Recommendation

**2012-03-04    The University Senate recommends adoption of the General Education Review Task Report and endorsement of the WKU Colonnade Program it contains, including the General Education Committee rule changes listed below.**

A. The World Language Proficiency guideline will read: “Admitted students are expected to demonstrate language proficiency at the ‘novice mid’ level before completing 60 hours of coursework. Additional courses may be taken to meet this proficiency. Students who transfer to WKU are exempt from the World Language Proficiency requirement.”

B. The guideline on the number of WKU Colonnade Program hours students must earn before taking “Connections” courses will read: “Although they may be used with a major or minor program, Connections courses are upper-division classes designed for the general student population, and should be taken after students have completed 21 hours of WKU Colonnade Program coursework or achieved junior status.”

C. The following statement will be added to the WKU Colonnade Program rules: “WKU Colonnade Program requirements do not apply to Associate Degree programs.”
