University Notices

Notification of Rights under FERPA (Family Educational Rights and Privacy Act)

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records, including

- (1) The right to inspect and review the student's education records within 45 days of the day the University receives a request for access. Students should submit to the University Registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) they wish to inspect. The University official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the University official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- (2) The right to request the amendment of the student's education records that the student believes are inaccurate or misleading. Students may ask the University to amend a record that they believe is inaccurate or misleading. They should write the University official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the University decides not to amend the record as

requested by the student, the University will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for an amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

(3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent, including disclosure without the student's consent is permissible to school officials with legitimate educational interests. A school official is a person employed by the University in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the University has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Regents; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

(4) The right to file a complaint with the U. S. Department of Education concerning alleged failures by Western Kentucky University to comply with the

requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4605

For additional information pertaining to the Family Educational Rights and Privacy Act, go to:

http://www.wku.edu/registrar/notification_of_rights.php

Questions may be directed to the University Registrar, 238 Potter Hall, (270) 745-3351.

To Withhold Publication of Directory Information

The educational record designated as Directory Information may be released or published by the University **without prior written consent** of the student **unless exception is made in writing** by the student. Appropriate forms are available in the Office of the Registrar. Such written exception **must** be received within the first five days of class of each term. Once received, that request will remain in effect until notification to the contrary is received by the Office of the Registrar.

Student Right-to-Know Act Disclosure Statement

In compliance with the federal Student Right-to-Know and Campus Security Act of 1990, the University's graduation rate is to be made available, upon request, to potential and currently enrolled students. The Act requires public disclosure beginning July 1, 1993, of this information by institutions of higher education receiving federal financial assistance. Western Kentucky University's graduation rate was calculated using definitions established by the U. S. Department of Education. This rate is based upon the number of beginning freshmen who entered Western Kentucky University as full-time degree-seeking students during the 2013 fall semester and who completed an associate degree or a baccalaureate degree within six years (through August, 2019). For this cohort of beginning students, the graduation rate is 48.87%.

Registration Information

Priority Registration

Eligible students are encouraged to register during the priority period according to the academic calendar. Students may register on their assigned day or thereafter whenever TopNet is available. Refer to TopNet Registration Procedures and Tips on page 7.

Winter Session—Registration will be available from 5 a.m. to 2 a.m. beginning October 12. Registration availability will vary by length of session:

- 3-Week Session – Oct 12 - Dec 15
- 5-Week Session – Oct 12 – Dec 16
- 2-Week Session – Oct 12 - Jan 5

Student Eligibility

Registration eligibility is based upon:

- Enrollment during the 2020 Winter, 2020 Spring, 2020 Summer, or 2020 Fall Term
- Admission for the 2021 Winter Session
- Clearance of all hold flags
- New students are advised to consult with their advisor.

NOTE: For winter session, there is no mandatory advising requirement for undergraduate students. However, students are encouraged to consult with their advisor to be assured of appropriate course selections.

New Student Registration

New freshmen and transfer students admitted for Winter Session may use TopNet to register for winter classes.

Late Registration

3-Week Session – December 14
5-Week Session – December 14
2-Week Session – January 4

Students initially registering on the first day of the term and thereafter will be subject to a late registration penalty of \$50. Refer to the Fee Payment Schedule for payment deadlines.

Drop/Add

Schedule changes may be necessary following a student's initial registration and may be processed by using TopNet. Refer to Academic Calendar for applicable deadlines.

Registration Holds

TopNet will advise you of any holds that may prevent registration on your record.

Course Load

Winter Session course load is restricted to a maximum of four (4) semester hours.

Schedule Change Fee

Students may drop or add classes with no financial penalty through the last day to drop or add a course as printed in the official academic calendar. After that date, a \$50 Schedule Change Fee per course will be assessed for all student-initiated schedule changes.

Tuition and Fee Payment

Registration in a course obligates the student to pay for the course and fulfill course requirements. If you register and decide not to attend, you **MUST** withdraw from all classes prior to the first day of classes on TopNet or notify the Office of the Registrar of your withdrawal in writing; otherwise, you will owe tuition and late payment fees and receive 'F' grades. If you are receiving financial assistance and do not officially withdraw from WKU and plan to attend another university, your eligibility for aid at the other school may be affected. You are responsible for your own enrollment status. Refer to the Academic Calendar for deadline dates.

Attendance Policy

Registration in a course obligates the student to be regular and punctual in class attendance. Students who, without previous arrangement with the instructor or department, fail to attend the first two class meetings of a course meeting multiple times per week or the first meeting of a class that meets one time per week **MAY** be dropped from the course.

Nonattendance for a web-based course shall be defined as failure to perform meaningful academically-related activity (including, but not limited to, the following: submitting an academic assignment, taking an exam, participating in an online discussion about academic matters) within one week of the course start date without previous arrangements with the instructor or department. Nonattendance does NOT release students from the responsibility to officially drop any course for which they have enrolled and choose not to complete.

Repeating Courses

An undergraduate student is permitted to repeat a maximum of six courses. Only two courses in which a grade of 'C' or above has been earned may be repeated.

Auditing Courses

An auditor is one who enrolls and participates in a course without expecting to receive academic credit. The same registration procedure is followed, and the same fees are charged as for courses taken for credit. An audited course is not applicable to any degree or certificate program.

Regular class attendance is expected of an auditor. Other course requirements, which may be obtained in writing from the instructor, will vary depending on the

nature of the course. Students interested in auditing a course should secure permission from the instructor and discuss course requirements prior to enrolling. Failure to meet course requirements may result in the auditor being withdrawn from the course at the request of the instructor. A successful audit will be recorded on the transcript with the designation AU.

Any change from audit to credit must be done by the last day to add a class. Changes from credit to audit must be done by the last day to drop a class with a grade of 'W'. Instructor's written permission will be required to change from credit to audit beginning the first class day of the term. Refunds for withdrawals from audited courses will be prorated on the same basis as refunds for withdrawals from courses taken for credit.

Note: An audited course does not count toward enrollment for financial aid/scholarship purposes.

TIPS FOR USING TOPNET

NAVIGATION: Do not use the **Back** button on your internet browser to navigate through **TopNet**. Always use **Return to Menu** or the other links at the top and bottom of the pages.

PERSONAL IDENTIFICATION NUMBER (PIN): During your first time to use the system, **TopNet** will ask you to select your own 6-digit PIN. Remember your PIN, and keep it confidential.

ASSIGNED REGISTRATION DATE: **TopNet** is programmed to check for assigned registration dates and will not permit early registration. You may register only on your assigned date or thereafter.

CRN (Course Reference Number): This is a 5-digit number assigned to each class section listed in the schedule of classes. It is the number you use to register for classes using **TopNet**.

CLASS SEARCH FUNCTION: **TopNet** can provide a list of classes by desired subject, days, and times. At the bottom of the registration form, click the **Class Search** button. After selecting your desired subjects and other criteria, click the **Class Search** button. In the display, closed classes are indicated by a **C**. You may select available sections and register directly from this list of available classes by scrolling to the bottom and clicking the **Register** button.

AUDIT A COURSE: If you wish to take a course but not receive credit, you must first enroll in the course, then click **Audit** in the drop-down box in the Action column. Scroll to the bottom of the form and click the **Submit Changes** button.

After class(es) begin, you will be required to obtain permission from the instructor to audit a course, and processing must be done in the Office of the Registrar in Potter Hall.

You must obtain permission for enrollment from the academic department offering the course. When you register for the course, **TopNet** will recognize that permission has been granted through the use of a code entered by the departmental official.

PREREQUISITE CHECKING: Many courses are checked through **TopNet** to assure that the appropriate prerequisite(s) have been met. **TopNet** will not permit you to register for a course for which you have not fulfilled the prerequisite(s).

COREQUISITE COURSES: These are courses that must be taken together. You must register for them at the same time.

WITHDRAWALS: **TopNet** may be used to withdraw from individual courses or to completely withdraw from the term/semester according to dates published in the Academic Calendar in this guide. Students who cease attending class(es) without an official withdrawal will receive failing grades. The official date of the withdrawal is the date the withdrawal is finalized on **TopNet**. Tuition refunds or reductions in outstanding fee liabilities for students who officially withdraw or change their status from full-time to part-time is stated in the **Tuition and Fee Information** section of this guide. A \$50 Schedule Change Fee will be assessed for each course withdrawal, unless completely withdrawing from the session.

Advising and Degree Information

See Your Advisor

Academic advising is essential to fulfilling the teaching and learning mission of Western Kentucky University. At WKU, academic advising is required for all baccalaureate degree-seeking students until graduation.

Change of Major/Minor/Concentration

Baccalaureate degree-seeking students must declare a major before earning junior status (59 plus credit hours). Associate degree-seeking students must declare a major before entering sophomore status (29 plus credit hours). A **Change of Major** form is accessible to students in **TopNet** under the **Student Services/Student Records** menu. All students may use this form except:

- Graduate students
- Undergraduate students with a degree program on file (who will be directed to the Office of the Registrar to discuss the steps for changing a major after the degree program has been filed)
- Undergraduate students pursuing MORE than two majors (who will be directed to the Advising and Career Development Center)
- New incoming freshmen.

iCAP (Interactive Curriculum and Academic Progress)

Students may use iCAP (available through TopNet) to determine courses needed to complete degree requirements. Students can obtain personalized, interactive audits displaying progress toward a selected degree. An audit shows all the requirements needed to fulfill a major, minor or concentration and displays the transfer and WKU courses that have been used to satisfy those requirements. Students can run "What-If" audits to compare their coursework against other majors.

NOTE: Students who are pursuing a second baccalaureate degree must file a degree program.

Who is My Advisor?

Advisor assignment is based on your choice of major. If your assigned advisor leaves the University, you will be assigned a new advisor. If this does not happen, you should contact the academic department that administers your major to request a new advisor. To find your advisor, go to **TopNet** and click **Student Services; Registration; View Advisor Information**.

Please contact the Advising and Career Development Center if you need additional information or assistance by calling (270) 745-5065, or for more information please visit www.wku.edu/advising.

Final Grades

Final grades and cumulative grade point averages will be available on **TopNet**. Refer to the Academic Calendar for the final grade deadline, based off the length of your winter session.

To access your final grades:

1. Access **TopNet** at topnet.wku.edu
2. Enter WKU ID and PIN, Login.
3. Click **Student Services**, then **Student Records**.
4. Click **Final Grades**. Enter the desired term.

Grade reports are not mailed. If an Official Grade Report is needed, you may obtain one through **TopNet** by following steps 1-3 above, then click **Obtain Official Grade Report**.

Withdrawing from a Class or from the University

Withdrawal from Winter Session

TopNet may be used to withdraw from the Winter Session class according to dates published in the Academic Calendar. The official date of the withdrawal is the date the withdrawal is processed on TopNet.

Remember to check the following items prior to withdrawing:

• **Student health insurance:** You may no longer be covered by student health insurance once you withdraw completely. Check with Graves Gilbert Clinic at WKU- (270) 745-5641 or your personal health insurance agent to determine your status.

Winter 2021 Classes in Session

Winter 2021 Classes not in Session

Final Grades Due (Noon)

Drop/Withdrawal and Refund Schedule

Schedule changes for Winter Session may be necessary following a student's initial registration and may be processed by using TopNet according to the following dates:

Please refer to the Academic Calendar for the refund schedule as dates will vary based off the length of winter session.

Student Financial Aid

To ensure timely receipt of Pell Grant and/or loan funds, students must have a processed and valid FAFSA and be registered for a Winter Session course **prior to October 31**. Students will be notified via WKU email accounts of their aid eligibility.

For federal financial aid purposes (i.e. grants/loans), any courses taken during the winter Intercession will be combined with spring registration to determine your federal financial aid eligibility. Federal financial aid will not be awarded for the winter Intercession; instead it will be combined with your spring award and disbursed according to the spring disbursement schedule. You must have a 2020-2021 FAFSA on file to be eligible for federal aid. If you have not filed a FAFSA, you may do so at www.fafsa.ed.gov. The WKU Department of Student Financial Assistance will automatically review your federal eligibility based on the combined winter and spring registration. Enrollment in winter Intercession courses will initiate this review. Pell eligibility is based on the combined winter and spring registration. If you are already awarded a full-time spring Pell Grant, adding winter registration will not increase your Pell award. If you've already been awarded a full time package based upon your grade level and dependency status, adding winter registration will not increase your Pell or Direct Loan eligibility. However, there may be other financing options such as an alternative loan or Parent Plus loan.

Billing & Payment Procedures

WKU does not mail paper billing statements to students. **All billing is electronic**, with students receiving account statements through their WKU email address. As an added service, students can also select a billing email address so they can have their account statements sent to another email address, in addition to their WKU email

address, by adding the email address on TopNet. Important email correspondence will be sent to your WKU email account. **You are strongly advised to access your WKU email account routinely to stay informed of important university business such as information regarding your bill.**

Refer to the **Fee Payment Schedule** to determine applicable tuition due dates based upon registration dates. **Failure to submit payment by the deadline will result in the assessment of late payment fees and a financial obligation hold which may prohibit registration activity and prohibits receipt of transcript until balance is paid in full.**

Important Note for Scholarship and Financial Aid Recipients: Approved scholarships, including non-resident graduate scholarships, will be applied to students' accounts prior to the billing statement. Approved financial aid (Pell, CAP, SEOG, Perkins, Stafford, PLUS) will be reflected on the billing statement. All students, including financial aid recipients, are required to submit any balance due payments by the deadline based upon their registration dates.

Third Party Billing - For tuition and fees to be paid in-full or in-part by a third party after the stated due date, a written authorization must be submitted to the Billings and Receivables Office and approved before December 1. When such a written authorization is not received and/or approved, the student will be required to make the full payment by the printed due date.

Late Payment Policy: Failure to submit payment by the deadline may result in the assessment of late payment fees.

Financial Warning: Students who fail to pay their balance in full by the due date will be placed on "Financial Warning." A financial obligation hold will be placed on the student's account which prohibits receipt of transcript and may prohibit registration activity until balance is paid in full.

If you register and decide not to attend, you must withdraw from all classes prior to the first day of classes on TopNet or by notifying the Registrar's Office in writing to ensure that you will not owe tuition and late payment fees and receive "F" grades.

NOTE: You are responsible for your own enrollment status

The University expects the students to be financially responsible and not be delinquent in financial obligations to the University or to any department or division of the University. A student who fails to meet a financial obligation by the due date of the notice from the appropriate university official will be subject to regulations promulgated by the University. If the student does not settle the obligation by the date designated on the notice, the appropriate business office shall notify the Registrar. After the Registrar has been notified that a student is delinquent, the Registrar shall not allow the student to register or obtain an official transcript until the Registrar has been notified that the obligation has been settled.

In the event that any tuition, fees and/or other expenses are not paid when due and the University undertakes collection of any unpaid portion, the student shall also be assessed and be responsible for any collection costs and/or fees incurred by the University. Delinquent accounts receivables are placed with a collection agency and/or the Kentucky Department of Revenue and collection costs and/or fees will be added, increasing the amount owed. If an account is placed with an agency or the Kentucky Department of Revenue, the student agrees to reimburse WKU the fees of any collection agency and/or the Kentucky Department of Revenue, which may be based on a percentage at a maximum of 33.3% of the debt, and all costs and expenses, including reasonable attorney's fees, we incur in such collection efforts. Accounts will also be reported to the National Credit Bureaus.

Big Red Has Gone Green!

All bills are E-bills for WKU students.

WKU does not mail paper billing statements to students. All billing is electronic, with students receiving account statements through their WKU email address. As an added service, students can also select a billing email address so they can have their account statements sent to another email address, in addition to their WKU email address.

Benefits of e-billing:

- ❖ You are notified by email when your bill is ready to view.
- ❖ Billing history is available for viewing throughout the semester.
- ❖ You will always receive the bill; no worry of bills getting lost in the mail.
- ❖ No paper – environmentally friendly!

The "ONLY" way to select your university refund preference.

Western Kentucky University has partnered with BankMobile Disbursements to deliver financial aid refunds and other credit balances to students. All refunds are disbursed through BankMobile Disbursements.

To choose your university refund preference, sign in at my.wku.edu, then click Bank Mobile under Campus Information.

NOTE: The University will NOT issue residual/refund checks, so you MUST choose an option for receiving any refund due to you. The funds are sent from the University to BankMobile Disbursements who then disburses the refunds according to the choice a student has made during the selection process.

Additional Tuition and Fees Information

Residency Changes - Students who have a residency appeal pending should contact the Office of the Registrar before attempting to pay fees.

Appeals - Any student or parent who believes any policy or procedure in this section on **Tuition and Fee Information** presents a basic unfairness should present their concern in writing to the Chief Financial Officer who will refer the appeal to a university committee for a decision. The decision of the Committee will be final.

IMPORTANT INFORMATION regarding email communication: University policy requires that you use the provided WKU email address for all university email communication. **You are strongly advised to access your WKU email account routinely to stay informed of important university business such as information regarding your bill and/or financial aid.**

Financial Aid Information

Students receiving Federal Title IV Aid (i.e. Pell, CAP, SEOG, Perkins Loan, Stafford Loan, PLUS Loan) will receive a Financial Aid Award Notification via e-mail. The notification **will be sent to the student's WKU e-mail address**. Returning students currently have a WKU e-mail address. New students will have a WKU e-mail address automatically assigned once they have registered for classes. A new student not yet registered at the time their financial aid is awarded will be sent a Financial Aid Award Notification to the e-mail address indicated on their FAFSA or to their mailing address if they did not list an e-mail address. Financial aid awards are based upon the information submitted to the Department of Student Financial Assistance. It is the student's responsibility to notify the financial aid office when there is a change in enrollment status, family, or financial situation that may affect eligibility to receive federal financial aid.

Changes in enrollment during the 100% refund period may result in changes to Pell, CAP Grant and KEES awards. Enrollment will be reviewed after the drop/add period. Adjustments cannot be made to Pell and CAP Grant awards for classes added after the drop/add period.

Revisions to Awards

Change(s) in financial aid awarded or accepted based on a student's eligibility for aid will be posted to the student's TopNet account.

Changes in enrollment status may affect loan deferments, require repayment of funds received, and/or affect academic progress and eligibility for financial assistance in subsequent terms. **To maintain loan eligibility, students must be enrolled for 6 hours undergraduate or 4.5 hours graduate.**

Undergraduate students who receive financial aid based upon full-time enrollment status will be expected to earn at least 24 semester hours within the traditional academic year.

Return of Unearned Title IV Aid

A federal law applies to Federal Pell Grant, Federal SEOG, Federal Perkins Loan, and Federal Stafford Loans that requires a school to determine both how much federal financial aid is earned while enrolled and the amount of unearned aid that is received.

The amount of federal aid that is earned is determined on a **pro-rata** basis regarding the number of days enrolled when compared to the total days in the semester. If the student has completed **60%** of the enrollment period, the student is considered to have earned all of the federal aid for that period. The 60% date for the winter session is **January 3, 2021**.

The student may be required to return unearned funds that he/she received. The amount that the school is required to return may be greater than the amount of the refund of the institutional charges. If this is the case, the student will also owe the University for the difference.

All FN Grades

Federal financial aid recipients who receive all **FN** grades (failure due to non-attendance) are subject to federal regulations, Federal Return to Title IV Funds, and are considered unofficially withdrawn.

An FN grade will be recorded for failure due to non-attendance, or ceasing to attend, up to and including the 60% point of a term, valued at no semester hours earned and no quality points. Nonattendance shall be defined as failure to perform meaningful academically-related activity including, but not limited to, the following: submitting an academic assignment, taking an exam and/or participating in an online discussion about academic matters.

Without acceptable proof of attendance or participation in class related activity **beyond** the 60% point of the student's enrollment period, a pro-rated return of Federal Title IV Aid received is required.

Western Kentucky University is required by Title IV Federal Regulations to administer financial aid for students with all **FN** grades in this manner. Failure to comply with the regulation would result in monetary fines to WKU and jeopardize our continued participation in federally funded aid programs. The assumption behind this regulation is that students receiving all **FN** grades probably did not complete the semester, but rather walked away from WKU without officially withdrawing.

The Department of Student Financial Assistance will notify students who received financial aid and received all **FN** grades for a given semester that Title IV funds were returned. Students will be required to submit proof of attendance within 30 days from the **date of the letter**. Late certification (beyond the 30 day limit) **will not be accepted**. An invalid or outdated mailing address will not be considered as a legitimate excuse since it is the student's responsibility to maintain accurate address information with the University through the Registrar's Office. Acceptable proof of attendance or participation in a class related activity will be either a letter on departmental letterhead or an email from the professor, instructor or academic advisor noting the last date of a student's presence in class or involvement in a class related activity.

Further/future financial aid will be cancelled until attendance is resolved or the student has paid all past due fees with the Bursar's Office.

students to earn college credit in a format that fits their lifestyle. There are more than 1,700 courses available each year, and over 80 online programs at the graduate and undergraduate level. In addition, there are several degree programs that allow students to complete a significant portion of required courses online, offering additional flexibility within any program of study. WKU On Demand offers more than 100 undergraduate and graduate self-paced courses delivered by web. On demand courses do not follow a term based calendar, which allows students the flexibility to start their class any day of the year, finish in as little as 7 weeks or take advantage of an extended time frame; making it easy to arrange study time around other obligations. In-state tuition rates apply to all enrollments!

To see which courses are offered in an on demand format, go to <http://topnet.wku.edu>, search the "Schedule of Classes" and select "On Demand" as the campus location. Course credit will be granted for the semester in which the student registers:

Fall:	August 1 – November 30
Spring:	December 1 – April 30
Summer:	May 1 – July 31

Admission Requirements

Enrollment in On Demand courses does not require, nor does it constitute, formal admission to WKU. The ACT is not a requirement for enrollment in courses through WKU On Demand.

To Register

You can register for On Demand courses through TopNet, by mail, or fax, or you can hand-deliver your form to the On Demand Office in South Campus Academic Wing, C170.
