

THE EVENTS ARE EXTREMELY HELPFUL! THE EVENTS ARE CONDUCTED PROFESSIONALLY AND FACILITATED ESSENTIAL DISCUSSIONS BETWEEN ME AND INDUSTRY REPRESENTATIVES. I HAVE THOROUGHLY BENEFITED FROM THEM. THE INDUSTRIAL LIAISON IS SO HELPFUL! WITHOUT HER HARD WORK AND CONSISTENT E-MAILS, I WOULDN'T KNOW WHERE TO START WHEN LOOKING FOR INTERNSHIPS.

CLARK HINSON
MECHANICAL ENGINEERING

ATTENDING INDUSTRIAL PARTNERSHIP EVENTS HAS GIVEN ME A CLEARER VIEW OF WHAT POTENTIAL EMPLOYERS WANT TO SEE IN THEIR POTENTIAL EMPLOYEES. IT HAS HELPED ME EFFECTIVELY EDIT MY RESUME AND CONNECTED ME WITH A WIDER NETWORK OF PEOPLE.

LILLIE SHAW
MECHANICAL ENGINEERING

I WOULD HAD NOT PERFORMED SO WELL IN INTERVIEWS AND HAD NEAR AS MANY OPPORTUNITIES WITHOUT AN INDUSTRIAL LIAISON. AND THANKFULLY, I HAVE RECEIVED MY FIRST JOB OFFER AS A FIRST SEMESTER SENIOR.

KAYLEE RANBURGER

WKU INDUSTRIAL PARTNERSHIP

WHEN I WENT TO THE PARTNERSHIP DINNER I GOT TO MEET A VARIETY OF ENGINEERS AND LEADERS IN THE COMMUNITY. THEY GAVE ME GREAT ADVICE AND ALSO TOLD ME ABOUT OPPORTUNITIES THAT WERE IN THIS AREA. I FELT VERY NERVOUS WHEN I FIRST ARRIVED BUT LIZ HELPED ME FIND EVERYTHING I NEEDED AND INTRODUCED ME TO A FEW PEOPLE TO GET ME STARTED WITH MY MINGLING EXPERIENCE. I FELT THAT THIS EVENT HELPED ME BUILD AN UNDERSTANDING THAT LED TO ME GETTING THE POSITION THAT I HAVE TODAY.

ELECTRICAL ENGINEERING
STUDENT

IT WAS VERY WELL PUT TOGETHER, AND LOOKED GREAT. THE INDUSTRIAL PARTNERS GAVE ME A LOT OF INFORMATION AND ANSWERED A LOT OF MY QUESTIONS. IT WAS A GREAT LEARNING EXPERIENCE.

JACKSON DEEP
MECHANICAL ENGINEERING

I'VE WENT TO THE NETWORKING DINNERS AND SOME INDUSTRY SHOWCASES AND THEY HAVE DEFINITELY BEEN VERY HELPFUL IN MAKING CONNECTIONS TO RECRUITERS. LIZ HELPED ME GET TWO INTERNSHIPS AND MY FIRST ENTRY LEVEL ELECTRICAL ENGINEERING POSITION. WITHOUT HER AT WKU, I WOULD HAVE FOUND IT DIFFICULT TO MAKE THE PROPER CONNECTIONS I NEEDED TO EVEN GET AN OPPORTUNITY TO SHOWCASE MY SKILLS AND KNOWLEDGE.

NATHAN WOOD
ELECTRICAL ENGINEERING

I HAVE THOROUGHLY ENJOYED THE INDUSTRIAL PARTNERSHIP EVENTS. THEY PROVIDE A GREAT OPPORTUNITY TO DEVELOP THE SKILL OF TALKING TO EMPLOYERS YOU WANT TO IMPRESS, TO LEARN TIPS AND TRICKS FROM THE EMPLOYERS YOU WANT TO IMPRESS, AND JUST AN OVERALL FUN TIME.

ETHAN HINKSON
MECHANICAL ENGINEERING

EACH FALL AND SPRING I ATTEND THE INDUSTRIAL PARTNERSHIP NETWORKING EVENTS. I FIND THE EVENTS TO BE A GREAT WAY TO MEET THE COMPANIES THAT SUPPORT OUR PROGRAM AND LOOK TO GIVE SOME OF OUR STUDENTS WORK EXPERIENCE. THESE EVENTS HAVE HELPED ME GAIN COMFORT IN A BUSINESS YET CASUAL ENVIRONMENT AND GAIN CONFIDENCE WHEN TALKING TO AND ASKING QUESTIONS TO EMPLOYERS.
