Resolution on Prioritizing Academic Funding

December 3, 2019

BE IT RESOLVED THAT Pursuant to the reasoning laid out in the accompanying report *Funding Academics at WKU during Times of Financial Hardship: A Statement of Principle*, WKU shall for the 2020/2021 fiscal year use \$3,409,300 in operating funds that would otherwise be used to subsidize the Athletics Department to instead fund and effectively rescind scheduled cuts to Academics.
