University Notices

**Notification of Rights under FERPA**

(Family Educational Rights and Privacy Act)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records, including:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent, including:

a. Disclosure without the student’s consent is permissible to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

b. FERPA allows the institution to routinely release information defined as “directory information.” The following student information is included in the definition: the student’s name, address, e-mail address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, enrollment status (including full-time, part-time, not enrolled, withdrawn and date of withdrawal), degree and awards.
received and the most recent previous education agency or institution attended by the student. When a student wants any part of the directory information to remain confidential, an official request form must be completed in the Office of the Registrar within the first five days of class of each school term.

(4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by Western Kentucky University to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605

For additional information pertaining to the Family Educational Rights and Privacy Act, go to:
http://www.wku.edu/registrar/notification_of_rights.php. Questions may be directed to Tiffany C. Robinson, University Registrar, 238 Potter Hall, 745-5432.

To Withhold Publication of Directory Information
The educational record designated as Directory Information may be released or published by the University without prior written consent of the student unless exception is made in writing by the student. Appropriate forms are available in the Office of the Registrar. Such written exception must be received within the first five days of class of each term. Once received, that request will remain in effect until notification to the contrary is received by the Office of the Registrar.

Student Right-to-Know Act (Disclosure Statement)
In compliance with the federal Student Right-to-Know and Campus Security Act of 1990, the University’s graduation rate is to be made available, upon request, to potential and currently enrolled students. The Act requires public disclosure beginning July 1, 1993, of this information by institutions of higher education receiving federal financial assistance.

Western Kentucky University’s graduation rate was calculated using definitions established by the U. S. Department of Education. This rate is based upon the number of beginning freshmen who entered Western Kentucky as full-time degree-seeking students during the 2010 fall semester and who completed an associate degree or a baccalaureate degree within six years (through August, 2016). For this cohort of beginning students, the graduation rate is 45.88%.

Advising and Registration Information

See Your Advisor. Academic advising is essential to fulfilling the teaching and learning mission of Western Kentucky University. At WKU, academic advising is required for all baccalaureate degree-seeking students until graduation.

Change of Major/Minor/Concentration: Baccalaureate degree-seeking students must declare a major before earning junior status (59 plus credit hours). Associate degree-seeking students must declare a major before earning sophomore status (29 plus credit hours). A Change of Major form is accessible to students in TopNet under the Student Services/Student Records. All students may use this form except:

- Graduate students
- Undergraduate students with a degree program on file (who will be directed to the Office of the Registrar to discuss the steps for changing a major after the degree program has been filed)
- Undergraduate students pursuing MORE than two majors (who will be directed to the Academic Advising and Retention Center)
- New incoming freshmen.

iCAP (Interactive Curriculum and Academic Progress): Students may use iCAP (available through TopNet) to determine courses needed to complete degree requirements. Students can obtain personalized, interactive audits displaying progress toward a selected degree. An audit shows all the requirements needed to fulfill a major, minor or concentration and displays the transfer and WKU courses that have been used to satisfy those requirements. Students can run “What-if” audits to compare their coursework against other majors. Note: Students who are pursuing a second baccalaureate degree must file a degree program.

Who is My Advisor? Advisor assignment is based on your choice of major. If your assigned advisor leaves the University, you will be assigned a new advisor. If this does not happen, you should contact the academic department that administers your major to request a new advisor. To find your advisor, go to TopNet and click Student Services; Registration; View Advisor Information.

Advisor Hold Lifted. After you have been advised, your advisor or the departmental representative must remove your advising hold either on Banner or TopNet. This will indicate that you are eligible to register.

NOTE: If you are a newly admitted, degree-seeking beginning freshman or transfer student, you will be assigned an advisor during orientation (Topper Orientation Program) based on the major you indicate on the orientation registration form. If you are a beginning freshman or transfer student planning to register for classes at one of the regional centers, you should contact the regional center closest to the site of the class for advisor and registration information. If you enter the University as Exploratory/Generally Undeclared, your advisor will be located within the Academic Advising and Retention Center (AARC). In addition to advising, AARC also provides academic support to all WKU students through The Learning Center (TLC) and the Best Expectation Programs (BEP).

If you have any questions about advising, contact the AARC:
Undergraduate Students

Registration eligibility is based upon:

- Enrollment during the 2017 fall, 2018 winter/spring, or 2018 summer term
- Or readmission for the 2018 fall semester
- Degree-seeking students cleared for registration by your advisor
- Clearance of all hold flags
- Classification is based upon number of hours earned prior to the spring semester.

Note: Newly admitted non-degree and visiting students are not required to be advised and may use TopNet to register with returning freshmen.

Seniors and Post-Baccalaureate Students (90 or more hours earned)

All seniors are required to file an Application for Graduation prior to registration. Post-baccalaureate students seeking a second undergraduate degree must also be cleared to register by their advisor.

April 14-August 26

Continuing and readmission undergraduate students and all graduate students who did not participate in Priority Registration may register using TopNet through August 26. Eligibility requirements for Open Registration are the same as for Priority Registration. Undergraduate degree-seeking students should read Advising Requirement for Undergraduate Degree-Seeking Students regarding advising requirements for clearance to register.

Late Registration

August 27-September 4

Students who are unable to register in advance may register August 27-September 4, but will be assessed a late registration penalty of $50. Refer to information listed under
Priority Registration for eligibility requirements.

General Registration Information

Schedule Change Fee
Students may drop or add classes with no financial penalty through the last day to drop or add a course as printed in the official academic calendar. After that date, a $50 Schedule Change Fee per course will be assessed for all student-initiated schedule changes.

Tuition and Fee Payment
Registration in a course obligates the student to pay for the course and fulfill course requirements. If you register and decide not to attend, you MUST withdraw from all classes prior to the first day of classes on TopNet or notify the Office of the Registrar of your withdrawal in writing; otherwise, you will owe tuition and late payment fees and receive ‘F’ grades. If you are receiving financial assistance and do not officially withdraw from WKU and plan to attend another university, your eligibility for aid at the other school may be affected.

New Student Registration
Newly admitted freshmen and transfer students will be mailed Topper Orientation Program information. Registration for these students is provided on special dates. Reservations for Topper Orientation Program should be made as early as possible to assist the University in its efforts to provide maximal service for each student.

Registration Holds
TopNet will advise you of any holds on your record. Students with outstanding obligations to the University will not be permitted to register until the obligation has been cleared with the appropriate office.

Auditing Courses
An auditor is one who enrolls and participates in a course without expecting to receive academic credit. The same registration procedure is followed and the same fees are charged as for courses taken for credit. An audited course is not applicable to any degree or certificate program.

Regular class attendance is expected of an auditor. Other course requirements, which may be obtained in writing from the instructor, will vary depending on the nature of the course. Students interested in auditing a course should secure permission from the instructor and discuss course requirements prior to enrolling. Failure to meet course requirements may result in the auditor being withdrawn from the course at the request of the instructor. A successful audit will be recorded on the transcript with the designation AU.

Any change from audit to credit must be done by the last day to add a class. Changes from credit to audit must be done by the last day to drop a class with a grade of ‘W’. Instructor’s written permission will be required to change from credit to audit beginning the first class day of the term. Refunds for withdrawals from audited courses will be prorated on the same basis as refunds for withdrawals from courses taken for credit.

Note: An audited course does not count toward enrollment for financial aid/scholarship purposes.

Drop/Add
Schedule changes (drop/add) may be necessary following a student’s initial registration. Students should use TopNet to process schedule changes on the dates listed below. If possible, add before dropping courses. (This may not be possible in time-conflict or overload situations.) Refer to the Academic Calendar for appropriate dates to make changes to your schedule.

April 2 - September 4 - Students who register may drop/add during this period.

September 5 - October 19 - Students may withdraw from a full-semester course and will receive a ‘W’ as a grade. A $50 Schedule Change Fee will be assessed for each course withdrawal.

Beginning October 20 - Students may not withdraw from full-semester courses unless they have experienced extenuating circumstances that can be documented (i.e. serious illness). The exception must be approved by the instructor and department head and reviewed by the dean’s office. Poor academic performance is not an extenuating circumstance to justify late withdrawal from a course. A $50 Schedule Change Fee will be assessed for each approved late course change.

Withdrawing from a Class or from the University

Withdrawal from an Individual Class
TopNet may be used to withdraw from individual courses according to dates published in the Academic Calendar. The official date of the withdrawal is the date the withdrawal is processed on TopNet. A $50 Schedule Change Fee will be assessed for each course withdrawal. Students who cease attending class(es) without an official withdrawal will receive failing grades.

Procedure
1. Click TopNet Login at www.topnet.wku.edu, then click Student Services, then Registration, then Register/Add/Drop, then select the appropriate term.
2. Locate the class(es) from which you need to withdraw, click the drop-down box, and then click Withdraw. Be sure to click Submit Changes at the bottom of the page.
3. Verify that the transaction was processed properly by checking the status of the course. Verify that Credit Hours now reflect ‘0.0 hours’ for each class dropped. Your transcript will reflect a grade of ‘W’ for each withdrawn course.

Withdrawal from the University
Students sometimes find it necessary to completely withdraw from the University for a particular term. Dropping full semester courses during the first six days of a regular semester will not show withdrawal grades on the official transcript. Withdrawal after the sixth day of the semester through the withdrawal deadline listed in the Academic Calendar will result in a ‘W’ grade for each course. The official date of the withdrawal is the date the withdrawal is processed on TopNet. After the withdrawal deadline, students must consult with each instructor for a withdrawal grade, which may be a ‘W’ or an ‘F’. Students who cease attending class(es) without an official withdrawal will receive failing grades.

Procedure
There are two ways to withdraw completely from the University before the printed deadlines:

1. Use the procedure described for all courses, OR
2. Submit a written request to the Office of the Registrar, 217 Potter Hall. The request must include the following: student’s name, local address, e-mail address, phone number, WKU ID, statement of request to withdraw, date of the notice, and student signature. The withdrawal will be effective the date the notice is received in the Office of the Registrar.
3. Any refund will be calculated as of the withdrawal effective date.
4. Students who request to withdraw after the printed
deadline should refer to policies and procedures regarding withdrawal from the university at [http://www.wku.edu/registrar/withdrawal.php](http://www.wku.edu/registrar/withdrawal.php).

5. Remember to check the following items prior to withdrawing:
   - **Student health insurance:** You may no longer be covered by student health insurance once you withdraw completely. Check with Health Services (745-5641) or your personal health insurance agent to determine your status.
   - **Financial aid:** Contact Student Financial Assistance (745-2755) to find out how withdrawing will impact your financial aid and how much you will need to repay.
   - **Housing:** If you live in on-campus housing, you will need to submit a cancellation request. Call Housing and Residence Life (745-4359) for assistance.
   - **Financial collections:** If you have a Perkins loan, be sure to make arrangements for an exit interview. Call the Perkins Loan Office (745-5551) for information.
   - **Obligations with the University:** Check TopNet for holds that prevent your withdrawal.

### Class Attendance Policy

Registration in a course obligates the student to be regular and punctual in class attendance. Students who, without previous arrangement with the instructor or department, fail to attend the first two class meetings of a course meeting multiple times per week or the first meeting of a class that meets one time per week **MAY** be dropped from the course. Nonattendance for a web-based course shall be defined as failure to perform meaningful academically-related activity (including, but not limited to, the following: submitting an academic assignment, taking an exam, participating in an online discussion about academic matters) within one week of the course start date without previous arrangements with the instructor or department. Nonattendance does NOT release students from the responsibility to officially drop any course for which they have enrolled and choose not to complete.

### Student Addresses

It is your responsibility to keep the university informed of address changes so that appropriate correspondence can be mailed to you.

Addresses may be updated through TopNet as follows:

1. Access TopNet at [topnet.wku.edu](http://topnet.wku.edu)
2. Enter WKU ID and PIN, Login
3. Click Personal Information
4. Select desired activity.

Students’ local and home addresses and phone numbers are considered “directory information” by the federal Family Educational Rights and Privacy Act (FERPA) and may be released to the public. (See FERPA Notification of Rights.) However, neither the university’s public online directory nor printed directory will include a student’s local or home address unless the student specifically requests that the information be provided. To indicate your desire to have your local and/or home address included in either or both directories, follow steps 1-3 above, and then click Directory Options.

### Course Load

**TUITION ASSESSMENT POLICY** - Students who enroll for more than 18 hours will be assessed a surcharge. Refer to [http://www.wku.edu/bursar/tuition_feas_current.php](http://www.wku.edu/bursar/tuition_feas_current.php) for details.

**UNDERGRADUATE** - Twelve hours constitutes the minimum full-time load. Students who wish to enroll for 20-21 semester hours must have a cumulative g.p.a. of 3.3 or above.

**GRADUATE** - The course load for a full-time graduate student is 9-15 hours with 9 being the minimum and 15 the maximum.

- **PERSONAL IDENTIFICATION NUMBER (PIN)**: During your first time to use the system, TopNet will ask you to SELECT YOUR OWN 6-DIGIT pin. Remember your PIN, and keep it confidential.

- **ASSIGNED REGISTRATION DATE**: TopNet is programmed to check for assigned registration dates and will not permit early registration. You may register only on your assigned date or thereafter.

- **CRN (Course Reference Number)**: This is a 5-digit number assigned to each class section listed in the schedule of classes. It is the number you use to register for classes using TopNet.

- **CLASS SEARCH FUNCTION**: TopNet can provide a list of classes by desired subject, days, and times. At the bottom of the registration form, click the Class Search button. After selecting your desired subjects and other criteria, click the Class Search button. In the display, closed classes are indicated by a C. You may select available sections and register directly from this list of available classes by scrolling to the bottom and clicking the Register button.

Students who cease attending class(es) without an official withdrawal will receive failing grades. The official date of the withdrawal is the date the withdrawal is finalized on TopNet. Tuition refunds or reductions in outstanding fee liabilities for students who officially withdraw or change their status from full-time to part-time is stated in the Tuition and Fee Information section of this guide. A $50 Schedule Change Fee will be assessed for each course withdrawal, unless completely withdrawing from the term/semester.

- **YOUR SCHEDULE**: After finalizing your schedule, you are encouraged to print a copy of your schedule. See Step 6 under TopNet Registration Procedures.

Tuition and Fee Information

Tuition and Fee Schedule
2018 Fall Semester
At the time of publication, Fall 2018 tuition and fees have not been approved by the Kentucky Council on Postsecondary Education or the Western Kentucky University Board of Regents. Please consult the WKU tuition and fees website at http://www.wku.edu/bursar after May 1 for rate information and updated policies and procedures.

Program Fees: (Rates subject to change)

- Educational Leadership Doctoral- $202.00 per credit hour
- Doctorate, Psychology- $202.00 per credit hour
- Doctorate, Nurse Practitioner (MSN to DNP Concentration)- $221.00 per credit hour
- Doctorate, Physical Therapy- $300.00 per semester
- Nursing- $400.00 per fall/spring semester (586 majors only)
- Dental Hygiene- $500 per Fall/Spring Semester
- Engineering- $150.00 per Fall/Spring Semester (534P, 534, 537P, 537, 543P, 543 majors)

Notes:
1. Full-time students are undergraduates who enroll in 12 hours or more of course work during Fall and Spring terms. The full-time tuition rate applies to undergraduate students taking 12-18 credit hours (either exclusively on-campus or a combination of on-campus and distance learning). An additional per credit hour fee equivalent to the per hour tuition rate will be charged to undergraduate students enrolled in more than 18 credit hours.

2. Full-time undergraduate students enrolled in any combination of both on campus and distance learning courses will be assessed an additional Distance Learning Course fee per credit hour for each distance learning credit hour in which they are enrolled. (e.g., If a student is enrolled in 12 hours of on campus courses and 6 hours of distance learning courses, the fee assessment would be the full-time tuition rate plus an additional Distance Learning Course fee for 6 credit hours). Refer to the WKU tuition and fees website after May 1 for rate information.

3. The Distance Learning course rate is for all part-time students, regardless of residency, enrolling in on-line, web-based courses. Students enrolled exclusively in distance learning courses will be assessed the distance learning per hour rate regardless of the number of hours enrolled. There is no full-time distance learning rate.

4. Graduate tuition and fees are assessed per credit hour based upon the course (i.e., on-campus or distance learning). There is no full-time graduate rate.

5. Registration fees are assessed based upon the student’s classification as an undergraduate, graduate, or doctoral student and not upon the level of courses for which the student registers.

6. Occasionally, there is an additional fee charged in relation to a specific course. Refer to the Course Fees chart on the Tuition and Fees Website for specific courses and related fees.

7. Tuition and/or fees and University policies are subject to change by the Kentucky Council on Postsecondary Education or Western Kentucky University without prior notice.

8. Additional information on Tuition and Fees and related details can be obtained from the Tuition and Fees link from Western’s home page at www.wku.edu.

Tuition Incentive Program (TIP)
Western Kentucky University offers a Tuition Incentive Program (TIP) to qualified non-Kentucky students who are residents of specific counties in several states. Additional information regarding TIP is available at http://www.wku.edu/admissions/tip.php.

Tuition Incentive Program Scholarships (TIPS)
Students from TIP counties with superior achievement may receive an additional scholarship, the “Tuition Incentive Program Scholarship” (TIPS). Please visit http://www.wku.edu/admission/tip.php for more information.

Note: The Tuition Incentive Program (TIP) and the Tuition Incentive Program Scholarship (TIPS) are different. TIP is a tuition rate based on county of residence; TIPS is a scholarship based on academic qualifications applicable to students from TIP counties. Students from TIP counties are eligible for consideration for the TIP Scholarship. All TIP counties are determined by the WKU Board of Regents and approved by the Kentucky Council on Postsecondary Education (see: http://www.wku.edu/admissions/tip.php).

Non-Resident/International Scholarships
Non-resident students (excluding those residing in an eligible Tuition Incentive Program (https://www.wku.edu/admissions/tip.php) county) and International students with a minimum 3.0 unweighted GPA and a minimum 25 ACT (1130 SAT) qualify for a Targeted Award. For additional information regarding eligibility and award amount refer to www.wku.edu/scholarship/.

Reciprocal Counties
Residents of Macon, Robertson, and Sumner counties in Tennessee are eligible for the in-state tuition level as a result of a scholarship that is automatically awarded.

As an added service, students can also select a billing email address so they can have their account statements sent to another email address, in addition to their WKU email address, by adding the email address on TopNet. Important email correspondence will be sent to your WKU email account. You are strongly advised to access your WKU email account routinely to stay informed of important university business such as information regarding your bill.

2. Refer to the Fee Payment Schedule to determine applicable tuition due dates based upon registration dates. Failure to submit payment by the deadline will result in the assessment of late payment fees and a financial obligation hold which prohibits registration activity and receipt of transcript until balance is paid in full.

3. Important Note for Scholarship and Financial Aid Recipients: Approved scholarships, including non-resident graduate scholarships, will be applied to students' accounts prior to the billing statement. Approved financial aid (Pell, CAP, SEOG, Perkins, Stafford, PLUS) will be reflected on the billing statement. All students, including financial aid recipients, are required to submit any balance due payments by the deadline based upon their registration dates.
4. **Third Party Billing** - For tuition and fees to be paid in-full or in-part by a third party after the stated due date, a written authorization must be submitted to the Billings and Receivables Office and approved before August 1. When such a written authorization is not received and/or approved, the student will be required to make the full payment by the printed due date.

5. **Late Payment Policy:** Failure to submit payment by the deadline may result in the assessment of late payment fees.

   **Financial Warning:** Students who fail to pay their balance in full by September 20 will be placed on “Financial Warning.” A financial obligation hold will be placed on the student’s account which prohibits registration activity and receipt of transcript until balance is paid in full.

6. **If you register and decide not to attend, you must withdraw from all classes prior to the first day of classes on TopNet or by notifying the Registrar’s Office in writing to ensure that you will not owe tuition and late payment fees and receive “F” grades.**

   **NOTE:** You are responsible for your own enrollment status.

7. The University expects the students to be financially responsible and not be delinquent in financial obligations to the University or to any department or division of the University. A student who fails to meet a financial obligation by the due date of the notice from the appropriate university official will be subject to regulations promulgated by the University. If the student does not settle the obligation by the date designated on the notice, the appropriate business office shall notify the Registrar. After the Registrar has been notified that a student is delinquent, the Registrar shall not allow the student to register or obtain an official transcript until the Registrar has been notified that the obligation has been settled.

8. In the event that any tuition, fees and/or other expenses are not paid when due and the University undertakes collection of any unpaid portion, the student shall also be assessed and be responsible for any collection costs and/or fees incurred by the University. Delinquent accounts receivables are placed with a collection agency and/or the Kentucky Department of Revenue and collection costs and/or fees will be added, increasing the amount owed. If an account is placed with an agency or the Kentucky Department of Revenue, the student agrees to reimburse WKU the fees of any collection agency or the Kentucky Department of Revenue, which may be based on a percentage at a maximum of 33.3% of the debt, and all costs and expenses, including reasonable attorney’s fees, we incur in such collection efforts. Accounts will also be reported to the National Credit Bureaus.

**Big Red Has Gone Green!**

**All bills are E-bills for WKU students.**

WKU does not mail paper billing statements to students. All billing is electronic, with students receiving account statements through their WKU email address. As an added service, students can also select a billing email address so they can have their account statements sent to another email address, in addition to their WKU email address.

**Benefits of e-billing:**

- You are notified by email when your bill is ready to view.
- Billing history is available for viewing throughout the semester.
- You will always receive the bill; no worry of bills getting lost in the mail.
- No more paper – environmentally friendly!

**BankMobile Disbursements**

The “ONLY” way to select your university refund preference.

Western Kentucky University has partnered with BankMobile Disbursements to deliver financial aid refunds and other credit balances to students. All refunds are disbursed through BankMobile Disbursements.

Refunds are delivered to students by the option they choose when selecting their refund preference at [www.refundselection.com](http://www.refundselection.com):

1. **Electronic deposit to an existing bank account of your choice.**
2. **Electronic deposit to BankMobile Vibe, an optional account.**

   **NOTE:** The university will NOT issue residual/refund checks, so you MUST choose an option for receiving any refund due to you. The funds are sent from the University to BankMobile who then disburses the refunds according to the choice a student has made during the selection process.
Other Information

1. **Residency Changes** - Students who have a residency appeal pending should contact the Office of Admissions before attempting to pay fees.

Financial Aid Information

Students receiving Federal Title IV Aid ( Pell, CAP, SEOG, Perkins loan, Stafford loan, PLUS loan) will receive a Financial Aid Award Notification via e-mail. The notification will be sent to the student’s WKU e-mail address. Returning students currently have a WKU e-mail address. New students will have a WKU e-mail address automatically assigned once they have registered for classes. A new student not yet registered at the time their financial aid is awarded will be sent a Financial Aid Award Notification to the e-mail address indicated on their FAFSA or to their mailing address if they did not list an e-mail address. Financial aid awards are based upon the information submitted to the Department of Student Financial Assistance. It is the student’s responsibility to notify the financial aid office when there is a change in enrollment status, family, or financial situation that may affect eligibility to receive Federal Financial Aid.

Changes in enrollment during the 100% refund period will result in changes to Pell and CAP grant awards. Enrollment will be reviewed after the drop/add period and adjustments cannot be made to Pell and CAP grant awards for classes added after the drop/add period. Institutional refunds will be returned to financial aid programs for totally withdrawn classes.

For students who received a scholarship, any institutional refund not returned to the Title IV Programs will be returned to the scholarship source if the student drops below full-time enrollment status.

Revisions to Awards

Change(s) in financial aid awarded or accepted or in a student’s eligibility for aid will be posted to the student’s TopNet account.

Changes in enrollment status may affect loan deferments, require repayment of funds received, and/or affect academic progress and eligibility for financial assistance in subsequent terms. **To maintain loan eligibility, students must be enrolled for 6 hours undergraduate or 4.5 hours graduate.**

Undergraduate students who receive financial aid based upon full-time enrollment status will be expected to earn at least 24 semester hours within the traditional academic year.

Return of Unearned Title IV Aid

A new Federal law applies to Federal Pell Grant, Federal SEOG, Federal Perkins Loan, and Federal Stafford Loans. The federal law requires a school to determine how much federal financial aid is earned while enrolled and the amount of unearned aid that is received.

The amount of federal aid that is earned is determined on a pro-rata basis regarding the number of days enrolled when compared to the total days in the semester. If the student has completed 60% of the enrollment period, the student is considered to have earned all of the federal aid for that period. The 60% date for the fall term is October 26, 2018.

The student may be required to return unearned funds for which he/she received. If the student is required to return grant funds, the amount of grant repayment will be reduced by 50%. If the student owes a return of loan funds, the student will repay the loan according to the respective promissory note.

The amount that the school is required to return may be greater than the amount of the refund of the institutional charges. If this is the case, the student will also owe the university for the difference. **If grant funds are not returned, the student ceases to become eligible for any federal financial aid until repaid.**

All FN Grades

Federal Financial Aid Recipients who receive all **FN** grades (failure due to non-attendance) are subject to Federal Regulations, Federal Return to Title IV Funds, and are considered unofficially withdrawn at the midpoint of the enrollment period.

**Without acceptable proof of attendance or participation in class related activity beyond the 60% point of the student’s fall enrollment period, the Federal Title IV financial aid credit for the**
fall enrollment period is refunded to the aid program(s) from which it came at a rate of 50 percent of university charges. Loans are refunded before grants.

Western Kentucky University is required by Title IV Federal Regulations to administer financial aid for students with all **FN** grades in this manner. Failure to comply with the Regulation would result in monetary fines to WKU and jeopardize our continued participation in federally funded aid programs. The assumption behind this law (regulation) is that students receiving all **FN** grades probably did not complete the semester, but rather walked away from WKU without officially withdrawing.

The Department of Student Financial Assistance will notify students who received financial aid and received all **FN** grades for a given semester that Title IV funds were returned. **Acceptable Proof of Attendance or Participation in a Class Related Activity** will be either. The last date of a student’s presence in class or involvement in a class related activity as reported by the professor or instructor.

Further/future financial aid will be cancelled until attendance is resolved or the student has paid all past due fees with the Bursar’s Office.

**WKU Colonnade Program**

New undergraduate students who enter WKU in the Fall 2014 semester and thereafter will follow the Colonnade Program, a 39-hour general education program. The specific requirements and courses that fulfill the requirements can be found at [http://www.wku.edu/colonnade/documents/approved_colonnade_courses_website.pdf](http://www.wku.edu/colonnade/documents/approved_colonnade_courses_website.pdf).
