Motion to Discuss – 1st/2nd: Wilson/Strunk

Discussion: Polk gave a brief description, basically just changing a little wording. *Friendly amendment:*

"The following is recommended, but not required:

- An additional writing sample (e.g., a paper, manuscript, thesis, etc.)
- Scores from the Graduate Record Examination (GRE)
- (Footnote) Admitted students who have provided GRE scores in prior years typically scored 4.0 or higher on the analytical writing subtest. However, each applicant will be evaluated individually and on a holistic basis; inclusion of the GRE with a strong analytical writing score may be beneficial for students looking to offset weaknesses in their application.
