<p><b>Motion to Bundle all AGRO Courses– 1<sup>st</sup>/2<sup>nd</sup>:</b> Autin/Flener  <b>Vote:</b> Approved Bundle  <b>Discussions:</b> Burris gave a description on what has been changed. He is just lining our courses up with Tennessee State University. Autin asked why titles were the same with different numbers. Burris explained that it’s the way it’s always been. Grubbs asked if it is possible to have the same learning outcomes. Hammonds responded yes. Grubbs asked about the purpose for rolling them back since this program was cleared out due to CAPE. Cipolla made a comment about the outline topic lacks a capital letter which is not needed. He also asked if it necessary to put a restriction for Gatton students? There is no reason to put that restriction in there.  <b>Motion to Approve - 1<sup>st</sup>/2<sup>nd</sup>:</b> Flener/Autin  <b>Vote:</b> Approved (9/9)</p>
