

## Faculty Welfare and Professional Responsibilities Committee

Report for August 2019

Over the summer, the Chair, Lauren McClain, joined by outgoing Senate Chair, Kirk Atkinson, and incoming Senate Chair, Julie Shadoan, met with President Tim Caboni and Provost Cheryl Stevens to discuss the results of the Faculty Worklife Survey. Relevant sections of the results were also sent to BoR Chair, Phillip Bale, and Strategic Planning Committee Chair, Bruce Shulte.

Additionally, conversations were continued with Tony Glisson, Director of HR, about the development of a parental leave policy. We are hoping to have a draft of a policy by September.
