAYMENTS; AND ABATEMENT

Section 9.01. Assignment and Subleasing.

- (a) The Borrower may enter into residency agreements with residents of the Series 2026 Housing Facilities or the University without complying with the provisions of this subsection (a) other than item (vii) below. With the prior written consent of the University and each Bond Insurer, the rights and obligations of the Borrower under this Loan Agreement may be assigned and delegated, and the Series 2026 Housing Facilities may be assigned or subleased, as a whole or in

part, by the Borrower without the necessity of obtaining the consent of either the Issuer or the Trustee, subject, however, to each of the following conditions:

(i) No assignment (other than pursuant to Section 8.03 hereof) or sublease shall relieve the Borrower from primary liability for any of its obligations hereunder, and in the event of any such assignment or sublease, the Borrower shall continue to remain primarily liable for payment of the Loan Payments and for the payment, performance, and observance of the other obligations and agreements on its part herein provided to be performed and observed by it.

(ii) The assignee shall assume in writing the obligations of the Borrower hereunder to the extent of the interest assigned.

(iii) The Borrower shall furnish or cause to be furnished to the Issuer and the Trustee assurances reasonably satisfactory to the Issuer and the Trustee that the Series 2026 Housing Facilities will continue to be operated as student housing facilities and related facilities.

(iv) No assignment or sublease with any Person shall be entered into by the Borrower without the Borrower's first furnishing to the Trustee a Favorable Opinion of Bond Counsel or a ruling from the IRS to the effect that such assignment or sublease will not bring about an Event of Taxability.

(v) No such assignment or sublease shall give rise to a novation.

(vi) The Borrower shall, within thirty days after the execution thereof, furnish, or cause to be furnished, to the Issuer, the Trustee, each Bond Insurer and the University a true and complete copy of each such assignment or sublease, as the case may be. The Issuer and the Trustee shall have the right, at any time and from time to time, to notify any assignee or sublessee of the rights of the Issuer and the Trustee as provided by this paragraph. From time to time, upon the request of the Issuer or the Trustee, the Borrower shall specifically assign and grant a security interest to the Trustee, as additional security for the Loan Payments, by an amendment to the Security Agreement in writing and in the form approved by the Issuer and the Trustee, all the right, title, and interest of the Borrower in and to any and all subleases hereafter on or affecting the Series 2026 Housing Facilities (other than any sublease to which the University is a party as the sublessee), together with all security therefor and all moneys payable thereunder, subject to the conditional right of the Borrower to collect the rentals under any such subleases. The Borrower and the Issuer shall also execute and deliver to the Trustee any notification, financing statement, or other document reasonably required by the Trustee to perfect the foregoing assignment and security interest created as to any such subleases and other properties.

(vii) All residency agreements shall contain an attornment clause providing in effect that if at any time during the term of the residency agreement, the Trustee or the designee of the Trustee, or a subsequent purchaser at a foreclosure sale from the Trustee, shall become the owner of the Series 2026 Housing Facilities, the resident under such residency agreement agrees, at the election and upon demand of any owner of the Series

2026 Housing Facilities, to attorn, from time to time, to any such owner upon the terms and conditions set forth in the residency agreement and further, that at the request of the party to whom it has attorned, it will execute, acknowledge, and deliver, without charge, from time to time, instruments acknowledging such attornment. The attornment clause shall also provide that upon such attornment, the residency agreement shall continue in full force and effect as, or as if it were, a direct residency agreement between the successor and the resident under such residency agreement, except that the successor landlord shall not (A) have any liability for any previous act or omission of a predecessor landlord under the residency agreement, (B) be bound by any previous modification of the residency agreement, unless such modification or prepayment shall have been expressly approved in writing by the Issuer and the Trustee, or (C) have any liability for refusal or failure to perform or complete landlord's work or otherwise prepare the demised premises for occupancy in accordance with the provisions of the residency agreement.

(b) The Issuer confirms and recognizes that the right of possession of the residents under residency agreements of the Borrower to the Series 2026 Housing Facilities and their other rights arising out of the residency agreements shall not be affected or disturbed in any way by the Issuer or the Trustee or by the exercise of any rights or remedies by the Issuer or the Trustee for any reason other than one that would entitle the Borrower under the residency agreements to dispossess the residents under such residency agreements from the Series 2026 Housing Facilities or that would constitute an event of default under the residency agreements. Further, upon a foreclosure or such other exercise of the Issuer's or the Trustee's rights under this Loan Agreement and the Indenture, the Issuer agrees that so long as any resident is not in default under the terms of its residency agreement, it shall recognize such resident as the resident under such residency agreement.

Section 9.02. Restrictions on Sale, Encumbrance, or Conveyance of the Series 2026 Project by the Borrower. The Borrower shall not, except as set forth in Section 8.03 and Section 9.01 hereof and in the Ground Lease and the Leasehold Mortgage, (a) directly, indirectly, or beneficially sell, convey, or otherwise dispose of any part of its interest in the Series 2026 Housing Facilities during the Agreement Term, (b) permit any part of the Premises to become subject to any mortgage, lien, claim of title, encumbrance, security interest, conditional sale contract, title retention arrangement, finance lease, or other charge of any kind, except for Permitted Encumbrances or except as otherwise permitted under this Loan Agreement, and (c) assign, transfer, or hypothecate (other than to the Trustee) any rent (or analogous payment) then due or to accrue in the future under any residency agreement or sublease of the Series 2026 Housing Facilities, except for Permitted Encumbrances or except as otherwise permitted in Section 9.01 hereof. Notwithstanding the foregoing, nothing in this Section shall be construed to prevent the Borrower from, or impose on the Borrower any additional requirements or restrictions in connection with, (i) decommissioning or demolishing any Decommissioned Housing Facility, renovating any Legacy Housing Facility, or removing and disposing of any equipment or personal property that is part of the Legacy Housing Facilities, in each case in connection with the Series 2026 Project or any future project contemplated on the campus of the University in accordance with the Development Agreement and the Ground Lease, or (ii) entering into the Dining Sublease with the University.

Section 9.03. Redemption of Bonds. The Issuer, at the written request of the Borrower at any time and if any Bonds are then callable or available for purchase, and if there are funds available

therefor, shall forthwith take all steps that may be necessary under the applicable redemption or purchase provisions of the Indenture to effect redemption or purchase of all or part of such then outstanding Bonds, as may be specified by the Borrower, on the earliest date on which such redemption or purchase may be made under such applicable provisions. In the circumstances set forth in Section 6.02, Section 7.01, and Section 7.02 hereof and in the Leasehold Mortgage, Bonds will be redeemed by the Issuer automatically without the request of the Borrower, however, in certain circumstances, the Borrower shall have the right to select the date of redemption pursuant to Section 3.04 of the Indenture.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

Section 10.01. Events of Default Defined. The following shall be “Events of Default” under this Loan Agreement, and the terms “Event of Default” or “Default” shall mean, whenever they are used in this Loan Agreement, any one or more of the following events:

(a) The Borrower shall fail to pay the Basic Loan Payments sufficient to pay the Debt Service Payments due on each Bond Payment Date.

(b) Any representation or warranty made by the Borrower in any statement or certificate furnished to the Issuer or the Trustee or each Bond Insurer or the purchaser of the Series 2026 Bonds, in connection with the sale of any such Series 2026 Bonds, or furnished by the Borrower pursuant hereto, shall prove to have been inaccurate in any material respect as of the date of the issuance or making thereof and shall not have been corrected within thirty days after written notice specifying such inaccuracy shall have been given to the Borrower by the Issuer, the Trustee, each Bond Insurer or such purchaser. In the case of any such inaccuracy that cannot with due diligence be corrected within such thirty day period, but can be wholly corrected within a period of time not materially detrimental to the rights of the Trustee and each Bond Insurer, it shall not constitute an Event of Default if corrective action shall be instituted by the Borrower within the applicable period and diligently pursued until the inaccuracy shall have been corrected in accordance with and subject to any directions or limitations of time established in writing by the Trustee and each Bond Insurer has consented to such extension in writing.

(c) The Borrower shall fail to perform or cause to be performed any other covenant, condition, or provision hereof, other than as referred to in paragraph (a) above or any covenant contained in Section 8.08 hereof, and to correct such failure within thirty days after written notice specifying such failure shall have been given to the Borrower by the Issuer, any Bond Insurer or the Trustee. In the case of any such failure that cannot with due diligence be corrected within such thirty day period, but can be wholly corrected within a period of time not materially detrimental to the rights of the Trustee, each Bond Insurer or the Issuer, it shall not constitute an Event of Default if corrective action shall be instituted by the Borrower within the applicable period and diligently pursued until the failure shall have been corrected in accordance with and subject to any directions or limitations of time established in writing by the Trustee each Bond Insurer has consented to such extension in writing.

No remedy herein conferred upon or reserved to the Issuer or the Trustee, as assignee of the Issuer, is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice, other than such notice as may be herein expressly required. Such rights and remedies as are given the Issuer hereunder shall also extend to the Trustee, and the Trustee, each Bond Insurer and the owners of the Series 2026 Bonds shall be deemed third party beneficiaries of all covenants and agreements herein contained.

Section 10.04. Agreement to Pay Attorneys' Fees and Expenses. If the Borrower should default under any of the provisions of this Loan Agreement and the Issuer or the Trustee, should employ attorneys or incur other reasonable expenses for the collection of Basic Loan Payments hereunder or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower herein contained, the Borrower agrees that it shall on demand therefor pay to the Issuer or the Trustee the reasonable fees of such attorneys and such other expenses so incurred by the Issuer or the Trustee. Any attorneys' fees required to be paid by the Borrower under this Loan Agreement shall include attorneys' fees through all proceedings, including negotiations, administrative hearings, trials, and appeals.

The Trustee, on behalf of the Issuer, may waive any Event of Default hereunder and its consequences or rescind any declaration of acceleration of payments of the Basic Loan Payments due hereunder. In case of any such waiver or rescission, or in case any proceeding taken by the Issuer or the Trustee on account of any such Event of Default shall be discontinued or abandoned or determined adversely to the Issuer or the Trustee, then and in every such case the Issuer and the Borrower shall be restored to their former position and rights hereunder, but no such waiver or rescission shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

Section 10.06. No Liability of the Borrower's Member and Officers. No recourse under or upon any obligation, covenant, or agreement contained in this Loan Agreement, in any of the Bond Documents, or in any other documents delivered in connection with the issuance of the Series 2026 Bonds, or for any claim based thereon, or under any judgment obtained against the Borrower, or by the enforcement of any assessment or penalty or otherwise or by any legal or equitable proceeding by virtue of any constitution, rule of law or equity, or statute or otherwise or under any other circumstances, under or independent hereof, shall be had against any incorporator, director, member, or officer, as such, past, present, or future of the Borrower or the Foundation, or any incorporator, director, member, or officer of any successor entity, as such, either directly or through the Borrower or any successor entity, or otherwise, for the payment for or to the Borrower or any receiver thereof, of any sum that may be due and unpaid by the Borrower under this Loan Agreement, any of the Bond Documents, or any other documents delivered in connection with the issuance of the Series 2026 Bonds.

Section 10.07. Restoration to Original Positions. In case the Issuer or the Trustee shall have proceeded to enforce any right under this Loan Agreement, and such proceedings shall have been discontinued or abandoned for any reason, or shall have been determined adversely, then and in every such case the Issuer, the Borrower, and the Trustee shall be restored to their former positions and rights hereunder, and all rights, remedies, and powers of the Issuer and the Trustee shall continue as if no such proceedings had been taken. To the extent that the Issuer or the Trustee waives or rescinds any Event of Default hereunder, or in case any proceeding taken by the Issuer or the Trustee on account of any such Event of Default shall have been discontinued or abandoned or determined adversely, then and in every such case the Issuer, the Trustee, and the Borrower shall be restored to their former positions and rights hereunder, respectively, but no such waiver or rescission shall extend to any subsequent or other default, or impair any right consequent thereon.

Section 10.08. Delay or Omission Not a Waiver. No delay or omission of the Issuer or the Trustee to exercise any right or power accruing upon any Event of Default shall impair any such right or power, or shall be construed to be a waiver of any such Event of Default or an acquiescence therein; and every power and remedy given by this Loan Agreement to the Issuer or the Trustee may be exercised from time to time and as often as may be deemed expedient by the Issuer or the Trustee.

Section 10.09. Waiver of Extension, Stay, and Redemption Laws. To the extent permitted by law, the Borrower will not during the continuance of any Event of Default hereunder insist upon, or plead, or in any manner whatever, claim or take any benefit or advantage of, any extension or stay law wherever enacted, now or at any time hereafter in force, that may affect the covenants and terms of performance of this Loan Agreement; nor after any sale or sales of any portion of the Series 2026

Section 10.10. Remedies Subject to Provisions of Laws. All rights, remedies, and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provision of law, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law that may be controlling in the premises and to be limited to the extent necessary so that they will not render this Loan Agreement invalid or unenforceable under the provisions of any applicable law.

Section 10.11. No Right to Conduct Affairs of the Borrower. Nothing contained in this Loan Agreement shall be construed to grant to the Issuer or the Trustee the right to conduct the business and affairs of the Borrower, whether or not an Event of Default shall have occurred.

(i) an amount of money that, when added to the amount then on deposit in the Bond Fund, the Redemption Fund, and the Debt Service Reserve Fund (taking into account the restrictions of Section 5.06(f) of the Indenture) will be sufficient to retire and redeem all the then Outstanding of the Series 2026 Bonds applicable to such Loan on the applicable redemption date provided by the Indenture, including principal, all interest to accrue to such redemption date, and redemption expense, but without premium, plus

This Series 2026[A/B] Note evidences the Borrower’s indebtedness to the Issuer under the Loan Agreement pursuant to which the Issuer has issued its Student Housing Revenue Bonds, City of Plum Springs [Taxable] Series 2026[A/B] (Collegiate Housing Foundation – Bowling Green, L.L.C. – Western Kentucky University Project), in the aggregate principal amount of [PRINCIPAL AMOUNT] (the “Series 2026[A/B] Bonds”), and has loaned the proceeds thereof to the Borrower to pay, and to apply such proceeds to, the costs and expenses incurred in connection with the acquisition, construction, furnishing, and equipping of an approximately [____]-unit, [____]-bed student housing facility (the “Series 2026 Project”) and other costs, as described in the Loan Agreement. In order to provide a source of payment for and to secure the Series 2026[A/B] Bonds, the Issuer has pledged and assigned to Wilmington Trust, National Association, as Trustee (the “Trustee”) under a Trust Indenture (the “Indenture”) dated as of [May 1, 2026], by and between the Issuer and the Trustee its rights in and to this Series 2026[A/B] Note and the Loan Agreement (except for certain Unassigned Rights as such term is defined in the Loan Agreement) and accordingly, all interest and principal payments due hereunder shall be paid in lawful money of the United States of America to the Trustee at [____], Minneapolis, Minnesota, Attention: Corporate Trust Department,

The Borrower shall pay or cause to be paid the principal of and premium, if any, and interest on this Series 2026[A/B] Note at such times and in such amounts that will permit the Issuer to make timely payments of the principal of and premium, if any, and interest on the Series 2026[A/B] Bonds.

The Borrower shall also pay to the Trustee any and all other sums that the Issuer is obligated to pay to the Trustee under the terms and provisions of the Indenture or the Loan Agreement.

This Series 2026[A/B] Note is subject to prepayment or redemption in the same manner as the Series 2026[A/B] Bonds, and all of the terms and provisions of the Series 2026[A/B] Bonds pertaining thereto are incorporated by reference herein.

Upon the occurrence of any Event of Default (as defined in the Loan Agreement) the entire unpaid balance of the principal and accrued interest on this Series 2026[A/B] Note shall, at the option of a Majority of the Bondholders, as provided in the Indenture, become immediately due and payable in the manner, with the effect and subject to the conditions provided in the Indenture.

This Series 2026[A/B] Note is subject to all of the terms and conditions of the Loan Agreement, which are hereby incorporated herein, with the same effect as if the Loan Agreement were fully set forth herein. Reference is hereby made to the Loan Agreement and the Indenture, executed counterparts of which are on file with the Issuer, the Borrower, and the Trustee, for a description of the security for the Series 2026[A/B] Note, the rights and obligations of the Borrower and the Issuer in connection with the Series 2026 Project and the loan made to finance the acquisition, construction, furnishing, and equipping of the Series 2026 Project, and other matters affecting the indebtedness evidenced by this Series 2026[A/B] Note.

The Borrower and any endorsers hereof severally waive presentment, demand, protest, and notice (other than notices provided for in the Loan Agreement or as required by law).

This Series 2026[A/B] Note is issued with the intent that the laws of the Commonwealth of Kentucky shall govern its construction.

During the Term, the Dining Facility may also be used by Lessee for other purposes, including without limitation, the provision of academic and student support programs or services, and special events. Lessee covenants and agrees that throughout the Term the Dining Facility, whether operated directly by Lessee or, to the extent permitted by Section 9.4, by a third-party contractor, will be operated for the benefit of the students, faculty, and staff of Lessor.

9.3.2 With the exception of the Lessor’s Work, the construction and equipping of the Dining Facility shall be financed with amounts on hand of the Lessee and not from the proceeds of any Bonds issued for the benefit of the Lessor to finance the construction of the remainder of the Building.

Section 9.4 Management Services.

9.4.1 Lessee may (subject to this Section 9.4) contract with a third-party vendor or contractor for operation and management of the Premises, or any portion thereof, provided that Lessee shall provide that any such contract or agreement (the “**Dining Facility Management Agreement**”) is subject to the terms, covenants and conditions of this Agreement, and, to the extent that any provision of the Dining Facility Management Agreement he is inconsistent with any term, covenant and condition of this Agreement, this Agreement shall prevail.

9.4.2 Lessor hereby agrees and consents to the operation, maintenance, and management of the Premises by Manager, and agrees and acknowledges that (a) the Dining Facility Management Agreement satisfies the requirements of Section 9.3 and Section 9.4.1; and (b) Lessor has approved and consented to Manager’s engagement.

ARTICLE 10 COMPLIANCE WITH LAWS

Section 10.1 Lessor Compliance with Laws.

Lessor represents and warrants to Lessee that, as of the Substantial Completion Date, the Premises and the construction of the Lessor's Work shall be in compliance with applicable building, environmental, zoning and land use Laws, and other applicable local, Commonwealth of Kentucky and Federal Laws, to the extent required to allow Lessee to legally use, occupy and operate the Premises as of the Substantial Completion Date for the uses described in this Agreement, and shall observe and comply with all Laws with respect to its ownership of the Premises and administration of this Agreement.

Section 10.2 Lessee Compliance with Laws.

Lessee shall (a) observe and comply with all Laws respecting the manner in which the Premises are or should be used by Lessee and (b) be responsible for any improvements, modifications or additions to the Premises required for compliance with Laws.

ARTICLE 11 SERVICES, UTILITIES

Lessee shall contract with and pay directly to the applicable utility or other service provider for the provision of (a) electricity, gas, water, telephone service, television service, internet service, sewer service, garbage collection services, and any other utilities (including any temporary or permanent utility surcharge or other exaction whether now or hereafter imposed) required, used, or consumed on the Premises, (b) security alarm system or other security services or measures for the Dining Facility, including, if Lessee deems necessary, security guards and a security service; (c) valet or other parking services; and (d) janitorial services for the Dining Facility.

ARTICLE 12 REPAIR AND MAINTENANCE

Section 12.1 Lessor and Lessee Obligations.

12.1.1 Lessee shall maintain the Dining Facility in a manner that does not materially impair Lessor's ability to satisfy its obligations under the Ground Lease. Each Party shall reasonably cooperate with the other Party to help the other perform its obligations, and each Party shall proceed diligently to perform its obligations, including performance as soon as possible in the event of an Emergency.

12.1.2 Lessee, at its sole cost and expense, shall maintain, or cause to be maintained, insurance on the Dining Facility of such types and in such amounts as are required to be maintained by the Lessor with regard to the Building pursuant to the terms of the Ground Lease, to the extent applicable to the Dining Facility and its operations. Lessee shall have Lessee's insurance obligations under this Agreement satisfied through Lessee's program(s) of insurance, which may be comprised of but not limited to self-insurance program(s) that are formal self-funded retention program(s), traditional insurance, alternative risk transfer vehicles, captives or any combination thereof. Lessee shall provide to Lessor all documents (including certificates of insurance) that Lessor may reasonably request to evidence that such coverages are in place and satisfy Lessee's insurance obligations under this Agreement.

Section 12.2 Standards of Operation.

12.2.1 Subject to the requirements of Article 9, Lessee may, at Lessee's discretion, engage consultants, contractors, sub-contractors, and other parties in connection therewith; provided, however, that if Lessee engages a third party property manager, then such property manager shall be required to have experience managing comparable properties. If Lessor reasonably believes that the Lessee is materially deficient in (i) meeting the standards of operation set forth above, or (ii) otherwise performing under this Agreement in a manner or to an extent causing a Default under this Agreement relating to the maintenance of the Premises (each of which shall be an "**Operating Deficiency**"), Lessor shall notify Lessee of such Operating Deficiency in writing. If Lessor shall notify Lessee in writing of the nature and specific circumstances or events causing such Operating Deficiency, Lessor and Lessee shall meet and confer within five (5) Business Days following such notification to confirm the existence of the Operating Deficiency and to agree upon a mutually agreeable cure.

12.2.3 If Lessee agrees that such Operating Deficiency exists, it shall commence curative efforts with respect thereto within a reasonable period of time (circumstances considered) following the date Lessor and Lessee met and conferred, and thereafter work diligently and in good faith to complete such cure.

ARTICLE 13 ALTERATIONS, MECHANICS' LIENS

Section 13.1 Alterations.

Without the need for Lessor's consent, Lessee shall be allowed to make any improvements, alterations, and modifications (collectively, "**Alterations**") to the Premises that it desires. In connection with any Alterations performed by Lessee: (i) the Alterations shall be performed in a good and workmanlike manner that does not materially impair Lessor's ability to satisfy its obligations under the Ground Lease, and (ii) Lessee, at its sole cost, shall construct any improvements or modifications, including capital improvements, that are required to be made to the Premises pursuant to applicable Laws as a result of such Alterations. Lessor's approval, if any, of any plans, contractor(s) and subcontractor(s) of Lessee shall not release Lessee or any such contractor(s) and/or subcontractor(s) from any liability with respect to such Alterations and will create no liability or responsibility on Lessor's part concerning the completeness of such Alterations or their design sufficiency or compliance with Laws.

Section 13.2 Mechanic's Liens.

The Parties shall keep the Premises free from any Liens arising out of any work performed by, materials furnished to, or obligations incurred by the Parties.

ARTICLE 14 ASSIGNMENT AND SUBLETTING

Section 14.1 Lessor Transfer.

With the exception of an assignment to an Affiliate, Lessor shall not transfer, assign, or hypothecate its interest in this Agreement without Lessee's prior written consent in each instance. In the event of an assignment to an Affiliate, the originally-named Lessor shall remain primarily obligated for the performance of all of its obligations hereunder.

Section 14.2 Lessee Transfer.

With the exception of an assignment to an Affiliate, Lessee shall not transfer, assign, sublet or hypothecate its interest in this Agreement or all or any portion of the Premises without the prior written consent of Lessor. In the event of an assignment to an Affiliate, the originally-named Lessee shall remain primarily obligated for the performance of all of its obligations hereunder. Nothing in this Agreement shall limit the Lessee's right to sub-contract or procure all or part of the labor, equipment, supplies, materials or services associated with the operation of the Dining Facility, or otherwise delegate performance of such operations.

ARTICLE 15 ENTRY BY OWNER

Lessee shall permit Lessor and Lessor's agents to enter the Premises only with reasonable advance notice (except in the case of Emergency), provided such entry is made in a reasonable manner and does not unreasonably interfere with the conduct of Lessee's business or its use, operations or activities on the Premises. Lessor agrees to employ reasonable efforts to minimize any interruption to the business operations of Lessee or any occupant at the Premises. Nothing herein contained, however, shall be deemed or construed to impose upon Lessor any obligation or liability whatsoever for care, supervision, repair, improvement, additions, improvement, change, or alteration to the Premises other than as herein expressly provided.

ARTICLE 16 DESTRUCTION

Should the Premises be damaged or destroyed, in whole or in part, by fire, flood, earthquake, windstorm, the elements, casualty, accident, war, riot, public disorder, acts authorized or unauthorized by any Governmental Authority, or any other cause or happening (each a "**Casualty**"), the Parties agree as follows:

Section 16.1 Casualty Notice.

Following the Casualty, Lessor and Lessee shall work together in good faith to agree to prepare a written notice setting forth (the "**Casualty Notice**") a reasonable estimate of how long it will take (after the date of the Casualty) to completely restore the Premises including time required to obtain insurance, to prepare plans for reconstruction, to obtain building permits, to account for weather conditions, and to complete the likely contract bidding process and all other relevant factors. Lessor and Lessee shall complete and execute the Casualty Notice no later than thirty (30) days after the Casualty. Lessee shall deliver to Lessor written notice of Lessee's determination of whether to proceed with the restoration of the Premises no later than sixty (60) days after the execution of the Casualty Notice is complete (the "**Lessee Casualty Notice**").

Section 16.2 Lessee's Restoration.

If the Lessee elects to proceed with the restoration of the Premises, Lessor and Lessee shall prepare a work letter setting forth such terms and conditions as Lessor and Lessee may agree, including whether to cause construction by a design-bid/permit-build approach or a design-build approach, any fees Lessor may charge in connection therewith, and the terms of any warranty of Lessor's Work (the "**Restoration Work Letter**"). The Restoration Work Letter shall be executed within ninety (90) days after delivery of the Lessee Casualty Notice. Lessee shall be entitled to receive any and all insurance proceeds that are available with respect to the restoration of the Premises. Once the Restoration Work Letter is fully executed, then Lessee shall diligently and with commercially reasonable promptness repair and restore the Premises to the condition existing prior to the Casualty, in accordance with the plans, specifications, schedule and other

information submitted with the Restoration Work Letter and subject to the payment of applicable construction costs by Lessee. During a restoration period, if Lessee elects in writing to have Lessor provide Lessee with any temporary services that Lessee may reasonably require to continue using, operating and occupying the Premises, Lessor shall do so (subject to mutual agreement with respect to administrative and other fees Lessor may charge in connection therewith) and Lessee shall pay Lessor for such costs and fees.

ARTICLE 17

DEFAULT BY OPERATOR

Section 17.1 Default.

Each of the following events shall be a “**Lessee Default**”:

17.1.1 Other Covenants. Lessee fails, in any material respect, to perform or observe any covenant or undertaking of Lessee under this Agreement and such failure continues for a period in excess of twenty (20) Business Days after written notice thereof; provided if the nature of Lessee’s obligation is such that more than twenty (20) Business Days are required for performance, then Lessee shall not be in default if Lessee commences performance within such twenty (20) Business Day period and thereafter diligently prosecutes the same to completion within forty (40) Business Days following such notification; or

17.1.2 Voluntary Bankruptcy, Insolvency and Other Events. Lessee shall (i) be dissolved, liquidated or terminated or be adjudicated as bankrupt or insolvent; (ii) make a general assignment for the benefit of its creditors; (iii) file a petition, answer, or consent seeking, or have entered against it (or fail reasonably to contest the material allegations of any petition for) an order for relief under any provision of the Bankruptcy Code (or any similar remedy under any provision of the Bankruptcy Code), or consent to the institution of any proceedings thereunder; (iv) convene a meeting of its creditors, or any class thereof, for the purpose of effecting a moratorium upon or extension or composition of its debts; (v) admit in writing that it is generally not able to pay its debts as they mature or generally not pay its debts as they mature; or (vi) apply for a consent to the appointment of a receiver, trustee, custodian, liquidator or other similar official of all or a portion of its assets; or

17.1.3 Involuntary Bankruptcy, Insolvency and Other Events. The occurrence of any of the following: (i) a petition is filed or any case or proceeding described in Section 17.1.2 above is commenced against Lessee or against the assets of Lessee unless such petition and the case or proceeding initiated thereby is dismissed within ninety (90) days from the date of the filing; (ii) an answer is filed by Lessee admitting the allegations of any such petition; or (iii) a court of competent jurisdiction enters an order, judgment or decree appointing, without the consent of Lessee, a custodian, trustee, agent, or receiver of Lessee or for all or any part of its assets or authorizing the taking possession by a custodian, trustee, agent or receiver of Lessee or all or any part of its assets unless such appointment is vacated or dismissed or such possession is terminated within ninety (90) days from the date of such appointment or commencement of such possession, but not later than five (5) days before the proposed sale of any assets of Lessee by Lessee’s custodian, trustee, agent or receiver, other than in the ordinary course of the business of Lessee; or

17.1.4 Lien. A lien is filed against the Premises or Dining Facility, or Lessor’s interest therein, by reason of any work, labor, services or materials performed or furnished, or alleged to have been performed or furnished, to Lessee or anyone holding the Premises by, through or under Lessee, and Lessee fails to cause the same to be vacated and canceled of record, or bonded off in accordance with applicable Laws within thirty (30) days.

Section 17.2 Lessor's Sole and Exclusive Remedies. Generally. If a Lessee Default occurs and is continuing, Lessor shall be entitled to exercise only those remedies expressly set forth below in this Section 17.2, Lessor hereby unconditionally and irrevocably waiving any other remedies available to it under applicable Law, the Parties agreeing that the limited remedies provided in this Section 17.2 are a material inducement to Lessee entering into the transactions contemplated by this Agreement, and absent such limited remedies Lessee would not have entered into this Agreement. In particular, but without limitation, Lessor hereby unconditionally and irrevocably waives any rights it may have to terminate this Agreement or Lessee's right to possession of the Premises due to any Lessee Default.

17.2.2 Self Help. Lessor may, but shall not be required to, elect to perform the obligation at Lessee's cost, with the actual costs Lessor incurs in such performance along with any reasonable legal fees incurred by Lessor due to the Lessee Default being payable by Lessee within thirty (30) days after Lessee's receipt of Lessor's written demand therefor.

17.2.3 Damages. Lessor shall be entitled to seek from Lessee the amount of any damages suffered by Lessor due to a Lessee Default, which amount shall be payable by Lessee within thirty (30) days after Lessee's receipt of Lessor's written demand therefor.

ARTICLE 18 DEFAULT BY OWNER

Section 18.1 Default.

Each of the following events shall be a "**Lessor Default**":

18.1.1 Payment Obligations. A failure to pay any amounts as and when due and payable hereunder when such failure continues for a period in excess of ten (10) Business Days after written notice (provided, that for the first such failure in any twelve (12)-month period, a second written notice shall be given and a Lessor Default shall not be deemed to have occurred unless Lessor fails to cure such failure within ten (10) Business Days thereafter); or

18.1.2 Emergency. The failure or refusal of Lessor to commence performance of any obligation it has hereunder within a reasonable period of time after written notice of the occurrence of an Emergency, to the extent (i) Lessor's performance of such obligation is necessary to prevent injury or loss of life, (ii) the nature of such obligation is such that Lessee cannot perform such obligation for itself as permitted under Section 18.2 below, and (iii) the nature of such obligation is such that it can be commenced promptly upon the occurrence of an Emergency; or

18.1.3 Covenants. Lessor fails, in any material respect, to perform or observe any covenant or undertaking of Lessor under this Agreement and such failure continues for thirty (30) Business Days after delivery of written notice thereof by Lessee to Lessor (unless another provision of this Agreement provides for a different specific cure or performance period (which specific provision shall be controlling)); provided if the nature of Lessor's obligation is such that more than thirty (30) Business Days (or the above-referenced other different specific cure or performance period) are required for performance, then a Lessor Default shall not have occurred so long as Lessor commences performance within such thirty (30) Business Day (or other specific cure or performance) period and thereafter diligently prosecutes the same to completion within ninety (90) Business Days following such notification; or

18.1.4 Voluntary Bankruptcy, Insolvency and Other Events. Lessor shall (i) be dissolved, liquidated or terminated or be adjudicated as bankrupt or insolvent; (ii) make a general assignment for the benefit of its creditors; (iii) file a petition, answer, or consent seeking, or have entered against it (or fail reasonably to contest the material allegations of any petition for) an order for relief under any provision of the Bankruptcy Code (or any similar remedy under any provision of the Bankruptcy Code), or consent to

the institution of any proceedings thereunder; (iv) convene a meeting of its creditors, or any class thereof, for the purpose of effecting a moratorium upon or extension or composition of its debts; (v) admit in writing that it is generally not able to pay its debts as they mature or generally not pay its debts as they mature; or (vi) apply for a consent to the appointment of a receiver, trustee, custodian, liquidator or other similar official of all or a portion of its assets; or

18.1.5 Involuntary Bankruptcy, Insolvency and Other Events. The occurrence of any of the following: (i) a petition is filed or any case or proceeding described in Section 18.1.4 above is commenced against Lessor or against the assets of Lessor unless such petition and the case or proceeding initiated thereby is dismissed within ninety (90) days from the date of the filing; (ii) an answer is filed by Lessor admitting the allegations of any such petition; or (iii) a court of competent jurisdiction enters an order, judgment or decree appointing, without the consent of Lessor, a custodian, trustee, agent, or receiver of Lessor or for all or any part of its assets or authorizing the taking possession by a custodian, trustee, agent or receiver of Lessor or all or any part of its assets unless such appointment is vacated or dismissed or such possession is terminated within ninety (90) days from the date of such appointment or commencement of such possession, but not later than five (5) days before the proposed sale of any assets of Lessor by Lessor's custodian, trustee, agent or receiver, other than in the ordinary course of the business of Lessor; or

18.1.6 Ground Lease Termination. The termination of the Ground Lease as a result of a default by Lessor thereunder.

Lessee's obligation to provide written notice to Lessor of a Lessor Default is limited to those instances where knowledge of the Lessor Default is within the actual knowledge of Lessee.

Section 18.2 Remedies.

In addition to any other remedies Lessee may have under applicable Laws, if a Lessor Default occurs, then Lessee shall be entitled to exercise the remedies set forth in this Section 18.2. Lessee may, but shall not be required to, perform the obligation that caused the Lessor Default, and Lessor shall reimburse Lessee for such actual expenses as are incurred by Lessee while performing such obligations, plus a one percent (1%) administrative fee, within thirty (30) days after receipt of demand therefor, along with any reasonable legal fees incurred by Lessee due to the Lessor Default; provided the self-help remedy set forth in this sentence with respect to any Lessor Default shall cease as of the day that Lessee first completes the cure of such Lessor Default as a result of exercising such self-help remedy. Notwithstanding anything to the contrary contained herein, to the extent that Lessee has exercised the self-help remedy set forth herein with respect to any Lessor Default, such Lessor Default shall be deemed cured to the extent Lessor has reimbursed Lessee for its expenses relating thereto.

ARTICLE 19 CONDEMNATION

Section 19.1 Taking.

If all or a portion of the Premises shall be acquired or condemned by eminent domain or sold in lieu thereof (regardless of whether such taking is permanent or temporary in nature) (each a "**Taking**"), the Parties agree as follows:

19.1.1 Taking Notice. Following the Taking, Lessor and Lessee shall work together in good faith to agree to prepare a written notice setting forth (the "**Taking Notice**") a reasonable estimate of how long it will take (after the date of the Taking) to restore the remaining portion of the Premises to the extent necessary to render them reasonably suitable for the purposes hereunder, including time required to obtain any awards, to prepare plans for reconstruction, to obtain building permits, to account for weather

conditions, and to complete the likely contract bidding process and all other relevant factors. Lessor and Lessee shall complete and execute the Taking Notice no later than thirty (30) days after the Taking. Lessee shall deliver to Lessor written notice of Lessee's determination of whether to proceed with the restoration of the Premises no later than sixty (60) days after the execution of the Taking Notice is complete (the "Lessee Taking Notice").

19.1.2 Lessor's Restoration. If the Lessee elects to proceed with the restoration of the Premises, Lessor and Lessee shall execute a Restoration Work Letter within ninety (90) days after delivery of the Lessee Taking Notice. Once the Restoration Work Letter is executed, Lessee shall diligently and with commercially reasonable promptness repair and restore the Premises to the condition described in the Restoration Work Letter, in accordance with the plans, specifications, schedule and other information submitted therewith and subject to the payment of applicable construction costs by Lessee. During a restoration period, if Lessee elects in writing to have Lessor provide Lessee with any temporary services that Lessee may reasonably require to continue using, operating and occupying the Premises, Lessor shall do so (subject to mutual agreement with respect to administrative and other fees Lessor may charge in connection therewith) and Lessee shall pay Lessor for such costs and fees.

Section 19.2 Award.

In the event of any Taking as hereinabove provided, either whole or partial, where the Lessee Taking Notice is to proceed, Lessor shall not be entitled to any part of the award as damages or otherwise for such condemnation and Lessee is to receive the full amount of such award, subject to the provisions of the Ground Lease; provided nothing herein shall prevent Lessor from making a separate claim for damages. If the Lessee Taking Notice is not to proceed, Lessee shall be entitled to the entire award related to such Taking, and Lessor hereby assigns to Lessee any and all right, title and interest Lessor may have in such award and hereby agrees that it shall take such actions as may be required to effectuate such assignment. Furthermore, Lessee shall be entitled to receive and retain any amounts which may be specifically awarded in such condemnation proceedings (i) because of the taking of its trade fixtures and personal property and (ii) for relocation expenses.

ARTICLE 20 WAIVER

The waiver by Lessor or Lessee of any term, covenant or condition herein contained shall not be deemed to be a waiver of any other term, covenant or condition, nor shall either Party's waiver or consent with respect to any breach of any term, covenant or condition be deemed to constitute or imply its consent to any subsequent breach of the same or other term, covenant or condition herein contained.

ARTICLE 21 ATTORNEYS' FEES

In the event Lessor or Lessee shall bring suit to enforce any rights under this Agreement, the prevailing party in such suit shall be entitled to recover from the unsuccessful party or parties to such suit, in addition to any other award, an amount equal to reasonable attorneys' fees to be fixed by the court or other adjudicative body.

ARTICLE 22 QUIET POSSESSION

Lessor hereby agrees that as long as Lessee performs in all material respects, Lessee's covenants in this Agreement, Lessee shall at all times during the Term peaceably and quietly have, hold and enjoy the Premises, without suit, trouble or hindrance from Lessor or any Person claiming by, through or under Lessor.

ARTICLE 23
NO SUBORDINATION OR LIEN

This Agreement, and the rights, title and interests of Lessee hereunder, shall in no event be subject or subordinated to any Lien which are or may be placed against the Lessor's interest or estate in the Premises.

ARTICLE 24
ESTOPPEL CERTIFICATE

Within ten (10) Business Days of written notice by one Party to the other, each will execute, acknowledge and deliver to the other a commercially reasonable form of estoppel certificate in writing declaring any modifications, defaults or advance payments and whether this Agreement, as may be modified, is in full force and effect. Any such certificate may be conclusively relied upon for the intended transaction for which the statement was requested.

ARTICLE 25
MISCELLANEOUS PROVISIONS

Section 25.1 Entire Agreement.

This Agreement constitutes the final, complete and exclusive statement between the Parties to this Agreement pertaining to the subject matter hereof and supersedes all prior and contemporaneous understandings or agreements of the Parties pertaining to the subject matter hereof. Neither Party has been induced to enter into this Agreement by, nor is any Party relying on, any representation or warranty outside those expressly set forth in this Agreement. No oral understanding or agreement pertaining to the subject matter hereof not incorporated herein shall be binding on either Party hereto.

Section 25.2 No Amendments.

No amendment, restatement, modification and/or supplement of this Agreement shall be valid unless made in writing and signed by the Parties hereto.

Section 25.3 Time of the Essence.

Time is of the essence of each term and provision of this Agreement.

Section 25.4 Binding Effect.

This Agreement shall bind the Parties, their personal representatives, successors and permitted assigns.

Section 25.5 Invalidity: Severability.

If any provision of this Agreement or the application of any provision of this Agreement to any Person or circumstance is, to any extent, held to be invalid or unenforceable, the remainder of this Agreement or the application of that provision to Persons or circumstances other than those as to which it is held invalid or unenforceable, will not be affected, and each provision of this Agreement will be valid and be enforced to the fullest extent permitted by applicable Law.

Section 25.6 Brokers.

The Parties to this Agreement represent to each other that neither Party dealt with any brokers or finders in connection with the consummation of this Agreement, and each Party shall protect, defend,

indemnify and hold the other Party harmless from and against any and all claims or liabilities for brokerage commissions or finder's fees arising out of that Party's acts in connection with this Agreement.

Section 25.7 Applicable Law and Court Proceedings.

This Agreement shall be governed, construed, performed and enforced in accordance with the applicable Laws of the Commonwealth of Kentucky (excluding principles of conflicts of law). Any suit, action or proceeding against any Party arising out of or relating to this Agreement, any transaction contemplated hereby, or any judgment entered by any court in respect of any thereof may be brought in the Superior Court located in the County and each Party hereby submits to the nonexclusive jurisdiction of such court for the purpose of any such suit, action or proceeding.

Section 25.8 Counterparts.

This Agreement may be executed in any number of counterparts and each counterpart shall be deemed to be an original document. All executed counterparts together shall constitute one and the same document, and any counterpart signature pages may be detached and assembled to form a single original document. The parties contemplate that they may be executing counterparts of this Agreement transmitted by digital or electronic means and agree and intend that a signature by digital or electronic means shall bind the party so signing with the same effect as though the signature were an original signature.

Section 25.9 Incorporation of Exhibits.

The Exhibits attached hereto are hereby incorporated by this reference into this Agreement.

Section 25.10 Representations.

Each Party hereby represents (as to itself only) to the other Party as of the Effective Date that:

25.10.1 Due Formation; Power and Authority. Such Party (i) is duly organized, validly existing and in good standing under the laws of its jurisdiction of formation; (ii) is in good standing under the laws of the Commonwealth of Kentucky and (iii) has all requisite power and authority to enter into this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby;

25.10.2 Due Authorization. The execution and delivery by such Party of this Agreement and the performance of such Party's obligations hereunder have been duly authorized by all necessary entity action required to be taken on the part of such Party; and

25.10.3 Enforceability. This Agreement constitutes a legal, valid and binding obligation of such Party, enforceable against such Party in accordance with its terms, subject to the qualification, however, that the enforcement of the rights and remedies herein or therein is subject to (i) bankruptcy, insolvency, reorganization, liquidation, moratorium and other similar laws of general application affecting rights and remedies of creditors and (ii) the application of general principles of equity (regardless of whether considered in a proceeding in equity or at law).

Section 25.11 Drafting.

In the event of a dispute between any of the parties hereto over the meaning of this Agreement, both Parties shall be deemed to have been the drafter hereof, and any applicable Law that states that contracts are construed against the drafter shall not apply.

Section 25.12 Limitation of Liability.

Notwithstanding anything herein to the contrary, the liability of Lessor hereunder (including its indemnity obligations) under this Agreement shall be limited and Lessee's sole source of satisfaction of such obligations shall be limited to Lessor's interest in the Premises, and Lessee shall not seek to obtain payment from any person or entity comprising Lessor, or from any assets of Lessor other than those described herein (which shall include, but shall not be limited to, the indemnity rights under, and proceeds of, any insurance policies required herein), notwithstanding the survival of any obligation of Lessor beyond the term hereof. No recourse under or upon any obligation, covenant or agreement contained in this Agreement or for any claim based thereon, or under any judgment obtained against Lessor, or by the enforcement of any assessment or penalty or otherwise or by any legal or equitable proceeding by virtue of any constitution, rule of law or equity, statute or otherwise or under any other circumstances, under or independent hereof, shall be had against any incorporator, shareholder, member, or any partner or member of such member, the shareholders of such member, or the trustees, officers, directors, employees or agents of Lessor, past present or future, either directly or through Lessor or any successor entity, or otherwise, for any sum that may be due and unpaid by Lessor under this Agreement. "Lessor's interest in the Premises", for purposes of this Section 25.12, shall include, but shall not be limited to, Lessor's interest in (i) fees and payments generated by the Premises, (ii) insurance proceeds, (iii) proceeds from condemnation or eminent domain proceedings, and (iv) proceeds from the sale of any interest of Lessor in the Premises. The provisions of this Section 25.12 shall survive the expiration or earlier termination of this Agreement.

Section 25.13 Ground Lease.

This Agreement is subject to all of the applicable terms, covenants and conditions of the Ground Lease. Notwithstanding anything to the contrary contained herein, Lessee shall not: (i) take any action inconsistent with the terms of the Ground Lease, (ii) do or permit to be done anything prohibited to Lessor as the lessee under the Ground Lease, or which would constitute, with or without the giving of notice or the passage of time or both, an "Event of Default" under the Ground Lease; or (iii) take any action or do or permit anything that would result in any additional cost or other liability to Lessor under the Ground Lease, provided, however, that none of the foregoing restrictions shall prevent, impede or otherwise prohibit either Party from exercising its rights or remedies under the Ground Lease. In the event of the termination of the Ground Lease for any reason, then this Lease shall terminate coincidentally therewith without any further liability between the Parties.

Section 25.14 No Third-Party Beneficiaries.

This Agreement is made and entered into for the sole protection and benefit of the Parties, and their respective successors and permitted assigns, and no other Person shall have or acquire any right or action based upon any provisions of this Agreement.

Section 25.15 No Merger of Estates.

If under any circumstances both Lessor's and Lessee's estates in the Premises, or any portions thereof, become vested in the same Persons, this Agreement nevertheless shall not be extinguished by application of the doctrine of merger except at the express election of such Person.

Section 25.16 Surrender.

Upon the expiration of the Term, or earlier termination of this Agreement, Lessee shall surrender the Premises to Lessor in its "as is and with all faults" condition at the time of such surrender.

Remainder of page intentionally left blank.

IN WITNESS WHEREOF, each of the Parties has duly executed this Agreement as of the Effective Date.

The Seller Annual Payment shall be considered liquidated damages and not a penalty, in full satisfaction of any and all claims against Seller for Seller's defaulting in its obligations under this Agreement. Seller and Purchaser agree that Purchaser's damages resulting from Purchaser's default are difficult, if not impossible, to determine and the Seller Annual Payment is a fair estimate of those damages which has been agreed to in an effort to cause the amount of such damages to be certain. (j) This Agreement shall not be construed more strictly against one party than against the other merely by virtue of the fact that it may have been prepared by counsel for one of the parties, it being recognized that all parties have contributed substantially and materially to the preparation of this Agreement.

(k) To the extent permitted by law, in the event of any litigation between the parties with respect to the Normal/Regents Facilities, this Agreement, the performance of their obligations hereunder or the effect of a termination under this Agreement, all costs and expenses incurred by the substantially prevailing party in connection with such litigation including, without limitation, reasonable attorneys' fees, shall be paid by the other party. Notwithstanding any provisions of this Agreement to the contrary, the obligations of the parties under this subsection (k) shall survive any termination of this Agreement and the Normal/Regents Closing.

(l) Neither party may assign its rights in and to this Agreement.

(m) Seller and Purchaser agree, at any time and from time to time after the execution of this Agreement, to execute, acknowledge where appropriate and deliver such further instruments and other documents (and to bear its own costs and expenses incidental thereto) and to take such other actions as the other of them may reasonably request in order to carry out the intent and purposes of this Agreement.

(n) Neither Seller nor Purchaser may record a copy of this Agreement or any memorandum hereof.

(o) TO THE EXTENT PERMITTED BY APPLICABLE LAW, THE PARTIES HEREBY WAIVE ANY RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY. NO PARTY SHALL SEEK TO CONSOLIDATE ANY SUCH ACTION IN WHICH A JURY HAS BEEN WAIVED WITH ANY OTHER ACTION IN WHICH A JURY TRIAL CANNOT OR HAS NOT BEEN WAIVED. EACH OF THE PARTIES

ACKNOWLEDGES THAT IT HAS RECEIVED THE ADVICE OF COUNSEL WITH RESPECT TO THIS WAIVER.

(p) The Foundation is an express third party beneficiary of this Agreement.

(q) EXCEPT FOR THE SELLER COVENANTS, REPRESENTATIONS AND WARRANTIES SET FORTH IN THIS AGREEMENT, IN THE GROUND LEASE AGREEMENT AND IN THE CLOSING DOCUMENTS TO BE EXECUTED AT THE NORMAL/REGENTS CLOSING PURSUANT TO THIS AGREEMENT, PURCHASER ACKNOWLEDGES THAT IT IS NOT RELYING ON ANY OTHER COVENANTS, REPRESENTATIONS OR WARRANTIES (EXPRESS OR IMPLIED) WHATSOEVER BY SELLER OR ANY AGENT OR EMPLOYEE THEREOF REGARDING THE NORMAL/REGENTS FACILITIES, INCLUDING, WITHOUT LIMITATION, THE NORMAL/REGENTS FACILITIES' CONDITION, SUITABILITY FOR ANY PARTICULAR PURPOSE, COMPLIANCE WITH LAWS, INCLUDING, WITHOUT LIMITATION, ENVIRONMENTAL LAWS, OR THE PRESENCE OR ABSENCE OF CHEMICALS, TOXIC OR HAZARDOUS SUBSTANCES, MATERIALS OR WASTES THEREUPON, AND SELLER EXPRESSLY DISCLAIMS ANY AND ALL SUCH COVENANTS, REPRESENTATIONS AND WARRANTIES, EXPRESS OR IMPLIED, EXCEPT FOR ANY COVENANTS, REPRESENTATIONS AND WARRANTIES (TO THE EXTENT LIMITED BY THIS AGREEMENT) CONTAINED HEREIN, ANY COVENANTS, REPRESENTATIONS AND WARRANTIES CONTAINED IN THE GROUND LEASE AGREEMENT, THE LIMITED WARRANTY OF TITLE TO BE CONTAINED IN THE DEED AND ANY COVENANTS, REPRESENTATIONS AND WARRANTIES CONTAINED IN ANY OTHER CLOSING DOCUMENTS TO BE DELIVERED AT THE NORMAL/REGENTS CLOSING PURSUANT TO THIS AGREEMENT. EXCEPT AS SET FORTH HEREIN, PURCHASER SHALL ACCEPT THE NORMAL/REGENTS FACILITIES IN ITS "AS IS", "WHERE IS", "WITH ALL FAULTS" CONDITION, AND SELLER HEREBY DISCLAIMS ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, EXPRESS OR IMPLIED. AFTER CLOSING, SELLER SHALL BE UNDER NO OBLIGATION WHATSOEVER TO UNDERTAKE ANY REPAIR, ALTERATION, REMEDIATION OR OTHER WORK OF ANY KIND WITH RESPECT TO ANY PORTION OF THE NORMAL/REGENTS FACILITIES. EXCEPT AS OTHERWISE EXPRESSLY PROVIDED IN THE SELLER COVENANTS, REPRESENTATIONS AND WARRANTIES, SELLER MAKES NO COVENANT, REPRESENTATION OR WARRANTY AS TO THE TRUTH, ACCURACY OR COMPLETENESS OF ANY MATERIALS, DATA OR OTHER INFORMATION DELIVERED BY SELLER TO PURCHASER IN CONNECTION WITH THE TRANSACTION CONTEMPLATED HEREBY. PURCHASER AGREES THAT, EXCEPT FOR THE SELLER COVENANTS, REPRESENTATIONS AND WARRANTIES CONTAINED IN THIS AGREEMENT, IN THE GROUND LEASE AGREEMENT AND IN ANY OTHER CLOSING DOCUMENT, SELLER HAS NOT, NOR SHALL BE DEEMED TO HAVE MADE, ANY VERBAL OR WRITTEN COVENANTS, REPRESENTATIONS, WARRANTIES, PROMISES OR GUARANTEES (WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE) TO PURCHASER WITH RESPECT TO THE NORMAL/REGENTS FACILITIES OR ANY MATTER SET FORTH, CONTAINED OR ADDRESSED IN ANY DOCUMENT PROVIDED BY SELLER (INCLUDING THE ACCURACY AND COMPLETENESS THEREOF).

18. LIMITATION OF LIABILITY.

Neither Purchaser nor its member or any of its officers, directors, or managers shall be personally liable for any obligation or liability of Purchaser hereunder.

P3 TRANSITION AGREEMENT

This P3 TRANSITION AGREEMENT (this “Agreement”), by and between **WESTERN KENTUCKY UNIVERSITY**, a public body corporate and an educational institution and agency of the Commonwealth of Kentucky (“WKU”) and **WKU STUDENT LIFE FOUNDATION, INC.**, a nonprofit corporation organized and existing under the laws of the Commonwealth of Kentucky (“SLF” and with WKU, the “parties” and each a “party”), is entered into as of [●], 2026 (“Effective Date”).

WHEREAS, SLF owns and manages student housing and related facilities on the campus of WKU (“Existing Facilities”) on real property owned by SLF under that certain Second Amended and Restated Management Agreement, dated December 17, 2025, by and among WKU, SLF and certain “Bondholders” thereunder (the “SLF Management Agreement”);

WHEREAS, WKU is undertaking a program to remove, update, repair, or a combination thereof, and comprehensively to regain ownership and control of the Existing Facilities and to design and build additional student housing and related facilities on campus (“New Facilities”, and with the Existing Facilities, the “Facilities”);

WHEREAS, WKU has procured a public-private partnership concessionaire team (“P3 Developer”) to effect the foregoing, pursuant to a series of actual and planned agreements, to include hereafter, operation, maintenance, and management of the Facilities (the “P3 Transaction”); and

WHEREAS, the parties desire to enter into an agreement intending generally that (a) SLF timely and orderly transfer the Existing Facilities to WKU, together with associated real property, real property rights, and to the extent not part of the Existing Facilities, infrastructure and associated rights thereto, (b) SLF coordinate and cooperate with the P3 Developer in its performance of contracted services for the Facilities under one or more schedules agreed between WKU and the P3 Developer, (c) SLF finance and complete repairs to Regents Hall and Normal Hall (among the Existing Facilities), (d) SLF effect the Demolition (as defined below), and (e) SLF support the financing of the foregoing efforts by WKU and with the P3 Developer, among other things;

NOW THEREFORE, in consideration of the foregoing recitals, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. General Provisions, Obligations

1.1. The time limitations and deadlines set forth in, or implied by, this Agreement for SLF’s performance of its covenants, conditions, and obligations are of the essence, and SLF waives any right at law or in equity to tender or complete performance beyond the applicable time period, or to require WKU to accept such performance. This notwithstanding, with respect to all other time limitations and deadlines other than the Hard Deadlines, SLF shall not be deemed in Default solely due to a delay directly and undisputedly caused by WKU, the P3 Developer, any governmental authority, or any other third party not under SLF’s control, so long as SLF is using commercially reasonable efforts to perform. The “Hard Deadlines” are SLF covenants, conditions to be met, and other obligations that must be completed on or prior to the Closing Date, the completion date for the Demolition, the completion date for the Repairs, and timely performance of covenants pertaining to the Sufficient Capital reporting.

1.2. SLF shall furnish all services, arrange for or provide all materials, equipment, and labor, and undertake all efforts necessary or appropriate to perform its obligations under this Agreement, all at SLF’s own cost.

1.3. SLF shall provide such assistance as WKU reasonably requests in connection with the P3 Transaction, including specifically as relates to SLF's performance of its obligation involving the P3 Developer or the P3 Transaction pursuant to this Agreement.

1.4. SLF shall cause completion of the Repairs.

1.5. SLF shall cause any contractors and subcontractors, suppliers, and other service-providers effecting some or all of the Repairs or the Demolition (or both) to name WKU as an additional obligee under any payment or performance security provided to SLF, and to deliver such security instruments, evidencing WKU's status as an additional obligee, promptly after the Effective Date.

1.6. SLF shall cause the complete demolition, dismantling, and removal of all building and related structures, improvements, fixtures, and appurtenances generally known as "Hilltopper Hall" (the "Demolition") no later than the date set forth in Section 2.4.1, commencing the Demolition on or around May 11, 2026. Without limiting the generality of the foregoing, the Demolition includes specifically and where applicable:

1.6.1. Obtaining, and maintaining, all permits, licenses, and other governmental approvals required for the Demolition;

1.6.2. Maintaining, or obtaining and thereafter maintaining (or causing the same) such commercial general liability, workers' compensation, and other insurances as are customary or required for demolition and restoration projects such as the Demolition, in amounts reasonably acceptable to WKU, which reasonability shall be based upon reasonable industry standards;

1.6.3. Observing and performing such environmental requirements, regardless as to whether required by permit or other governmental approval;

1.6.4. Complying with applicable laws (including environmental laws), specifically as may be required for the handling, remediation, abatement, and disposal of any hazardous materials or substances;

1.6.5. Removing all debris, rubble, waste materials, and other remnants of "Hilltopper Hall" for disposal at a properly-licensed and permitted disposal facility in accordance with applicable laws;

1.6.6. Restoring the real property on which "Hilltopper Hall" existed to a clean, safe, and graded condition suitable for future development and safe use, to include (at a minimum):

1.6.6.1. Backfilling all excavations, foundations, and other voids with clean, compacted fill material meeting applicable engineering standards;

1.6.6.2. Grading and leveling to promote proper drainage and to prevent accumulation of standing water; and

1.6.6.3. Stabilization of exposed soils through seeding, mulching, or other erosion-control measures; and

1.6.7. Ensuring the Demolition is performed in a manner consistent with the degree of skill, prudence, diligence, and foresight that would reasonably and ordinarily be expected from, and is normally practiced by, a recognized, skilled, and experienced professional contractor performing services of a similar nature, that seeks to comply, in good faith, with professional principles and applicable generally-accepted standards of the industry in the Commonwealth of Kentucky, in a manner commensurate with standards

of safety, performance, dependability and efficiency, as would other recognized, skilled, and experienced professional contractors, in no case less than a professional standard of care for a contractor performing such services within the Commonwealth of Kentucky (the “Professional Standard of Care”).

2. Debt Backstop and Repairs

2.1. Debt Authorization.

The parties acknowledge that, as of the Effective Date, with the assistance of SLF’s independent registered municipal advisor, Robert W. Baird & Co., Incorporated, SLF has debt financed \$55,000,000 (the “Bridge Debt”) to fund repairs to Regents Hall and Normal Hall to cause such dormitory Facilities to comply with applicable building and other codes and standards, as well as applicable laws, ultimately to be eligible to house students in accordance with all such applicable laws, standards, and codes (the “Repairs”). Without limiting the generality of the foregoing, the Repairs includes specifically and where applicable correction of deficiencies as described in WKU Regents & Normal Hall Assessments consulting report dated May 9, 2025, prepared by Brown + Kubican Structural Engineers, Inc, JRA Architects, and KFB Engineers, together with correction of stone work (not described in consulting report).

all subject to amendments and change orders that may hereafter be executed with WKU’s prior written consent.

2.2. Payment in Full/Defeasance of Bridge Debt; All Other SLF Debt.

2.2.1. At the Closing, WKU shall cause the entire Bridge Debt to be repaid or defeased (including through the P3 Transaction). SLF shall cooperate in good faith and shall use commercially reasonable efforts to take such actions and execute such documents as are reasonably requested to effect such repayment or defeasance, including authorizing the use of any proceeds from the Bridge Debt currently held by the bond trustee for the Bridge Debt (including in the project fund and debt service reserve fund for the Bridge Debt) for such purpose.

2.2.2. Except as WKU may agree under Section 2.2.3, on or before the Closing, SLF shall cause the Other Indebtedness, if any, (as defined below) to be repaid or defeased, with SLF funds, such that on or before the Closing Date, (a) all SLF debt shall have been repaid or defeased, (b) all mortgages, pledges, and other security interests shall have been released or are released, and (c)(i) Regions Bank, as Master Trustee under the Existing Loan Documents and (ii) any other person or entity, in all cases, has or does execute and deliver all such releases; provided that SLF shall cooperate in good faith and use commercially reasonable efforts to take such actions and execute such documents as are reasonably requested to effect the foregoing.

2.2.3. SLF shall not incur any additional debt in connection with the Facilities or otherwise (“Other Indebtedness”), except with WKU’s prior written consent. For the avoidance of doubt, SLF’s incurrence of routine accounts payable (i.e., vendors in the ordinary course of business) shall not be deemed to violate this provision.

2.2.4. SLF shall use commercially reasonable efforts to service all SLF debt obligations existing as of the Effective Date at or above that which is required under applicable loan, bond, or other financing documents until the Closing.

2.2.5. SLF’s obligations relating to payment in full or defeasance under this Section 2.2 shall not be construed to require SLF, as an obligation under this Agreement, to pay for any other costs or expenses of WKU in connection with the P3 Transaction.

2.3. Existing Loan Documents; Debt Documents; Closing-Related.

2.3.1. No later than 30 days after the Effective Date, and in any event, before the Closing Date, SLF shall obtain any and all consents, approvals, or waivers required under that certain Loan Agreement, Continuing Covenants Agreement, Master Trust Indenture, and all other documents and instruments executed in connection therewith or otherwise pertaining thereto, in favor of Regions Bank, as Master Trustee, and Morgan Stanley Bank, N.A., as bondholder (collectively, the “Existing Loan Documents”) to which SLF is a party.

2.3.2. No later than 10 days prior to the Closing Date, SLF shall obtain any and all actual or executory (to be effective on or before the Closing Date) consents, approvals, or waivers required under all agreements, indentures, instruments, or other documents executed in connection with or otherwise pertaining to the any Other Indebtedness (such documents, etc., are the “Other Indebtedness Documents”).

2.3.3. No later than 15 days prior to the Closing Date, SLF shall obtain and deliver to WKU a document, in form and substance previously agreed by WKU, executed by all parties thereto except WKU, terminating the SLF Management Agreement, to be held in escrow by WKU and to be effective upon WKU’s signature on the Closing Date.

2.4. Effecting the Demolition, Repairs; Assignable Contracts.

2.4.1. SLF shall cause both the Demolition and the Repairs to be completed on or before the Remainder Transfer or such other date as WKU and SLF may agree, but in any event no later than July 1, 2027, in each case as completion is determined based on (i) applicable permits, including code and occupancy permits in particular, being closed out or granted, as applicable, (ii) all “punch list” items have been completed, (iii) all payments to contractors at all tiers have been made, all claims, contractual or otherwise, are resolved, and all releases/ waivers of lien obtained, (iv) a certificate of final completion/acceptance (or similar industry-standard closeout document) from the applicable contractor, (v) all sites are clear of materials, equipment, tools, and instruments used by, and any debris or waste materials generated by, SLF’s contractors, and (iv) otherwise adjudged as completed by WKU in its good faith discretion (i.e., without being arbitrary or capricious).

2.4.2. As among SLF, WKU, and the P3 Developer, SLF shall retain risk of loss regarding (a) until the Closing Date with respect to the Transferred Assets (excluding Regents Hall, Normal Hall, and Hilltopper Hall, as among the Existing Assets), (b) until completion of the Demolition with respect to Hilltopper Hall, and (c) until expiry of the Warranty with respect to both Regents Hall and Normal Hall, it being the parties’ intent that SLF’s obligations hereunder are, and shall be construed to be, a sufficient insurable interest in Hilltopper Hall, Regents Hall, and Normal Hall under such completion or expiry, as applicable. For purposes of clarity, it is the intent of the parties that the foregoing allocation of risk of loss is prominently, in part, to ensure that any insurance policies in place as of the Effective Date by or on behalf of SLF are retained and responsive to claims with respect to covered losses until risk of loss is transferred to WKU, and nothing in this Section 2.4.2 shall be construed to require new placement of primary property or liability insurance coverages by SLF that would endure beyond such dates of transfer of risk of loss, Until transfer of the risk of loss to WKU, as to each, and at all times thereafter that SLF is completing work on, respectively, Hilltopper Hall, Normal Hall, and Regents Hall (with respect to such halls for which work remains ongoing), SLF shall provide appropriate security for the relevant Existing Facilities and Real Property Assets, including specifically taking, or causing to be taken, all reasonable precautions to prevent damage, injury, vandalism, theft or loss to the relevant Existing Facilities, equipment, materials, and supplies to be used or incorporated therein, and all other property at or on the site of the Real Property Assets, regardless as to ownership thereof.

2.4.3. All material agreements entered into with third parties related to the Demolition and to the Repairs shall each be assignable, without consent of such third-party counterparty, to WKU or its designee. Any agreement that provides SLF with any portion of the Warranty shall be a “material agreement,” and all such material agreements shall set forth warranties and guarantees, express or implied, that, in any event, are no less than the Professional Standard of Care and that inure to the benefit of WKU and its successors and assigns upon the earliest of expiration, earlier termination, and direction of WKU, as more fully set forth in the definition of “Warranty” below.

3. Asset Transfer; Obligations Relating to the P3 Developer

3.1. Asset Assignment and Transfer.

3.1.1. Except for the Excluded Items, as defined in Section 3.2 below, SLF agrees to convey, assign, and transfer to WKU the Existing Facilities, all of its real property, real property assets, real property rights, and to the extent not part of the foregoing, all infrastructure and associated assets and rights, including all housing-related assets, the Facilities, all underlying land, and the central chiller plant (collectively the “Real Property Assets”), and any personal property, including all cash account balances (the “Cash Account Balances”) and all other assets, obligations, liabilities and other items held by, titled to, or otherwise in which SLF has an actual, contingent, or potential property or other ownership right or interest (collectively, the “Transferred Assets”). The Transferred Assets shall not be subject to any post-transfer use restrictions under, arising out of, relating to, or resulting from the associated with the Bridge Debt or any Other Indebtedness. SLF shall (a) promptly execute and deliver to WKU all such agreements, conveyance and other instruments, and other documents and (b) coordinate, and participate, in meetings and take or refrain from such other actions, required by WKU or by or through the P3 Partner (e.g., third parties such as bondholders, rating agencies, or regulatory bodies) with respect to, and to effect, the P3 Transaction, in each case as WKU, or its designee, may require to convey, confirm, or otherwise to effect the foregoing. The event in which the Transferred Assets are conveyed from SLF to WKU is the “Closing” and the date on which the Closing occurs is the “Closing Date”. SLF shall, and SLF shall cause its employees, agents, and representatives to, cooperate and to coordinate fully with WKU, the P3 Developer, and any financing parties, and any of their designees, representatives, and delegates, in effecting the Closing, to include reviewing, consenting to, or providing such documents or materials under closing checklist and cadence documents to be distributed by WKU to SLF sufficiently prior to the Closing.

3.2. Excluded Items, Sufficient Capital, Related Covenants.

3.2.1. Notwithstanding Section 3.1.1, the parties agree that certain assets, obligations, liabilities, and other items of SLF shall be excluded from the Transferred Assets, as more particularly set forth below (collectively, “Excluded Items”): any and all claims, causes of action, rights of recovery, and litigation rights of every kind and nature, whether known or unknown, suspected or unsuspected, accrued or unaccrued, fixed or contingent, arising out of or relating to the design, development, construction, administration, inspection, or performance of Hilltopper Hall, Regents Hall, and Normal Hall, to include, without limitation, all claims against contractors, subcontractors, architects, engineers, consultants, suppliers, manufacturers, sureties, insurers, and any other parties involved in or responsible for the design or construction of Hilltopper Hall, Regents Hall and Normal Hall, including claims for defective or nonconforming work, professional negligence, breach of contract, breach of warranty (express or implied), indemnity, contribution, and any statutory or common law remedies.

3.2.2. SLF shall (a) vigorously and timely resolve, in the case where brought by third parties against SLF, and (b) vigorously pursue, in the case where brought by SLF, any and all claims, causes of action, rights of recovery, and litigations, as and when known, filed, noticed, or otherwise ripe for resolution or pursuit, in each case, arising out of or relating to the design, development, construction, administration,

inspection, or performance of Hilltopper Hall, Regents Hall, and Normal Hall and included among the Excluded Items. SLF shall promptly notify WKU of status as and when WKU requests.

3.2.3. Without limiting the foregoing, the parties acknowledge that there may remain certain executory obligations with respect to unfulfilled or continuing contracts or other obligations (“Executory Obligations”), which are not assignable. The Executory Obligations are the following:

- 3.2.3.1. Effecting the Repairs;
- 3.2.3.2. [Also with respect to Normal and Regents Halls, and without limiting Section 3.2.5, and in each case only with WKU’s prior written approval, additional, optional improvements in addition to the Repairs (e.g., paint, flooring, electronic door access);
- 3.2.3.3. Effecting the Demolition and restoration of Hilltopper Hall-related real property;
- 3.2.3.4. Litigation matters with respect to Normal, Regents, and Hilltopper Halls;
- 3.2.3.5. Compensation and benefit expenses for any employees paid under SLF’s payroll paid in the ordinary course and accrued before the Closing;
- 3.2.3.6. Arbitrage calculations;
- 3.2.3.7. Debt wrap-up expenses;
- 3.2.3.8. Matters relating to continuing operation of the chill water plant;
- 3.2.3.9. Other non-substantial operational obligations that may arise from time-to-time for the continued operation of SLF pending its dissolution and wrap-up; and
- 3.2.3.10. Nothing else.

For avoidance of doubt, Executory Obligations shall not include the WKU management fee that SLF has historically been paid, it being acknowledged and agreed by both WKU and SLF that SLF will not be obligated to pay any management fee to WKU from and after the Closing pursuant to Section 3.7.3.4 below.

3.2.4. Subject to Section 3.2.5, SLF may retain funds, up to and in an amount not to exceed \$7,000,000.00, to resolve the claims, causes of action, and litigation described in Section 3.2.1, to fulfill any Executory Obligations, and to resolve any other ongoing concerns (including to effect SLF’s dissolution) (such funds, the “Sufficient Capital”).

3.2.5. SLF shall provide monthly updates, and such further updates and accounting as WKU may request, on the expenditure of Sufficient Capital amounts, with ledger generally showing the draw-down. When 75% of the Sufficient Capital is expended, SLF shall seek WKU approval of expenditures, excluding those SLF and WKU agree that WKU need not approve. When 90% of the Sufficient Capital is expended, SLF shall seek WKU’s prior, written approval of expenditures, except as WKU may direct that WKU need not approve. If at any time SLF seeks to incur a cost or make an expenditure that would exceed the Sufficient Capital balance, then SLF shall seek WKU’s prior, written approval of such cost or expenditure before incurring such cost or expending such amount, and WKU will reimburse SLF for the amount of any such cost, when incurred, or expenditure that exceeds the Sufficient Capital balance. WKU shall be entitled to review the Books and Records attending any expenditure of Sufficient Capital, and SLF shall promptly, upon request provide, and cause any contractors, agents, or employees to provide, any such Books and

Records so requested.

3.2.6. Without limiting Section 3.2.7, upon the date on which resolution of all claims, causes of action, and litigation, as described in Section 3.2.1, and (b) fulfillment of the Executory Obligations, and (c) completion of SLF's wind-down and dissolution steps (other than filings and other actions that must occur after asset transfers but before dissolution of SLF), SLF shall assign and transfer the Excluded Items and Sufficient Capital, if any, to WKU. SLF shall (a) promptly execute and deliver to WKU all such agreements, instruments and other documents and (b) coordinate, and participate, in meetings and take or refrain from such other actions, required by WKU or by or through the P3 Partner (e.g., third parties such as bondholders, rating agencies, or regulatory bodies) with respect to, and to effect, the P3 Transaction, in each case as WKU, or its designee, may require to convey, confirm, or otherwise to effect the foregoing. The event in which the Excluded Items and Sufficient Capital, if any, are conveyed, assigned, and transferred from SLF to WKU is the "Remainder Transfer" and the date on which the Remainder Transfer occurs is the "Remainder Transfer Date". Following the Remainder Transfer, SLF hereby agrees to dissolve.

3.2.7. For avoidance of doubt, on and after the Closing, except where WKU may otherwise agree in advance and in writing, SLF may only effect the Demolition, complete the Repairs, pursue or defend matters described in Section 3.2.2, perform its obligations under Section 2.4.2 as and where applicable, prepare for and perform its obligations to effect the Remainder Transfer, and otherwise perform its obligations hereunder that are required to be performed after the Closing Date.

3.3. Warranties; Assignment of Warranties.

3.3.1. Notwithstanding the foregoing in this Section 3, SLF shall obtain from all contractors and subcontractors, suppliers, and other service-providers, and cause to be extended to WKU (and assigned, upon the Closing, without amendment or further action of SLF, WKU or any such party extending the following), appropriate representations, warranties, guarantees, and obligations with respect to design, workmanship, equipment, tools, materials, supplies, and services furnished to effect the Repairs, written so as to survive any and all inspections, tests and approvals attending the Repairs work (the "Warranty"). The Warranty shall include, as a minimum, warranties the (a) the Repairs work is performed in accordance with the Professional Standard of Care, (b) the Repairs are each completed, such that Regents Hall and Normal Hall, respectively, are each fit for use, free of any defect, compliant with applicable laws, standards, and codes, and suitable specifically for the purposes, objectives, functions, uses, and requirements of incorporation, with only cosmetic improvements, into the active inventory of Facilities to house and service students at WKU, and (c) all Repair work uses goods, equipment, materials, and supplies that are of good quality, new when installed, and are in good working condition.

3.3.2. The Warranty shall run from commencement of the Repair work until two years after the Closing Date.

3.3.3. Until the completion of the Repairs, SLF shall enforce fully the Warranty.

3.4. Center Hall Lease.

The parties acknowledge that SLF currently leases the Hyatt Place Hotel from the owner thereof and operates such hotel as a residence hall known as Center Hall ("Center Hall", and the lease agreement pursuant to which SLF leases Center Hall, the "Center Hall Lease"). The parties will work in good faith to cause the Center Hall Lease and all rights and obligations thereunder to be assigned from SLF to WKU and to cause SLF to be released from all obligations thereunder no later than the date that is three (3) months after the Closing Date.

3.5. Irrevocable License.

As of the Effective Date, and to the extent not already extant or otherwise contractually arranged, SLF hereby grants to WKU, and WKU in turn (and directly from SLF) to the P3 Developer, with further right to grant to WKU's and to the P3 Developer's respective designees, an irrevocable, non-exclusive right of entry and access in, on, and to all of the Real Property Assets, in the case of the P3 Developer (and its designees) for purposes of the P3 Developer's work for WKU relating to the Facilities.

3.6. P3, P3 Developer-Related.

3.6.1. SLF shall, and SLF shall cause its contractors and subcontractors, suppliers, and other service-providers to, cooperate and to coordinate fully with WKU and the P3 Developer, and either of their designees, representatives, and delegates, in acting under this Agreement and advancing the purpose and intent of the P3 Transaction. This obligation includes, specifically, providing such information as is necessary or requested by WKU or the P3 Developer, and assisting or facilitating WKU's or the P3 Developer's submission of any documentation, reports or analysis requested or required (including specifically with respect to any financing effort under the P3 Transaction).

3.6.2. Oversight of the Repairs and transition planning shall be carried out by designated representatives of both WKU and SLF. SLF acknowledges and agrees that the P3 Developer is WKU's non-exclusive designee for such oversight. SLF shall accept and implement the P3 Developer's reasonable input and advice as it relates to the Repairs, serving as "construction manager" therefor, as among WKU, the P3 Developer, and SLF.

3.6.3. Without limiting SLF's obligations under Section 3.1.1, SLF shall participate actively, as and when required by WKU, for itself or by and through the P3 Developer, in the transition process, leading up to, during, and following the Closing and the Remainder Transfer, to include specifically:

3.6.3.1. timelines for orderly transition of Facility-related roles and responsibilities from SLF to WKU and, where applicable, the P3 Developer;

3.6.3.2. timelines for orderly transfer of other Transferred Assets, Excluded Items, and Sufficient Capital from SLF to WKU and, where applicable, the P3 Developer; and

3.6.3.3. without limiting SLF's obligations under Section 2.3.3, termination of the SLF Management Agreement, to be effective at the Closing, without recourse to WKU or the P3 Developer, it being agreed that this Agreement suffices for purposes of Section 2.3 of the SLF Management Agreement.

3.6.4. WKU shall provide, or cause to be provided, promptly following the Effective Date, thereafter from time to time, and upon reasonable request from SLF, an indicative high-level schedule, as may evolve, for progression of any activities pertaining to the Existing Facilities taking place prior to the Remainder Transfer Date and the generally as relates to this Agreement.

4. **Legal and Regulatory Compliance**

4.1. Generally.

Nothing in this Agreement shall be construed to require either party to perform any obligation (a) in contravention of applicable law or (b) up to the Closing Date, the SLF Management Agreement, in each case, except as modified in this Agreement. To the extent any provision hereof is inconsistent with any of the foregoing, WKU and SLF will cooperate, and SLF shall cooperate with trustees or other debt holders,

in each case, in good faith to effectuate the Agreement to the maximum extent possible while still complying with the foregoing.

4.2. Books and Records.

4.2.1. SLF shall afford WKU and its authorized representatives safe and unrestricted access during normal business hours to SLF's offices and to Books and Records.

4.2.2. On or prior to the Closing, and as a condition to termination of the SLF Management Agreement, SLF shall deliver to WKU, at such place, and at such time, upon request accurate and complete Books and Records of SLF.

4.2.3. For purposes of this Section 4.2, "Books and Records" means any and all documents, books, records, papers or other information of, or in the possession of, SLF or any affiliate, contractor, advisor, agent, or representative, including specifically those relating to Existing Facilities, the Real Property Assets, the Repairs, and the Demolition, including any information that is stored electronically or on computer-related media.

4.2.4. SLF shall perform, or cooperate with WKU in the performance of, audit, reporting, or compliance obligations related to, among other things, this Agreement, the Bridge Debt, and the Other Indebtedness, if any, as WKU may require.

5. **Term; Termination**

This Agreement shall remain in effect until the Remainder Transfer Date, unless otherwise earlier terminated by WKU under Section 6.3.1 or otherwise for WKU's convenience, exercised in its sole discretion; provided that if WKU terminates this Agreement for convenience after the Closing, Sections 3.2, 7, 9.7, 9.8, and 9.9 shall survive. SLF hereby waives any right at law or in equity to terminate this Agreement. In the event of termination of this Agreement without the Closing having occurred (or Remainder Transfer, if the Closing has occurred), all assets and liabilities held at the time of the termination shall remain with their respective holders, and no earlier termination shall effect, or be deemed to have effected, any unwinding of any asset transfers that had taken place prior thereto.

6. **Default and Termination**

6.1. Breaches; Progressive Contractor Defaults.

SLF shall be in breach under the Agreement upon the occurrence of any one or more of the following events or conditions (each a "Default"):

6.1.1. SLF breaches any material covenant, any representation, or any warranty (including the Warranty) contained in this Agreement, or SLF fails to perform any other material obligation under this Agreement, it being understood and agreed by the parties that, without limiting WKU's right to asset materiality in other contexts, (a) timely effecting the Demolition, (b) timely effecting the Repairs, (c) timely supporting the Closing, (d) effecting the Remainder Transfer; and (e) performing covenants pertaining to the Sufficient Capital reporting are each "material covenants".

6.1.2. SLF becomes insolvent, generally does not pay its debts as they become due, admits in writing its inability to pay its debts, or makes an assignment for the benefit of creditors; or insolvency, receivership, reorganization, or bankruptcy proceedings have been commenced by or against SLF and not dismissed within 60 Days;

6.1.3. any representation or warranty made by SLF in this Agreement or in any certificate, schedule, instrument, or other document delivered pursuant to this Agreement shall have been false or materially misleading when made;

6.1.4. SLF is a party to fraud; or

6.1.5. On or after the Effective Date, a new levy under execution or attachment has been made against all or any part of the Transferred Assets or any interest therein (including SLF's interest in this Agreement) as a result of any lien created, incurred, assumed or suffered to exist by SLF or any other person or entity claiming through it, and such execution or attachment has not been vacated, removed or stayed by court order within a period of 60 days.

6.2. Right to Cure

WKU agrees to provide SLF 10 days' notice and opportunity to cure any breach before declaring any breach a Default, excepting those bankruptcy-type events described in Section 6.1.2, which SLF agrees are not curable.

6.3. WKU Remedies

If a Default occurs, then, in addition to all other rights and remedies provided by law or equity or available under the Agreement or otherwise, WKU shall have the following rights and remedies, without further notice, collectively or individually, and without prejudice to any of its other rights or remedies, and without waiving or releasing SLF from any obligations, and SLF shall have the following obligations (as applicable):

6.3.1. WKU may terminate the Agreement;

6.3.2. WKU may direct the Remainder Transfer, and SLF's obligations under Section 3.2.6 shall be post-termination obligations that survive termination of this Agreement, should WKU also elect to terminate the Agreement; and

6.3.3. WKU may direct SLF to withdraw from any of the Real Property Assets and Existing Facilities and to remove, or cause to be removed, any materials, equipment, tools, supplies, debris or waste materials, or otherwise, specifically with respect to any unfinished Repairs.

6.4. SLF Liability to WKU; Other Matters.

6.4.1. If a breach and Default has occurred, then SLF shall be liable to WKU (in addition to any other damages under this Agreement) for all costs and charges reasonably incurred by WKU or any party acting on WKU's behalf in completing the Repairs or otherwise effecting SLF's obligations hereunder. Promptly upon determination of such amounts, incrementally or collectively, WKU shall notify SLF in writing of the amount(s), if any, that SLF shall pay WKU.

6.4.2. The exercise or beginning of the exercise by WKU of any one or more rights or remedies under this Section 6 shall not preclude the simultaneous or later exercise by WKU of any or all other rights or remedies, each of which shall be cumulative, and not exclusive.

7. **Insurance**

7.1. To the extent not already the case, SLF shall cause WKU to be named as an additional insured on all insurance policies held by, or on behalf of, SLF covering any insurable interest in respect of the

Transferred Assets (including the Excluded Items).

7.2. SLF shall keep in effect all such insurance policies until (a) the Closing Date, with respect to the Transferred Assets (except Regents Hall, Normal Hall, and Hilltopper Hall), (b) completion of the Demolition, for Hilltopper Hall, and (c) expiry of the Warranty, for Regents Hall and Normal Hall. As between SLF and WKU, SLF shall be responsible for paying all insurance deductibles in connection with any claim against insurance placed or held in respect of the Transferred Assets (including the Excluded Items).

7.3. Insurance shall provide, or be amended to provide, (a) advanced notice of cancellation, material change in coverage, or non-renewal to WKU (b) waiver of subrogation against WKU, (c) primary and noncontributory coverage as to any other insurance available to WKU, as additional insured, (d) no limitations, conditions, restrictions, or exceptions to coverage other than that apply to all other named insureds, and (e) separations of insured conditions, such that no act, omission, misrepresentation, or breach of an insured cancels or diminishes coverage for WKU, as additional insured.

7.4. SLF shall provide, promptly following WKU request, evidence of insurance as placed, including specifically endorsements evidencing the foregoing in Section 7.3. WKU reserves the right to request a complete copy of any such policies, in WKU's sole discretion.

8. Representations and Warranties of SLF as of the Effective Date

8.1. The execution, delivery and performance of this Agreement have been duly authorized by all necessary corporate action of SLF and will not result in a breach of or a default under SLF's organizational documents or any indenture or loan or credit agreement or other material agreement or instrument to which SLF is a party or by which its properties and assets may be bound or affected.

8.2. This Agreement constitutes the legal, valid, and binding obligation of SLF, enforceable in accordance with its terms, subject only to applicable bankruptcy, insolvency, and similar laws affecting the enforceability of the rights of creditors generally and the general principles of equity.

8.3. There is no action, suit, proceeding, investigation or litigation pending and served on SLF that challenges: (a) SLF's authority to execute, deliver or perform, or the validity or enforceability of, this Agreement, (b) SLF's assets, properties, or operations as relate to the Transferred Assets, Excluded Items, or Sufficient Capital, or (c) the authority of any SLF individual executing this Agreement; and SLF has disclosed to WKU any pending and un-served or threatened action, suit, proceeding, investigation or litigation with respect to such matters of which SLF is aware or should be aware after reasonable inquiry and investigation.

8.4. As of the Effective Date, there is no Other Indebtedness encumbering any asset or right of SLF.

9. General Provisions

9.1. Reserved.

9.2. Interpretation; Definitions.

9.2.1. The parties acknowledge and agree that each has had the opportunity and obligation, prior to the Effective Date, to review the terms and conditions of this Agreement and to bring to the attention of the other party any conflicts, errors, inconsistencies or ambiguities ("Conflicts"). The parties further acknowledge and agree that each has independently reviewed this Agreement with legal counsel, or has had the opportunity to have done so, and that each party has the requisite experience and sophistication to

understand, interpret and agree to the language of the provisions of this Agreement. Accordingly, in the event of any Conflict in or dispute regarding the interpretation of this Agreement, the Agreement shall not be interpreted or construed against the party that prepared them, and instead other rules of interpretation and construction.

9.2.2. Unless the context otherwise requires, capitalized terms used in this Agreement have the meanings given where defined within this Agreement. Words not otherwise defined which have well-known legal, technical, financing/financial, or P3 Transaction-related industry meanings, are used in accordance with such recognized meanings.

9.3. Amendments.

The Agreement may be amended only by a written instrument duly executed by the parties or their respective successors or permitted assigns.

9.4. Waiver.

9.4.1. No waiver of any term, covenant or condition of the Agreement shall be valid unless in writing and signed by the obligee party.

9.4.2. The exercise by a party of any right or remedy provided under the Agreement shall not waive or preclude any other or further exercise thereof or the exercise of any other right or remedy. No waiver by any party of any right or remedy under the Agreement shall be deemed to be a waiver of any other or subsequent right or remedy under the Agreement. The consent by one party to any act by the other party requiring such consent shall not create a course of conduct or be deemed to render unnecessary the obtaining of consent to any subsequent act for which consent is required, regardless of whether similar to the act for which consent is given.

9.4.3. Except as provided otherwise in the Agreement, no act, delay or omission done, suffered or permitted by one party or any of its agents, nor waiver of any breach or failure to enforce any of the terms, covenants, conditions or other provisions of the Agreement at any time, shall be deemed to create a course of conduct or waive, exhaust or impair any right, remedy or power of such party hereunder, or to relieve the other party from the full performance of its obligations under the Agreement.

9.5. Successors and Assigns.

9.5.1. The Agreement shall be binding upon and inure to the benefit of WKU and SLF and each of their permitted successors, assigns and legal representatives.

9.5.2. WKU may assign all or part of its right, title, and interest in and to this Agreement to any other person or entity.

9.5.3. In each case, except with respect to the Existing Loan Documents and Other Indebtedness Documents, if any, as in effect on the Effective Date, SLF shall not:

9.5.3.1. voluntarily or involuntarily sell, assign, convey, transfer, pledge, mortgage or otherwise encumber SLF's interest in and to the Agreement, the Facilities, the Real Property Assets, and any other real property or other rights that are to be transferred to WKU under this Agreement, or any portion thereof, in each case without WKU's prior written approval, granted, withheld, or conditioned in its sole discretion; and

9.5.3.2. sublease or grant any other special occupancy or use of the Facilities to any other person or entity, without WKU's prior written approval.

Any sale, assignment, conveyance, transfer, pledge, mortgage, encumbrance, sublease or grant of other special occupancy or use in violation of this provision shall be null and void *ab initio*, and WKU, at its option, may declare any such attempted action to be a material Default.

9.5.4. No assignment, conveyance, transfer, pledge, mortgage, encumbrance, sublease or grant by SLF or any permitted successor and assign thereto shall release SLF or the assignor from any liabilities or obligations under the Agreement and each of such entities shall remain liable and obligated therefor.

9.5.5. SLF shall not change the legal form of its organization without WKU's prior written approval, which may be granted, withheld, or conditioned in WKU's sole discretion.

9.6. Designation of Representatives; SLF Availability.

9.6.1. WKU and SLF shall each designate an individual or individuals who shall have authority to represent, act, and make binding decisions for and on behalf of SLF and WKU, respectively, on matters relating to the Agreement ("Authorized Representatives"). Each party may change its Authorized Representative by written notice to the other party. The parties have each designated their respective initial Authorized Representatives as:

9.6.2. SLF's Authorized Representative shall be available at all reasonable times for purposes of this Agreement.

9.7. Survival.

SLF's representations and warranties, the Warranty, the insurance provisions, and the express rights and obligations of the parties following expiration or early termination of this Agreement, and all other provisions which by their express terms or their inherent character should survive, shall survive the expiration or early termination of this Agreement.

9.8. Limitation on Third Party Beneficiaries.

It is not intended by any of the provisions of the Agreement to create any third-party beneficiary hereunder or to authorize anyone not a party hereto to maintain a suit for personal injury or property damage pursuant to the terms or provisions hereof, except to the extent that specific provisions identify third parties and state that they are entitled to benefits hereunder, and the duties, obligations and responsibilities of the parties to the Agreement with respect to third parties shall remain as imposed by applicable law.

9.9. Personal Liability of Employees of WKU, Other Affiliates or Agents; Nonrecourse to Covered Representatives.

9.9.1. The Authorized Representative of WKU is acting solely as representative of WKU when carrying out the provisions of or exercising the power or authority granted to such Authorized Representative under this Agreement. WKU's Authorized Representative shall not be liable either

personally or as an employee or agent of WKU for actions in such Authorized Representative's ordinary course of employment.

9.9.2. No members, managers, officers, directors, share/stockholders, partners, employees, agents, representatives, consultants, attorneys, contractors, successors, and assigns, and regents, trustees, commissioners and officeholders of WKU shall be personally responsible for any liability arising under this Agreement, and no recourse shall be had against any of the foregoing for the payment or performance of any obligation of WKU hereunder.

9.10. Governing Law; Venue.

The Agreement shall be governed by and construed in accordance with the laws of the Commonwealth of Kentucky, without regard to conflict of law principles. The parties agree that exclusive original jurisdiction and venue for any legal action or proceeding, at law or in equity, arising out of this Agreement shall be the Franklin County Circuit Court, seated in Frankfort, Kentucky.

9.12. Coordination, Cooperation; Further Assurances.

9.12.1. The parties agree to coordinate, to cooperate, and to work together in good faith to effectuate the intent and purpose of this Agreement.

If any clause, provision, or part of the Agreement is ruled invalid under Section 7 or otherwise by a court having proper jurisdiction, then the parties shall: (a) promptly meet and negotiate a substitute for such clause, provision, or part, which shall, to the greatest extent legally permissible, effect the original intent of the parties; and (b) if necessary or desirable, apply to the court or other decision maker (as applicable) which declared such invalidity for an interpretation of the invalidated portion to guide the negotiations. The invalidity or unenforceability of any such clause, provision, or part shall not affect the validity or enforceability of the balance of the Agreement, which shall be construed and enforced as if the Agreement did not contain such invalid or unenforceable clause, provision, or part.

9.15. Headings; Recitals.
