---

The policy committee met via Zoom to discuss the following policy proposals.

Revise: Appeals of Graduate Policies

Revise: Graduate Experiential Learning Credit

Dr. Hammonds gave a brief overview of the current appeals process and the need for the revised Appeal of Graduate Policies proposal. The Policy Committee voted five to zero to accept the proposal and send it to Graduate Council. The Policy Committee recommends that a graduate committee similar to the undergraduate Committee on Graduate Credits and Graduation be formed to handle the appeals.

Attached is the proposed policy for consideration at the next Graduate Council Meeting.

The Policy Committee also discussed the proposed policy for Graduate Experiential Learning Credit. Dr. Plemons and Dr. Sander presented an overview and need for the policy. Discussions included the need to explicitly state that prior learning assessment did “Not count work experience.” There was also discussion about when the credit would be awarded. The committee will continue discussion on this policy proposal.
