WRITERS

Ms. Carol Cummings

Mr. Tommy Newton

Mr. Bob Skipper

About the Cover

Ernest Hemingway, Plato, Miguel de Cervantes and Shakespeare are among the classical authors whose works remain relevant for today's students and culture, according to Dr. Nikolai Endres, WKU English faculty member.

WKU Scholar is published semiannually for members of the public interested in Western Kentucky University scholarship and research. This magazine is produced by the Office of Graduate Studies and Research, the Office of Sponsored Programs, University Libraries, and the Office of University Relations.

Western Kentucky University
1906 College Heights Blvd.
Bowling Green, KY 42101-1026

Printing paid for from state funds, KRS 57.375

2 Digital Diagnostic

by Bob Skipper

Jannice Owens Aaron says she was "in the right place at the right time" to become a pioneer in the digital transmission and reading of diagnostic images.

7 Benefits of Integrated Classrooms

by Carol Cummings

Sylvia Dietrich's observations show that preschool students with and without disabilities form typical social relationships when in inclusive settings.

10 Learning a Second Language

by Tommy Newton

Alex Poole's goal as an applied linguist is to find solutions to problems people have with learning a second language.

14 Connecting Through the Ages

by Carol Cummings

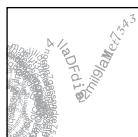

Dana Burr Bradley has her students interview older adults to explore the concept of ageism.

18 Searching for Pearls

by Bob Skipper

Dorris J. Hutchison used her natural curiosity to become a top researcher in antibiotics.

21 Reading Research

by Carol Cummings

Sherry Powers, a social worker turned teacher, is studying how the cycle of low literacy impacts families and children.

24 Classical Influences

by Tommy Newton

Nikolai Endres uses the classics to show today's students how classical literature influences modern writing and culture.

28 A Scientist Who Dreamed

by Tommy Newton

Gene Shearer, one of the most cited AIDS researchers in the U.S., almost wasn't accepted as an undergraduate student at WKU.

31 Research Briefs
