

Campus Library Advisory Council 2014-2015

Fall Meeting

Election of Vice-Chair: Kirk Atkinson was nominated and elected Vice-Chair.

Dean's report:

- A summary of the spring journal title review process.
- The year-long Wiley token per article pilot programs for Interlibrary Loan; this is a pre-pay program that will hopefully save WKU money.
- The Far Away Flix program for fall and spring semesters.
- Kanopy, a new streaming video service for use as a classroom resource
- New library marketing campaign featuring students for Herald ads, digital signage, and posters
- Updated library web site pages
- Glasgow Library renovation phase I
- Reference Room renovation
- 8 th floor compact shelving
- A video from the digitalization project was shown of a Dr. Earl Wassom interview in 1974 describing new technology in the library.

May/June Library Hours Proposal: Connie reviewed and discussed the proposed changes in library hours for May and June. The council suggested the library close at 6:00 pm as a trial/pilot program for one year. Connie said she would discuss it with the LLC and respond by email to the CLAC. A

Spring Meeting

Dean's Report (new items only)

- Browzine phone app (Laura); this is a nice app that allows one to access journals that WKU has access to from your ipad or similar devices.
- Confucius Institute building; potential changes were discussed.
- New integrated library system: changes for users (Deana); TOPCAT as a search engine will be going away. One-Search will be the only option moving forward.
