Notification of Rights under FERPA
(Family Educational Rights and Privacy Act)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records, including:

1. The right to inspect and review the student’s education records within 45 days of the day the University receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes are inaccurate or misleading.

Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the University decides not to amend the record as requested, the University will notify the student of the decision and the student’s right to a hearing. If the college or University discloses the student’s name, the record is not considered to be an inaccurate or misleading record.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent, including:

   a) Disclosure without the student’s consent is permissible to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to view the education record in order to fulfill his or her professional responsibility.

   b) FERPA allows the institution to routinely release information defined as “directory information.” The following information is considered directory information:

   i. Name, address, e-mail address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, enrollment status (including full-time, part-time, not enrolled, withdrawn and date of withdrawal), degree and awards received and the most recent previous education agency or institution attended by the student.

   ii. Employers with disabilities, who need a reasonable accommodation to participate in the application process, may contact the Equal Employment Opportunity/Affirmative Action/University ADA Services (EEO), using the information provided at: https://www.wku.edu/oeo/adda/aas.php.

Applicants with disabilities, who need a reasonable accommodation to participate in the application process, may contact the Equal Employment Opportunity/Affirmative Action/University ADA Services (EEO), using the information provided at: https://www.wku.edu/oeo/adda/aas.php.

Drop/Add
Schedule changes may be necessary following a student’s initial registration and may be processed by using TopNet. Refer to Academic Calendar for applicable deadlines.

Registration Holds
TopNet will advise you of any holds on your record. Students with outstanding obligations to the University will not be permitted to register until the obligation has been cleared with the appropriate office.

Course Load
Summer course load is restricted to the following limits within specified time periods.

Schedule Change Fee
Students may drop or add classes with no financial penalty through the last day to drop classes on the academic calendar. After that date, a $50 Schedule Change Fee per course will be assessed for all student-initiated schedule changes.

Tuition And Fee Payment
Registration in a course obligates the student to pay for the course and fulfill course requirements. You are responsible for your own enrollment status. If you register and decide not to attend, you MUST withdraw from all classes prior to the first day of classes on TopNet or notify the Office of the Registrar of your withdrawal in writing; otherwise, you will owe tuition and late payment fees and receive "F" grades. If you are receiving financial assistance and do not officially withdraw from WKU and plan to attend another university, your eligibility for aid at the other school may be affected.

Class Attendance Policy
Registration in a course obligates the student to be regular and punctual in class attendance. Students who, without previous arrangement with the instructor or department, fail to attend the first two class meetings of a course meeting multiple times per week or the first meeting of a class that meets one time per week MAY be dropped from the course. Nonattendance for a web-based course shall be defined as failure to perform meaningful academically-related activity (including, but not limited to, the following: submitting an academic assignment, taking an exam, participating in an online discussion about academic matters) within one week of the course start date without previous arrangements with the instructor or department. Nonattendance does NOT release students from the responsibility to officially drop any course for which they have enrolled and choose not to complete.

Repeating Courses
An undergraduate student is permitted to repeat a maximum of 6 courses. Only 2 courses in which a grade of ‘C’ or above has been earned may be repeated.

Auditing Courses
An auditor is one who enrolls and participates in a course without expecting to receive academic credit. The same registration procedure is followed and the same fees are charged as for courses taken for credit. An audited course is not applicable to any degree or certificate program.

Regular class attendance is expected of an auditor. Other course requirements, which may be obtained in writing from the instructor, will vary depending on the nature of the course. Students interested in auditing a course should secure permission from the instructor and discuss course requirements prior to enrolling. Failure to meet course requirements may result in the auditor being withdrawn from the course at the request of the instructor. A successful audit will be recorded on the transcript with the designation AU.

Any change from audit to credit must be done by the last day to add a class. Changes from credit to audit must be done by the last day to drop a class with a grade of ‘W’. Instructor’s written permission will be required to change from credit to audit beginning the first class day of the term. Refunds for withdrawals from audited courses will be prorated on the same basis as refunds for withdrawals from courses taken for credit.

Student Addresses
It is your responsibility to keep the university informed of address changes so that appropriate correspondence can be mailed to you.

Tips For Using TopNet

• NAVIGATION: Do not use the Back button on your internet browser to navigate through TopNet. Always use Return to Menu or the other links at the top and bottom of the pages.
• PERSONAL IDENTIFICATION NUMBER (PIN): During your first time to use the system, TopNet will ask you to select your own 6-digit PIN. Remember your PIN, and keep it confidential.
• ASSIGNED REGISTRATION DATE: TopNet is programmed to check for assigned registration dates and will not permit early registration. You may register only on your assigned date or thereafter.
• CRN (Course Reference Number): This is a 5-digit number assigned to each class section listed in the schedule of classes. It is the number you use to register for classes using TopNet.
• CLASS SEARCH FUNCTION: TopNet can provide a list of classes by desired subject, days, and times. At the bottom of the registration form, click the Class Search button. After selecting your desired subjects and other criteria, click the Class Search button. In the display, closed classes are indicated by a C. You may select available sections and register directly from this list of available classes by scrolling to the bottom and clicking the Submit Changes button.
• AUDIT A COURSE: If you wish to take a course but not receive credit, you must first enroll in the course, then click Audit in the drop-down box in the Action column. Scroll to the bottom of the form and click the Submit Changes button. After class(es) begin, you will be required to obtain permission from the instructor to audit a course, and processing must be done in the Office of the Registrar in Potter Hall.
• RESTRICTED COURSES: A restricted course is one for which the department has limited enrollment to specific students for specific purposes. You must obtain permission for enrollment from the academic department offering the course. When you register for the course, TopNet will recognize that permission has been granted through the use of a code entered by the departmental official.
• PREREQUISITE CHECKING: Many courses are checked through TopNet to ensure that the appropriate prerequisite(s) have been met. TopNet will not permit you to register for a course for which you have not fulfilled the prerequisite(s).
• COREQUISITE COURSES: These are courses that must be taken together. You must register for them at the same time.
• LINKED COURSES: These are lecture sections that must be taken with any corresponding lab or clinical section.
• REPEATED COURSES: If you are repeating a course, you may register for the course using TopNet.
• DROP/ADD: You may use TopNet to make schedule changes after your initial registration and through the official drop/add period.
• DUPLICATE COURSE REGISTRATION: Duplicate course registration is not permitted unless the course for which you are registering can be taken multiple times for degree credit.
• WITHDRAWALS: TopNet may be used to withdraw from individual courses or to completely withdraw from the term/semester according to dates published in the Academic Calendar in this guide. Students who cease attending class(es) without an official withdrawal will receive failing grades. The official date of the withdrawal is the date the withdrawal is finalized on TopNet. Tuition refunds or reductions in outstanding fee liabilities for students who officially withdraw or change their status from full-time to part-time is stated in the Tuition and Fee Information section of this guide. A $50 Schedule Change Fee will be assessed for each course withdrawal, unless completely withdrawing from the term/semester.
• YOUR SCHEDULE: After finalizing your schedule, you are encouraged to print a copy of your schedule. See Step 6 under TopNet Registration Procedures.
• HOLDS: You must clear all holds prior to registration. TopNet will not permit you to register if you have a registration hold.
• HELP: If you need assistance, please contact the Office of the Registrar at (270) 745-3351 or (270) 745-3352, Monday-Friday, 8:00 a.m. to 4:00 p.m. central time.

Advising and Registration Information

See Your Advisor. Academic advising is essential to fulfilling the teaching and learning mission of Western Kentucky University. At WKU academic advising is required for all baccalaureate and associate degree-seeking students until graduation.

Change of Major/Minor/Concentration: Baccalaureate degree-seeking students must declare a major before earning junior status (59 plus credit hours). Associate degree-seeking students must declare a major before earning sophomore status (29 plus credit hours). A Change of Major form is accessible to students in TopNet under the Student Services/Student Records menu. All students may use this form except:
• Graduate students
• Undergraduate students with a degree program on file (who will be directed to the Office of the Registrar to discuss the steps for changing a program of study after the degree program has been filed)
• Undergraduate students pursuing MORE than two majors (who will be directed to the Academic Advising & Retention Center)

New incoming freshmen

ICAP (Interactive Curriculum & Academic Progress): Students may use ICAP (available through TopNet) to determine courses needed to complete degree requirements. Students can obtain personalized, interactive audits displaying progress toward a selected degree. An audit shows all the requirements needed to fulfill a major, minor or concentration and displays the transfer and WKU courses that have been used to satisfy those requirements. Students can run “What-if” audits to compare their coursework against other majors.

NOTE: Students who earned coursework prior to 1990 and students who are pursuing a second baccalaureate degree must file a degree program.

Please contact the Academic Advising & Retention Center if you need additional information or assistance by calling (270) 745-5065 or for more information please visit www.wku.edu/advising.
Withdrawal from an Individual Class

TopNet may be used to withdraw from individual courses according to dates published in the Academic Calendar. The official date of the withdrawal is the date the withdrawal is processed on TopNet. A $50 Schedule Change Fee will be assessed for each course withdrawal. Students who cease attending class(es) without an official withdrawal will receive failing grades.

Procedure
1. Click TopNet Login at www.topnet.wku.edu, then click Student Services, then Registration, then Register/Add/Drop, then select the appropriate term.
2. Locate the class(es) from which you need to withdraw, click the drop-down box, and then click Withdraw. Be sure to click Submit Changes at the bottom of the page.
3. Verify that the transaction was processed properly by checking the status of the course. Verify that Credit Hours now reflect ‘0.0 hours’ for each class dropped. Your transcript will reflect a grade of ‘W’ for each withdrawn course.

Withdrawal from the University

Students sometimes find it necessary to completely withdraw from the University for a particular term. Dropping full semester courses during the first 6 days of a regular semester will not show withdrawal grades on the official transcript. Withdrawal after the sixth day of the semester through the withdrawal deadline listed in the Academic Calendar will result in a ‘W’ grade for each course. The official date of the withdrawal is the date the withdrawal is processed on TopNet. After the withdrawal deadline, students must consult with each instructor for a withdrawal grade, which may be a ‘W’ or an ‘F’. Students who cease attending class(es) without an official withdrawal will receive failing grades.

Procedure
There are two ways to withdraw completely from the University before the printed deadlines:
1. Use the procedure described for all courses, OR
2. Submit a written request to the Office of the Registrar, 217 Potter Hall. The request must include the following: student’s name, local address, e-mail address, phone number, WKU ID, statement of request to withdraw, date of the notice, and student signature. The withdrawal will be effective the date the notice is received in the Office of the Registrar.
3. Any refund will be calculated as of the withdrawal effective date.
4. Students who request to withdraw after the printed deadline should refer to policies and procedures regarding withdrawal from the university at http://www.wku.edu/registrar/withdrawal.php.
5. Remember to check the following items prior to withdrawing:
   - Student health insurance: You may no longer be covered by student health insurance once you withdraw completely. Check with Health Services (270-745-5641) or your personal health insurance agent to determine your status.
   - Financial aid: Contact Student Financial Assistance (270-745-2755) to find out how withdrawing will impact your financial aid and how much you will need to repay.
   - Housing: If you live in on-campus housing, you will need to submit a cancellation request. Call Housing and Residence Life (270-745-4359) for assistance.
   - Financial collections: If you have a Perkins loan, be sure to make arrangements for an exit interview. Call the Perkins Loan Office (270-745-5551) for information.
   - Obligations with the University: Check TopNet for holds that prevent your withdrawal.

Commencement

Students who expect to complete all degree requirements during the 2018 summer term may participate in either the 2018 spring commencement or 2018 fall commencement. Commencement information will be mailed to degree candidates.

Note: The Tuition Incentive Program (TIP) and the Tuition Incentive Program Scholarship (TIPS) are different. TIP is a tuition rate based on county of residence; TIPS is a scholarship based on academic qualifications applicable to students from TIP counties. Students from TIP counties are eligible for consideration for the TIP Scholarship. All TIP counties are determined by the WKU Board of Regents and approved by the Kentucky Council on Postsecondary Education (see: http://www.wku.edu/admissions/tip.php).

Non-Resident/International Scholarship

Non-resident students (excluding those residing in an eligible Tuition Incentive Program (https://www.wku.edu/admissions/tip.php) county) and International students with a minimum 3.0 unweighted GPA and a minimum 25 ACT (1130 SAT) qualify for a Targeted Award. For additional information regarding eligibility and award amount refer to www.wku.edu/scholarship/.

Reciprocal Counties

Tuition And Fee Refund Policy

Tuition refunds or reductions in outstanding fee liabilities for students who officially withdraw through TopNet or the Registrar’s Office, or who change their status from full-time to part-time or further reduce their part-time status through drop/ add, will be made according to the appropriate refund schedule. Refer to the 2018 Summer Term Academic Calendar for specific refund schedules.

Refund Procedure

1. Complete withdrawals from the university can be processed through TopNet or through the Office of the Registrar in writing.
2. The Office of the Registrar will notify the Billings and Receivables Office of the student’s withdrawal and request the student be given the appropriate refund.
3. The Billings and Receivables Office will initiate the refund which will be processed within six calendar weeks of the official withdrawal. All refunds will be made through the option chosen at www.refundselection.com.
4. Title IV recipients who completely withdraw should refer to the Student Financial Aid section.
5. Mandatory fees and course fees are non-refundable after the 100% refund period.

Refunds and Financial Aid Residuals through BankMobile

WKU has partnered with BankMobile Disbursements to deliver financial aid refunds and other credit balances to students. All refunds are disbursed through BankMobile Disbursements.

Upon initial registration, students will be mailed a unique personal code in a bright green envelope. Students will use the unique personal code to select their refund preference. Follow these simple steps:

1. Visit www.refundselection.com
2. Enter your unique personal code
3. Choose how you would like to receive your refund
   a. Electronic deposit to existing bank account of your choice
   b. Electronic deposit to BankMobile Vibe, an optional account
4. Complete your profile.

The University will NOT issue refund checks, so you MUST choose an option for receiving any refund due to you. Please note that enrollment changes, outstanding holds or additional charges on your account could result in a delay in release of your residual funds. You can view holds on your account by logging in to your TopNet account, selecting Student Services, selecting Student Records, and selecting Student Holds.

Billing and Payment Procedures

1. WKU does not mail paper billing statements to students. All billing is electronic, with students receiving account statements through their WKU email address. As an added service, students can also select a billing email address so they can have their account statements sent to another email address, in addition to their WKU email address, by adding the email address on TopNet. Important email correspondence will be sent to your WKU email account. You are strongly advised to access your WKU email account routinely to stay informed of important university business such as information regarding your bill.
2. Refer to the Fee Payment Schedule to determine applicable tuition due dates based upon registration dates. Failure to submit payment by the deadline will result in the assessment of late payment fees.
3. Important Note for Scholarship and Financial Aid Recipients: Approved scholarships, including non-resident graduate scholarships, will be applied to students’ accounts prior to the billing statement. Approved financial aid (Pell, CAP, SEOG, Perkins, Stafford, PLUS) will be reflected on the billing statement. All students, including financial aid recipients, are...
required to submit any balance due payments by the deadline based upon their registration dates.

4. Third Party Billing - For tuition and fees to be paid in full or in part by a third party after the stated due date, a written authorization must be submitted to the Billings and Receivables Office and approved before May 1. When such a written authorization is not received and/or approved, the student will be required to make the full payment by the printed due date.

5. Late payment Policy: Failure to submit payment by the deadline may result in the assessment of late payment fees.

Financial Warning: Students who fail to pay their balance in full by the due date will be placed on "Financial Warning." A financial obligation hold will be placed on the student’s account which prohibits registration activity and receipt of transcript until balance is paid in full.

6. If you register and decide not to attend, you must withdraw from all classes prior to the first day of class on TopNet or by notifying the Registrar’s Office in writing to ensure that you will not owe tuition and late payment fees and receive “F” grades.

NOTE: You are responsible for your own enrollment status.

7. The University expects the students to be financially responsible and not be delinquent in financial obligations to the University or to any department or division of the University. A student who fails to meet a financial obligation by the due date of the notice from the appropriate university official will be subject to regulations promulgated by the University. If the student does not settle the obligation by the date designated on the notice, the appropriate business office shall notify the Registrar. After the Registrar has been notified that a student is delinquent, the Registrar shall not allow the student to register or to obtain an official transcript until the Registrar has been notified that the obligation has been settled.

8. In the event that any tuition, fees and/or other expenses are not paid when due and the University undertakes collection of any unpaid portion, the student shall also be assessed and be responsible for any collection costs and/or fees incurred by the University. Delinquent accounts receivables are placed with a collection agency and/or the Kentucky Department of Revenue and collection costs will be added, increasing the amount owed. If an account is placed with an agency or the Kentucky Department of Revenue, the student agrees to reimburse WKU the fees of any collection agency and/or the Kentucky Department of Revenue, which may be based on a percentage at a maximum of 33.3% of the debt, and all costs and expenses, including reasonable attorney’s fees, we incur in such collection efforts. Accounts will also be reported to the National Credit Bureaus.

Other Information

1. Residency Changes - Students who have a residency appeal pending should contact the Office of Admissions before attempting to pay fees.

2. Appeals - Any student or parent who believes any policy or procedure in this section on Tuition and Fee Information presents a basic unfairness should present their concern in writing to the Chief Financial Officer who will refer the appeal to a University Committee for a decision. The decision of the Committee will be final.

3. IMPORTANT INFORMATION regarding email communication: University policy requires that you use the provided WKU email address for all university email communication. You are strongly advised to access your WKU email account routinely to stay informed of important university business such as information regarding your bill and/or financial aid.

Student Financial Aid

Summer term is considered part of the 2017-2018 award year, and eligibility for financial aid requires submission of the 2017-2018 Free Application for Federal Student Aid (FAFSA). If you have not filed a FAFSA, you may do so online at www.fafsa.ed.gov.

Pell grants, loans and employment opportunities are available on a limited basis. Students must be enrolled half-time to receive loans. Grant eligibility is dependent upon students’ enrollment.

Students who receive federal grants and/or student loans and then totally withdraw during the summer term may be required to return part or all of those funds to the financial aid programs. The amount of federal aid required to be returned is determined on a pro-rata basis and is dependent upon enrollment at the time of withdrawal due to courses being considered modules. Generally, a student must be enrolled for more than 60% of the award period for which they are enrolled in order not to be required to return funds. The amount a student is required to return may be greater than the amount of tuition refunded. Students should also be aware that due to summer courses being offered in modules, any change in enrollment can affect their eligibility thus it is very important to finalize their summer course schedule before the summer term actually begins. Students need to become familiar with the return of Title IV policy and how withdrawals affect their eligibility for Title IV aid. Students should refer to our website at http://www.wku.edu/financialaid/titleiv.php.

All FN Grades

Federal Financial Aid Recipients who receive all FN grades (failure due to non-attendance) are subject to Federal Regulations, Federal Return to Title IV Funds, and are considered unofficially withdrawn at the midpoint of the enrollment period.

Without acceptable proof of attendance or participation in class related activity beyond the 60% point of the student’s summer enrollment period, the Federal Title IV financial aid without officially withdrawing. The Department of Student Financial Assistance will notify students who received financial aid and received all FN grades for a given semester that Title IV funds were returned. Further future financial aid will be cancelled until attendance is resolved or the student has paid all past due fees with the Bursar’s Office.

All bills are E-bills for WKU Students

WKU does not mail paper billing statements to students. All billing is electronic, with students receiving account statements through their WKU email address. As an added service, students can also select a billing email address via TopNet so they can have their account statements sent to another email address, in addition to their WKU email address.

Benefits of e-billing:
- You are notified by email when your bill is ready to view.
- Billing history is available for viewing throughout the semester.
- You will always receive the bill, no worry of bills getting lost in the mail.
- No more paper – environmentally friendly!

Refunds and Financial Aid Residuals

Western Kentucky University has partnered with BankMobile Disbursements to deliver financial aid refunds and other credit balances to students. All refunds are disbursed through BankMobile Disbursements.

Refunds are delivered to students by the option they choose when selecting their refund preference at www.refundselection.com:

1. Electronic deposit to an existing bank account of your choice.
2. Electronic deposit to BankMobile Vibe, an optional account.

NOTE: The university will NOT issue residual/refund checks, so you MUST choose an option for receiving any refund due to you. The funds are sent from the university to BankMobile who then disburses the refunds according to the choice a student has made during the selection process.
