 Potter College of Arts & Letters
 Western Kentucky University

Four-Year Academic Degree Path
Catalog year 2014

The following four-year plan is an example of how to map your program in consultation with your photojournalism faculty advisor. Every student will finish with a unique plan of his/her own depending on the minor area of study and electives selected.

Admission: Students wishing to enter the major in photojournalism initially are admitted as majors seeking admission (reference 750P). Prospective majors may take no more than 15 hours in the major before admission. Students must meet the following requirements before they can be admitted:

1. Completion of a minimum of 24 hours of course work applicable to a baccalaureate degree;
2. A minimum overall grade point average of 2.5;
3. Completion of ENG 100 with a grade of 'C' or better and nine additional hours in the General Education Program;
4. Completion of the following courses with a grade of 'C' or better: SJB 101, 102, 103 and PJ 231.

Students not meeting the above admission requirements will not be admitted to the photojournalism major and cannot register for any additional courses in the major.

CURRICULUM: The major in photojournalism (reference number 750) requires 45 to 46 semester hours and leads to the Bachelor of Arts degree. No course with a grade of "D" or below may be counted toward the major or fulfill prerequisite requirements. One-half of the hours in the major must be at the 300- or 400-level. Students must take a minimum of 72 semester hours in courses outside of the School of Journalism & Broadcasting unit including the University's general education requirements. In addition to meeting institutional requirements for graduation, the photojournalism major must have a minor or second major outside of the School of Journalism & Broadcasting and Film Studies that is approved by the major faculty advisor. Students may not select a minor in film studies, or those offered within the School, unless taken as a second minor. Refer to the University catalog for additional information.
