

Senate Executive Committee Motion August 17, 2015

The following motion was unanimously approved by the Senate Executive Committee (SEC) at its August 17th, 2015 meeting. The SEC requests that Faculty Regent Barbara Burch act on the motion and report any results at the next SEC meeting.

The WKU Senate Executive Committee strongly believes that the Confucius Institute building contract signed by President Gary Ransdell is not in the best interest of Western Kentucky University. For that reason, the WKU Senate Executive Committee asks that Faculty Regent Barbara Burch suggest to President Ransdell, and to the Board of Regents if needed, that the contract be revisited and no contractual obligations be undertaken until that time.
