WKU in Glasgow

“

The Early College Program has helped me discover new interests, meet new people, interact with college professors, and explore a variety of career options.”

– Juliette Howell, Caverna High School

“

My favorite part about the Early College program is the independence. You can get a taste of college life while also having mentors and advisors to support you along the way.”

– Bethany Barber, Monroe County High School

“

What surprised me the most of the Early College Program was how supportive and caring the staff is – not to just to me, but to everyone. They go above and beyond. They actually care for the students and help us with whatever we need.”

– Santiago Guadarrama-Morales, Allen County-Scottsville High School

EARLY COLLEGE

A College Experience for High School Juniors & Seniors

WHAT IS EARLY COLLEGE?

Early College allows high school students to complete their first year of college at WKU in Glasgow during their junior and senior years. Students take courses at WKU in Glasgow with college students throughout the morning and attend their home high school each afternoon. Students receive personalized college-prep services throughout the program.

WHO SHOULD APPLY?

High school sophomores who plan to attend college and want to get a jumpstart on their college progress should apply through their high school guidance office during the winter of their 10th grade year.

PARTICIPATING SCHOOL DISTRICTS

- Allen County Scottsville
- Barren County/BAVEL
- Caverna
- Glasgow
- Hart County
- Metcalfe County
- Monroe County
- Homeschools

ACADEMICS
