- Complete the student's demographic information at the top of the form, in addition to listing the academic college and proposed date of graduation.
- In block I, Second Degree – Primary Major, list the required coursework for the student's new major, including those courses already completed in pursuit of a previous degree. List each course by prefix and number (ENG 100), and note if the course was applied to the first degree (1st), the required hours for each course (Hr.), the earned grade (Gr.), and if the course was transferred from another institution (Tr.). In block I, you must note all required courses for the major, including any courses already completed. The head of the department housing the major will approve and sign.
- Block II, First Minor or Second Major, follows the same procedure as block I. List all required courses, even if the student has already completed a course. The head of the department housing the minor/second major will approve and sign.
- Block III, Second Minor, is only needed if the student declares more than one minor. The procedure is the same as blocks I and II. The head of the department housing the minor will approve and sign.

- Block VI, Institution-Date of 1st Degree, asks for the first degree that the student earned, along with the date of graduation.
