GRADUATE COUNCIL REPORT TO THE UNIVERSITY SENATE

DATE: February 2015 FROM: The Graduate School

The Graduate Council submits the following items from the February 12, 2015 meeting for consideration.

Information Items:

I. Temporary Course
NURS 521 Statistics in Health Care

Consent Items:

I. Revise a Course EDU 695 Advanced Topics in Education

Action Items:

I. Revise a Course
 KIN 514 Lab Methods in Exercise Physiology
 GEOS 502 Geoscience Field Research

II. Revise a Program
 0010 Doctor of Education
 0457 MAE Special Education for Teacher Leaders: Learning and Behavior Disorders
 072 MS Geoscience

Western Kentucky University School of Nursing NURS 521 Statistics in Health Care Syllabus - Summer 2015

Course Description: Fundamental statistical concepts and techniques addressed include levels of measurement, measurement reliability and validity, and common statistical techniques. The emphasis will be on statistics used in health care research to improve clinical outcomes.

Course Objectives: Upon completion of this course, the student will be able to:

- 1. Demonstrate understanding and application of descriptive/inferential statistics in health care research.
- 2. Interpret statistical results and identify clinical outcomes.

3. Critique current health care research for appropriate statistical application.

Course Number: NURS 521

Course Title: Statistics in Health Care

Course Credit: 3 hours

Prerequisite(s): None

Location and Hours: TBA

Faculty: Dr. XXXXX XXXXXXX

Office: XXXXXXX; e-mail: XXXXXXX

MSN Program Outcomes	Course Objectives
Demonstrate proficiency in the utilization of research and quality improvement, including problem identification, awareness of outcomes, evaluation, and dissemination of research.	 Demonstrate understanding and application of descriptive/inferential statistics in health care research. Critique current health care research for appropriate statistical application.
Integrate theory and research from nursing and related disciplines as a foundation for advanced practice.	 Demonstrate understanding and application of descriptive/inferential statistics in health care research. Interpret statistical results and identify clinical outcomes.
Integrate theoretical knowledge of health promotion and maintenance and illness/disease prevention to achieve optimal health.	Interpret statistical results and identify clinical outcomes.

DNP Program Outcomes	Course Objectives
Critically appraise theoretical concepts and	Demonstrate understanding and application of
knowledge from nursing and other disciplines and	descriptive/inferential statistics in health care
integrate this evidence in developing, implementing,	research.

and evaluating best practices for improved health outcomes.	 Interpret statistical results and identify clinical outcomes. Critique current health care research for appropriate statistical application.
Develop, integrate, and evaluate evidence-based health care innovations while considering cultural, economic, ethical, legal, political, and technological issues across diverse health systems and models.	 Interpret statistical results and identify clinical outcomes. Critique current health care research for appropriate statistical application.
Analyze and apply advanced nursing practice concepts of clinical prevention and health promotion to improve health outcomes in relevant populations.	 Interpret statistical results and identify clinical outcomes. Critique current health care research for appropriate statistical application.

Required Textbook: Grove, S. K. (2011). *Statistics for Health Care Research*. St. Louis, MO: Saunders Elsevier.

Instructional Methods: This course will be taught using a variety of instructional teaching methods. Students will have assigned readings and activities; discussions, critiques, and/or other online methods.

Course Outline:

- I. Preliminary Analyses of Data
 - a. Level of Measurement
 - b. Descriptive Statistics
 - c. Percentages, Percentile, Histograms, and Line Graphs
- II. Probability and Nonprobability Sampling Methods
- III. Understanding the Sampling Section
 - a. Sample criteria
 - b. Sample size
 - c. Refusal rate
 - d. Mortality rate
- IV. Validity and Reliability
- V. Statistical Techniques to Compare Groups
 - a. Non-parametric Statistics
 - b. t-tests
 - c. Analysis of Variance
- VI. Statistical Techniques to Explore Relationships Among Variables
 - a. Pearson's Product-Moment Correlation Coefficient
 - b. Partial and Multiple Correlations
 - c. Simple Linear Regression
 - d. Multiple Linear Regression

Course Evaluation:

Application Assignments (8 @ 10 pts each)	80 pts
Article Critiques (2 @ 25 pts each)	50 pts
Midterm Examination	100 pts

Final Examination 100 pts Total possible pts 330 pts

Communication:

Handouts, assignments, and examinations will be posted on the course section for the class. Email messages will be sent to individuals and groups of students via Blackboard. It is the student responsibility to check their WKU email account once every 24 hours for emails and notifications, as well as making sure that their email inbox is not full. Grades will be posted at Grade Center on the course Blackboard Site.

Course Policies:

Academic policies found in the SON Graduate Handbook, the DNP Handbook and the WKU Graduate Catalog will be followed in this course.

- APA 6th edition format is required for written assignments
- Student is responsible for keeping a copy of written assignments submitted to faculty for grading
- Student is to submit all papers electronically in the assignment link provided in Blackboard unless instructed otherwise. Students are required to meet pre-established deadlines for assignments unless **PRIOR** arrangements have been made with faculty.

Technical Support

The phone number for technical support is 270-745-7000. Since this course is web-based, there may be an occasion(s) in which students cannot avoid technical difficulties. If you are have technical difficulties that interfere with the submission of a timely assignment, you must notify the course instructor via email prior to the deadline.

Student Accessibility Resource Center

In compliance with university policy, students with disabilities who require academic and/or auxiliary accommodations for this course must contact the Office for Student Disability Services in the first floor of the Downing Student Union, Room 1074. The phone number is 270.745.5004 and the email address is sarc@wku.edu.

Please DO NOT request accommodations directly from the professor or instructor without a letter of accommodation from the Office for Student Disability Services.

<u>Counseling & Testing Center:</u> provides counseling for students face-to-face http://www.wku.edu/heretohelp/ but also the Outreach Services offers a "Here to Help" web form where you can ask questions online and have them answered. They also have a 24 hour Help Line for emergencies at 270-843-4357.

The Health Sciences Librarian for CHHS is Dr. Carol Watwood 270-745-3912 or carol.watwood@wku.edu

Class Attendance / Participation: Active participation in the class is expected.

Faculty reserves the right to make changes in the syllabus including adding or subtracting assignments or changing due dates if, in the opinion of the instructor, changes will improve the course or enhance student learning. An updated syllabus will be reviewed with the class and posted on the class blackboard site in such an event.

Proposal Date: September 29, 2014

College of Education and Behavioral Sciences School of Teacher Education/Educational Leadership Doctoral Program Proposal to Revise Course Grade Type (Consent Item)

Contact Person: Tony Norman, tony.norman@wku.edu, 745-3061

- 1. Identification of proposed course
 - 1.1 Course prefix (subject area) and number: EDU 695
 - 1.2 Course title: Advanced Topics in Education
- 2. Current course grade type: Standard Letter Grade
- 3. Proposed course grade type: Pass/Fail
- **4. Rationale for revision of course grade type:** This course is typically used for EdD students in Teacher Leader or P-12 Administrative Leadership specializations to conduct "readings or special projects in education" (catalog description) or to receive credit for providing evidence that they hold current National Board Certification status. In either case, the awarding of a Pass/Fail grade seems more appropriate.
- 5. Proposed term for implementation: Fall 2015
- 6. Dates of prior committee approvals

10/10/14
12/2/2014

College, Department: College of Health & Human Services; School of Kinesiology, Recreation & Sport

Contact Person: Scott Lyons, Scott.Lyons@wku.edu, 270-745-6035

- 1. Identification of course
 - 1.1 Course prefix and number: KIN 514
 - 1.2 Course title: Lab Methods in Exercise Physiology
- 2. Proposed change(s):
 - 2.1 course number:
 - 2.2 course title:
 - 2.3 credit hours:
 - 2.4 grade type:
 - 2.5 prerequisites: **Current**: Graduate standing and acceptance into the Physical Education graduate program. **Proposed**: none
 - 2.6 corequisites:
 - 2.7 course description:
 - 2.8 other:
- 3. Rationale for revision of course: The proposed revision aligns the course with other KIN prefix courses. Graduate standing is a general assumption for graduate courses and is not listed for any other KIN prefix courses, except KIN 598. The reference to acceptance into the Physical Education program is old terminology, as the master's degree name was previously changed from Physical Education to Kinesiology; this language is not listed for any other KIN prefix courses, except KIN 598.
- 4. Term of implementation: Fall 2015
- 5. Dates of committee approvals:

School of Kinesiology, Recreation & Sport CHHS Graduate Curriculum Committee	12/08/2014 01/26/2015	
University Senate		

^{*}Course revision proposals require a <u>Course Inventory Form</u> be submitted by the College Dean's office to the Office of the Registrar.

Proposal to Revise a Course (Action)

Date: November 14, 2014

Ogden College, Department of Geography and Geology

Contact Person: David Keeling, david.keeling@wku.edu, 5-4555

7. Identification of course

1.3 Course prefix (subject area) and number: GEOS 502

1.4 Course title: Geoscience Field Research

8. Proposed change(s):

8.1 Course number: No change

8.2 Course title: Geoscience Research Methods

8.3 Credit hours: Variable 1-4 hours

8.4 Grade type: Standard letter grading

8.5 Prerequisites: GEOS 500

8.6 Corequisites: None

8.7 Course description: An introduction to research techniques and methodology

appropriate to the thesis project.

8.8 Other: N/A

9. **Rationale for revision of course:** Many thesis projects do not require intensive field-based research experience, but each project does require appropriate techniques and methods to support specific thesis research. This course is revised to allow for variable credit (1-4 hours) in research methods, with 1 hour required in the Spring semester for first-year students to ensure that the thesis proposal contains the appropriate techniques and methods. Additional credit of up to three hours may be earned during the second year of the program.

10. Term of implementation: Fall 2015

11. Dates of committee approvals:

Department of Geography and Geology	11/14/2014
Ogden College Graduate Curriculum Committee	01/23/2015
Graduate Council	<u>2-12-15</u>
University Senate	

^{*}Course revision proposals require a <u>Course Inventory Form</u> be submitted by the College Dean's office to the Office of the Registrar.

2.4 other: Revise policy by which EdD students may be awarded EDU 695 credit for education related experiences. Update policy wording.

3. Detailed program description:

Existing Program

Students admitted to the EdD in Educational Leadership program may apply to receive graduate credit for successful completion of the National Board Certified Teacher process. Those approved will receive up to six (6) hours of credit for EDU 695. To be eligible to receive credit, students must document that they:

- have been admitted to the EdD program in either the Teacher Leader or P-12 Administrative Leadership concentration;
- have completed at least 9 hours in the EdD program; and
- hold current National Board Certification status.

The student must submit an application form to the Doctoral Studies Leadership Council, which will consider whether to approve the application and then determine the number of EDU 695 hours to credit to the student's program. The hours may not be substituted for required (core) courses in the program. Once a recommendation for the awarding of hours for NBCT completion is approved by

Revised Program

Students admitted to the EdD in Educational Leadership program may apply to receive graduate credit for successful completion of the National Board Certified Teacher process. Those approved will receive up to six (6) hours of credit for EDU 695. To be eligible to receive credit, students must document that they:

- have been admitted to the EdD program in either the Teacher Leader or P-12 Administrative Leadership concentration; and
- have completed at least 9 hours in the EdD program; and
- hold current National Board Certification status.

Similarly, EdD students participating in the WKU-Green River Regional Educational Cooperative EdD Partnership may apply to receive up to twelve (12) hours of EDU 695 credit for successfully completing WKU-GRREC co-designed educational leadership experiences/studies. To be eligible to receive credit, students must document that they:

the Doctoral Studies Leadership Council, the student must arrange for the American Council on Education (ACE) to send an official transcript documenting the student's NBCT status to WKU's Office of Graduate Studies and Research so that the credit may be entered on the student's transcript. No charge will be assessed by WKU.

 have been admitted to the EdD program in either the Teacher Leader or P-12 Administrative Leadership concentration.

In both cases, the student must submit an application form to the Doctoral Studies EdD Leadership Council, which will consider whether to approve the application and then determine the number of EDU 695 hours to credit to the student's program. The hours may not be substituted for required (core) courses in the program, and no more than 12 credit hours of EDU 695 may be listed on the student's program.

For NBCT-related applicants, once a recommendation for the awarding of hours for NBCT completion is approved by the Doctoral Studies EdD Leadership Council, the student must arrange for the American Council on Education (ACE) to send an official transcript documenting the student's NBCT status to the WKU's Office of Graduate School Studies and Research so that the credit may be entered on the student's transcript. For WKU-GRREC partnership participants, the application approved by the EdD Leadership Council will serve as documentation for credit.

No charge will be assessed by WKU for posting these credits.

- 4. Rationale: The WKU EdD program is collaborating with the Green River Regional Education Cooperative (GRREC) to develop an EdD partnership program whereby GRREC employees and affiliates may work together on doctoral coursework and research to benefit the educational communities within GRREC and WKU's mutual areas of regional stewardship. Following an already accepted NBCT model, the EDU 695 credit process allows for WKU and GRREC to develop a credit-bearing process for these partnership experiences.
- 5. Proposed term for implementation: Fall 2015

6. Dates of committee approvals:

EDD Leadership Council	10-16-2014
CEBS Curriculum Committee	12-2-2014
Professional Education Council (if applicable)	12-10-2014
Graduate Council	2-12-15

<u>Admission Requirements</u>: (Criteria vary, depending on the student's undergraduate institution and GPA):

The Exceptional Education program area offers courses and experiences for the advanced preparation of teachers holding Learning and Behavior Disorders certification or another certifiable area.

- 1. Applicants who are alumni of WKU teacher preparation programs must have or be eligible for a teaching certificate* and must submit a copy of the certificate or statement of eligibility with their applications.
- 1. Applicants who are alumni of WKU teacher preparation programs must have or be eligible for a teaching certificate* in LBD or another certifiable area, and must submit a copy of the certificate or statement of eligibility with their applications.
- 2. Applicants who completed their initial certification program at another Kentucky institution with at least a 2.75 GPA** for all previous coursework (undergraduate and graduate) must have or be eligible for a teaching certificate* and must submit a copy of the certificate or statement of eligibility with their applications.
- 2. Applicants who completed their initial certification program at another Kentucky institution with at least a 2.75 GPA** for all previous coursework (undergraduate and graduate) must have or be eligible for a teaching certificate* in LBD or another certificate area, and must submit a copy of the certificate or statement of eligibility with their applications.
- 3. Applicants who completed their initial certification program at an accredited out-of state institution with at least a 2.75 GPA** for all previous coursework (undergraduate and graduate) must have or be eligible for a teaching certificate* and must submit a copy of the certificate or statement of eligibility with their applications.
- 3. Applicants who completed their initial certification program at an accredited out-of state institution with at least a 2.75 GPA** for all previous coursework (undergraduate and graduate) must have or be eligible for a teaching certificate* in LBD or another certifiable area, and must submit a copy of the certificate or statement of eligibility with their applications.

*Kentucky applicants whose certificates have expired may be admitted, but they may enroll for only six hours before they must apply to the EPSB for reissued certificates. After completion of six hours, a student admitted with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses. Applicants from out-of-state with expired certificates must complete the requirements for their respective states to renew their certificates and submit a copy of the reissued certificate.

**Applicants with undergraduate degrees from all other accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score of 550 or higher. The 550 score must include a GRE Verbal Reasoning score of 139 or higher, a GRE Quantitative score of 139 or higher, and a GRE Analytical Writing score of 3.5 or higher. For GRE scores prior to August 1, 2011, a GAP score of 2200 or higher and a GRE Analytical Writing score of 3.5 or higher is required. In addition, applicants must have a valid teaching certificate in any area. A copy of the teaching certificate must be submitted with the application. GAP Score = GRE-V + GRE-Q plus undergraduate GPA multiplied by 100.

Application Deadline Notes: Along with all Graduate School admission deadlines (see current graduate catalog), for priority consideration for admission to the Special Education for Teacher Leaders: Learning and Behavior Disorders program students should submit application materials to the Graduate School by the following dates:

• Summer Admission: March 1

• Fall Admission: May 1

• Spring Admission: November 1

Students submitting materials after the above deadline dates cannot be guaranteed that applications will be reviewed in time for admission for the upcoming term nor that course space will be available.

*Kentucky applicants whose certificates have expired may be admitted, but they may enroll for only six hours before they must apply to the EPSB for reissued certificates. After completion of six hours, a student admitted with an expired certificate must submit a copy of the re-issued certificate before being allowed to register for any additional courses. Applicants from out-of-state with expired certificates must complete the requirements for their respective states to renew their certificates and submit a copy of the reissued certificate.

**Applicants with undergraduate degrees from all other accredited universities with a GPA lower than 2.75 (undergraduate and graduate) must achieve a GAP score of 550 or higher. The 550 score must include a GRE Verbal Reasoning score of 139 or higher, a GRE Quantitative score of 139 or higher, and a GRE Analytical Writing score of 3.5 or higher. For GRE scores prior to August 1, 2011, a GAP score of 2200 or higher and a GRE Analytical Writing score of 3.5 or higher is required. In addition, applicants must have a valid teaching certificate in any area. A copy of the teaching certificate must be submitted with the application. GAP Score = GRE-V + GRE-Q plus undergraduate GPA multiplied by 100.

Application Deadline Notes: Along with all Graduate School admission deadlines (see current graduate catalog), for priority consideration for admission to the Special Education for Teacher Leaders: Learning and Behavior Disorders program students should submit application materials to the Graduate School by the following dates:

• Summer Admission: March 1

• Fall Admission: May 1

• Spring Admission: November 1

Students submitting materials after the above deadline dates cannot be guaranteed that applications will be reviewed in time for admission for the upcoming term nor that course space will be available.

GEOG 474G Environment Planning 3	GEOG 424G Weather Analysis 3
GEOL 415G Environmental Geology 3	
	** A maximum of six hours of advisor-
CONCENTRATION	approved electives that are consistent with
Climate Science:	the student's <u>Research Focus</u> may be
GEOS 510 Research Topics 3	selected from other departments.
GEOS 515 Remote Sensing 4	·
GEOS 522 Physical Climatology 3	
GEOS 533 Synoptic Meteorology 3	
GEOS 535 Dynamic Meteorology II 3	
GEOS 537 Mesoscale Meteorology 3	
GEOS 538 Physical Meteorology 3	
GEOS 539 Atmospheric Modeling 3	
GEOS 595 Geoscience Practicum 3	
GEOG 424G Weather Analysis 3	
3233 4243 Weather Analysis	

** A maximum of six hours of advisor-	
approved electives that are consistent with	
the student's <u>Research Concentration</u>	
interests may be selected from other	
depart-ments or from other Geoscience	
concentrations	
PROGRAM TOTAL 30 hours	PROGRAM TOTAL 30 hours

4. Rationale for the proposed program changes:

- Reducing the core requirements to 15 hours facilitates better workload management and more appropriate student engagement.
- Removing the program concentration research methods course from the core and incorporating these courses into the electives provides more flexibility for students and faculty workload.
- Adding a 1-hour Research Methods requirement to the core will enable students to develop
 their thesis topic more extensively in the Spring semester one-on-one with their thesis
 advisor.
- Restructuring the electives to allow students to select 15 hours of coursework from concentrations reduces the number of program change forms needed and makes the program design process less confusing.
- 5. Proposed term for implementation and special provisions: Fall 2015
- 6. Dates of prior committee approvals:

Geography and Geology Graduate Committee	11/14/2014
OCSE Graduate Curriculum Committee	01/23/2015
Graduate Council	2-12-15
University Senate
