This Scholarship is designed to be awarded to an African American student who can display leadership skills through their involvement on campus and/or their community. Here In SGA we believe involvement on campus has a direct relationship with leadership. During National Black History Month, we celebrate the legacy of Black Americans whose power to lead, to overcome, and to expand the meaning and practice of American democracy has helped our Nation become a more fair and just society. Western Kentucky Alumnus Gregory Mckinney's legacy gives inspiration to many students today. To be the first to do anything takes a very brave and headstrong individual. Mr.Mckinney, the first African American Regent and Student Regent here at WKU served during 1974-1975. The winner will be notified by March 7th.

Please list one faculty member to justify this application.
